The Consulting Agreement is effective as of March 15, 2015, and will continue unless terminated by either party in accordance with its terms. Either party has the right to terminate the Consulting Agreement upon 6 months' prior written notice, except that the Consulting Agreement may be terminated immediately without notice if the Services to performed under the Consulting Agreement cease to be performed by Dr. Leatt or for any other material breach of the Agreement by any of the parties. Under the terms of the Side Letter, Dr. Leatt also agreed, among other things: (1) not to perform services similar to the services provided under the Consulting Agreement for any current or future, direct or indirect competitor of the Company or any similar company; (2) not to solicit any current or future employees of the Company for employment with Innovate or any other entity with which he may become affiliated, or to contact or solicit any current or future stockholder or investor of the Company in connection with any matter that is not directly related to the ongoing or future business operations of the Company; and (3) that he will apprise the Company of any business opportunity that he becomes aware of that could benefit the Company so that the Company, can in its sole discretion, make a determination regarding whether to pursue such opportunity in the best interest of the Company and its stockholders. Dr. Leatt further agreed to continue dedicating a majority of his time on matters related to performance of his duties as a director of the Company and to the fulfillment of his obligations to the Company's research and development efforts under the Consulting Agreement, and the Company will have the right to adjust the amount of the fees payable under the Consulting Agreement to the extent of any substantial diminution in his fulfillment of such duties and obligations.
