Election of New Director

On June 19, 2013, the Boards of Directors of PG&E Corporation and Pacific Gas and Electric Company (“Utility”) elected Richard C. Kelly to serve as a director of PG&E Corporation and the Utility, effective June 19, 2013. Mr. Kelly also has been appointed to serve as a member of the Audit Committees of the PG&E Corporation and Utility Boards of Directors, as well as a member of the Nuclear, Operations, and Safety Committee of PG&E Corporation’s Board. A copy of the related press release is attached to this report as Exhibit 99.1. Mr. Kelly will participate in PG&E Corporation’s and the Utility’s standard compensation program for non-employee directors as described in PG&E Corporation’s and the Utility’s joint proxy statement filed with the Securities and Exchange Commission on March 25, 2013.

PG&E Corporation’s and the Utility’s Corporate Governance Guidelines require that at least 75% of each Board be composed of independent directors, defined as directors who (1) are neither current nor former officers or employees of, nor consultants to, PG&E Corporation or its subsidiaries, (2) are neither current nor former officers or employees of any other corporation on whose board of directors any officer of PG&E Corporation serves as a member, and (3) otherwise meet the definition of “independence” set forth in the applicable stock exchange rules. The composition of PG&E Corporation’s and the Utility’s Boards of Directors currently meet the Corporate Governance Guidelines.

There are no arrangements or understandings pursuant to which Mr. Kelly was selected as a director of PG&E Corporation or of the Utility. Mr. Kelly does not have any relationship or related transaction with PG&E Corporation or the Utility that would require disclosure pursuant to Item 404(a) of Securities and Exchange Commission Regulation S-K.

Item 5.03. Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year

To accommodate the election of Mr. Kelly, on June 19, 2013, the Boards of Directors of PG&E Corporation and the Utility adopted resolutions to amend each company’s respective Bylaws to increase the number of directors on each Board, effective June 19, 2013. PG&E Corporation’s Bylaws were amended to change the number of directors from 12 to 13, and the Utility’s Bylaws were amended to change the number of directors from 13 to 14. PG&E Corporation’s Bylaws state that the authorized number of directors may not be less than 7 nor more than 13, and the Utility’s Bylaws state that the authorized number of directors may not be less than 9 nor more than 17. Each company’s Bylaws permit the Board of Directors to amend the respective company’s Bylaws to set the exact number of directors within the stated range.
