This Proxy Statement provides you with information on these matters to assist you in voting your shares.

We will bear the expense of this solicitation. In addition to solicitation by use of the mail, certain of our directors, officers and regular employees may solicit the return of proxies by telephone, facsimile or other means. Requests will also be made of brokerage houses and custodians, nominees or fiduciaries to forward proxy material at our expense to the beneficial owners of stock held of record by such persons. Our transfer agent, Pacific Corporate Trust Company of Canada, has agreed to assist us in the tabulation of proxies and the counting of votes at our annual meeting.

All of a stockholder's common shares registered in the same name will be represented by one proxy.

We do not expect that any matters other than those referred to in this Proxy Statement and the Notice of Meeting will be brought before the Annual Meeting. However, if other matters are properly presented before the Annual Meeting, the persons named as proxy appointees will vote upon such matters in accordance with their best judgment. Proxy Statement

WHY DID I RECEIVE MORE THAN ONE FORM OF PROXY?

You will receive multiple Form of Proxies if you hold your shares in different ways (e.g., joint tenancy, trusts, custodial accounts) or in multiple accounts. If your shares are held by a broker (i.e., in street name), you will receive your Form of Proxy or other voting information from your broker, and you will return your Form of Proxy to your broker. You should vote on and sign each Form of Proxy you receive.

WHO CAN VOTE?

Only shareholders of record as of the close of business on May 12, 2008 are entitled to receive notice of, attend and vote at our annual meeting. As of May 12, 2008, there are 41,695,922 common shares in the capital of our Corporation issued and outstanding. We have no other voting securities outstanding. Each shareholder of record on May 12, 2008 is entitled to one vote for each common share held.

VOTING INFORMATION

HOW CAN YOU VOTE?

Shares of common stock cannot be voted at our annual meeting unless the holder of record is present in person or is represented by proxy. A shareholder has the right to attend our annual meeting at the time and place set forth in the Notice of Annual Meeting and to vote their securities directly at the meeting. In the alternative, a shareholder may appoint a person to represent such shareholder at our annual meeting by completing the enclosed Form of Proxy, which authorizes a person other than the holder of record to vote on behalf of the shareholder, and returning it to our transfer agent, Pacific Corporate Trust Company, 2nd Floor, 510 Burrard Street, Vancouver, B.C. V6C 3B9. All shareholders are urged to complete, sign, date and promptly return the proxy by mail in the enclosed postage-paid envelope, or by fax, after reviewing the information contained in this proxy statement. Valid proxies will be voted at our annual meeting and at any postponements or adjournments thereof as you direct in the proxy, provided that they are received by our transfer agent at least 24 hours prior to the scheduled time of the meeting, or any adjournment thereof, or deposited with the Chair of the meeting on the day of the meeting or any adjournment thereof prior to the time of voting.

The shares of common stock represented by the proxy will be voted, or withheld from voting, as directed in the proxy. If no direction is given and the proxy is validly executed, the proxy will be voted FOR the election of the nominees for our Board of Directors, the amendments to the Stock Option Plan and for the appointment of Deloitte & Touche LLP as the Company's auditors for the 2008 fiscal year, as set forth in this proxy statement. If any other matters properly come before our annual meeting, the persons authorized under the proxies will vote upon such other matters in accordance with their best judgement, pursuant to the discretionary authority conferred by the proxy.

ADVICE TO BENEFICIAL HOLDERS OF SHARES OF COMMON STOCK

THE INFORMATION SET FORTH IN THIS SECTION IS OF SIGNIFICANT IMPORTANCE TO MANY SHAREHOLDERS OF OUR CORPORATION, AS A SUBSTANTIAL NUMBER OF SHAREHOLDERS DO NOT HOLD SHARES IN THEIR OWN NAME.

Shareholders who do not hold their shares in their own name (referred to in this Proxy Statement as beneficial shareholders) should note that only proxies deposited by shareholders whose names appear on the records of our Corporation as the registered holders of shares of common stock can be recognized and acted upon at our annual meeting. If shares of common stock are listed in an account statement provided to a shareholder by a broker, then in almost all cases those shares of common stock will not be registered in the shareholder's name on the records of our

Corporation. Such shares of common stock will more likely be registered under the names of the shareholder's broker or an agent of that broker. In the United States, the vast majority of such shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee and custodian for many Canadian brokerage firms). Beneficial shareholders should ensure that instructions respecting the voting of their shares of common stock are communicated to the appropriate person, as without specific instructions, brokers/nominees are prohibited from voting shares for their clients.

Stockgroup Information Systems Inc.

