Capitalized terms used but not defined in this Amendment shall have the meanings assigned to them in the Offer to Purchase. Except as set forth in this Amendment, the terms of the Tender Offer remain the same as set forth in the Offer to Purchase.

The Schedule TO is intended to satisfy the reporting requirements of Rule 13e-4(c)(2) under the Securities Exchange Act of 1934, as amended. The information in the Offer to Purchase and the Letter of Transmittal is incorporated by reference in the Schedule TO to all of the applicable items in the Schedule TO, except that such information is hereby amended and supplemented to the extent specifically provided herein. All references herein to page numbers and sections in the Offer to Purchase refer to page numbers and sections in that document as it was filed with the SEC as exhibit (a)(1)(i) to the Schedule TO on May 5, 2009.

Item 1. Summary Term Sheet

The Offer to Purchase, the Letter of Transmittal and Item 1 of the Schedule TO, to the extent such Item incorporates by reference the information contained in the Offer to Purchase, is hereby amended and supplemented by adding the following language thereto:

Amendments to Purchase Price and Minimum Tender Condition; Extension of Expiration Date

On June 8, 2009, the Company issued a press release announcing that it is increasing the purchase price pursuant to the Tender Offer from \$300 per \$1,000 principal amount of Notes plus accrued and unpaid interest up to, but not including, the date the Notes are purchased, to \$400 per \$1,000 principal amount of Notes, plus accrued and unpaid interest up to, but not including, the date the Notes are purchased. The Company also announced that it is decreasing the Minimum Tender Condition pursuant to the Tender Offer from \$166,250,000 in aggregate principal amount of Notes (representing 95% of the outstanding Notes) being validly tendered and not validly withdrawn to \$122,500,000 in aggregate principal amount of Notes (representing 70% of the outstanding Notes) being validly tendered and not validly withdrawn. The Company further announced that it is extending the Expiration Date from 11:59 p.m., New York City time, on June 12, 2009 to 11:59 p.m., New York City time, on June 19, 2009. Holders may withdraw tendered Notes at any time on or before the Expiration Date, as extended.

Accordingly, all references in the Offer to Purchase, the Letter of Transmittal and the Schedule TO to a purchase price of \$300 per \$1,000 principal amount of Notes or a Minimum Tender Condition of \$166,250,000 in aggregate principal amount of Notes (representing 95% of the outstanding Notes) being validly tendered and not validly withdrawn shall instead be deemed to be references to a purchase price of \$400 per \$1,000 principal amount of Notes and a Minimum Tender Condition of \$122,500,000 in aggregate principal amount of Notes (representing 70% of the outstanding Notes) being validly tendered and not validly withdrawn, respectively. Further, references to an Expiration Date of 11:59 p.m., New York City time, on June 12, 2009, shall instead be deemed to be references to an Expiration Date of 11:59 p.m., New York City time, on June 19, 2009.

Amendments to the Platinum Credit Facility

Edgar Filing: KEMET CORP - Form SC TO-I/A

In connection with the increase of the purchase price and reduction to the Minimum Tender Condition described above, on June 7, 2009, the Company and certain of its subsidiaries entered into an Amended and Restated Credit Agreement with K Financing, LLC, an affiliate of Platinum Equity Capital Partners II, L.P. (the Amended and Restated Platinum Credit Facility). The Amended and Restated Platinum Credit Facility amends, restates, replaces and supersedes in its entirety the Credit Agreement, dated as of May 5,

Edgar Filing: KEMET CORP - Form SC TO-I/A

2009, by and among the Company, K Financing, LLC and the other parties thereto (the Platinum Credit Facility). The Amended and Restated Platinum Credit Facility, among other matters:

- increases the potential size of the term loan facility made available, subject to certain terms and conditions, under the Platinum Credit Facility from \$52,500,000 to \$60,250,000;
- requires the use of up to \$9,750,000 of the Company's internal cash on hand for purchases of Notes validly tendered and not validly withdrawn pursuant to the Tender Offer if more than \$150,625,000 aggregate principal amount of the Notes have been validly tendered and not validly withdrawn and all funds under the term loan facility under the Amended and Restated Platinum Credit Facility have been disbursed;
- requires the Company to make all monthly interest payments on the term loan facility in cash until the one-year anniversary of the consummation of the Tender Offer, after such anniversary, the Company may make interest payments in cash and payment-in-kind;
- amends the maturity date for the term loan facility, the line of credit loans and the working capital loans to March 1, 2011 in the event that more than \$8,750,000 in aggregate principal amount of Notes remain outstanding at that time (if the aggregate principal amount of Notes outstanding at March 1, 2011 is less than or equal to \$8,750,000 the maturity date for the term loan facility will remain November 15, 2012 and the maturity date for the line of credit loans and the working capital loans will be July 15, 2011); and
- provides a success fee of \$5,000,000, payable to K Financing, LLC at the time of repayment in full of the term loan facility, whether at maturity or otherwise.

Accordingly, all references in the Offer to Purchase, the Letter of Transmittal and the Schedule TO to the size of the term loan facility made available by K. Financing, LLC of up to \$52,500,000 shall instead be deemed to be references of up to \$60,250,000 and all references to the Platinum Credit Facility shall instead be deemed to be references to the Amended and Restated Platinum Credit Facility.

In addition, the Amended and Restated Platinum Credit Facility provides that the warrant to purchase up to 80,544,685 shares of our common stock, subject to certain adjustments (the Closing Warrant), representing approximately 49.9% of our outstanding common stock on a post-Closing Warrant basis, which the Company previously agreed to grant K Financing, LLC upon consummation of the Tender Offer and the closing of the term loan under the Platinum Credit Facility, would be amended to provide for an upward adjustment to the number of shares issuable, and a downward adjustment of the exercise price, so long as any Notes remain outstanding (excluding for this purpose any Notes beneficially owned by Platinum Equity Capital Partners II, L.P., K Financing, LLC, or any of their affiliates), in the event of certain issuances by the Company of additional shares of common stock (whether or not K Financing, LLC agrees to such future issuance) such that the Closing Warrant shall continue to represent the right to purchase up to 49.9% of our outstanding common stock on a post-Closing Warrant basis at a maximum aggregate purchase price of \$40,272,343.

Edgar Filing: KEMET CORP - Form SC TO-I/A

The Amended and Restated Platinum Credit Facility further provides that the warrant to purchase up to 4,442,047 shares of our common stock, subject to certain adjustments (the Termination Warrant), representing approximately 5.0% of our outstanding common stock on a fully-diluted, post-Termination Warrant basis, which the Company previously agreed to grant K Financing, LLC if the Tender Offer is not consummated, would be amended to decrease the exercise price from \$0.69 per share to \$0.49 per share (the closing price of KEMET s common stock on June 5, 2009). Accordingly, all references in the Offer to Purchase and the Schedule TO to an exercise price of the Termination Warrant of \$0.69 per share shall instead be deemed to be references to \$0.49, per share.
