settlement date.

Interest Reset Period:

The period from, and including, the interest reset date (or, with respect to the initial interest reset period, from, and including, December 5, 2018), to,

---

but excluding, the immediately succeeding interest reset date, provided that the final interest reset period will be the period from, and including, the interest reset date immediately preceding the maturity date to, but excluding, the maturity date.

Day Count:

Actual/360

Day Count Convention:

If any interest reset date or interest payment date for the Notes (other than the maturity date) would otherwise be a day that is not a business day for the Notes, such interest reset date or interest payment date, as the case may be, will be postponed to the next succeeding business day and interest thereon will continue to accrue on the payment so postponed (to but excluding such rescheduled date), except that if the next succeeding business day is in the next succeeding calendar month, the interest reset date or interest payment date, as the case may be, shall instead be the business day immediately preceding such original date, and interest shall accrue to, but excluding, such business day immediately preceding such originally scheduled interest payment date. If the maturity date for the Notes would fall on a day that is not a business day, the related payments of principal and interest will be made on the next succeeding business day, and no additional interest will accumulate on the amount payable for the period from and after the maturity date.

Calculation Agent:

Deutsche Bank Trust Company Americas

Change of Control:

Upon the occurrence of a Change of Control Triggering Event, unless the Issuer has exercised its right to redeem the Notes, the Issuer will be required to make an offer to purchase the Notes at a price equal to 101% of the principal amount plus accrued and unpaid interest to the date of repurchase.

\* Under Rule 15c6-1 under the Securities Exchange Act of 1934, as amended, trades in the secondary market are required to settle in two business days, unless the parties to any such trade expressly agree otherwise. Accordingly, purchasers who wish to trade Notes prior to the delivery of the Notes hereunder will generally be required, by virtue of the fact that the Notes initially settle on the fifth business day following the Trade Date ( T+5 ), to specify an alternate settlement arrangement at the time of any such trade to prevent a failed settlement. Purchasers of the Notes who wish to trade the Notes prior to their date of delivery hereunder should consult their advisors.

\*\* The security ratings above are not a recommendation to buy, sell or hold the securities offered hereby. The ratings may be subject to revision or withdrawal at any time by Moody's, Standard and Poor's and Fitch. Each of the security ratings above should be evaluated independently of any other security rating.
