(Unaudited)

Note 1

Unaudited Interim Financial Statements

Interim condensed financial statements are prepared pursuant to the requirements for reporting on Form 10-QSB. Accordingly, certain disclosures accompanying annual financial statements prepared in accordance with US generally accepted accounting principles are omitted. For additional disclosures, see Notes to Consolidated Financial Statements contained in QRS Music Technologies, Inc. Annual Report on Form 10-KSB for the year ended June 30, 2004.

In the opinion of management of the Company, all adjustments, consisting solely of normal recurring adjustments, necessary for the fair presentation of the consolidated financial statements for these interim periods have been included. The current period s results of operations are not necessarily indicative of results which ultimately may be achieved for the year.

Note 2 Inventories

Note 3 Dividends in arrears

#### Dividends in arrears on the Series A preferred stock amounted to \$64,192 at September 30, 2004.

Note 4

Earnings Per Share

The Company computes earnings per share (EPS) under Statement of Financial Accounting Standard (SFAS) No. 128, Earnings per Share. Basic net earnings less preferred dividends are divided by the weighted average number of common shares outstanding during the year to calculate basic net earnings per common share. Diluted net earnings per common share are calculated to give effect to the potential dilution that could occur if convertible preferred stock, warrants, options or other contracts to issue common stock were exercised and resulted in the issuance of additional common shares.

The computation of basic and diluted EPS was as follows:

		September 30, 2004		September 30, 2003
Numerator				
	¢	2(2.770	¢	122.072
Net income	\$	262,770	\$	123,072

Basic weighted average shares outstanding		9,458,956		9,358,956
Weighted average shares outstanding for options		116,000		58,157

Basic net income per share	\$	0.02	\$	0.01
Diluted net income per share	\$	0.02	\$	0.01

In 2004 and 2003, 534,925 weighted average common shares from the conversion of convertible preferred stock were not included in the computation because they were antidilutive.

Note 5 Note Payable Shareholder

On September 15, 2004, the Company s majority shareholder advanced the company \$500,000, Such advance was evidenced by an unsecured demand note bearing interest at 6% per annum. As of September 30, 2004 a partial payment had been made against the note.

Note 6 Commitments and Contingencies

The Company is a party to various other claims, legal actions and complaints arising in the ordinary course of business. In the opinion of management, all such matters are adequately covered by insurance, or if not so covered, are without merit or are of such kind or involve such amounts that unfavorable disposition would not have a material effect on the Company s financial position, results of operation or liquidity.

On August 20, 2003 a default judgment in the amount of approximately \$478,000 was entered against the Company in the United States Bankruptcy Court, Southern District of Ohio, Western Division. The default judgment was granted to Dwight s Piano Co (formerly known as Baldwin Piano & Organ Company and subsidiaries, a former customer of the Company) and was based upon claims that preferential transfers were made to the Company during the 90 day period prior to Baldwin s bankruptcy filing on May 31, 2001. Because a judgment was entered into against the Company by the Court, the entire amount of the judgment was accrued as of June 30, 2003. The Company filed a motion seeking vacation of the judgment and raised various defenses under the Bankruptcy Code. The Company is currently involved in negotiations for the settlement of the judgment.

#### Item 2. Management s Discussion and Analysis of Financial Condition and Results of Operations.

#### SPECIAL NOTE REGARDING FORWARD-LOOKING STATEMENTS.

Certain statements in this Form 10-QSB constitute forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. Such forward-looking statements involve known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements of Registrant to be materially different from any future results, performance or achievements expressed or implied by such forward-looking statements. Such factors include, among others, the following: the effects of the changes in Homeland Security policies, specifically relating to the effects on international and domestic transportation of goods, the state of the economy; the financial condition of major OEM s such as Baldwin Piano Co. and Young Chang Pianos; competition; seasonality; success of operating initiatives; new product development and introduction schedules; acceptance of new product offerings; advertising and promotional efforts; adverse publicity; changes in business strategy or development plans; availability and terms of capital; labor and employee benefit costs; changes in government regulations; uncertainty regarding economic recovery of the United States and international economies in general and consumer spending in particular, and other factors particular to Registrant.

#### GENERAL.

The Registrant s fiscal year ends each June 30, and the fiscal years ended June 30, 2003, June 30, 2004 are referred to as fiscal 2003, fiscal 2004, respectively.

