**Item 2.01. Completion of Acquisition or Disposition of Assets.**

On November 30, 2004, Cougar Corporation ("Cougar"), a wholly owned subsidiary of AGL Resources Inc. (the "Company"), merged with and into NUI Corporation ("NUI"), with NUI continuing as the surviving corporation under the laws of the State of New Jersey (the "Merger"). Pursuant to the Merger, the Company acquired all the outstanding shares of NUI for \$13.70 per share in cash, or approximately \$218 million in the aggregate based on approximately 16 million shares currently outstanding, and the assumption of NUI's outstanding debt at closing. At closing, NUI had \$700 million in debt and approximately \$105 million of cash on its balance sheet (including the return of an interest escrow balance amount), bringing the net value of the Merger to approximately \$813 million. The purchase price was funded by AGL Resources through the issuance of its common stock, which was completed on November 24, 2004, and proceeds from short-term debt. The Company has issued a press release announcing the completion of the Merger, a copy of which is attached to this report as Exhibit 99.1.

The Merger was effected pursuant to an Agreement and Plan of Merger by and among the Company, Cougar and NUI, dated as of July 14, 2004 (the "Merger Agreement"). The Merger Agreement was filed as Exhibit 2.1 to the Company's Current Report on Form 8-K filed on July 15, 2004. The descriptions contained herein of the Merger, as contemplated by the Merger Agreement, are not complete and are qualified in their entirety by reference to the Merger Agreement and the press release described above, each of which are incorporated herein by reference.