Proxy Statement

Applicable regulatory policy requires intermediaries/brokers to seek voting instructions from beneficial shareholders in advance of shareholders' meetings, unless the beneficial shareholders have waived the right to receive meeting materials. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by beneficial shareholders in order to ensure that their shares of common stock are voted at our annual meeting. The Form of Proxy supplied to a beneficial shareholder by its broker (or the agent of the broker) is similar to the Form of Proxy provided to registered shareholders by our Corporation. However, its purpose is limited to instructing the registered shareholder (the broker or agent of the broker) how to vote on behalf of the beneficial shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. (Broadridge) (formerly, ADP Investor Communication Services in the United States and Independent Investor Communications Company in Canada). Broadridge typically applies a special sticker to proxy forms, mails those forms to the beneficial shareholders and the beneficial shareholders return the proxy forms to Broadridge. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be represented at our annual meeting. **A beneficial shareholder receiving a Broadridge proxy cannot use that proxy to vote shares of common stock directly at our annual meeting - the proxy must be returned to Broadridge well in advance of our annual meeting in order to have the shares of common stock voted.**

Although a beneficial shareholder may not be recognized directly at our annual meeting for the purposes of voting shares of common stock registered in the name of his broker (or agent of the broker), a beneficial shareholder may attend at our annual meeting as proxyholder for the registered shareholder and vote the shares of common stock in that capacity. Beneficial shareholders who wish to attend at our annual meeting and indirectly vote their shares of common stock as proxyholder for the registered shareholder should enter their own names in the blank space on the instrument of proxy provided to them and return the same to their broker (or the broker's agent) in accordance with the instructions provided by such broker (or agent), well in advance of our annual meeting.

Alternatively, a beneficial shareholder may request in writing that his or her broker send to the beneficial shareholder a legal proxy which would enable the beneficial shareholder to attend at our annual meeting and vote his or her shares of common stock.

QUORUM

A quorum of shareholders is necessary to take action at our annual meeting. A minimum of one person present in person or represented by proxy and holding a majority of the issued and outstanding shares of common stock entitled to vote at the annual meeting as at May 12, 2008 will constitute a quorum for the transaction of business at our annual meeting. However, if a quorum is not present, then the holders of a majority of the shares of common stock of the Company who are present at the annual meeting, in person or by proxy, may adjourn such meeting from time to time until holders of a majority of the shares of the capital stock shall attend. At any such adjourned meeting at which a quorum is present or represented, any business may be transacted that might have been transacted at the original meeting. Broker non-votes occur when a nominee holding shares of common stock for a beneficial owner of those shares of common stock has not received voting instructions from the beneficial owner with respect to a particular matter and such nominee does not possess or choose to exercise discretionary authority with respect thereto. Broker non-votes and abstentions will be included in the determination of the number of shares of common stock present at our annual meeting for quorum purposes but will not be counted as votes cast on any matter presented at our annual meeting.

YOUR VOTE IS IMPORTANT. ACCORDINGLY, YOU ARE ASKED TO MARK, DATE, SIGN AND RETURN THE ACCOMPANYING FORM OF PROXY WHETHER OR NOT YOU PLAN TO ATTEND OUR ANNUAL MEETING. IF YOU PLAN TO ATTEND OUR ANNUAL MEETING TO VOTE IN PERSON AND YOUR SHARES ARE REGISTERED WITH OUR TRANSFER AGENT (PACIFIC CORPORATE

TRUST COMPANY) IN THE NAME OF A BROKER OR BANK, YOU MUST SECURE A PROXY FROM THE BROKER OR BANK ASSIGNING VOTING RIGHTS TO YOU FOR YOUR SHARES OF COMMON STOCK.

You may revoke your proxy at any time prior to the start of our annual meeting in three ways:

1. by delivering a written notice of revocation to the Secretary of our Corporation;
2. by submitting a duly executed proxy bearing a later date; or
3. by attending our annual meeting and expressing the desire to vote your shares of common stock in person (attendance at our annual meeting will not in and of itself revoke a proxy).

of the committee either in person or by teleconference. The Compensation Committee's duties include developing policies that are designed to offer competitive compensation opportunities for our executive officers, which are based on personal performance, individual initiative and achievement, as well as assisting in attracting and retaining qualified executives. The Compensation Committee also endorses the position that stock ownership by management and stock-based compensation arrangements are beneficial in aligning management's and shareholders' interests in the enhancement of shareholder value. No member of our Compensation Committee was, during the fiscal year ended December 31, 2007 or prior, an officer or employee of our Corporation or any of its subsidiaries.

Report of the Compensation Committee

Compensation paid to our Corporation's executive officers is generally comprised of two elements: base salary and long-term compensation in the form of stock options. Compensation levels for executive officers of our Corporation are determined by a consideration of each officer's initiative and contribution to our overall corporate performance, and the officer's managerial abilities and performance in any special projects that the officer may have undertaken. Competitive base salaries that reflect the individual's level of responsibility are important elements of our Corporation's executive compensation philosophy. Subjective considerations of individual performance are considered in establishing incentive compensation. In addition, our Compensation Committee considers our financial position and cash flow in making compensation decisions.

