Publicly-Held Company

MATERIAL FACT

Oi S.A. (Oi or the Company) hereby discloses to its shareholders and the market in general that its subsidiaries Telemar Norte Leste S.A. (Telemar) and BRT Serviços de Internet S.A. (BRTSI), and together with Telemar, the Sellers) entered into an agreement with SBA Torres Brasil, Limitada (the Buyer), in which they committed to transfer shares representing 100% of the capital stock of a company controlled by the Sellers that owns 1,641 mobile telecommunications towers (the Transaction), in exchange for the aggregate amount of R\$1,172,493,238, on the closing date (the Closing), which is expected to occur in December 2014.

The Transaction reinforces and improves the Company's financial flexibility, allowing it to extend its debt maturities, reduce costs related to financing and strengthen Oi's liquidity position. In addition, the Transaction will transfer to the Buyer the responsibility for costs and investments in the operation, maintenance and expansion of the towers. It also assures the continued provision of personal mobile services, insofar as the Company leases space in these towers through long-term lease agreements that establish the conditions for the expansion of the leased space.

The conclusion of the Transaction is subject to the satisfaction of the conditions precedent for Closing set forth in the agreement.

Oi will keep its shareholders and the market informed regarding the conclusion of the Transaction and any other events that may affect its terms and conditions.

This Material Fact is disclosed by Oi in compliance with art. 157, §4 of Law No. 6,404/76 and in accordance with the Brazilian Securities and Exchange Commission (*Comissão de Valores Mobiliários* - CVM) Instruction No. 358/02.

Rio de Janeiro, June 25, 2014.

FORWARD-LOOKING STATEMENTS

This document may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words anticipates, believes, estimates, expects, plans and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
