(Name and address of agent for service)

Telephone number, including area code, of agent for service:  
(913) 794-1513  
-----

This Registration Statement as originally filed related to the offering of 150,000 shares of Sprint Common Stock ("Sprint Common Stock") issuable to Outside Directors under Sprint's Long-Term Stock Incentive Program on the exercise of options. In December, 1989, there was a two-for-one split of the Sprint Common Stock, increasing the number of shares covered by the Registration Statement to 300,000 shares. In connection with the spin-off of Sprint's cellular division in March 1996, the number of shares covered by the Registration Statement was increased to 360,562 shares to prevent dilution. Options for 74,128 shares were exercised before the reclassification of Sprint Common Stock into FON Common Stock and PCS Common Stock in November 1998, leaving 286,434 shares. The remaining 286,434 shares were reclassified into 286,434 shares of FON Common Stock and 143,217 shares of PCS Common stock.

## Edgar Filing: SPRINT CORP - Form S-8 POS

Options for 76,554 shares of FON Common Stock were exercised before the two-for-one split of the FON Common Stock in the 1999 second quarter, leaving 209,880 shares of FON Common Stock. The two-for-one split of the FON Common Stock increased the number of shares of FON Common Stock under the registration statement to 419,760 shares of FON Common Stock. Options for 40,278 shares of PCS Common Stock were exercised before the two-for-one split of the PCS Common Stock in the 2000 first quarter, leaving 102,939 shares of PCS Common Stock. The two-for-one split of the PCS Common Stock increased the number of shares of PCS Common Stock under the Registration Statement to 205,878 shares of PCS Common Stock.

On February 28, 2004, Sprint's board of directors approved the recombination of the PCS Common Stock and the FON Common Stock, effective on April 23, 2004 (the "Conversion Date"). 43,478 of the remaining 205,878 shares of PCS Common Stock were issued upon the exercise of options before the Conversion Date, leaving 162,400 shares of PCS Common Stock. Following the recombination of the PCS Common Stock and the FON Common Stock, no shares of PCS Common Stock may be issued. Accordingly, the purpose of this Post-Effective Amendment No. 2 is to deregister the remaining 162,400 shares of PCS Common Stock covered by this Registration Statement.
