Explanatory Statement In Connection With the Filing of a Related Registration

Statement

on Form S-8 Filed Pursuant to Instruction E of Form S-8

Contemporaneously with the filing of this Post-Effective Amendment No. 3 to its Registration Statement on Form S-8 (File No. 333-01477) (this Registration Statement), Deere & Company, a Delaware corporation (the Registrant), is filing with the Securities and Exchange Commission (the Commission) a new Registration Statement on Form S-8. The New Registration Statement relates to the registration among other offers and sales of shares of the Registrant's Common Stock, of the offer and sale of 97,813 shares of the Registrant's Common Stock, \$1 par value (the Carryover Shares), pursuant to The John Deere Omnibus Equity and Incentive Plan (the Plan) (the New Registration Statement). The Plan is sponsored by the Registrant.

The Registrant had originally registered the Carryover Shares pursuant to this Registration Statement in anticipation of granting awards pursuant to the 1991 John Deere Stock Option Plan (the Option Plan). The Option Plan is a predecessor plan to the Plan. Subsequent to the filing and effectiveness of this Registration Statement, the Plan was adopted by the Registrant and approved by the Registrant's stockholders to succeed the Option Plan. Following the filing of this Amendment No. 3, the Carryover Shares are no longer available for new awards under the Option Plan. The Registrant desires to have the Carryover Shares be included among the shares of the Common Stock whose offer and sale under the Plan is registered under the New Registration Statement. The Plan provides for the award, to select salaried employees of the Registrant and its subsidiaries, of stock options, stock appreciation rights, Common Stock of the Registrant or amounts based on the value thereof, and other awards.

Consequently, in accordance with the principles set forth in Interpretation 89 under Section G, Securities Act Forms of the Manual of Publicly Available Telephone Interpretations of the Division of Corporation Finance of the Commission (July 1997 as supplemented) and Instruction E to Form S-8, (1) the Registrant is registering the offer and sale of the Carryover Shares pursuant to the Plan by means of the New Registration Statement, (2) the registration fee of \$1,321.74 allocable to the Carryover Shares, which the Registrant paid to the Commission in connection with the original filing of this Registration Statement, is carried over to the New Registration Statement, and (3) this Registration Statement is being amended on a post-effective basis to describe the change from the Option Plan to the Plan.
