NEVSTAR GAMING AND ENTERTAINMENT CORPORATION
NOTES TO UNAUDITED FINANCIAL STATEMENTS
March 31, 2004

Note 1 - Bankruptcy Proceedings

On July 10, 2000, the Company, a Nevada Corporation filed a voluntary petition for relief under Chapter 11 (the "Chapter 11 Proceeding") in the Bankruptcy Court, Case No. BK-S-00-15075-LBR. During the Chapter 11 Proceeding, the Company acted as debtor in possession.

In April, 2001, the Company and W/F Investment Corp. ("W/F") submitted to the Bankruptcy Court a plan of reorganization, which was amended from time to time (the "Plan of Reorganization").

On February 20, 2002, the Bankruptcy Court issued an order confirming the Plan of Reorganization.

On November 22, 2002 the plan of reorganization became effective. The Company issued 15,141,674 shares of common stock to holders of unsecured claims; 156,428 shares of common stock to certain administrative claimants and to a previously secured claim, and 27,807,219 shares of common stock to the Plan Proponents. The 7,583,687 shares of Common Stock that were previously outstanding were retained by the holders of those shares. There are a total of 50,715,008 shares of common Stock outstanding after the issuance of shares under the Plan of Reorganization.

The Company is in the process of completing the administrative procedures, which include the acquisition of an operating entity, to allow it to formally emerge from the oversight of the Bankruptcy Court.

The Company does not currently have any operations.

Note 2 - Going Concern and Summary of Significant Accounting Policies

Going Concern

The accompanying financial statements have been prepared on a going concern basis, which contemplates the realization of assets and the satisfaction of liabilities in the normal course of business. The Company does not generate any revenue, and has a net capital deficiency. These factors among others may indicate that the Company will be unable to continue as a going concern for a reasonable period of time. The Company currently funds its disbursements by a line of credit from one of its Plan Proponents. There are insufficient funds available under that line of credit to meet the Company's current obligations.

These financial statements do not include any adjustments relating to the recoverability of assets and classification of liabilities that might be necessary should the Company be unable to continue as a going concern.

The Company is no longer operating, and will attempt to locate a new business (operating company) and offer itself as a merger vehicle for a company that may desire to go public through a merger rather

Edgar Filing: NEVSTAR GAMING & ENTERTAINMENT CORP - Form 10-Q

than through its own public stock offering.

The accompanying interim unaudited financial statements have been prepared in accordance with accounting principles generally accepted in the United States for interim financial information and pursuant to the rules and regulations of the Securities and Exchange Commission. In the opinion of management, all adjustments (consisting of normal recurring accruals) considered necessary for a fair presentation have been included. Operating results for the three-month and nine-month periods ended March 31, 2004 are not necessarily indicative of the results that may be expected for the year ending June 30, 2004. For further information, refer to the financial statements for the year ended June 30, 2003 and the notes thereto included in the Company's Annual Report on Form 10-K.

NEVSTAR GAMING AND ENTERTAINMENT CORPORATION NOTES TO FINANCIAL STATEMENTS March 31, 2004

Note 2 - Going Concern and Summary of Significant Accounting Policies (Continued)

Accounting for Reorganization

The Company applied Financial Accounting Standards No. 15 ("Accounting for Debtors and Creditors for Troubled Debt Restructuring") for its emergence from Bankruptcy. The Company also adopted the Fresh Start Reporting (see Note 6).

Use of estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the accompanying financial statements. Management uses its knowledge and expertise in making these estimates. Actual results could differ from those estimates.

Income Taxes

The Company utilizes the liability method to account for income taxes. Under this method, deferred taxes and liabilities are determined based on differences between financial reporting and tax bases of assets and liabilities and are measured using the enacted rates and laws expected to apply when the differences are expected to reverse.