Nominating and Corporate Governance Committee

Our Nominating and Corporate Governance Committee (the Committee) currently consists of Patrick Spain, Lee deBoer and David Caddey, and is governed by a written charter which can be viewed at www.stockgroup.com under Investors/Corporate Governance. The Committee was formed in 2004. During 2007, the nominating Committee did not receive a recommended nominee for director from a security holder that beneficially owned more than 5% of our common share under rule (407)(c)(ix) of Regulation S-B. The Committee's duties include recommending candidates to the Board for appointment or election to the Board, assisting in attracting new Board members, making recommendations to the Board regarding Board structure, composition, and rotation, reviewing CEO and other senior officer succession plans, monitoring compliance with the Insider Trading Policy and Whistleblower Policy, and nominating a member to act as Designated Officer for the Whistleblower Policy. During the fiscal year ended December 31, 2007, the Nominating and Corporate Governance Committee met once. The meetings were attended by all of our members either in person or by teleconference. No member of the Committee was, during the fiscal year ended December 31, 2007 or prior, an officer or employee of our Corporation or any of its subsidiaries.

EXECUTIVE COMPENSATION**Summary of Compensation of Executive Officers***Overview of Compensation Program*

The Compensation Committee (for purposes of this analysis, the Committee) of the Board has responsibility for establishing, implementing and continually monitoring adherence with the Company's compensation philosophy. The Committee ensures that the total compensation paid to the directors, officers and employees is fair, reasonable and competitive.

Throughout this Proxy Statement, the individuals who served as the Company's Chief Executive Officer and Chief Financial Officer during fiscal 2007, as well as the other individuals included in the Summary Compensation Table, are referred to as the named executive officers.

Compensation Philosophy and Objectives

The Committee believes that the most effective executive compensation program is one that is designed to reward the achievement of specific annual, long-term and strategic goals by the Company, and which aligns executives' interests with those of the stockholders by rewarding performance above established goals, with the ultimate objective of improving stockholder value. The Committee evaluates both performance and compensation to ensure that the Company maintains its ability to attract and retain superior employees in key positions and that compensation provided to key employees remains competitive relative to the compensation paid to similarly situated executives. To that end, the Committee believes executive compensation packages provided by the Company to its executives, including the named executive officers, should include both cash and stock-based compensation that reward performance as measured against established goals.

The table below summarizes all compensation awarded to, earned by, or paid to our principal executive officer and each of our most highly compensated executive officers who were serving as executive officers at the end of the period ended December 31, 2007, and up to two additional individuals for whom disclosure would have been provided but for the fact that the individual was not serving as our executive officer at the end of our fiscal year ended December 31, 2007.

The decision to dismiss Ernst & Young LLP was recommended and approved by the Audit Committee and the Board and was the result of a competitive bidding process conducted in the ordinary course of business.

Services performed by our principal accountant during 2007 consisted of the examination of our financial statements, services related to filings with the SEC and the TSX Venture Exchange, consulting and regulatory filing reviews in connection with private placements, domestic and foreign tax compliance work, tax filings and tax consulting services.

PROPOSAL 3: TO APPROVE THE STOCKGROUP INFORMATION SYSTEMS INC. AMENDED AND RESTATED STOCK OPTION PLAN.

On April 16, 2008, the Company's Board of Directors, subject to shareholder and stock exchange approval, amended and restated the Company's Stock Option Plan (the "Amended and Restated Stock Option Plan"), to allow for vesting of stock options issued under the plan to occur on such terms as determined by the Board in its discretion, subject to certain regulatory requirements, and to amend certain definitions contained in the Stock Option Plan. The Company is seeking shareholder approval for the Amended and Restated Stock Option Plan.

The purpose of the Amended and Restated Stock Option Plan is to help attract, retain and motivate key employees and members of management. The Board of Directors believes that stock options and other stock-based awards play an important role in the success of the Company by encouraging and enabling key employees and members of management to acquire a proprietary interest in the Company, and by assisting the Company in retaining such personnel while conserving the Company's cash. By continuing to provide such stock-based compensation, the Company will continue to align the interests of such key employees with those of the Company and its stockholders and focus the attention of management on the long term success of the Company.

Reasons for Seeking Shareholder Approval

The Board of Directors believes that the Amended and Restated Stock Option Plan is essential to permit the Company's management to effectively retain key personnel. The amendments to the stock option plan allow the Board to have greater flexibility in determining vesting provisions for options granted under the Amended and Restated Stock Option Plan.

Description of the Stock Option Plan

The following summary is qualified in its entirety by the full text of the Amended and Restated Stock Option Plan. Stockholders who desire a more complete understanding of the Amended and Restated Stock Option Plan are urged to review the entire text of such plan. A copy of the Amended and Restated Stock Option Plan is attached to this Proxy Statement as Appendix A. Any references to the Stock Option Plan below apply equally to the Amended and Restated Stock Option Plan unless explicitly stated otherwise.

