PROXY STATEMENT

Relating to the Annual Meeting

of Shareholders to be held April 17, 2009

GENERAL

The enclosed proxy is solicited by the Board of Directors of Sport-Haley, Inc. (hereinafter referred to as the Company or Sport-Haley or we) for use at the annual meeting of shareholders to be held at the offices of Sport-Haley, Inc., 4600 E. 48th Avenue, Denver, Colorado 80216 on Friday, April 17, 2009, at 11:00 a.m., Mountain Time, for the purposes set forth in the foregoing Notice of Annual Meeting of Shareholders. This proxy statement and the form of proxy will be mailed to shareholders on or about March 18, 2009.

The record date with respect to this solicitation is March 9, 2009. All holders of record of common stock of Sport-Haley, Inc. as of the close of business on that date are entitled to vote at the meeting. As of the record date, the Company had 2,284,490 shares of common stock outstanding. Each share of common stock is entitled to one vote. A majority of the votes entitled to be cast constitutes a quorum. If a quorum exists, action on any matter other than the election of directors will be approved if the votes cast in person or by proxy at the meeting favoring the action exceed the votes cast opposing the action. In the election of directors, that number of candidates equaling the number of directors to be elected having the highest number of votes cast in favor of their election will be elected. Abstentions and broker non-votes are not counted in the calculation of the vote.

A proxy may be revoked by the shareholder at any time prior to its being voted. If a proxy is properly signed and is not revoked by the shareholder, the shares it represents will be voted at the meeting in accordance with the instructions of the shareholder, unless it is received in such form as to render it invalid. If the proxy is signed and returned without specifying choices, the shares will be voted in accordance with the recommendations of the Board of Directors.

As a matter of policy, proxies, ballots and voting tabulations that identify individual shareholders are held confidential by the Company. Such documents are available for examination only by the inspectors of election, none of whom is an employee of the Company, and certain employees associated with tabulation of the vote. The identity of the vote of any shareholder is not disclosed except as may be necessary to meet legal requirements.

Edgar Filing: SPORT HALEY INC - Form DEF 14A

The cost of this solicitation will be borne by the Company. Employees and directors of the Company may solicit proxies but will not receive any additional compensation for such solicitation. Proxies may be solicited personally or by mail, facsimile or telephone.

COMPLIANCE WITH SECTION 16(a) OF THE SECURITIES EXCHANGE ACT

Under the securities laws of the United States, our directors, executive officers, and any persons holding more than ten percent of our Common Stock are required to report their initial ownership of Common Stock and other equity securities and any subsequent changes in that ownership to the Securities and Exchange Commission and Sport-Haley. Specific due dates for these reports have been established and we are required to disclose in this proxy statement any failure to file, or late filing, of such reports with

respect to the period ended June 30, 2008. Based solely on our review of the reports furnished to us and written representations that no other reports were required during fiscal 2008, our officers, directors and beneficial owners of more than ten percent of its Common Stock complied with all Section 16(a) filing requirements.

CERTAIN RELATIONSHIPS, RELATED TRANSACTIONS AND DIRECTOR INDEPENDENCE

We adopted a written policy that requires Board approval by a disinterested majority of the directors voting for any transaction in which one of our directors, nominees for director, executive officers or greater than five percent stockholders, or their immediate family members, have a material interest. All of our directors and executive officers are required at all times, but not less than annually, to disclose all relationships they have with companies or individuals that have conducted business with, or had an interest in, our Company. Our executive officers monitor our operations, giving consideration to the disclosed relationships, and refer potential transactions to the Board of Directors for approval. The Board of Directors considers a related party transaction for its potential economic benefit to us, to ensure the transaction is, among other things, on terms no less favorable to us than those involving unrelated parties, in accordance with our policies and procedures, and that it is properly disclosed in our reports to shareholders.

Other than the employment arrangements described elsewhere in this report and the transactions described below, during the 2008 fiscal year, there has not been, nor is there currently proposed, any transaction or series of similar transactions to which we were or will be a party:

- in which the amount involved exceeds \$120,000; and,
- in which any director, nominee for director, executive officer, shareholder which beneficially owns five percent or more of our common stock or any member of their immediate family members, had or will have a direct or indirect material interest.

We have determined that all of our directors, except Donald W. Jewell, are independent within applicable rules of The Nasdaq Stock Market® (Nasdaq Rules). Therefore, a majority of our Board of Directors, and each member of the Audit, Compensation and Nominating Committees, are independent within applicable Nasdaq rules. Further, each member of our Audit Committee is also considered independent under SEC Rule 10A-3.

