Item 1.01 Entry into a Material Definitive Agreement.

On December 20, 2005, Inamed Corporation (Inamed), Allergan, Inc. (Allergan) and Banner Acquisition, Inc., a wholly-owned subsidiary of Allergan (Merger Sub) entered into a definitive Agreement and Plan of Merger (the Merger Agreement), after Inamed received written notice from Allergan that Allergan was satisfied that the conditions set forth in the Irrevocable Offer Letter, dated December 5, 2005, had been met. Inamed 's Board of Directors previously approved the Merger Agreement on December 14, 2005.

Pursuant to the Merger Agreement and subject to the satisfaction or waiver of certain conditions therein, Merger Sub will conduct an offer to exchange (the Offer) all outstanding shares of Inamed 's common stock (together with the associated preferred stock purchase rights, the Inamed Shares) for a choice of cash or Allergan common stock, and after the completion of the Offer, Merger Sub will be merged with and into Inamed (the Merger), with Inamed surviving the Merger as a wholly-owned subsidiary of Allergan.

Under the terms of the Offer, each Inamed stockholder may elect to receive, for each Inamed Share validly tendered and not properly withdrawn, either (i) \$84.00 in cash, without interest or (ii) 0.8498 of a share of newly issued Allergan common stock (including associated preferred stock purchase rights), in each case subject to certain proration and election procedures set forth in the Merger Agreement. In the Offer, 45% of the aggregate Inamed Shares tendered will be exchanged for cash and 55% of the aggregate Inamed Shares tendered will be exchanged for shares of Allergan common stock. Therefore, elections will be subject to proration if tendering holders of Inamed Shares, in the aggregate, elect to receive more than the maximum amount of consideration to be paid in cash or Allergan common stock pursuant to the Offer. The obligation of Merger Sub to accept for exchange and to exchange Inamed Shares for cash and shares of Allergan common stock tendered pursuant to the Offer is subject to the satisfaction of certain conditions set forth in the Merger Agreement.

The Merger is intended to qualify as a tax-free reorganization under Section 368(a) of the Internal Revenue Code of 1986, as amended.

The foregoing description of the Merger and the Merger Agreement is qualified in its entirety by reference to the Merger Agreement and the joint press release attached as Exhibits 2.2 and 99.1, respectively, and incorporated herein by reference.

The Merger Agreement has been included to provide investors with information regarding its terms. It is not intended to provide any other factual information about Allergan and Inamed. The Merger Agreement contains representations and warranties that Allergan and Inamed each made to the other. The assertions embodied in those representations and warranties are qualified by information in confidential disclosure schedules that the parties have exchanged in connection with signing the Merger Agreement. The disclosure schedules contain information that modifies, qualifies and creates exceptions to the representations and warranties set forth in the Merger Agreement. Accordingly, investors should not rely on the representations and warranties as characterizations of the actual state of facts at the time they were made or otherwise.

Additional Information About the Allergan Tender Offer and Where to Find It.

In connection with the pending tender offer by Allergan, Allergan filed a Schedule TO and Registration Statement on Form S-4 that contains a prospectus and Inamed filed a Schedule 14D-9 and a related amendment. The Allergan Registration Statement on Form S-4 has not yet become effective. INVESTORS AND SECURITY HOLDERS OF INAMED ARE URGED TO READ THE SCHEDULE TO, THE SCHEDULE 14D-9 AND THE PRELIMINARY VERSION OF THE ALLERGAN REGISTRATION STATEMENT AND PROSPECTUS.

This communication shall not constitute an offer to sell or the solicitation of an offer to sell or the solicitation of an offer to buy any securities, nor shall there be any sale of securities in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such jurisdiction. No offering of securities shall be made except by means of a prospectus meeting the requirements of Section 10 of the Securities Act of 1933, as amended. Inamed has discontinued solicitation of proxies for the cancelled special meeting of stockholders.