Registrant is a Delaware Corporation and is a manufacturer and distributor of pianos, pianomation units, and compact discs and music rolls for use in player pianos. Registrant sells its products to dealers and end-users, predominately in the United States and has divisions in New York, Pennsylvania, Florida and Nevada.

Recently the Regristrant began renting space in Sydney, Australia with the purpose of opening a sales office to begin distribution of products to Australia. Registrant also began pursuing the lease of space in China for the purpose of distributing product, and certain administrative duties.

#### THREE MONTHS ENDED SEPTEMBER 30, 2004 COMPARED TO THE THREE MONTHS ENDED SEPTEMBER 30, 2003.

**SALES.** Total sales increased 39.2% from \$3.48 million in the first three months of fiscal 2004 to \$4.84 million in the first three months of fiscal 2005. Increased sales of technology which included the Pianomation player systems, accounted for the increase.

**COSTS AND EXPENSES.** Total cost of sales increased 37.3 % from \$2.5 million in the first three months of fiscal 2004 to \$3.5 million in the first three months of fiscal 2005. As a percentage of sales, cost of sales increased one percentage point as a result of the mix of products that were sold.

Selling, general and administrative expenses increased 27.8% from \$672,000 in fiscal 2004 to \$859,000 in fiscal 2005. The increase is a result of additional advertising expenses, increased commissions and selling expenses due to increased sales, an increase in shipping and delivery costs as a result of the rising transportation costs, increased legal and accounting expenses, and increased office expenses related to establishing new offices in Hong Kong and Australia.

**INTEREST EXPENSE, NET.** Net interest expense decreased 68.1% from \$9,400 in the first three months of fiscal 2004 to \$3,000 in the first three months of fiscal 2005. The decrease is due to a reduction in the outstanding balance during the period.

**PROVISION FOR INCOME TAXES.** Registrant accrued a provision for federal and state income taxes at an effective rate of 38% for both periods.

**NET INCOME**. Net income increased 113.5% from \$123,000 for the three month period ended September 30, 2003 to \$263,000 for the three month period ended September 30, 2004 as a result of the above mentioned variances.

### LIQUIDITY AND CAPITAL RESOURCES.

The primary sources of Registrant s cash are net cash flows from operating activities and short-term vendor financing. Currently, Registrant does not have available any established lines of credit with banking facilities.

Registrant s cash was \$796,000 and \$1.6 million at September 30, 2004 and June 30, 2004, respectively. Cash decreased from June 30, 2004 to September 30, 2004 primarily as a result of an increase in inventory and accounts receivable, offset by the increase in net income, and proceeds received from a note payable to a stockholder.

As of May 15, 2002 the Registrant owed approximately \$919,000 to a lending institution pursuant to a note due May 2002. Registrant refinanced the debt prior to the due date. The new note, payable in monthly installments of \$13,751, plus accrued interest at the prime rate (4.75% at September 30, 2004) and due in May 2007, requires the Registrant to satisfy certain financial covenants concerning tangible capital funds and debt coverage ratio. As of the date hereof, the

Registrant is in compliance with these covenants.

The matter was discussed with the audit committee, the independent auditors, corporate counsel and the Board of Directors. The correction of the deficiency was assigned the highest priority, and action has been taken to correct it.

The company has appointed its current registered agent in the State of Delaware to act as registered agent in all states where the Company has offices. receipts of process are to be sent to the chief executive officer, chief financial officer, corporate counsel and chairman of the board. Such matters that materially affect the Company s financial position will be immediately brought to the attention of the audit committee, who will in turn prepare a separate analysis of the impact on the Company s financial reporting. It has also been determined that the audit committee will meet on a more frequent basis. As a regular course of business at all Board meetings the audit committee will review with the Board of Directors any outstanding issues. If the audit committee believes an item of a significant nature has arisen, it will immediately request a special Board Meeting to review the circumstances.

Company policies regarding the deficient disclosure controls and procedures have been communicated to all employees in writing.

Management intends to engage in additional training and continuing education regarding best practices for disclosure and control procedures and internal controls.

The Company is committed to ongoing periodic reviews of its controls and their effectiveness. Controls have improved and management has no reason to believe that the financial statements included in this report are not fairly stated in all material respects. to be in the future, are adequate under the circumstances, and that there are no material inaccuracies or omissions in this Form
