ITEM 5. OTHER EVENTS

On June 16, 2004 (the Closing Date), Artemis International Solutions Corporation (the Company) entered into a Securities Purchase Agreement (the Securities Purchase Agreement) by and among itself and the buyers listed on the Schedule of Buyers thereto (collectively, the Buyers), whereby it has completed a private placement of \$9 million of preferred stock. In connection with the Securities Purchase Agreement, \$2,342,370 of such proceeds shall be placed into escrow for a thirty day period subject to the satisfaction of certain conditions set forth in the Escrow Agreement. Proceeds from the financing will be used for (i) working capital, (ii) the repayment of debt, and (iii) to strengthen the Company s balance sheet.

In connection with the financing, the Company issued to the Buyers an aggregate of 4,090,909 shares of preferred stock, priced at \$2.20 per share, each of which is convertible into one share of common stock. In addition, the Company issued to the Buyers (i) 5-year warrants to purchase an aggregate of 409,090 shares of common stock at an exercise price of \$2.64 per share and (ii) 210-day warrants (a) that are exercisable if, and only in the event that, the Six Month Price (as defined below) is below \$2.20 and (b) to purchase a variable number of shares of common stock at \$.01 per share based upon the Six Month Price. Six Month Price means the greater of \$1.75 or the lowest average closing price of the common stock of the Company for any 15 consecutive day period during the six month period immediately following the Closing Date.

Also, in connection with the financing, the Buyers have (i) certain voting consents and (ii) so long as twenty-five percent of the shares of preferred stock are outstanding, the right to elect one member of the board of directors of the Company.

Neither the shares of preferred stock, the warrants sold to the Buyers, nor the shares of common stock to be issued upon conversion of the preferred shares or exercise of the warrants have been registered under the Securities Act of 1933. Accordingly, the shares and warrants may not be offered or sold in the United States, except pursuant to an effective registration statement or an applicable exemption from the registration requirements of the Securities Act.

In connection with the Securities Purchase Agreement, the Company and the Buyers entered into a Registration Rights Agreement pursuant to which the Company is obligated to file a registration statement with the Securities and Exchange Commission to register the shares of the Company s common stock to be issued upon conversion of the preferred shares or exercise of the warrants. In the event that the Company misses either (i) the filing deadline or (ii) the effectiveness deadline set forth in such Registration Rights Agreement, it will be subject to the penalties set forth therein.
