The Annual Meeting will be held on Tuesday, May 28, 2013, at Colony Bankcorp, Inc. Corporate Offices at 115 South Grant Street, Fitzgerald, Georgia, at 2:00 p.m. local time.

The approximate date on which this proxy statement and the accompanying proxy card are first being sent or given to shareholders is April 26, 2013.

As used in this proxy statement, the terms Colony Bankcorp, Company, Colony, we, our and us all refer to Colony Bankcorp, Inc. and its subsidiary.

Notice Regarding The Internet Availability Of Proxy Materials

We have posted materials related to the 2013 annual meeting on the Internet. The following materials are available on the Internet at <http://materials.proxyvote.com/19623P>:

§	This proxy statement for the 2013 annual meeting,
§	Colony's 2012 annual report to shareholders, and
§	Colony's annual report on Form 10-K filed with the Securities and Exchange Commission.

VOTING

General

The securities which can be voted at the Annual Meeting consist of Colony Bankcorp's \$1.00 par value common stock ("Colony Bankcorp stock"), with each share entitling its owner to one vote on each matter submitted to the shareholders. The record date for determining the holders of Colony Bankcorp stock who are entitled to notice of and to vote at the Annual Meeting is April 15, 2013. On the record date, 8,439,258 shares of Colony Bankcorp stock were outstanding and eligible to be voted.

Quorum and Vote Required

The presence, in person or by proxy, of a majority of the outstanding shares of Colony Bankcorp stock is necessary to constitute a quorum at the Annual Meeting. In determining whether a quorum exists at the Annual Meeting for purposes of all matters to be voted on, all votes “for” or “against” as well as all abstentions (including votes to withhold authority to vote) will be counted.

In voting for the proposal to elect nine directors (Proposal No. 1), you may vote in favor of all nominees or withhold your votes as to all or as to specific nominees. The vote required to approve Proposal No. 1 is governed by Georgia law and is a plurality of the votes cast by the holders of shares entitled to vote, provided a quorum is present. Any other matter which may be submitted to shareholders at the meeting will be determined by a majority of the votes cast at the meeting. Votes withheld and broker non-votes will not be counted and will have no effect.

In voting on the proposal to approve the advisory (non-binding) vote on executive compensation (Proposal No. 2), you may vote for or against the proposal or abstain. The proposal will be deemed approved if a majority of the votes cast at the meeting are voted for Proposal No. 2. The vote is advisory, and will not be binding upon the directors.

In voting on the proposal to establish the frequency with which the Company will solicit advisory (non-binding) votes on executive compensation (Proposal No. 3), you may choose to have such votes solicited every “1 Year,” every “2 Years,” or every “3 Years” or you may abstain. The shareholders will be deemed to have approved the selection that receives a majority of the votes cast at the meeting (or, if no majority, the plurality of the votes cast at the meeting). The vote is advisory, and will not be binding upon the directors.

As of March 15, 2013 our directors and executive officers held 1,095,208 shares of Colony Bankcorp stock, or approximately 12.98% of all outstanding stock, and we believe that all of those shares will be voted in favor of both proposals.

Proxies

All properly executed proxy cards delivered pursuant to this solicitation and not revoked will be voted at the Annual Meeting in accordance with the directions given. In voting by proxy with regard to the election of directors, you may vote in favor of all nominees, withhold your votes as to all nominees or withhold your votes as to specific nominees. You should specify your choices on the proxy card. If no specific instructions are given with regard to the matters to be voted upon, the shares represented by a signed proxy card will be voted “for” the proposals listed on the proxy card. If any other matters properly come before the Annual Meeting, the persons named as proxies will vote upon such matters according to their judgment.

All proxy cards delivered pursuant to this solicitation are revocable at any time before they are voted by giving written notice to our Secretary, Terry L. Hester, at 115 South Grant Street, Fitzgerald, Georgia 31750, by delivering a later dated proxy card, or by voting in person at the Annual Meeting.

All expenses incurred in connection with the solicitation of proxies will be paid by us. Solicitation may take place by mail, telephone, telegram, or personal contact by our directors, officers, and regular employees of the Company without additional compensation. The Annual Report of the Company for the year 2012, which includes the Audited Consolidated Financial Statements and accompanying Notes and Managements’ Discussion and Analysis of Financial Condition and Results of Operations, accompanies this proxy statement.

We continually review these governance practices, Georgia law (the state in which we are incorporated), the rules and listing standards of the NASDAQ Stock Market, and the Securities and Exchange Commission (“SEC”) regulations, as well as best practices suggested by recognized governance authorities.

