-

Item 3.02 Unregistered Sales of Equity Securities.

On February 20, 2008, in connection with the closing of the transaction originally reported by Schmitt Industries, Inc. (the Registrant) on its Current Report on Form 8-K filed with the Securities and Exchange Commission on December 20, 2007, the Registrant, through its wholly owned subsidiary, Schmitt Industries (Canada) Limited, a British Columbia corporation, acquired all of the issued and outstanding common shares (the Xtero Shares) of Xtero Datacom Inc., a British Columbia corporation (Xtero). As consideration for the Xtero Shares, the Registrant issued 199,977 shares of the Registrant's common stock to the Xtero shareholders. The issuance of these shares was not registered, and was made in reliance upon Section 3(a)(10) of the Securities Act of 1933 (the Act), which exempts judicially approved share exchanges from the Act's registration requirements. After a hearing upon the fairness of the terms and conditions relating to the issuance of the shares, the Supreme Court of British Columbia approved the issuance and related transaction documents on each of January 29, 2008 and February 14, 2008. Based upon the closing price of the Registrant's common stock of \$5.90 on February 20, 2008 as reported on the NASDAQ Capital Market, the aggregate value of the Registrant's shares issued to the Xtero shareholders was approximately \$1,179,865.

SIGNATURES

Pursuant to the requirements of the Securities Exchange Act of 1934, the Registrant has duly caused this report to be signed on its behalf by the undersigned hereunto duly authorized.
