Chairman of the Board of the General Meeting of Shareholders

Decision

Within the preparation of the extraordinary general meeting of shareholders of Portugal Telecom, SGPS, SA, convened for 8 September 2014 and for the smooth course of the work, I hereby inform that, unless a subsequent event justifies a different opinion:

1. The single item on the agenda is related with a relationship between the company and its shareholder Telemar Norte Leste, SA; such relationship, as of this moment, may objectively cause a conflict of interests which is unrelated with the bylaws; as such, under article 384.6, of the Portuguese Companies Code, said shareholder may not vote, but may fully participate in the meeting;
2. Due to the type of matters involved, their antecedents and by an extensive interpretation of articles 383.2 and 386.2, of the Portuguese Companies Code, the general meeting may only deliberate if shareholders holding, at least, shares corresponding to one third of the share capital are present or represented, being required, for the approval of the proposal corresponding to single item on the agenda, a majority of two thirds of the votes cast.

Lisbon, 4 September 2014.

The Chairman of the Board of the General Meeting of Shareholders

(Prof. Doutor António Menezes Cordeiro)

SIGNATURE

Pursuant to the requirements of the Securities Exchange Act of 1934, the registrant has duly caused this report to be signed on its behalf by the undersigned, thereunto duly authorized.

FORWARD-LOOKING STATEMENTS

This document may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words anticipates, believes, estimates, expects, plans and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