ANNUAL REPORT

We are sending the Annual Report to Shareholders for the fiscal year ended June 30, 2008 (fiscal 2008) to all shareholders with this proxy statement. The Annual Report to Shareholders does not form any part of the material for the solicitation of any proxy. The Annual Report to Shareholders contains our Annual Report on Form 10-K for the year ended June 30, 2008, as filed with the Securities and Exchange Commission. We have also included with the Annual Report our Quarterly Report on Form 10-Q for the period ended December 31, 2008. SHAREHOLDER PROPOSALS FOR THE FISCAL 2010 ANNUAL MEETING

Pursuant to Rule 14a-8 under the Securities Exchange Act of 1934 (the "Exchange Act"), some stockholder proposals may be eligible for inclusion in our proxy statement for the Company's fiscal 2010 annual meeting. To be eligible for inclusion in the 2010 proxy statement, any such proposals must be delivered in writing to the Corporate Secretary, Sport-Haley, Inc., 4600 East 48th Avenue, Denver, Colorado 80216, no later than September 20, 2009, and must meet the requirements of Rule 14a-8 under the Exchange Act. The submission of a stockholder proposal does not guarantee that it will be included in the Company's Proxy Statement. If a shareholder intends to present a proposal for consideration at the fiscal 2010 annual meeting outside of the processes of Rule 14a-8 under the Exchange Act, the SEC rules permit management to vote proxies in its discretion if we receive notice of the proposal before the close of business on December 4, 2009 and advise shareholders in our proxy statement for next year's annual meeting about the nature of the matter and how our management intends to vote on such matter.

SHAREHOLDER COMMUNICATIONS WITH THE BOARD

Our Board of Directors has implemented a process whereby shareholders may send communications to the Board's attention. Any shareholder desiring to communicate with the Board, or one or more specific members thereof, should communicate in a writing addressed to Sport-Haley, Inc., 4600 E. 48th Avenue, Denver, CO 80216. Our Corporate Secretary has been instructed by the Board to promptly forward all such communications to the specified addressees thereof.

OTHER MATTERS

Except for the matters described herein, management does not intend to present any matter for action at the annual meeting and knows of no matter to be presented at such meeting that is a proper subject for action by the shareholders. However, if any other matters should properly come before the annual meeting, it is intended that votes will be cast pursuant to the authority granted by the enclosed proxy in accordance with the best judgment of the person or person acting under the proxy.

PROPOSALS TO BE VOTED UPON

I. ELECTION OF DIRECTORS

Information concerning the four nominees for election as directors is shown below. If elected, each nominee will serve as director for a one-year term or until his successor is elected and qualified. All nominees are presently members of the Board of Directors and all nominees have been unanimously nominated to stand for re-election or election, as applicable, by the Nominating Committee of the Board of Directors, which is composed of the four members of the Board of Directors who are considered to be independent directors, within the meaning of the applicable listing standards of The Nasdaq Stock Market® (the "Nasdaq Rules"). Mr. William O. Johnstone has decided not to stand for re-election. In December 2006, the Board of Directors approved a resolution increasing the number of directors to six. The Nominating Committee has not nominated a candidate to fill the two open directorships. The Nominating Committee and the Board of Directors knows of no reason why any nominee would be unable to serve as a director. If any nominee should for any reason become unable to serve, the shares represented by all valid proxies will be voted for the election of such other person as the Board of Directors may designate or the Board of Directors may reduce the number of directors to eliminate the vacancy. If the following nominees are approved, the Board will continue to be composed solely of

independent, outside directors, except for Mr. Jewell, who is an employee and executive officer.

Mr. Jewell began designing, sourcing and marketing men's apparel in 1993 while serving as the president and chief executive officer of Jewell-Rung International Men's Fashion, positions that he held from 1980 to 1996.

Pending or Threatened Legal Proceedings Involving Officers, Directors and Nominees

There are no pending or, to our knowledge, threatened material legal proceedings to which any director, director nominee, officer or affiliate of the Company, any owner of record or beneficially of more than five percent of any class of our voting securities, or any associate of any such director, nominee, officer, affiliate of the Company, or security holder is a party adverse to us or our subsidiary or has a material interest adverse to us or our subsidiary.