Note 3 - Pre-petition Tax Liabilities

Pre-petition tax liabilities consist of \$193,858 payable to the Nevada Department of Taxation and the Nevada Gaming Authority. Pursuant to the Bankruptcy Code and stipulations entered into between the parties and the Company, the amounts will be paid in full, plus interest at 5% in quarterly payments commencing January, 2004 and ending September, 2009. Payments due on these liabilities during the next five years are as follows:

Twelve months ending March 31,

Edgar Filing: NEVSTAR GAMING & ENTERTAINMENT CORP - Form 10-Q

2005	\$ 32,000
2006	\$ 32,000
2007	\$ 32,000
2008	\$ 32,000
2009	\$ 32,000

Note 4 - Long Term Credit Facility, Related Party

The credit facility consists of a \$250,000 revolving line of credit, which is fully drawn, and an approved overdraft on that line of \$68,680, issued to the Company by W/F Investment Corp, a shareholder of the Company and a proponent of the bankruptcy Plan of Reorganization. The line of credit has been used to pay the Company's obligations through November 22, 2002, the Effective Date of the Plan of Reorganization, including the allowed administrative expenses, accounting, legal and related expenses. The line of credit bears interest at prime plus 2%, payable monthly. It is due October 31, 2007. Accrued interest on the credit facility as of March 31, 2004 totalled \$23,329.

8

Note 5 - Income Taxes

The Company has been unable to file federal income returns for the periods during which it operated the Mesquite Star Hotel and Casino due to its inability to gather sufficient financial information to prepare accurate returns. The Internal Revenue Service has communicated that it does not have the authority to waive the filing of these returns, however, it will not take further action against the Company. The result of this failure to file will be that the Company will not be able to establish net operating loss carryforwards that could be used to offset future income tax liabilities. The Company had previously recorded a valuation allowance equal to the amount of the anticipated net operating loss carryforward, therefore there is no impact on the reported financial condition of the Company.

Note 6 - Fresh Start Reporting

In accordance with its Plan of Reorganization, the Company converted unsecured liabilities amounting to approximately \$18,300,000 to 15,167,674 shares of its common stock. The Company also issued 156,428 shares of its common stock in payment of administrative claims totaling approximately \$20,000, and 27,807,219 shares of its common stock to its Plan Proponents. The shares issued were valued at \$0.01 per share, generating a gain on debt forgiveness of approximately \$18,000,000. The amount of accumulated deficit prior to the reclassification in accordance with Fresh Start Reporting amounted to approximately \$19,000,000. Management estimated the fair value of the shares issued at par value, based on the fact that no cash flows are expected in the foreseeable future. The balance of accumulated deficit after the adjustment required by the Fresh Start Reporting represents the "Excess Reorganization Value", which was impaired due to the fact that no cash flows are expected in the foreseeable future.

Note 7 - Legal Proceedings

The Company has an unliquidated claim against Randy Black Sr. ("Black"), the former receiver of the Company appointed by the Bankruptcy Court during

Edgar Filing: NEVSTAR GAMING & ENTERTAINMENT CORP - Form 10-Q

the Chapter 11 Proceeding, and related entities. The Company alleges, inter alia, that Black violated antitrust laws and his fiduciary responsibility to the Company by using confidential information obtained in connection with his duties as receiver to evaluate and consummate a transaction which lead to the foreclosure by Black on the Company's former gaming property located in Mesquite, Nevada. Black also owns four of the five casino properties located in Mesquite.

SAFE HARBOR STATEMENT UNDER THE PRIVATE SECURITIES LITIGATION REFORM ACT OF 1995

This Quarterly Report on Form 10-Q includes certain forward-looking statements based upon management's beliefs, as well as assumptions made by and data currently available to management. This information has been, or in the future, may be included in reliance on the "safe harbor" provision of the Private Securities Litigation Reform Act of 1995. These statements are subject to a number of risks and uncertainties including, but not limited to, the following: (a) the Company does not generate any revenue, and has a net capital deficiency which may impair its ability to continue as a going concern; (b) the ability of the Company to find a merger candidate or other business opportunity to bring profitable business operations into the Company; (c) the absence of an active public trading market for the Company's common stock; and (d) the Company does not have sufficient funds available on its line of credit to meet its current obligations.

Actual results may differ materially from those anticipated in any such forward-looking statements. The Company undertakes no obligation to update or revise any forward-looking statements to reflect subsequent events or circumstances.

The Company's Bankruptcy Plan of Reorganization became effective November 22, 2002. The Company is in the process of completing the steps outlined in the Plan to obtain a final decree and formally emerge from the oversight of the Bankruptcy Court.

The Company has no current operations, and is seeking to acquire a new business (operating company), or offer itself as a merger vehicle for a company that may desire to go public through merger rather than through its own public stock offering.
