14a-8 Shareholder Proposal Sent to the Fund on February 7, 2018

VIA FEDERAL EXPRESS & ELECTRONIC MAIL February 7, 2018

Madison Strategic Sector Premium Fund
Attn: Holly S. Baggot, Secretary
550 Science Drive
Madison, Wisconsin 53711

Re: 14a-8 Shareholder Proposal for the Madison Strategic Sector Premium Fund ("MSP" or the "Fund")

Ms. Baggot:

This letter shall serve as notice to the Madison Strategic Sector Premium Fund ("MSP" or the "Fund"), as to Karpus Management, Inc.'s ("Karpus") timely submittal of a shareholder proposal pursuant to Rule 14a-8 of the Securities Exchange Act of 1934 for presentation to MSP shareholders at the Fund's next annual shareholders' meeting anticipated to be held in August 2018, or any postponement or adjournment thereof (the "Meeting"). Karpus' non-binding 14a-8 shareholder proposal (the "Proposal") is as follows:

BE IT RESOLVED, the shareholders of the Madison Strategic Sector Premium Fund ("MSP" or the "Fund") request that the Trustees promptly consider authorizing a self-tender offer for all outstanding common shares of the Fund at or close to net asset value ("NAV"). If more than 50% of the Fund's outstanding common shares are tendered, the tender offer should be cancelled and the Board should take the steps necessary to liquidate, merge, or convert the Fund to an open-end mutual fund or exchange traded fund.

Supporting Statement

At MSP's 2016 and 2017 annual shareholder meetings, shareholders approved the same proposal that we put forth today. However, because the proposal is "non-binding," MSP's Board has repeatedly chosen to ignore it instead of implement it. In our opinion, **ignoring shareholders is NOT acceptable.** Repeatedly doing so is even more egregious. Similar to the arguments we set forth last year, although the discount was quite narrow for some time, we don't think this had **anything** to do with the Board. Instead, the discount narrowing of the Fund appears to be a reaction of the market that the Fund's Board might actually do something to enhance shareholder value. Second, 2017 marks the second consecutive meeting that shareholders approved the proposal above and also the second consecutive year that nothing has been done to implement it. How many times must a Board be told by shareholders what it wants before that plan gets carried out? We continue to question whether the decision not to implement the proposal was in the best interest of shareholders or the best interests of the Fund's Advisor. Surely, maintaining the status quo is the highest fee generating option for Madison Asset Management, LLC. The same argument, however, cannot be made for MSP shareholders. Does the Board not think that MSP is a strategy that shareholders could get elsewhere or that could be implemented efficiently through another investment vehicle? After shareholders **repeatedly** asked for and approved a plan to receive liquidity close to full value, how can a fiduciary such as the Board argue that doing so is not in their best interest? To us, the only party "harmed" in such a scenario are those that chose to vote against the 2016 and 2017 proposal. In that case, they could have the option to not

tender their shares, just as they had the option to vote how they saw fit. We do not believe that the Fund's current discount has **anything** to do with what the Board or the Fund's Advisor has done. If you agree, please vote FOR Karpus' Proposal and tell our Fund's Trustees that you want them to listen and take the actions that were already approved at the last two annual shareholder meetings. **Shareholders are the owners of the Fund, not the Fund's adviser.**

END OF PROPOSAL

As is required by Rule 14a-8, attached as Exhibits 1 and 2 are letters from U. S. Bank N.A. and the "record" holder of the referenced shares, verifying that the referenced shares were continuously and beneficially owned, and had a market value of \$2,000 or more, for at least a one year period prior to the date of the submittal of the above Proposal. Karpus intends to hold the shares referenced through the date of the Meeting. Please advise us immediately if this notice is deficient in any way or if any additional information is required so that Karpus may promptly provide it in order to cure any deficiency.

Sincerely,

/s/