Committees of the Board

The Board of Directors has delegated certain of its authority to an Audit Committee, a Compensation Committee and a Nominating Committee. The Audit Committee is comprised of Messrs. TenBrook, Stevenson and Johnstone. Mr. Johnstone has determined not to stand for re-election to the Board and his positions on the Audit and Nominating Committees. The Compensation Committee is comprised of Messrs. Stevenson and Norick. The Nominating Committee is comprised of Messrs. Norick, TenBrook, Stevenson and Johnstone. Mr. TenBrook serves as Chairman of the Audit Committee and Mr. Stevenson serves as Chairman of the Compensation Committee. We have determined that each member of the Audit Committee, Compensation Committee and Nominating Committee qualifies as an independent director under the applicable Nasdaq Rules. In addition, the current Audit Committee members meet the audit committee independence standards set forth in SEC Rule 10A-3. None of the persons serving on these three committees, nor any family member of such persons, is a former or current officer or employee of the Company or any current or former subsidiaries.

Audit Committee.

Our Board of Directors adopted an Audit Committee Charter effective June 9, 2000, and an Amended and Restated Audit Committee Charter effective January 1, 2004, which describes the Audit Committee's roles and responsibilities. The Amended and Restated Audit Committee Charter is attached as Appendix B to this Proxy Statement. The Audit Committee members have regularly reviewed and will continue to review the content and adequacy of the charter on at least an annual basis. The function of the Audit Committee is to review and approve the scope of

audit procedures employed and to review and approve the audit reports rendered by our independent auditors and to approve the audit fee charged by the

independent auditors. In addition, pursuant to the Sarbanes-Oxley Act of 2002 and rules promulgated thereunder, the audit committee is responsible for, among other things, pre-approving all audit and non-audit services performed by the independent auditors, approving the engagement of the auditors and receiving certain reports from the independent auditors prior to the filing of the audit report. The Audit Committee reports to the Board of Directors with respect to such matters and recommends the selection of independent auditors. The Audit Committee appointed James R. TenBrook as the Chairman of the Audit Committee. The Audit Committee held four formal meetings during fiscal 2008. Each of the members of the Audit Committee attended all of the meetings held during fiscal 2008.

We have determined that the Chairman of the Audit Committee, Mr. TenBrook, meets the criteria for an Audit Committee Financial Expert under applicable SEC Rules and all three members meet the requirements for independence under applicable Nasdaq Rules and SEC Rule 10A-3.

Our Audit Committee implemented procedures for the pre-approval of audit and non-audit services performed by our independent auditors. The Audit Committee has the sole authority to pre-approve all audit and non-audit services provided by the independent auditors to the Company and acts to assure that the independent auditors are not engaged to perform specific non-audit services proscribed by law or regulation. The Audit Committee approved all audit and non-audit services provided to us by Gordon Hughes & Banks LLP during fiscal year 2008 and has approved all audit and non-audit services provided to us by Eide Bailly LLP during fiscal 2009 to date.

See the Audit Committee Report to the Board of Directors, below.

Compensation Committee.

The primary function of the Compensation Committee is to review and make recommendations to our Board of Directors with respect to the compensation, including bonuses, of our officers and to administer our Option Plan. The Compensation Committee does not have a charter. The Compensation Committee held two meetings in fiscal 2008, which all of its members attended. See Compensation Committee Report, and Executive Compensation, below.

Nominating Committee.

Our Nominating Committee is comprised of Messrs. Norick, Stevenson, TenBrook and Johnstone. The Nominating Committee recommends to the Board the persons to be nominated for election as directors at any meeting of stockholders, develops and recommends to the Board a set of corporate governance principles applicable to the Company and oversees the evaluation of the Board. The Board has determined that each of the members of the Nominating Committee is independent, as that term is defined by applicable Nasdaq Rules. The Nominating Committee acts pursuant to a written charter, which was approved by the Board on February 10, 2004, a copy of which is attached as an Appendix C to this Proxy Statement. All of the members of the Nominating Committee met once during fiscal 2008. The Nominating Committee unanimously voted to nominate for re-election at the annual meeting each of the current directors. Since forming the Nominating Committee, adopting a formal charter, and adopting nomination procedures, there have been no material changes to the procedures by which security holders may recommend nominees to our Board of Directors.