The Company grants stock options pursuant to shareholder approved stock option plans. The Company's 1999, 2000, 2001, 2002, and 2003 Stock Option Plans (collectively the "Plans") authorize a total of 5,220,600 shares of common stock for issuance. The Plans entitle employees, non-employee directors, and consultants to purchase shares of common stock of the Company on the exercise of stock options. Options immediately become exercisable once vested. Any options that do not vest as the result of a grantee leaving the Company are forfeited and the shares of common stock underlying them are returned to the reserve if they were granted under the 2003 Stock Option Plan.

The Company generally grants stock options for a fixed number of shares to employees with an exercise price equal to at least the fair market value of the underlying shares of common stock on the date of grant. The standard vesting schedule used for stock option grants to most employees is a two year vesting calendar, with equal vesting occurring at the end of each quarterly period. Stock option grants to management generally follow a four year vesting calendar, with vesting occurring at the end of each quarterly period. All stock options are denominated in U.S. dollars and expire either five or six years after the date of grant.

The Company ceased granting of stock options under its 1999, 2000, 2001 and 2002 Stock Option Plans in December 2002. Stock options outstanding to purchase shares of common stock under these plans continue to be exercisable as vested until exercised or forfeited, and if forfeited, they are no longer available for future grants. For 2007, there were 732,175 options exercised for proceeds of \$182,000. For 2006, there were 761,400 options exercised for proceeds of \$189,594.

In March 2007, the Board, upon the recommendation of the Compensation Committee (the Committee), unanimously approved and adopted the Corporation's 2007 Stock Option Plan (the 2007 Plan) which is a new plan to make available 3,300,000 non-qualified options to purchase the Corporation's shares of common stock. The 2007 Plan was approved by the Company's shareholders at the Company's 2007 annual general meeting.

The following table provides information as of December 31, 2007 with respect to our common shares that may be issued under our existing Stock Option Plans upon the exercise of stock options by our employees, consultants and members of our Board of Directors under all of our existing equity compensation plans, all of which have been approved by our shareholders.

Philosophy

We have a company philosophy of "shared fate" which recognizes there is a community of interest among all of our stakeholders. We believe the Corporation's Stock Option Plan for directors, employees, officers, consultants and advisors under which all eligible for option grants, creates an ownership consciousness among the stakeholders that more closely aligns their interests with those of our shareholders. Through our broad-based plan, our stakeholders

share in the risks and the rewards of our business.

The Board believes that it is in the best interest of the Company to change its name from Stockgroup Information Systems Inc. to Stockhouse Inc. , or such other name as chosen by the Board of Directors in its discretion. 5. Administration of the Plan

5.1 **Procedure**

- (a) The Board shall administer the Plan; provided, however, that the Board may appoint a Committee consisting solely of two (2) or more Non-Employee Directors to administer the Plan on behalf of the Board, in accordance with Rule 16b-3.
- (b) Once appointed, the Committee shall continue to serve until otherwise directed by the Board. From time to time the Board may increase the size of the Committee and appoint additional members thereof, remove members (with or without cause), appoint new members in substitution therefor, and fill vacancies however caused; provided, however, that at no time may any person serve on the Committee if that person's membership would cause the committee not to satisfy the requirements of Rule 16b-3.
- (c) A majority of the Committee shall constitute a quorum, and the acts of the members of the Committee who are present at any meeting thereof at which a quorum is present, or acts unanimously approved by the members of the Committee in writing, shall be the acts of the Committee.
- (d) Any reference herein to the Board shall, where appropriate, encompass a Committee appointed to administer the Plan in accordance with this Section 5.

5.2 **Power of the Board or the Committee or a Designated Officer**

- (a) Subject to the provisions of the Plan and subject to any applicable stock exchange, where required, the Board, the Committee or a Designated Officer shall have the authority, in its discretion:
 - (i) to grant Options or shares to Participants;
 - (ii) to determine, upon review of relevant information and in accordance with Section 1(o) of the Plan, the Fair Market Value of the Shares;
 - (iii) to determine the Option price per share of Options to be granted, which Option Price shall be determined in accordance with Section 8.4 of the Plan;
 - (iv) to determine the number of Shares to be represented by each Option;
 - (v) to determine the Participants to whom, and the time or times at which, Options or shares shall be granted;
 - (vi) to interpret the Plan;
 - (vii) to prescribe, amend and rescind rules and regulations relating to the Plan;
 - (viii) to determine the terms and provisions of each Option granted (which need not be identical) and, with the consent of the Optionee thereof, modify or amend such Option;
 - (ix) to accelerate or defer (with the consent of the Optionee) the exercise date of any Option;

- (x) to authorize any person to execute on behalf of the Company any instrument required to effectuate the grant of an Option previously granted by the Board;
- (xi) to accept or reject the election made by an Optionee pursuant to Section 8.7 of the Plan;

(xii) to impose such additional conditions, as it deems advisable, as to the vesting and exercise of any Options granted pursuant to the Plan, including, but not limited to performance criteria; and

(xiii) to make all other determinations deemed necessary or advisable for the administration of the Plan.

