Item 1.01                      Entry into a Material Definitive Agreement.

On October 15, 2006, Oshkosh Truck Corporation, a Wisconsin corporation ( "Oshkosh Truck" ), Steel Acquisition Corp. ( "Merger Sub" ), a Pennsylvania corporation and wholly-owned subsidiary of Oshkosh Truck, and JLG Industries, Inc., a Pennsylvania corporation ( "JLG Industries" ), entered into an Agreement and Plan of Merger (the "Merger Agreement" ) pursuant to which Oshkosh Truck agreed, subject to the terms and conditions set forth in the Merger Agreement, to acquire all of the outstanding shares of JLG Industries for a cash amount of \$28.00 per share (the "Merger" ). Upon completion of the Merger, JLG Industries will become a wholly-owned subsidiary of Oshkosh Truck.

The Merger Agreement includes customary representations, warranties and covenants of JLG Industries, Oshkosh Truck and Merger Sub. The consummation of the Merger is subject to the approval of JLG Industries' shareholders, receipt of necessary approvals under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, and applicable foreign regulatory authorities, and other customary closing conditions.

The Merger Agreement contains certain termination rights for both Oshkosh Truck and JLG Industries, and further provides that, upon termination of the Merger Agreement under specified circumstances, JLG Industries may be required to pay Oshkosh Truck a termination fee of \$100 million.

The foregoing description of the Merger Agreement does not purport to be complete and is qualified in its entirety by reference to the Merger Agreement, a copy of which is filed as Exhibit 2.1 hereto and is incorporated herein by reference. There are representations and warranties contained in the Merger Agreement which were made by the parties to each other as of specific dates. The assertions embodied in these representations and warranties were made solely for purposes of the Merger Agreement and may be subject to important qualifications and limitations agreed to by the parties in connection with negotiating its terms. Moreover, certain representations and warranties may not be accurate or complete as of any specified date because they are subject to a contractual standard of materiality that is different from certain standards generally applicable to shareholders or were used for the purpose of allocating risk between the parties rather than establishing matters as facts. Based upon the foregoing reasons, you should not rely on the representations and warranties as statements of factual information.

Item 8.01                      Other Events.

On October 16, 2006, Oshkosh Truck held a conference call for investors and analysts in connection with the announcement of the Merger Agreement. The transcript of that call is attached as Exhibit 99.1 hereto.