Edgar Filing: SPORT HALEY INC - Form DEF 14A

Shareholders may recommend director candidates for inclusion by the Board of Directors in the slate of nominees which the Board recommends to shareholders for election. The qualifications of recommended candidates will be reviewed by the Nominating Committee. If the Board determines to

nominate a stockholder-recommended candidate and recommends his or her election as a director by the shareholders, his or her name will be included in our proxy card for the stockholder meeting at which his or her election is recommended.

Shareholders may recommend individuals to the Nominating Committee for consideration as potential director candidates by submitting their names and background to the Company's Corporate Secretary, at the address set forth above under "Stockholder Communications," and such recommendations will be forwarded to the Nominating Committee. The Nominating Committee will consider a recommendation only if appropriate biographical information and background material is provided on a timely basis.

The process followed by the Nominating Committee to identify and evaluate candidates includes requests to Board members and others for recommendations, meetings from time to time to evaluate biographical information and background material relating to potential candidates and interviews of selected candidates by members of the Nominating Committee and the Board. The Nominating Committee is authorized to retain advisers and consultants and to compensate them for their services. The Nominating Committee has not retained any such advisers or consultants.

Assuming that appropriate biographical and background material is provided for candidates recommended by shareholders, the Nominating Committee will evaluate those candidates by following substantially the same process, and applying substantially the same criteria, as for candidates submitted by Board members or by other persons. In considering whether to recommend any candidate for inclusion in the Board's slate of recommended director nominees, including candidates recommended by shareholders, the Nominating Committee will apply the criteria which are set forth in Nominating Committee Charter. The criteria for nomination include the candidate's:

- integrity and honesty,
- ability to exercise sound, mature and independent business judgment in the best interests of the shareholders as a whole,
- background and experience with manufacturing, retailing, operations, finance, marketing or other fields which will complement the talents of the other Board members,
- willingness and capability to take the time to actively participate in Board and Committee meetings and related activities,
- ability to work professionally and effectively with other Board members and Company management,

- availability to remain on the Board long enough to make an effective contribution, and
- absence of material relationships with competitors or other third parties that could present realistic possibilities of conflict of interest or legal issues; and
- experience with accounting rules and practices.

The Nominating Committee does not assign specific weights to particular criteria and no particular criterion is necessarily applicable to all prospective nominees. The Nominating Committee believes that the

backgrounds and qualifications of the directors, considered as a group, should provide a significant composite mix of experience, knowledge and abilities that will allow the Board to fulfill its responsibilities.

Audit Committee Report

The following Report of the Audit Committee does not constitute soliciting material and should not be deemed filed or incorporated by reference into any other Company filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent the Company specifically incorporates this Report by reference therein.

In September, 2008, the Audit Committee submitted to the Board of Directors the following report:

We have reviewed and discussed with management the Company's audited financial statements for the year ended June 30, 2008 (the Fiscal Year 2008 Financial Statements).

Based upon the reviews and discussions referred to above, we recommended to the Board of Directors that the Fiscal Year 2008 Financial Statements be included in the Company's Form 10-K for the year ended June 30, 2008.

Executive Compensation

Compensation Discussion and Analysis

The following discussion and analysis provides information regarding our executive compensation objectives and principles, procedures, practices and decisions, and is provided to help give perspective to the numbers and narratives that follow the tables in this section. This discussion will focus on our objectives, principles, practices and decisions with regard to the compensation of the following three named executive officers (the "NEOs"):

- Donald W. Jewell Chief Executive Officer and President
- Patrick W. Hurley Chief Financial Officer, Secretary and Treasurer
- Catherine B. Blair Vice President Merchandising/Design

Compensation programs for our NEOs are determined and proposed by our Compensation Committee and are approved by the Board of Directors. None of the NEOs are members of the Compensation Committee or otherwise had any role in determining the compensation for themselves or other NEOs, although the Compensation Committee does receive input from the NEOs when considering adjustments to base salary and other compensation components and the Chief Executive Officer's recommendations with respect to compensation of the other NEOs. The Compensation Committee conducts an annual review of our executive compensation programs to ensure that they meet the objectives described below. The Compensation Committee relies on its judgment in making compensation decisions after reviewing our performance and evaluating each executive's performance against established goals, leadership ability and responsibilities, and current compensation arrangements. When setting total compensation for each of the NEOs, the Compensation Committee reviews each NEO's current compensation, including equity and non-equity based compensation. The Compensation Committee also evaluates through local surveys and human resource publications comparable base and incentive compensation ranges for similar job descriptions.