- (b) The Board or a Committee may delegate to an Officer of the Company the authority to make decisions pursuant to this Plan, provided that no such delegation may be made that would cause any award or other transaction under the Plan to cease to be exempt from Section 16(b) of the Exchange Act. A Committee may authorize any one or more of its members or any Officer of the Company to execute and deliver documents on behalf of the Committee.

5.3 Effect of Board or Committee or Designated Officer Decisions

All decisions and determinations and the interpretation and construction by the Board or the committee or a Designated Officer of any provision of this Plan or any agreement, notification or document evidencing the grant of Options and any determination by the Board or the Committee or a Designated Officer pursuant to any provision of this Plan or any such agreement, notification or document, shall be final, binding and conclusive with respect to all Participants and/or Optionees and any other holders of any Option granted under the Plan. No member of the Board or the Committee or a Designated Officer shall be liable for any such action taken or determination made in good faith.

6. Eligibility

Consistent with the Plan's purposes, Options or Shares may be granted only to such Directors, Officers, Employees, Consultants and Advisors of the Company as determined by the Board or the Committee or a Designated Officer. Subject to the terms of the Plan, a Director, Officer, Employee, Consultant or Advisor who has been granted an Option or Shares may, if he or she is otherwise eligible, be granted an additional Option or Shares. It is required under the Plan that where Options are granted to Directors, Officers, Employees, Consultants and Advisors of the Company, the Company represents that the Optionee is a bona fide Director, Officer, Employee, Consultant or Advisor as the case may be.

At no time, however, may Options under the Plan, together with all of the Company's previously established or proposed share compensation arrangements, result, at any time, in:

- (a) more than 5% of the outstanding shares of common stock of the Company being granted to any one Participant in any 12 month period (unless the Company is classified as a Tier 1 Issuer, in accordance with the TSX Venture Exchange Corporate Finance Manual, and has obtained disinterested shareholder approval);
- (b) more than 2% of the outstanding shares of common stock of the Company being granted to any one Consultant in any 12 month period; or
- (c) more than an aggregate of 2% of the outstanding shares of the common stock of the Company being granted to all employees conducting investor relations activities, in any 12 month period.

The Plan shall not confer upon any Optionee any right with respect to continuation of employment or consulting relationship with the Company, nor shall it interfere in any way with his or her right or the Company's right to terminate his or her employment or consulting relationship at any time, with or without cause.

7. Board Approval; Effective Date

Pursuant to Section 3 hereof, the Plan shall take effect on June 1, 2007 (the Effective Date). No Option may be granted after the Termination Date as hereinafter defined.

8. Options or Shares

The Board or the Committee or a Designated Officer may from time to time authorize grants to Participants of Options to purchase Shares, or the grant of shares upon such terms and conditions as the Board or the Committee or a Designated Officer may determine in accordance with the following provisions:

8.1 **Options or Shares to be Granted; Terms**

- (a) Options granted pursuant to this Section 8 would be Non-qualified Stock Options. The Board or the Committee or a Designated Officer shall determine the specific terms of Options.
- (b) Each grant shall specify the period or periods of continuous employment, or continuous engagement of the consulting or advisory services, of the Optionee by the Company or any Subsidiary, or such other conditions as the Board or the Committee or a Designated Officer may provide, that are necessary before the Options or installments thereof shall become exercisable.
- (c) Subject to regulatory requirements, all options issued under the Plan shall vest on such terms as determined by the Board of Directors in its discretion, except options granted to Consultants performing investor relations activities, which will at a minimum vest in stages over 12 months with no more than 1/4 of the options vesting in any three month period.
- (d) All Options issued under the Plan are non-transferable and non-assignable.

8.2 **Number of Shares Subject to Options**

Each grant shall specify the number of Shares to which it pertains. Subject to Section 6, successive grants may be made to the same Optionee regardless of whether any Options previously granted to the Optionee remain unexercised.

8.3 **Term of Option; Earlier Termination**

Subject to further provisions of this Section 8, unless otherwise provided in the Agreement, the term (the Option Term) of each Option shall be five (5) years from the Date of Grant, provided that no grant shall be effective until the Company and the Participant have executed and delivered an Agreement. In no case shall the Option Term exceed five (5) years unless the Options expire during a Company imposed black-out period. If an Optionee's Options terminate due to the expiration of the Option Term, during a Company imposed black-out period, the Directors of the Company, by a majority vote, may, at their discretion, extend the Option Term.

8.4 **Exercise Price**

Each grant shall specify an Option Price per Share for the Shares to be issued pursuant to exercise of an Option, which shall be determined by the Board or the Committee or a Designated Officer; provided, however, that any such exercise price shall not be less than that, from time to time, permitted under the rules and policies of any exchange or over-the-counter market which is applicable to the Company. In the case of options granted to consultants, the exercise price shall be no less than the Fair Market Value per share on the Date of Grant. Any reduction in exercise

price for the Option of an Insider of the Company will be subject to disinterested shareholder approval.

