Dear Fellow Stockholders:

We are pleased to announce that our Board of Directors has determined to change the Company's slate of director nominees to be elected at the 2016 annual meeting of stockholders scheduled to be held on Thursday, February 16, 2017, at 10:00 a.m. local time (the 2016 Annual Meeting).

In place of the director candidates previously put forward on Proposal 1 of the proxy statement distributed by the Company on November 2, 2016 (the Proxy Statement), the Board has determined to nominate Jason M. Aryeh, Dr. Geoffrey Cox, Robert Forrester, Dr. David M. Goldenberg, Brian A. Markison, Bob Oliver and Cynthia L. Sullivan. Two directors of the Company, Don C. Stark and Mary E. Paetzold, have retired from the Board, effective immediately.

As described in the enclosed Supplement to the Proxy Statement (the Supplement), the Company has made these and several other changes to its corporate governance after venBio Select Advisor LLC (venBio), a dissident stockholder, launched a proxy contest to gain control of the Company's Board of Directors. The four new director nominees on our slate Jason M. Aryeh, Dr. Geoffrey Cox, Robert Forrester and Bob Oliver are independent candidates who were identified through a leading executive search firm and are eager to contribute their expertise to the Board and help drive stockholder value.

**Even if you previously submitted a white proxy card, we urge you to fill out and submit the NEW enclosed WHITE proxy card today.** The WHITE proxy card enclosed with this Supplement differs from the proxy card previously furnished to you with the Proxy Statement. The enclosed amended proxy card reflects the changed slate of director nominees for Proposal 1. Any proxy or voting instruction form may be revoked at any time prior to its exercise at the 2016 Annual Meeting, as described in the Proxy Statement. Only your latest dated and signed proxy card or voting instruction form will be counted. If you have already voted on the previous white proxy card on Proposal 1 for any of Dr. David M. Goldenberg, Cynthia L. Sullivan, and Brian A. Markison, and/or if you have already voted on Proposals 2, 3 or 4, and you do not submit a new proxy or voting instructions, your previously submitted proxy or voting instructions will be voted at the 2016 Annual Meeting with respect to those nominees and those proposals, but will not be counted in determining the outcome of the election of the Company's new director candidates, Messrs. Aryeh, Cox, Oliver, and Forrester. **If you would like to cast your vote in favor of the election of Messrs. Aryeh, Cox, Oliver, and Forrester, you must fill out and submit the new enclosed WHITE proxy card.**

Your vote at this 2016 Annual Meeting is important. Whether or not you plan to attend the 2016 Annual Meeting in person, we hope you will vote as soon as possible. If you previously submitted a proxy card or a voting instruction form for the 2016 Annual Meeting, such proxy card or voting instruction will continue to be valid and will be voted at the 2016 Annual Meeting to the extent you continue to be a stockholder of the

#### CHANGE OF CONTROL IMPLICATIONS OF VENBIO'S PROXY CONTEST

The election of the venBio Nominees may trigger change of control provisions in certain employment agreements and other agreements between the Company and its executives, resulting in expenditures of up to \$15,726,547. Change of control in the applicable agreements means, among other things, a change in the composition of the Board over a period of 12 consecutive months or less such that a majority of the board members ceases, by reason of one or more contested elections for board membership, to be comprised of individuals whose election is endorsed by a majority of the members of the Board immediately before the date of the election.

#### *Dr. David M. Goldenberg*

If Dr. Goldenberg's employment is terminated for good cause, he will be entitled to his annual base salary, bonus, minimum payments and additional incentive compensation earned through the date of termination, and any benefits accrued in accordance with the terms of any applicable benefit plans or programs (the "guaranteed payment"). If Dr. Goldenberg's employment is terminated without good cause, or for good reason, Dr. Goldenberg will be entitled to the guaranteed payment, three times his total annual compensation (the "severance payment"), and other employment benefits for two years.

Upon termination in any of the above circumstances, Dr. Goldenberg would therefore be entitled to receive:

Salary:	\$1,944,120
Bonus:	\$972,060
Minimum Royalties:	\$450,000
FY Pro Rata Bonus:	\$313,063

Office & Assistant:	\$228,693 (for 2 years) \$343,039 (for 3 years)
<b>Total Cash Value:</b>	<b>\$9,652,822 (for 3 years)</b>

Additionally, royalty payments to Dr. Goldenberg must be paid throughout the life of each patent of the Company both during his employment with the Company and after such employment terminates. If the Company sells any undeveloped assets for which Dr. Goldenberg was an inventor during the term of his employment or three years thereafter, the Company will pay 20% of the consideration of such sale to Dr. Goldenberg.

Good cause includes any of the following: if Dr. Goldenberg (i) commits continued, knowing and intentional neglect, substantial nonperformance or a demonstrated continuing inability to perform his obligations under the employment agreement (other than due to physical or mental disability); (ii) commits an act of fraud or dishonesty related to the performance of duties; or (iii) commits any material breach of any of the provisions of the employment agreement. Good reason includes, among other things, (i) a material reduction in base salary; or (ii) material diminution of Dr. Goldenberg's responsibilities and powers, including assignment of any duties and responsibilities inconsistent with his position.

***Cynthia L. Sullivan***

If during the one-year period following a change of control, the Company terminates Ms. Sullivan's employment agreement without cause or she resigns for good reason, Ms. Sullivan will be entitled to receive:

Good reason includes, among other things, (i) a material reduction in base salary; (ii) material diminution of Ms. Sullivan's responsibilities and powers, including assignment of any duties and responsibilities inconsistent with her position; (iii) material reduction in Ms. Sullivan's primary functional authorities, duties or responsibilities, (iv) the assignment of duties to Ms. Sullivan that are inconsistent with her position, or (v) on or after a change of control, the removal of Ms. Sullivan from her office as President and Chief Executive Officer.

