Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

The Compensation Committee (the “Compensation Committee”) of the Board of Directors of United Parcel Service, Inc. (“UPS”) is responsible for reviewing and approving compensation for the executive officers of UPS. As part of such review and approval process, the Compensation Committee regularly engages with its independent compensation consultant, Frederic W. Cook & Co. (“Cook”), to assess the competitiveness of the UPS compensation program and to stay apprised of market data on pay practices and trends.

On September 16, 2016, following its review of relevant market data and consideration of advice from Cook, the Compensation Committee approved certain changes to the compensation arrangements of each of David P. Abney, Richard N. Peretz, Alan Gershenhorn and Myron A. Gray in order to improve the competitiveness of UPS executive compensation.

The changes approved by the Compensation Committee include: (i) a change in future LTIP award targets, (ii) a change in future stock option award targets, (iii) a one-time grant of additional Restricted Performance Units (“RPUs”) connected to the 2016 Long-Term Incentive Performance (“LTIP”) award, and (iv) a one-time grant of non-qualified stock options, all as summarized in the table below. The one-time LTIP and Stock Option grants are intended to make the previously awarded grants consistent with the new targets. In addition, the Committee approved a ten percent (10%) increase to current annual base salaries for certain executive officers, effective October 1, 2016.