8.5 Payment for Shares

The Option Price of an exercised Option and any taxes attributable to the delivery of Shares under the Plan or portion thereof, shall be paid in cash in the form of United States currency or check or other cash equivalent acceptable to the Company.

8.6 Rights as a Stockholder

Until the issuance (as evidenced by the appropriate entry on the books of the Company or of a duly authorized transfer agent of the Company) of the stock certificate evidencing such Shares, no right to vote or receive dividends or any other rights as a stockholder shall exist with respect to the Optioned Stock, notwithstanding the exercise of an Option.

8.7 Exercise of Option

(a) Procedure for Exercise

- (i) Any Option granted hereunder shall be exercisable at such times and under such conditions as determined by the Board or the Committee or a Designated Officer, including performance criteria with respect to the Company and/or the Optionee, and as shall be permissible under the terms of the Plan. Unless otherwise determined by the Board or the Committee or a Designated Officer at the time of grant, an Option may be exercised in whole or in part.
- (ii) An Option shall be deemed to be exercised when written notice of such exercise has been given to the Company in accordance with the terms of the Option by the person entitled to exercise the Option and full payment for the Shares with respect to which the Option is exercised has been received by the Company. Full payment may, as authorized by the Board or the Committee or a Designated Officer, consist of any consideration and method of payment allowable under Section 8.5 of the Plan.
- (iii) Exercise of an Option in any manner shall result in a decrease in the number of Shares which thereafter may be available, both for purposes of the Plan and for sale under the Option, by the number of Shares as to which the Option is exercised.

Stockgroup Information Systems Inc.

- (c) Death. Unless otherwise provided in the Agreement, if an Optionee dies during the term of the Option and is at the time of his death an Employee, the Option may be exercised at any time within twelve (12) months following the date of death by the Optionee's executor or other legal representative or by a person who acquired the right to exercise the Option by bequest or inheritance, but only to the extent that the Optionee was entitled to exercise the Option on the date of death, or if the Optionee's estate, or person who acquired the right to exercise the Option by bequest or inheritance, does not exercise such Option (which he was entitled to exercise) within the time specified herein, the Option shall terminate.
- (d) Disability of Optionee. In the event of termination of an Optionee's consulting relationship or continuous status as an Employee as a result of his or her disability, an Optionee may, but only within twelve (12) months from the date of such termination (and in no event later than the expiration date of the term of such Option as set forth in the Option Agreement), exercise the Option to the extent otherwise entitled to exercise it at the date of such termination. To the extent that an Optionee is not entitled to exercise the Option at the date of termination, or if an Optionee does not exercise such Option to the extent so entitled within the time specified herein, the Option shall terminate, and the Shares covered by such Option shall revert to the Plan.
- (e) Leave of Absence. Excluding an approved maternity or paternity leave, in the event of a management approved leave of absence, any unvested Options shall cease to vest and shall not be exercisable as if you were an active employee of the Company, subject to the terms of this Plan. If you return to active status, your Options will continue to vest and be exercisable in accordance with their terms. If you do not return to active status within 30 calendar days, your unvested Options will be canceled immediately and your vested Options will be canceled on the 31st day following your last day of active employment.
- (f) Rule 16b-3. Options granted to persons subject to Section 16(b) of the Exchange Act must comply with Rule 16b-3 and shall contain such additional conditions or restrictions as may be required thereunder to qualify for the maximum exemption from Section 16 of the Exchange Act with respect to Plan transactions.
- (g) Buyout Provisions. The Administrator may at any time offer to buy out for a payment in cash or Shares, an Option previously granted, based on such terms and conditions as the Administrator shall establish and communicate to the Optionee at the time that such offer is made.

8.8 Agreement

Each grant of an Option or Restricted Share award shall be evidenced by an Agreement, which shall be executed on behalf of the Company by any Officer thereof and delivered to and accepted by the Optionee and shall contain such terms and provisions as the Board or the Committee or a Designated Officer may determine consistent with this Plan.

9. Adjustments Upon Changes in Capitalization or Merger

Subject to any required action by the stockholders of the Company, the number of Shares covered by each outstanding Option, and the number of Shares which have been authorized for issuance under the Plan but as to which no Options have yet been granted or which have been returned to the Plan upon cancellation or expiration of an Option, as well as Shares covered by each such outstanding Option, shall be proportionately adjusted for any increase or decrease in the number of issued Shares resulting from a stock split, reverse stock split, stock dividend, combination or reclassification of the Shares, or any other increase or decrease in the number of issued Shares effected without receipt of consideration by the Company; provided, however, that conversion of any convertible securities of the Company shall not be deemed to have been effected without receipt of

consideration. Such adjustment shall be made by the Board or the Committee or a Designated Officer, whose determination in that respect shall be final, binding and conclusive. Except as expressly provided herein, no issuance by the Company of shares of stock of any

A-10

Stockgroup Information Systems Inc.

class, or securities convertible into shares of stock of any class, shall affect, and no adjustment by reason thereof, shall be made with respect to the number of Shares subject to an Option or the Option Price thereof.

