ITEM 8.01. OTHER EVENTS.

As disclosed in Waterside Capital Corporation's (the "Company") Form 8-K filed on November 29, 2013 (the "Form 8-K"), the United States Small Business Administration (the "SBA") filed a complaint in the United States District Court for the Eastern District of Virginia on November 20, 2013 seeking, among other things, receivership for the Company and a judgment in the amount outstanding under the Company's Loan Agreement with the SBA plus continuing interest (the "Complaint"). See the Form 8-K for additional description of the Complaint and related matters. Thereafter, as disclosed in the Company's Form 8-K filed on December 27, 2013, the Company took steps to contest the Complaint.

On April 29, 2014 the Board of Directors of the Company (the "Board") met to reconsider the decision to contest the Complaint and also seek declaratory relief against the SBA. In light of developments occurring since December of 2013, including projections of its portfolio companies and also recent discussions with the SBA, the Board determined, after consultation with and advice of its counsel, that it was not currently in the best interests of the Company and its shareholders to continue to contest the Complaint and also seek declaratory relief. The SBA was informed of this determination. It is the Board's current intention to consent to the receivership process.
