Yes No

Announcement | Lisbon | 06 May 2014

Qualified Holding

Portugal Telecom, SGPS S.A. (PT) informs that it was notified, on 30 April 2014, by Instituto de Gestão de Fundos de Capitalização da Segurança Social, IP (IGFCSS), in the capacity of manager of Fundo de Estabilização Financeira da Segurança Social (FEFSS), that this entity held a qualified holding higher than 2% of the voting rights corresponding to the share capital of PT.

This situation resulted of a share capital reduction executed by PT, on 10 December 2008, from 28,277,855.31 to 26,895,375.00. Following this transaction, FEFSS held 20,474,902 ordinary shares representing 2.28% of PT's share capital and corresponding voting rights.

It was also communicated that FEFSS now holds 20,260,743 ordinary shares representing 2.26% of PT's share capital and corresponding voting rights.

This statement is pursuant to the terms and for the purposes of articles 17 of the Portuguese Securities Code and 2 of the Portuguese Securities Commission Regulation no. 5/2008, following a communication received from IGFCSS, with registered office at Av. Fernão de Magalhães, 1862-3º Dto. (Torre das Antas) 4350-158 Porto, Portugal.

FORWARD-LOOKING STATEMENTS

This document may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words anticipates, believes, estimates, expects, plans and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