Executive Compensation Objectives and Overview

The overall objective of our executive compensation program is to create long-term value for our stockholders by attracting and retaining talented executives, rewarding superior operating and financial performance, and aligning the long-term interests of our executives with those of

our stockholders. Accordingly, our executive compensation program incorporates the following principles:

- Compensation should be based on individual job responsibility, demonstrated leadership ability, management experience, individual performance and achieving Company financial goals. Employees in positions of leadership and broad responsibility are generally compensated by elements that are linked to our overall performance.

- Compensation should reflect the fair market value of the services received. We believe that a fair and competitive pay package for the NEOs is essential to attract and retain talented executives in key positions.
- Compensation is designed to reward NEOs based on both our short-term and long-term performance. Base salary is tied to individual performance and market conditions for similar positions. Bonuses, if any, are tied to achievement of short-term quantitative performance goals that we believe closely correlate to share value. Long-term performance has historically been rewarded through equity-based awards such as stock options, the value of which depends on future share prices, and the realization of which is contingent on satisfaction of vesting schedules requiring continued service with us.

Elements of Executive Compensation

Our current executive compensation program is based upon four main components, designed to be consistent with our compensation objectives: (1) base salary; (2) annual incentive bonuses; (3) grants of stock options; and, (4) perquisites and other benefits.

The following is a more detailed explanation of the primary components of our executive compensation program.

Base Salary. Base salaries are set initially in each NEO's respective executive employment agreement, and are reviewed annually by the Compensation Committee. Base salaries serve as the guaranteed cash portion of executive compensation. A base salary is intended to compensate an executive for performing his or her job responsibilities on a day-to-day basis and is intended to reflect that executive's skill set as well as the market value for that position. The Compensation Committee sets the base pay of the Chief Executive Officer. Base pay for other NEOs is set by the Compensation Committee after reviewing the recommendation of the Chief Executive Officer. Annual adjustments are influenced by growth of our operations, revenues and profitability, individual performance, changes in responsibility and other factors.

Each NEO's base salary is generally fixed at the time the executive is first hired or is promoted to the executive officer level. In setting the base salary, the Compensation Committee reviews job requirements and performance expectations, and conducts an informal market survey to determine the competitiveness of the base salary. The Compensation Committee reviews base salaries annually and adjustments are made as appropriate to recognize outstanding individual performance, expanded duties, or changes in the competitive marketplace. On July 1, 2008, we increased the base salary of Catherine B. Blair, our Vice President - Merchandising/Design, to \$175,000, as she has been integral to the success of our SPORT HALEY® women's fashion apparel. Ms. Blair has responsibility for designing and sourcing our SPORT HALEY® women's fashion apparel. We did not adjust the base salary of any of our other NEOs in 2008. Effective as of March 8, 2009, our NEOs voluntarily agreed to reduce their base annual salaries as reflected in the table below.

The base salary for each of the named executive officers during 2008, according to their respective effective employment agreement was, and as voluntarily reduced, effective March 8, 2009 is, as follows:

Name	Title	2008 Salary	Effective 3/8/09 Salary
Donald W. Jewell	Chief Executive Officer and President	\$ 325,000	\$ 260,000
Patrick W. Hurley	Chief Financial Officer, Secretary and Treasurer	\$ 125,000	\$ 100,000
Catherine B. Blair	Vice President Merchandising/Design	\$ 160,000	\$ 140,000

Cash Bonuses. The employment agreements of each of our NEOs contain provisions allowing for annual incentive bonuses, at the discretion of the Compensation Committee, of up to 30% of the executive's base salary, in accordance with our bonus plan. Each year, depending upon the Company's annual financial performance and other objectives, a determination is made as to whether an annual bonus is a necessary part of the overall executive compensation package. In those years where it is determined that an annual bonus is required, a bonus serves as the short-term incentive compensation element of the executive compensation program and is intended to provide an incentive for an executive to achieve a high level of corporate and individual performance. The payout of annual bonuses to NEOs is subject to the approval of the Compensation Committee following its review of executives' performances against the designated corporate and individual performance criteria. No bonuses were awarded to our NEOs in 2008 or 2007, since key revenue and profit objectives were not achieved. During 2006, we awarded a cash bonus to Mr. Jewell of \$50,000 and transferred title in a Company automobile to him (with an estimated fair value of \$14,000); we awarded Mr. Hurley a cash bonus of \$12,000; and, we awarded Ms. Blair a cash bonus of \$3,000.