Currently, our Board of Directors has nine members, seven of whom meet the NASDAQ standard for independence. Only independent directors serve on our Audit Committee, Governance Committee, Compensation Committee and Nomination Committee.

In January 2012 the Board of Directors appointed B. Gene Waldron as Chairman. In this capacity Mr. Waldron has frequent contact with Mr. Loomis and other members of management on a broad range of matters and has additional corporate governance responsibilities for the Board. The Board of Directors has determined that Mr. Waldron met the rules of NASDAQ standard for independence.

In assessing potential directors for our Board, we look for candidates who possess a wide range of experience, skills, areas of expertise, knowledge and business judgment. A director candidate should also have demonstrated superior performance or accomplishments in his or her professional undertakings.

Our Board of Directors conducts regular meetings, generally on a monthly basis, and also conducts some of its business through the six committees described below. Our Board of Directors met twelve times during the year and each director attended at least 75% of the meetings of the full Board and of the committee or committees on which he serves.

Leadership Structure of the Board

In accordance with the Company’s Bylaws, the Board of Directors elects our Chief Executive Officer and our Chairman, and each of these positions may be held by the same person or may be held by two persons. Currently, B. Gene Waldron serves as both Chairman of the Company and the Bank and Edward P. Loomis, Jr. serves as both President and Chief Executive Officer of the Company and the Bank. The Board of Directors believes that separating the Chairman and Chief Executive Officer roles fosters clear accountability, effective decision-making, and alignment on corporate strategy and provides an effective leadership model for the Company. In light of the active involvement by all independent directors, the Board of Directors has not specified a lead independent director at this time. The Board of Directors believes that the current structure of the Board of Directors is appropriate to effectively manage the affairs of the Company and the best interests of the Company’s stockholders.

Board's Role in Risk Oversight

The Board of Directors is actively involved in oversight of risks that could affect the Company and the Bank. This oversight is conducted primarily through committees of the Board, as disclosed in the descriptions of each of the committees below, but the full Board has retained responsibility through full reports by each committee chair regarding the committee's considerations and actions, as well as through regular reports directly from officers responsible for oversight of particular risks within the Company and the Bank.

Committees of the Board of Directors

The Executive Committee is appointed by the Chairman of the Board of Directors of the Company, subject to election by the full Board. The purpose of the Executive Committee is to conduct necessary business and make decisions on behalf of the full Board between regular Board meetings. Mr. Harrell, Mr. Minix, Mr. Loomis, Mr. Waldron, and Mr. Masee were members of this committee during the year. Mr. Minix served on the committee until his retirement in May 2012. The Compensation Committee does not use the services of a compensation consultant. The Chief Executive Officer makes recommendations to the Compensation Committee on executive compensation except for his own compensation. The Compensation Committee does not delegate its authority to other persons or groups. Mr. Harrell, Mr. Waldron and Mr. Ross were members of this committee during the year. As of December 31, 2012, the members of the Compensation Committee met the independence requirements of the Company's Corporate Governance Guidelines and the rules of NASDAQ. The committee met four times during the year. The Compensation Committee operates under the Corporate Governance Charter which was provided in the 2011 Proxy Statement as Exhibit B. The Charter was not amended in 2012. The Corporate Governance Charter is not available on the Company's website.

The Governance Committee is appointed by the Chairman of the Board of Directors of the Company, subject to election by the full Board. The purpose of the Asset-Liability Management Committee is to monitor all aspects of the Company's Asset/Liability Management functions as set forth in Colony Bankcorp, Inc. Asset/Liability Management Policy. Mr. Hester, Mr. Dwozan, Mr. Roberts, Mr. Myler and Mr. Waldron were members of this committee during the year. Messrs. Roberts and Myler served on this committee until their retirement in May 2012. The committee met three times during the year.

