On November 15, 2002, the Company entered into a loan and security agreement with Mr. Dan Fugal an unaffiliated individual, whereby Mr. Fugal is to provide a credit facility to the Company in the form of a secured line of credit not to exceed \$2.5 million. Copies of the agreements related to the line of credit have been filed as Exhibits to this Current Report. Material terms of the line of credit are as follows:

Availability: An initial \$500,000 has been released under the line of credit, with the additional \$2 million conditioned upon:

Edgar Filing: VOYAGER ENTERTAINMENT INTERNATIONAL INC - Form 8-K

(i) written verification to the reasonable satisfaction of Mr. Fugal from a to be determined provider that a Credit Enhancement has been received by Residential Resources for the securitization financing being provided to the Company in the amount of \$100 million; and (ii) written verification to the reasonable satisfaction of Mr. Fugal that the Company has made application for and will receive the requisite approvals, permits, variances, zoning and other permissions from the applicable governmental agencies of Clark County, State of Nevada for the construction of the Voyager Project. As of the date of this current report the Company has not made application to any agencies in Clark County for approval of its Voyager project.

Collateral: The line of credit is secured by all of the assets of the Company and its subsidiaries.

Term: Amounts borrowed pursuant to the line of credit shall be repaid upon the earlier of: (i) on or before February 15, 2003; (ii) when the development financing has been fully funded by Residential Resources for the Company; or (iii) when sufficient funding of development financing has been secured so the escrow funds can be released to the Company.

Interest: Interest due on the line of credit shall directly match the amount of principal borrowed by the Company

(currently \$500,000) and will be payable in one lump sum concurrent with the repayment terms outlined above.

Additional

Consideration: As further consideration for the line of credit the Company issued Mr. Fugal 300,000 shares of restricted common stock concurrent with the initial \$500,000 draw and will issue an additional 1,200,000 restricted shares if and when another disbursement is available to the Company under the terms of the line of credit.

Further, Mr. Fugal was granted an assignable contract for the development of communication technologies for the Voyager Project in an amount of not less than \$250,000 and an assignable right of first refusal for the subcontracting underground utilities work for the Voyager Project at market rates.

Finders Fees: In conjunction with the receipt of the line of credit, the Company agreed to remunerate two finders, Kent Norton and Wade Mitchell. The finders were instrumental in introducing the Company to Mr. Fugal.

The Company issued Mr. Norton 250,000 shares of restricted common stock concurrent with the initial \$500,000 draw and will be issued another 1,000,000 restricted shares if and when another disbursement from the line of credit is available to the Company. Concurrent with the repayment of all funds due under the line of credit Mr. Norton will also be paid a cash fee of \$100,000.

Edgar Filing: VOYAGER ENTERTAINMENT INTERNATIONAL INC - Form 8-K

Mr. Mitchell was issued an initial 100,000 shares of restricted common stock concurrent with the initial \$500,000 draw and will be issued another 400,000 restricted shares if and when another disbursement from the line of credit is available to the Company.

Proxies: As part of the above referenced agreements, Mr. Fugal, Mr. Norton and Mr. Mitchell irrevocably appointed Richard Hannigan, president and a director of the Company, as proxy for their shares. This effectively gives Mr. Hannigan full power of substitution and authorizes him to represent the individuals and vote the shares on all matters pertaining to the operation of the Company, as such rights are defined in the operating documents of the Company, as now existing or may be amended, including, but not limited to the election of the Board of Directors of the Company at the annual meeting of stockholders. The appointment as proxy will terminate upon the sale of the shares by any of the individuals to a non-affiliate, non-insider or relative of the individuals which sale will not be consummated for the purpose of terminating the appointment.

Additional Collateral: In consideration for and as an inducement to Mr. Fugal in making the loan to the Company, three entities (TMGLJ, Inc., T & G Development, Ltd. and Was, Inc.) known by the Company agreed to transfer, convey and assign certain units of the Boston Capital Tax Credit Fund IV, L.P. - Series 28 in the amount of \$494,000 to Mr. Fugal, to be held by him as collateral and security for the timely payment, performance and discharge by the Company of the initial \$500,000 draw under the line of credit. None of the entities have been or will be compensated by the Company for their pledge.