Long Term Incentives - Stock Options. Historically, we have granted common stock options to our executive officers and directors as a form of long-term incentives. Sport Haley adopted an Amended and Restated Stock Option Plan in 1993 (the 1993 Option Plan), which expired in February 2003. The Option Plan provided for the granting of incentive stock options within the meaning of Section 422 of the Internal Revenue Code of 1986, as amended, non-qualified stock options and stock appreciation rights (SARs). Options granted under the 1993 Option Plan typically vested over three years, which provided the recipient some incentive to remain with the Company.

In January 2008, we adopted a new stock option plan, entitled the Sport-Haley 2008 Stock Option Plan (the 2008 Plan). Under the 2008 Plan, the Compensation Committee is authorized to grant up to 50,000 non-qualified stock options and up to 150,000 incentive stock options. No options or other awards have been granted under the 2008 Plan.

We formerly adopted an Amended and Restated Stock Option Plan in 1993 (the Former Plan). The Former Plan provided for the granting of incentive stock options within the meaning of Section 422 of the Internal Revenue Code of 1986, as amended, non-qualified stock options and stock appreciation rights (SARs). The Former Plan expired by its terms in February 2003. Options granted under the Former Plan typically vested over three years, which provided the recipient some incentive to remain with the Company.

The 2008 Plan and the Former Plan are administered by the Compensation Committee. Upon termination of a participant's employment or consulting relationship with Sport-Haley, all unvested options terminate and are no longer exercisable. Vested options remain exercisable for a specified period of time following the termination date. The length of such an extended exercise period generally ranges from 30 days to one year, depending on the nature and circumstances of the termination.

Each of our NEOs has previously been granted options under the Former Plan, all of which are currently vested and exercisable. The options granted to our NEOs under the Option Plan will expire, based upon the date of their issuance, from January 2010 through February 2012. The Compensation Committee did not utilize a specific formula as the basis for granting awards under our Former Plan. No options could be granted under the Former Plan subsequent to February 28, 2003, when the Former Plan expired by its terms. No options were granted to our NEOs or directors under the 2008 Plan during 2008.

Options granted pursuant to the Former Plan prior to its expiration remain exercisable according to the terms of their issuance. All of the options previously granted under the Former Plan are now fully vested. The exercise price of each incentive option granted under the Former Plan must have been at least equal to the fair market value of the common stock of Sport-Haley on the date of grant. In the case of an optionee who owned stock possessing more than ten percent of the total combined voting power of all classes of stock of Sport Haley (ten percent owner), the exercise price of incentive options could not be less than 110% of the fair market value of the Common Stock on the date of grant. The exercise price of all non-qualified stock options granted under the Former Plan was determined by the Compensation Committee, but could not be less than 85% of the fair market value of the Common Stock.

Under the 2008 Plan, the exercise price of incentive and non-qualified options cannot be less than 100% of the fair market value of the underlying Common Stock on the date of grant. Further, incentive options granted to ten percent owners must be granted at 110% of the fair market value of the common stock and can have a term not exceeding five years.

As of December 31, 2008, a total of 577,000 non-qualified options were outstanding, with exercise prices ranging from \$2.71 to \$3.60 per share and a weighted average exercise price per share of \$3.04. During the quarter ended December 31, 2008, no options were exercised and 9,000 options expired.

Perquisites and Other Benefits. Other benefits are provided to the NEOs include basic group health care coverage (the Company pays 80% of the NEO's prorated premium for group medical insurance exclusive of spousal and dependent coverage), life insurance (the Company pays the premium for \$50,000 of term life insurance per salaried employee in a group plan), paid vacations and 401(k) plan employer contributions (the Company matches employee contributions up to 3% of their annual compensation plus 50% of their contributions from 3 to 5% of their annual compensation, within applicable federal limits). The Compensation Committee believes that those benefits, which are detailed in the Summary Compensation Table under the heading All Other Compensation, are reasonable, competitive and consistent with our overall executive compensation program. In addition, for our Chief Executive Officer, we also pay for certain automobile expenses and his golf club membership dues.

