PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS TO BE HELD July 18, 2005

This proxy statement is furnished in connection with the solicitation by the Board of Directors of Capital Southwest Corporation, a Texas corporation, with principal executive offices at 12900 Preston Road, Suite 700, Dallas, Texas 75230, of proxies to be voted at the annual meeting of shareholders to be held on July 18, 2005 or any adjournment thereof. The date on which this proxy statement and the enclosed form of proxy are first being sent or given to our shareholders is on or about June 3, 2005.

PURPOSES OF THE MEETING

The annual meeting of shareholders is to be held for the purposes of (1) electing five persons to serve as our directors until the next annual meeting of shareholders, or until their respective successors shall be elected and qualified; (2) ratifying the appointment by the audit committee of Grant Thornton LLP as our independent auditors; and (3) transacting such other business as may properly come before the meeting or any adjournment thereof.

VOTING AT THE MEETING

The record date for holders of our common stock entitled to notice of, and to vote at, the annual meeting of shareholders is the close of business on June 1, 2005, at which time we had outstanding and entitled to vote at the meeting 3,857,051 shares of common stock.

The presence, in person or by proxy, of the holders of a majority of the shares of common stock outstanding and entitled to vote at the annual

Edgar Filing: CAPITAL SOUTHWEST CORP - Form DEF 14A

meeting is necessary to constitute a quorum. Each shareholder is entitled to one vote, in person or by proxy, for each share of common stock held in its name at the close of business on the record date. Shareholders who are present, in person or by proxy, but abstain from voting on any matter will be counted as present at the meeting for purposes of constituting a quorum, but not for purposes of determining the final vote on any matter. Similarly, nominees (such as broker-dealers) who are present, in person or by proxy, but abstain or refrain from voting on any item, will be counted as present at the meeting, but not voting on any such item.

To be elected a director, each nominee must receive the favorable vote of the holders of a majority of the shares of common stock entitled to vote and represented at the annual meeting. In order to ratify the appointment of Grant Thornton LLP as our independent auditors for the year ending March 31, 2006, the ratification proposal must receive the favorable vote of a majority of the shares of common stock entitled to vote and represented at the annual meeting.

1

Each proxy delivered to us, unless the shareholder otherwise specifies therein, will be voted FOR the election as directors of the persons nominated as directors and FOR the ratification of the appointment by the Audit Committee of our Board of Directors of Grant Thornton LLP as independent auditors. In each case where the shareholder has appropriately specified how the proxy is to be voted, it will be voted in accordance with the specification. As to any other matter or business which may be properly brought before the meeting, a vote may be cast pursuant to the accompanying proxy in accordance with the judgment of the person or persons voting the same, but neither management nor our board of directors knows of any such other matter or business.

You may vote shares held directly in your name in person at the meeting. If you want to vote shares that you hold in street name at the meeting, you must request a legal proxy from your broker, bank or other nominee that holds your shares.

You may revoke your proxy and change your vote at any time before the final vote at the meeting. You may do this by signing a new proxy card with a later date, voting on a later date by proxy, or by attending the meeting and voting in person. However, your attendance at the meeting will not automatically revoke your proxy. You must specifically revoke your proxy.

No director attended less than 75% of the total number of board and committee meetings on which the directors served. All directors who were serving at the time attended our 2004 annual meeting of shareholders.

Audit Committee

The Audit Committee members are Messrs. Henderson (Chairman), Ligon and Wilson. The Audit Committee assists the Board in fulfilling its responsibilities for general oversight of: (1) our accounting and financial reporting processes and the integrity of our financial statements; (2) our systems of internal accounting and financial controls; (3) the independence, qualification and performance of our independent auditors; and (4) our compliance with ethics policies and legal and regulatory requirements relating to financial statements and reporting. The committee has the responsibility for selecting our independent auditors and pre-approving audit and non-audit services. Among other things, the Audit Committee prepares a report for inclusion in the annual proxy statement; reviews the Audit Committee charter and the committee's performance; approves the scope of the annual audit; reviews our corporate policies with respect to financial reporting and valuation of our investments. The committee also oversees investigations into complaints concerning financial matters. The Audit Committee has the authority to obtain advice and assistance from outside legal, accounting or other advisors as the Audit Committee deems necessary to carry out its duties.