In the event of the proposed dissolution or liquidation of the Company, and subject to TSX Venture Exchange approval as required, all Options will terminate immediately prior to the consummation of such proposed action unless otherwise provided by the Board. The Board may, in the exercise of its sole discretion in such instances, declare that any Option shall terminate as of a date fixed by the Board and give each holder the right to exercise his or her Option as to all or any part thereof, including Shares as to which the Option would not otherwise be exercisable. In the event of a proposed sale of all or substantially all of the assets of the Company, or the merger of the Company with or into another corporation, the Option shall be assumed or an equivalent Option shall be substituted by such successor corporation or a parent or subsidiary of such successor corporation, unless the Board determines, in the exercise of its sole discretion and in lieu of such assumption or substitution, that the holder shall have the right to exercise the Option as to all of the Shares, including Shares as to which the Option would not otherwise be exercisable. If the Board makes an Option exercisable in lieu of assumption or substitution in the event of a merger or sale of assets, the Board shall notify the holder that the Option shall be fully exercisable for a period of sixty (60) days from the date of such notice (but not later than the expiration of the term of the Option), and the Option will terminate upon the expiration of such period.

10. Transferability

Except to the extent otherwise expressly provided in the Plan, the right to acquire Shares or other assets under the Plan may not be assigned, encumbered or otherwise transferred by an Optionee and any attempt by an Optionee to do so will be null and void. No Option granted under this Plan may be transferred by an Optionee except by will or the laws of descent and distribution or pursuant to a qualified domestic relations order as defined by the Code or Title I of the Employee Retirement Income Security Act, as amended, or the rules thereunder or equivalent laws of the Optionees jurisdiction of residence. Options granted under this Plan may not be exercised during a Participant's lifetime except by the Optionee or, in the event of the Optionee's legal incapacity, by his or her guardian or legal representative acting in a fiduciary capacity on behalf of the Participant under applicable law and court supervision.

11. Time of Granting of Options

The Date of Grant of an Option shall, for all purposes, be the date on which the Board or the Committee or a Designated Officer makes the determination granting such Option. Notice of the determination shall be given to each Participant to whom an Option is so granted within a reasonable time after the date of such grant. The date the Optionee executes the Agreement shall have no effect on the Grant Date.

12. Amendment and Termination of the Plan

The Board may amend Plan from time to time in such respects as the Board may deem advisable or otherwise terminate the Plan.

Any such amendment or termination of the Plan shall not affect Options already granted and such Options shall remain in full force and effect as if this Plan had not been amended or terminated, unless mutually agreed otherwise between the Optionee and the Board or the Committee or a Designated Officer, which agreement must be in writing and signed by the Optionee and the Company.

Notwithstanding the foregoing, this Plan shall terminate upon the earlier of the date on which all awards available for issuance in the last year of the Plan shall have been issued and fully exercised (the Termination Date). Upon termination of the Plan, no further Options may be granted pursuant to the

A-11

Stockgroup Information Systems Inc.

Plan, but all Options granted prior thereto and still outstanding on such date shall thereafter continue to have force and effect in accordance with the provisions of the Agreements evidencing such Options.

13. Withholding Taxes

The Company is authorized to withhold income taxes as required under applicable laws or regulations. To the extent that the Company is required to withhold any amounts due to federal, state, local or foreign laws and/or regulations in connection with any payment made or benefit realized by an Optionee or other person under this Plan, and the amounts available to the Company for the withholding are insufficient, it shall be a condition to the receipt of any such payment or the realization of any such benefit that the Optionee or such other person make arrangements satisfactory to the Company for payment of the balance of any taxes or other amounts required to be withheld. At the discretion of the Board or the Committee or a Designated Officer, any such arrangements may without limitation include relinquishment of a portion of any such payment or benefit or the surrender of outstanding Shares. The Company and any Optionee or such other person may also make similar arrangements with respect to the payment of any taxes with respect to which withholding is not required.

14. Miscellaneous Provisions

14.1 **Plan Expense**

Any expenses of administering this Plan shall be borne by the Company.

14.2 **Construction of Plan**

The place of administration of the Plan shall be in Vancouver, British Columbia or such other cities as the Board of Directors may designate, and the validity, construction, interpretation, administration and effect of the Plan and of its rules and regulations, and rights relating to the Plan, shall be determined in accordance with the laws of the Province of British Columbia and the laws of Canada applicable therein without regard to conflict of law principles and, where applicable, in accordance with the Code.