Termination and Severance Benefits

The Company has entered into an employment agreement with each of the NEOs. The Company's executive employment contracts are generally based upon a standard form of agreement with various modifications, depending on the position. Each employment agreement generally requires the executive officer to devote his or her full productive time and best efforts to the Company and to hold in confidence all trade secrets and proprietary information he or she receives from the Company. The employment agreements set forth the base salary, incentive compensation, benefits and perquisites that the executive officer is entitled to as described above. The employment agreements also set forth the benefits and rights the executive officers are entitled to upon termination of employment and upon a change-in-control of the Company. These rights are described below.

Donald W. Jewell. With respect to our Chief Executive Officer and President, Donald W. Jewell, if we elect to terminate his employment for other than cause (as defined in the employment agreement), or if Mr. Jewell were to terminate the agreement for cause, Mr. Jewell would be entitled to receive severance compensation equal to twelve months salary and 50% of the last annual bonus paid to him. During the time he were to receive any such severance compensation, Mr. Jewell is eligible to participate in all employee benefit plans, at our expense. If there were to be a non-negotiated change in control of Sport-Haley, Inc., and either we or Mr. Jewell terminate the agreement within sixty days of the change of control, then Mr. Jewell would be entitled to lump sum severance compensation equal to three times his annual salary and bonus payments during the preceding 12 months. In the event of termination due to a non-negotiated change in control, options previously granted to Mr. Jewell would become fully vested and exercisable on the date of termination. In the event of a termination by either party without cause, options previously granted would vest and become exercisable on a prorated basis from the date of grant to the date of termination.

Patrick W. Hurley. If we elect to terminate the executive employment agreement with Patrick W. Hurley, our Chief Financial Officer, Secretary and Treasurer, without cause (as defined in the agreement) or not to renew the agreement upon its expiration, or if Mr. Hurley terminates the agreement with or without cause, he is entitled to receive severance compensation equal to six months salary, plus 50% of the last annual bonus paid to him. During the time he were to receive any such severance compensation, Mr. Hurley is entitled to participate in all employee benefit plans, at our expense. If there were to be a non-negotiated change in control of Sport-Haley, Inc., and either we or Mr. Hurley terminate the agreement within sixty days of the change of control, then Mr. Hurley is entitled to lump sum severance compensation equal to three times his annual salary and bonus payments during the preceding 12 months. In the event of termination due to a non-negotiated change in control of Sport-Haley, Inc., options previously granted to Mr. Hurley would become fully vested and exercisable on the date of termination. In the event of a termination by either party without cause, options previously granted would vest and become exercisable on a prorated basis from the date of grant to the date of termination.

Catherine B. Blair. If we elect to terminate the executive employment agreement with Catherine B. Blair, our Vice President of Merchandising/Design, without cause (as defined in the agreement) or not to renew the agreement upon its expiration, or if Ms. Blair terminates the agreement with or without cause, she is entitled to receive severance compensation equal to twelve months salary, plus 50% of the bonus, if any, paid to her in the preceding 12 months. During the time she were to receive any such severance compensation, Ms. Blair is entitled to participate in all employee benefit plans, at our expense. If there were to be a non-negotiated change in control of Sport-Haley, Inc., and either we or Ms. Blair terminate the agreement within sixty days of the change of control, then Ms. Blair is entitled to lump sum severance compensation equal to three times her annual salary and bonus payments during the preceding 12 months. In the event of termination due to a non-negotiated change in control of Sport-Haley, Inc., options previously granted to Ms. Blair would become fully vested and exercisable on the date of termination. In the event of a termination by either party without cause, options previously granted would vest and become exercisable on a prorated basis from the date of grant to the date of termination.

Tax and Accounting Considerations

Deductibility of Executive Compensation

Section 162(m) of the Internal Revenue Code, as amended, generally limits the deductibility of certain compensation in excess of \$1,000,000 paid in any one year to either the Chief Executive Officer or any of the other three highest paid executive officers. Qualified performance-based compensation is not subject to limit if certain requirements are met. The Compensation Committee periodically reviews and

considers the deductibility of executive compensation under Section 162(m) in designing our compensation programs and arrangements. While we will continue to monitor our compensation programs in light of Section 162(m), the Compensation Committee intends to retain the flexibility necessary to provide total compensation that is consistent with our competitors and the market, our compensation philosophy and the Company's best interests. As a result, the Compensation Committee may conclude that paying compensation at levels that are not deductible under Section 162(m) is nevertheless in the best interests of the Company and our stockholders.