The Nomination Committee is appointed by the Chairman of the Board of Directors of the Company, subject to election by the full Board. The purpose of the Nomination Committee is to make recommendations to the Board on qualifications and selection criteria for Board members and review the qualifications of potential candidates for the Board and to make recommendations to the Board on nominees to be elected at the Annual Meeting of Stockholders. Mr. Ross, Mr. Harrell, Mr. Waldron, Mr. Roberts and Mr. Masee were members of this committee during the year. Mr. Roberts served on this committee until May 2012 when he retired. Each of the members of the Committee was deemed independent as defined in the listing standards of NASDAQ. The Committee operates under the Corporate Governance Charter which was provided in the 2011 Proxy Statement as Exhibit B. The Charter was not amended in 2012. The Charter is not currently available on the Company's website. The Committee does not currently have a policy or process for identifying and evaluating nominees. However, in addition to meeting the qualification requirements set forth by the Georgia Department of Banking & Finance, a possible director-candidate must also meet the following criteria to be considered by the Nominating Committee: independence; highest personal and professional ethics and integrity; willing to devote sufficient time to fulfilling duties as a Director; impact on the diversity of the Board's overall experience in business, government, education, technology and other areas relevant to the Company's business; impact on the diversity of the Board's composition in terms of age, skills, ethnicity and other factors relevant to the Company's business; and number of other public company boards on which the candidate may serve (generally, should not be more than three public company boards in addition to the Company). The Committee does not currently have a policy with regard to the consideration of any director candidates recommended by shareholders. The Board of Directors has determined such a policy has been unnecessary in the past and will charge the Nomination Committee to evaluate the appropriateness of developing such a policy in the coming year. The committee met two times during the year.

The Audit Committee is appointed by the Chairman of the Board of Directors of the Company, subject to election by the full Board. The purpose of the Audit Committee is to assist the Board in fulfilling its oversight responsibilities for the Company's accounting and financial reporting processes and audits of the financial statements of the Company by monitoring the integrity of the Company's financial statements, the independence and qualifications of its external auditor, the Company's system of internal controls, the performance of the Company's internal audit process and external auditor and the Company's compliance with laws, regulations and the Directors and Senior Financial Officers Code of Ethical Conduct and the Code of Conduct. Mr. Waldron, Mr. Masee, Mr. Downing, Mr. Myler, Mr. King and Mr. Ross were members of this committee during the year. Mr. Myler served on the committee until his retirement in May 2012. The Charter is not available on the Company's website. The Board of Directors reviews and approves changes to the Audit Committee charter annually. The Charter was not amended in 2012.

Independence of Audit Committee Members

The Company's Audit Committee is comprised of Mark H. Masee, B. Gene Waldron, Jonathan W.R. Ross, Scott L. Downing and Davis King, Sr. Each of these members meets the requirements for independence as defined by the applicable listing standards of NASDAQ and SEC regulations applicable to listed companies. In addition, the Board of Directors has determined that at least one member of the Audit Committee meets the rules of NASDAQ standard of having accounting or related financial management expertise. Mr. Masee was elected the financially sophisticated individual on the Audit Committee in lieu of naming a "financial expert." Mr. Myler served in this capacity until his retirement in May 2012.

The Audit Committee does not include a financial expert as defined by the Sarbanes Oxley Act of 2002 and the Company has not named a financial expert because the Board of Directors has determined the financial acumen of each member of the Audit Committee to be very strong and capable of satisfactorily discharging their duties and responsibilities to the Board of Directors and the shareholders.

Long-Term Equity Stock Award

In 2004, the Board of Directors adopted and the shareholders approved the Colony Bankcorp, Inc. 2004 Restricted Stock Grant Plan. The plan enables our Board of Directors, or a committee thereof, to grant up to 143,500 shares of Colony Bankcorp, Inc. common stock to key officers and employees of Colony Bankcorp, Inc. and our subsidiary. The purpose of this plan is to attract, retain and develop strong management as the Company continues to expand, and to induce key individuals who render services that contribute materially to our success to remain with us for the long-term. Shares granted vest over a three year period. During the three year vesting period and under conditions set forth in Colony Bankcorp Inc.'s 2004 Restricted Stock Grant Plan, the shares are subject to forfeiture. In the event of a change in control of the Company, as defined in the Plan, all unvested stock grants immediately become fully vested.

The Restricted Stock Grant Plan assists the Company to:

- enhance the link between the creation of stockholder value and long-term executive incentive compensation;
 - provide an opportunity for increased equity ownership by executives; and
 - maintain competitive levels of total compensation.

The Compensation Committee (the "Committee") recommended for the Board of Director's approval that no stock grant awards be awarded for fiscal year 2012. Factors considered by the Committee in awarding stock grants were based on the overall performance of the Company. The primary focus of the Committee is to retain key individuals and to increase equity ownership by executives with the stock grant awards. The compensation committee is motivated to keep our executive compensation packages competitive with peer companies. The compensation committee reviews, at least annually, the peer company disclosures regarding executive compensation in order to ensure that our overall compensation package compares favorably. One of the areas monitored is stock option plans or in our case a stock grant award plan. The CEO works daily with executive officers and top level officers and offers his input each year as to recommendations for stock awards based on the executive officers and top level officers' production and performance to the overall company strategy. The recommendation is for named executives other than himself and the CFO. Stock awards for the CEO and CFO are determined and set by the compensation committee, while awards for the other named executive officers and top level officers are considered upon the recommendation of the CEO. The CEO makes no recommendations in regard to his compensation. It was deemed prudent by the compensation committee to not grant any 2012 stock grant awards.