Compensation Committee

The Compensation Committee members are Messrs. Wilson (Chairman), Henderson and Ligon. The Compensation Committee (1) discharges the Board's responsibilities to establish the compensation of our executives; (2) produces an annual report on executive compensation for inclusion in our annual proxy statement; and (3) provides general oversight for our compensation structure, including our equity compensation plans and benefits programs. Other specific duties and responsibilities of the committee include reviewing and approving objectives relative to executive officers' compensation; approving and amending our incentive compensation and stock option programs (subject to shareholder approval if required); and annually evaluating the committee's performance and its charter.

Nominating Committee

The Nominating Committee has the responsibility to (1) determine and recommend to the Board the slate of director nominees to be proposed to our shareholders; (2) identify and recommend to the Board individuals qualified to become Board members; and (3) insure that the Board and its committees are appropriately constituted. The Nominating Committee will consider director nominations made by shareholders, who should send nominations

to our corporate secretary, Susan K. Hodgson. Shareholder nominations proposed for consideration by the Nominating Committee must include the nominee's name and qualifications for Board membership. See "Shareholder Proposals" on page 17.

The Nominating Committee seeks to identify, and the Board of Directors selects, director candidates who (1) have significant experience that is relevant and beneficial to the Board of Directors and the Company, (2) are willing and able to make sufficient time commitments to the Company's affairs in order to perform their duties as directors, including regular attendance of Board and committee meetings, (3) have a record of character and integrity, and (4) represent the interests of the Company's shareholders. The evaluation process for nominees is the same regardless of the source of the recommendation. A copy of the Nominating Committee Charter is available via the Internet at our website (www.capitalsouthwest.com).

4

Committee Member Independence

All of the members of the Audit Committee, the Compensation Committee and the Nominating Committee are "independent" as defined by the Nasdaq Stock Market Listing Standards and the Sarbanes-Oxley Act of 2002. In addition, non-employee directors receive \$1,000 for each directors' meeting attended (excluding telephone meetings) and \$500 for each Audit Committee or Compensation Committee meeting attended, as applicable, subject to a maximum of \$8,000 per year in aggregate meeting fees. Retirement Plans

The foregoing Summary Compensation Table does not include any contribution, payment or accrual under a qualified non-contributory retirement plan (retirement plan maintained by us and certain of our wholly-owned portfolio companies), as such amounts cannot readily be separately or individually calculated. Messrs. Ashbaugh, Hamner and Martin now participate in the retirement plan, and Mr. Thomas is currently receiving retirement benefit payments. An eligible employee or his survivor will be entitled under the retirement plan to receive, upon retirement, death or disability, monthly payments based upon formulas relating benefits to salary and years of credited service, which is generally determined by averaging the five consecutive years of highest compensation prior to retirement. Salaries and bonuses (excluding other annual compensation) reported in the foregoing Summary Compensation Table are substantially identical to compensation covered by the retirement plan (covered compensation). Payment of benefits is funded by the company.

The following table sets forth, for purposes of illustration, the estimated annual retirement benefit payable under the retirement plan as a straight life annuity upon retirement to participants of specified covered compensation and years of credited service who are fully vested (five years of service). Messrs. Ashbaugh, Hamner and Martin had 3, 23, and 32 years, respectively, of credited service under the plan as of May 1, 2005. All calculations assume retirement in 2005 at age 65 (normal retirement age).

Certain of the amounts in the above table are subject to reduction because applicable federal regulations limit the amount of annual benefits payable to certain higher-paid participants under a tax-qualified retirement plan, such as the retirement plan. The extent of such reductions will vary in individual cases according to circumstances existing at the time pension payments commence. Consequently, we and certain of our wholly-owned portfolio companies have adopted an unfunded benefit equalization plan (the retirement restoration plan) to compensate our employees and chief executive officers of certain of our wholly-owned portfolio companies for the loss of retirement benefits resulting from such limitations. This retirement restoration plan provides for the payment, upon retirement, of the difference between the maximum annual payment permissible under the retirement plan pursuant to federal limitations and the amount which would otherwise have been payable.