Accounting for Stock-Based Compensation

Effective July 1, 2005, we adopted Statement of Financial Accounting Standards No. 123(R), *Share-Based Payment*, which requires that we recognize as compensation expense the fair value of all stock-based awards, including stock options, granted to employees and others in exchange for services, over the requisite service period, under our stock option plan.

Equity or other Security Ownership Requirements or Guidelines

We do not require our executive officers or directors to maintain ownership of any specified amounts of our common stock. During fiscal 2008, none of our NEOs owned shares of our common stock. On March 12, 2009, Donald W. Jewell purchased 343,263 shares of our common stock. Two of our directors (including Mr. Jewell) beneficially own shares of our common stock. Three of our directors own options to purchase shares of our common stock. See *Security Ownership of Certain Beneficial Owners and Management and Related Stockholder Matters* below.

Executive Employment Agreements

We have entered into the following executive employment agreements with our NEOs:

Donald W. Jewell. Effective February 1, 2001, we entered into an employment agreement with Donald W. Jewell to serve as our Senior Vice President. In January 2006, we and Mr. Jewell entered into an agreement, effective November 1, 2005, whereby Mr. Jewell agreed, in addition to his duties, responsibilities and benefits under his existing employment agreement, to serve as our Interim Chief Executive Officer through June 30, 2005, subject to automatic monthly extensions. In April 2005, Mr. Jewell was appointed to serve as our President. The agreement, as amended, required that Mr. Jewell devote his full business time as our Interim Chief Executive Officer, President and Senior Vice President, at an annual salary of \$200,000 and such bonuses, as awarded by our Board of Directors, and extended for a two-year term, subject to automatic one-year extensions at the end of each year. In September 2006, we appointed Mr. Jewell as our permanent Chief Executive Officer for a salary of \$325,000, retroactive to July 1, 2006, and he no longer serves as our Senior Vice President. Until such time as a new employment agreement is finalized, the terms of the February 2001 agreement, as amended, will generally remain in effect. In addition, we agreed with Mr. Jewell that we would provide for a personal assistant (during fiscal 2008), with benefits, for his use and personal service and to pay the membership dues for a golf club that Mr. Jewell uses primarily for business purposes. Further, effective March 2009, Mr. Jewell voluntarily agreed to reduce his annual salary to \$260,000. The agreement contains a non-competition provision for twelve months following termination, provided that Mr. Jewell could be released from the non-competition clause if he were terminated without cause and if he had elected to forego any severance pay. If Mr. Jewell becomes disabled during the term of the agreement, his full salary will be continued for one year from the date of disability.

Patrick W. Hurley. Effective December 1, 2000, we entered into an employment agreement with Patrick W. Hurley. The agreement, as amended, requires that Mr. Hurley devote his full business time as our Chief Financial Officer, Secretary and Treasurer at an annual salary of \$125,000 and such bonuses, as awarded by our Board of Directors, and extends for a one-year term, subject to automatic one-year extensions after each year. Effective March 2009, Mr. Hurley voluntarily agreed to reduce his annual salary to \$100,000.

Catherine B. Blair. On October 31, 2007, we entered into an Amended Executive Employment Agreement with Catherine B. Blair. The agreement requires that Ms. Blair devote her full business time as our Vice President of Merchandising/Design, at an annual salary of \$160,000, for the 2008 fiscal year, and \$175,000 per year thereafter, and such bonuses as awarded by the Compensation Committee of the Board of Directors. The amended agreement has an

initial two year term, subject to automatic one-year extensions after each year. The amended agreement contains a non-competition provision for twelve months following termination, provided Ms. Blair could be released from the non-competition clause if she were terminated without cause and if she had elected to forego any severance pay. If Ms. Blair becomes totally disabled, as defined in the agreement, during the term of the agreement, her full salary will be continued for one year from the date of total disability. Effective March 2009, Ms. Blair voluntarily agreed to reduce her annual salary to \$140,000.

Effective May 2003, the Audit Committee implemented procedures for the pre-approval of audit and non-audit services performed by the Company's independent auditors. The Audit Committee has the sole authority to pre-approve all audit and non-audit services provided by the independent auditors to the Company and acts to assure that the independent auditors are not engaged to perform specific non-audit services proscribed by law or regulation. The Audit Committee approved all of the services performed by Gordon Hughes & Banks LLP in fiscal 2008 and by Hein & Associates, LLP during fiscal 2007. The Audit Committee approved the engagement of Eide Bailly LLP to act as our independent registered accounting firm for the interim periods of fiscal 2009.