***Michael R. Garone***

Pursuant to the Change in Control and Severance Agreement with Michael R. Garone, if during the one-year period following the change of control, the Company terminates Mr. Garone's employment agreement, other than for cause, or if Mr. Garone resigns for good reason, he will be entitled to the following amounts:

Salary: \$600,000

Bonus: \$180,000(1)

#### **VOTING; REVOCABILITY OF PROXIES**

If a quorum is present, the election of each nominee requires the affirmative vote of a majority of the votes cast at the 2016 Annual Meeting for each nominee. Abstentions and broker non-votes will not be considered as votes cast for or against any nominee, and will therefore have no effect on the outcome of the vote.

If you previously submitted a proxy card or a voting instruction form for the 2016 Annual Meeting, such proxy card or voting instruction will continue to be valid and will be voted at the 2016 Annual Meeting to the extent you continue to be a stockholder of the Company as of the record date, January 24, 2017.

**Even if you previously submitted a white proxy card, we urge you to fill out and submit the NEW enclosed WHITE proxy card today. The WHITE proxy card enclosed with this Supplement differs from the proxy card previously furnished to you with the Proxy Statement in that the enclosed amended proxy card reflects the changed slate of director nominees for Proposal 1. Any proxy or voting instruction form may be revoked at any time prior to its exercise at the 2016 Annual Meeting as described in the Proxy Statement. Only your latest dated and signed proxy card or voting instruction form will be counted. If you have already voted on the previous white proxy card on Proposal 1 for any of Dr. David M. Goldenberg, Cynthia L. Sullivan, and Brian A. Markison, and/or if you have already voted on Proposals 2, 3 or 4, and you do not submit a new proxy or voting instructions, your previously submitted proxy or voting instructions will be voted at the 2016 Annual Meeting with respect to those nominees and those proposals, but will not be counted in determining the outcome of the election of the Company's new director candidates, Messrs. Aryeh, Cox, Oliver, and Forrester. **If you would like to cast your vote in favor of the election of Messrs. Aryeh, Cox, Oliver, and Forrester, you must fill out and submit the new enclosed WHITE proxy card.****

#### **MISCELLANEOUS INFORMATION**

##### **Participants in the Solicitation**

Under applicable SEC regulations, members of the Board and certain officers and employees of the Company will be participants with respect to the Company's solicitation of proxies in connection with the 2016 Annual Meeting. Certain information concerning such persons (the Participants) is set forth in the Proxy Statement and in Annex A hereto.

**Solicitation of Proxies; Expenses**

We are required by law to convene an annual meeting of stockholders at which directors are elected. Because our shares are widely held, it would be impractical for our stockholders to meet physically in sufficient numbers to hold a meeting. Accordingly, proxies are solicited from our stockholders. United States federal securities laws require us to send you the Proxy Statement, and any amendments and

supplements thereto, and to specify the information required to be contained in it. This solicitation of proxies is being made by the Board and all expenses of this solicitation will be borne by the Company. These costs include, among other items, the expense of preparing, assembling, printing and mailing the proxy materials to stockholders of record and beneficial owners, and reimbursements paid to brokerage firms, banks and other fiduciaries for their reasonable out-of-pocket expenses for forwarding proxy materials to stockholders and obtaining beneficial owner's voting instructions. In addition to soliciting proxies by mail, directors, officers and employees may solicit proxies on behalf of the Board, without additional compensation, personally or by telephone. We may also solicit proxies by email from stockholders who are our employees or who previously requested to receive proxy materials electronically. The Company has retained MacKenzie Partners (MacKenzie) to solicit proxies. Under our agreement with MacKenzie, MacKenzie will receive a fee of up to \$250,000 plus the reimbursement of reasonable expenses. MacKenzie expects that approximately 25 of its employees will assist in the solicitation. MacKenzie is soliciting proxies by mail, telephone, facsimile or email. Our aggregate expenses, including those of MacKenzie, related to our solicitation of proxies, excluding salaries and wages of our regular employees and expenses that we would ordinarily incur in connection with an uncontested annual meeting, are expected to be approximately \$750,000, of which approximately \$250,000 has been incurred as of the date of this Supplement. Annex A sets forth information relating to our directors and director nominees as well as certain of our officers and employees who are participants in our solicitation under the rules of the SEC by reason of their position as directors and director nominees of the Company or because they may be soliciting proxies on our behalf.

### Forward-Looking Statements

Certain statements made in this Supplement and other written or oral statements made by or on behalf of the Company, in addition to historical information, may contain forward-looking statements made pursuant to the Private Securities Litigation Reform Act of 1995. Such statements, including statements regarding clinical trials (including the funding therefor, anticipated patient enrollment, trial outcomes, timing or associated costs), regulatory applications and related timelines, out-licensing arrangements (including the timing and amount of contingent payments), forecasts of future operating results, potential collaborations, and capital raising activities, involve significant risks and uncertainties and actual results could differ materially from those expressed or implied herein. Factors that could cause such differences include, but are not limited to, the Company's dependence on business collaborations or availability of required financing from capital markets, or other sources on acceptable terms, if at all, in order to further develop our products and finance our operations, new product development (including clinical trials outcome and regulatory requirements/actions), the risk that we or any of our collaborators may be unable to secure regulatory approval of and market our drug candidates, risks associated with the outcome of pending litigation and competitive risks to marketed products, and the Company's ability to repay its outstanding indebtedness, if and when required, as well as the risks discussed in the Company's filings with the SEC. The Company is not under any obligation, and the Company expressly disclaims any obligation, to update or alter any forward-looking statements, whether as a result of new information, future events or otherwise.