11

Mr. Thomas is entitled to a substantially increased annual retirement benefit as a result of his service beyond the normal retirement age and to an additional annual retirement benefit as a result of his credited service prior to April 1972 under a retirement benefit formula of our retirement plan which was modified for credited service subsequent to April 1972. Although Mr. Thomas is a full-time employee, Section 401(a)(9) of the Internal Revenue Code required that he begin receiving monthly retirement benefit payments on April 1, 2000 because of his age and ownership of more than 5% of our common stock. Retirement benefits payable (for life only) to Mr. Thomas under the retirement plan and retirement restoration plan total \$440,342 per annum.

Stock Ownership Plan

We maintain an Employee Stock Ownership Plan ("ESOP") for our employees and one of our wholly-owned portfolio companies in which Messrs. Ashbaugh and Hamner participate. The Whitmore Manufacturing Company maintains an ESOP for its employees, in which Mr. Martin participates. Employees who have completed one year of credited service, as defined in the plan, are eligible to participate in the ESOP. Contributions to the ESOP are discretionary, within limits established by the Internal Revenue Code. Funds contributed to the trust established under the ESOP are applied by the trustees to the purchase, in the open market at prevailing market prices, of our common stock. A participant's interest in contributions to the ESOP fully vests after five years of credited service, and such vested interest is distributed to a participant at retirement, death or total disability, or after a one year break in service resulting from termination of employment for any other reason. See note (2) to the table under "Stock Ownership of Certain Beneficial Owners".

REPORT OF THE COMPENSATION COMMITTEE

The Compensation Committee (1) discharges the Board's responsibilities to establish the compensation of our executives; (2) produces a report on executive compensation for inclusion in our annual proxy statement; and (3) provides general oversight of our compensation structure, including our equity compensation plans and benefits programs. Other specific duties and responsibilities of the committee include reviewing and approving objectives relative to executive officers' compensation and approving and amending our incentive compensation and stock option programs (subject to shareholder approval if required). The Compensation Committee, which consists of three independent directors, met two times in the fiscal year ended March 31, 2005.

The goals of our compensation program are to attract, retain and motivate competent executive officers who have the experience and ability to contribute to the success of the company's investment management activities. The individual judgments made by the Compensation Committee are subjective and are based largely on the recommendations of the chief executive officer and the Compensation Committee's perception of each executive's contribution to both the Company's past performance and long-term growth potential. The principal elements of compensation for executive officers are base salary, discretionary bonus payments, stock options granted under the stock option plan and contributions pursuant to the ESOP.

Base salaries were determined by the Compensation Committee in July 2004 for each of the executive officers on an individual basis, taking into consideration individual contributions to performance, length of tenure, compensation levels for comparable positions and internal equities among positions. In addition to base salaries, certain executive officers received bonus payments in March 2005, the amounts of which were determined by the Compensation Committee on a discretionary basis.

In July 2004, the Compensation Committee established the base salary of our chief executive officer, William R. Thomas, at \$250,000 per annum, a continuation of the level established in July 1993. At Mr. Thomas' request, he was not awarded a year-end bonus in March 2005 or in the five preceding years.

On July 19, 2004, 7,500 stock options were granted to a new investment associate who resigned December 31, 2004 with no options vested. On March 31, 2005, options to purchase a total of 48,500 shares were outstanding, representing a 1.3% fully-diluted equity interest.

An additional equity incentive is provided by the ESOP, to which the Compensation Committee authorized a contribution equivalent to 10% of each participating employee's covered compensation for the fiscal year ended March 31, 2005 subject to limits imposed by the Internal Revenue Service ("IRS"). To conform to IRS limits, a maximum of 7.171% of each participating employee's covered compensation was contributed to the ESOP and 2.829% was paid in cash to each employee in lieu of an ESOP contribution.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee consists of three members of the Company's Board of Directors. Each member is an independent director as required by Sarbanes-Oxley and Nasdaq. In addition, the Board of Directors has determined that Graeme W. Henderson is an Audit Committee Financial Expert as defined by SEC rules. The duties and responsibilities of the Audit Committee are set forth in the Amended and Restated Audit Committee Charter, which the Board of Directors adopted on May 27, 2003. A copy of the Amended and Restated Audit Committee Charter is available on our website at www.capitalsouthwest.com.

The Audit Committee oversees the Company's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process, including the Company's system of internal control. In fulfilling its oversight responsibilities, the Audit Committee reviewed the audited consolidated financial statements in the Annual Report with management, including a discussion of the quality, not just the acceptability, of the accounting principles; the reasonableness of the valuation of restricted securities and other significant judgments; and the clarity of disclosures in the financial statements.