14.3 **Other Compensation**

The Board or the Committee or a Designated Officer may condition the grant of any award or combination of awards authorized under this Plan on the surrender or deferral by the Participant of his or her right to receive a cash bonus or other compensation otherwise payable by the Company or a Subsidiary to the Participant.

14.4 **Continuation of Employment or Services**

This Plan shall not confer upon any Participant any right with respect to continuance of employment or other service with the Company or any Subsidiary and shall not interfere in any way with any right that the Company or any Subsidiary would otherwise have to terminate any Participant's employment or other service at any time. Nothing contained in the Plan shall prevent the Company or any Subsidiary from adopting other or additional compensation arrangements for its Employees.

14.5 **Certain Terminations of Employment or Consulting Services, Hardship and Approved Leaves of Absence**

Notwithstanding any other provision of this Plan to the contrary, and subject to TSX Venture Exchange Approval, in the event of termination of employment or consulting services by reason of death, disability, normal retirement, early

retirement with the consent of the Company, termination of employment or

consulting services to enter public or military service with the consent of the Company or leave of absence approved by the Company, or in the event of hardship or other special circumstances, of an Optionee who holds an Option that is not immediately and fully exercisable, the Board or the Committee or a Designated Officer may take any action that it deems to be equitable under the circumstances or in the best interest of the Company, including without limitation waiving or modifying any limitation or requirement with respect to any award under this Plan.

14.6 **Binding Effect**

The provisions of the Plan and the applicable Agreements shall inure to the benefit of, and be binding upon, the Company and its successors or assigns, and the Participants, their legal representatives, their heirs or legacies and their permitted assignees.

14.7 **Exchange Act Compliance**

With respect to persons subject to Section 16 of the Exchange Act, transactions under this Plan are intended to comply with all applicable conditions of Rule 16b-3 or its successors under the Exchange Act. To the extent any provisions of the Plan or action by the Board or the Committee or a Designated Officer fails to so comply, they shall be deemed null and void, to the extent permitted by law and deemed advisable by the Board or the Committee or a Designated Officer.

14.8 **Conditions upon Issuance of Shares**

- (a) Shares shall not be issued pursuant to the exercise of an Option unless the exercise of such Option and the issuance and delivery of such Shares pursuant thereto shall comply with all relevant provisions of law, including, without limitation, the Securities Act of 1933, as amended, the Exchange Act, the rules and regulations promulgated thereunder, the British Columbia Securities Act, applicable securities legislation in any other jurisdiction, and the requirements of any stock exchange upon which the Shares may then be listed, and shall be further subject to the approval of counsel for the Company with respect to such compliance.
- (b) As a condition to the exercise of an Option, the Company may require the person exercising such Option to represent and warrant at the time of any such exercise that the Shares are being purchased or otherwise acquired only for investment and without any present intention to sell or distribute such Shares if, in the opinion of counsel for the Company such a representation is required by any of the aforementioned relevant provisions of law.
- (c) Inability of the Company to obtain authority from any regulatory body having jurisdiction, which authority is deemed by the Company's counsel to be necessary to the lawful issuance and sale of any Share hereunder, shall relieve the Company of any liability in respect of the failure to issue or sell such Shares as to which such requisite authority shall not have been obtained.

14.9 **Fractional Shares**

The Company shall not be required to issue any fractional Shares pursuant to this Plan. The Board or the Committee or a Designated Officer may provide for the elimination of fractions or for the settlement thereof in cash.

14.10 **Reservation of Shares**

The Company will at all times reserve and keep available such number of Shares as shall be sufficient to satisfy the requirements of the Plan.

14.11 Indemnification

In addition to such other rights of indemnification as they may have as members of the Board, the members of the Board and of the Committee and any Designated Officer shall be indemnified by the Company against all costs and expenses reasonably incurred by them in connection with any action, suit or proceeding to which they or any of them may be party by reason of any action taken or failure to act under or in connection with the Plan or any Option, and against all amounts paid by them in settlement thereof (provided such settlement is approved by independent legal counsel selected by the Company) or paid by them in satisfaction of a judgment in any such action, suit or proceeding, except a judgment based upon a finding of bad faith; provided that upon the institution of any such action, suit or proceeding a Board member or Committee member or a Designated Officer shall, in writing, give the Company notice thereof and an opportunity, at its own expense, to handle and defend the same before such Board member or Committee member or a Designated Officer undertakes to handle and defend it on his own behalf.

14.12 Use of Proceeds

Any cash proceeds received by the Company from the sale of Shares under the Plan shall be used for general corporate purposes.

14.13 Regulatory Approvals

- (a) The implementation of the Plan, the granting of any awards under the Plan and the issuance of any Shares shall be subject to the Company's procurement of all approvals and permits required by regulatory authorities having jurisdiction over the Plan, the awards granted under it and the Shares issued pursuant to it.
- (b) No Shares or other assets shall be issued or delivered under this Plan unless and until there shall have been compliance with all applicable requirements of federal, provincial and applicable foreign securities laws.
