CALCULATION OF REGISTRATION FEE

Title of Securities to be Registered	Amount to be Registered (1)	Proposed Maximum Offering Price Per Share (2)	Proposed Maximum Aggregate Offering Price (2)	Amount of Registration Fee(2)(3)
Common Shares, \$0.20 par value per share	30,843,452	\$ 43.33	\$ 1,336,446,775	\$ 41,029

(1) The shares registered on this Form S-8 consist of 24,843,452 common shares that may be issued under the Covidien Ltd. 2007 Stock and Incentive Plan and 6,000,000 common shares that may be issued under employee stock purchase plans established or to be established by Covidien Ltd. or its subsidiaries for employees in the United States and in foreign jurisdictions, including the Covidien Ltd. Employee Stock Purchase Plan and the Covidien Ltd. Savings Related Share Plan. Pursuant to Rule 416(a) under the Securities Act of 1933, this registration statement also registers such additional Common Shares that become available under the foregoing plan in connection with changes in the number of outstanding Common Shares because of events such as recapitalizations, stock dividends, stock splits and reverse stock splits, and any other securities with respect to which the outstanding shares are converted or exchanged.

(2) Estimated solely for the purpose of calculating the registration fee. This registration fee has been calculated pursuant to Rule 457(h)(1) and Rule 457(c) of the Securities Act of 1933, as amended, based upon the average of the high and low prices of Covidien Ltd. s Common Shares, par value \$0.20 per share, on June 29, 2007, as reported by the New York Stock Exchange, which was \$43.33.

(3) Covidien International Finance S.A. (CIFSA), a 100% owned subsidiary of Covidien Ltd., and Covidien Ltd. previously filed a Form S-1 on January 18, 2007 (Registration no. 333-140062) in connection with the planned offering of senior notes by CIFSA and in connection with that filing CIFSA paid a filing fee of \$153,050. This offering was not consummated and the Registration No. 333-140062 was withdrawn on June 7, 2007. Pursuant to Rule 457(p) under the Securities Act, the full amount of the registration fee currently due for this Registration Statement has been offset against a portion of the registration fee paid for the earlier registration statement. After this offset, a balance of \$112,021 remains from the fee paid for Registration No. 333-140062.

Item 9. Undertakings

1. Covidien hereby undertakes:

- (a) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:
- (i) To include any prospectus required by Section 10(a)(3) of the Securities Act;
- (ii) To reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and
- (iii) To include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement;

provided, however, that paragraphs (1)(a)(i) and (1)(a)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by Covidien pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this Registration Statement;

- (b) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof; and
- (c) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

2. Covidien hereby further undertakes that, for the purposes of determining any liability under the Securities Act, each filing of Covidien's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be

deemed to be the initial *bona fide* offering thereof.

3. Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of Covidien pursuant to provisions and arrangements that exist whereby Covidien may indemnify such persons against liabilities arising under the Securities Act, or otherwise, Covidien has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by Covidien of expenses incurred or paid by a director, officer or controlling person of Covidien in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, Covidien will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