The Audit Committee reviewed with Grant Thornton LLP, who is responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, its judgment as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Audit Committee under generally accepted auditing standards. The Audit Committee discussed with Grant Thornton LLP the matters required to be discussed by Statement on Auditing Standards No. 61, as amended, Statement on Auditing Standards No. 99, and SEC Rules discussed in Final Release Nos. 33-8183 and 33-8183a. In addition, the Audit Committee discussed with the independent auditors the auditors' independence from management and the Company, including the matters in the written disclosures and letter we received from the independent auditors as required by the Independence Standards Board Standard No. 1, and considered the compatibility of non-audit services with the auditors' independence.

The Audit Committee discussed with Grant Thornton LLP the overall scope and plans for their audit. The Audit Committee also met with Grant Thornton LLP, with and without management present, to discuss the results of their audit, their evaluation of the Company's internal controls and the overall quality of the Company's financial reporting.

Based on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors (and the board has approved) that the audited consolidated financial statements be included in the Annual Report on Form 10-K for the fiscal year ended March 31, 2005 for filing with the SEC.

PROPOSAL 2: RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

On August 26, 2004, Ernst & Young LLP resigned as our independent accountant and on September 9, 2004, the Audit Committee unanimously approved the appointment of Grant Thornton LLP to serve as our independent accountant for the fiscal year ending March 31, 2005. The Audit Committee has appointed the firm of Grant Thornton LLP as independent auditors for the fiscal year ending March 31, 2006.

In connection with Ernst & Young's audit of the prior fiscal year ended March 31, 2004 and during the subsequent interim period ended August 26, 2004, there were no disagreements with Ernst & Young LLP on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedures, which disagreements if not resolved to their satisfaction would have caused them to make reference in connection with their opinion to the subject matter of the disagreement. Also, during the most recent fiscal year and through August 26, 2004, we did not consult Grant Thornton LLP regarding any of the events described in Item 304 (a) (2) (i) - (ii) of Regulation S-K. The report of Ernst & Young LLP on the financial statements for the year ended March 31, 2004 contained no adverse opinion or disclaimer of opinion.

We are asking the shareholders to ratify the appointment of Grant Thornton LLP as our independent auditors for the fiscal year ending March 31, 2006. Grant Thornton LLP was appointed by the Audit Committee in accordance with its charter. In order to ratify the appointment of Grant Thornton LLP as our independent auditors for the year ending March 31, 2006, the proposal must receive the favorable vote of a majority of the shares entitled to vote and represented at the annual meeting. If shareholders fail to ratify the appointment, the Audit Committee may reconsider the appointment.

A representative of Grant Thornton LLP will be present at the annual meeting to make a statement regarding our financial statements for the fiscal year ended March 31, 2005 and to respond to appropriate questions you may have.

The board recommends that you vote "For" the ratification of the appointment of Grant Thornton LLP as our independent auditors.

The following table sets forth fees for services rendered by Grant Thornton LLP for the fiscal year ended March 31, 2005 and by Ernst & Young LLP for the fiscal year ended March 31, 2004.

- (1) Represents fees for professional services provided in connection with the audit of our annual financial statements and internal controls and review of our quarterly financial statements, advice on accounting matters that arose during the audit and audit services provided in connection with other statutory or regulatory filings.
- (2) Represents fees for assurance services related to the audit of our financial statements and for services in connection with audits of our benefit plans.
- (3) Represents fees for services provided in connection with tax compliance, tax advice and tax planning.

The Audit Committee has determined that the provision of non-audit services by Grant Thornton LLP is compatible with maintaining Grant Thornton's independence. In accordance with its charter, the Audit Committee approves in advance all audit and tax services to be provided by Grant Thornton LLP. In other cases, the chairman of the Audit Committee has the delegated authority from the committee to pre-approve certain additional services, and such pre-approvals are communicated to the full committee at its next meeting. During the fiscal year 2005, all services were pre-approved by the Audit Committee in accordance with this policy.

OTHER MATTERS

We will request brokerage houses, nominees, custodians and fiduciaries to forward soliciting materials to the beneficial owners of stock held of record by them and will reimburse such persons for forwarding materials. The cost of soliciting proxies will be borne by us.