Colony Bankcorp, Inc. 401(k) Plan

The Company has adopted a 401(k) Plan which provides for the Board of Directors to make a discretionary contribution to the 401(k) Plan out of profits in an amount not to exceed 10 percent of the total annual eligible compensation of the employees eligible to participate in the plan. Employees are eligible for a Company contribution after completion of one year of service. The contribution by the Company is allocated among the participants based on participant's total eligible compensation. The employee's interest vests over a period of six years.

The Committee recommended that no contribution be made for fiscal year 2012. The Committee's recommendation to not make a company contribution was based upon company earnings performance for 2012.

Perquisites and Other Personal Benefits

The Company provides named executive officers with perquisites and other personal benefits that the Company and the Committee believe are reasonable and consistent with its overall compensation program to better enable the Company to attract and retain superior employees for key positions. The Committee periodically reviews the levels of perquisites and other personal benefits provided to named executive officers.

The named executive officers are provided use of company automobiles, membership in country clubs, term life insurance coverage and director fees as part of their perquisites and other benefits. Detailed below is an analysis of 2012 perquisites and other benefits for fiscal year ended December 31, 2012.

Perquisites and other personal benefits for fiscal year ended December 31, 2012 are included in column (i) of the 2012 Summary Compensation Table above.

The Committee views the most significant elements of the compensation package to be base salary, performance-based cash incentive payout, stock grant awards and the profit sharing contribution. Perquisites and other personal benefits are common place for executives in the banking industry and compare favorably to other peer companies. and regulations of the Federal Deposit Insurance Corporation and the Georgia Department of Banking and Finance. Such loans were made in the ordinary course of business; were made on substantially the same terms, including interest rates and collateral, as were prevailing at the time for comparable transactions with persons not related to the lender; and did not involve more than normal risk of collectibility or present other unfavorable features.

As of December 31, 2012, certain officers, executive officers, directors, and companies in which they are an executive officer or partner or in which they have a 10% or more beneficial interest, were indebted to the bank in the aggregate amount of \$4,776,492. Shareholder Communication with the Board of Directors

Our Board of Directors does not have an established written policy or process from security holders to send communications to the Board of Directors. However, it has been the practice of the Company to direct any such communications to the Chairman of the Board, who would, in his or her discretion, discuss the communications with the Board at a regular Board meeting. The Board has determined this policy and process to be satisfactory in allowing security holders to communicate directly with the Board of Directors.

The Company does not have a formal policy regarding director attendance at the Company’s Annual Meeting. However, directors are encouraged to attend and all were in attendance at last year’s Annual Meeting.

Proposal No. 2 – Non-Binding Advisory Vote On Executive Compensation

Section 14A(a)(1) of the Securities Exchange Act of 1934 requires the Company to permit a non-binding advisory vote (at least once every three years) on the compensation of its Named Executive Officers, as described and presented in the “Executive Compensation” section of this 2012 Proxy Statement, and the accompanying tables and narrative disclosure.

This proposal, commonly known as a “say-on-pay” proposal, gives the Company’s shareholders the opportunity to endorse or not endorse our executive compensation program and policies through the following resolution:

“Resolved, that the compensation of the Company’s named executive officers, as disclosed pursuant to Item 402 of Regulation S-K located in the “Executive Compensation” section of the 2012 Proxy Statement, and the accompanying executive compensation tables and narrative discussions is hereby APPROVED.”

Because your vote is advisory, it will not be binding upon the Board of Directors. However, the Compensation Committee will take into account the outcome of the vote when considering future executive compensation.

The Board of Directors unanimously recommends a vote “FOR” this proposal.

Proposal No. 3 – Non-Binding Advisory Vote On The Frequency With Which The Company Should Solicit Non-Binding Advisory Votes On Executive Compensation

Section 14A(a)(2) of the Securities Exchange Act of 1934 requires the Company to permit a non-binding advisory vote (at least once every six years) on the frequency with which to solicit non-binding advisory votes on the Company’s executive compensation.

This proposal gives the Company’s shareholders the opportunity to recommend whether the Company should solicit non-binding advisory votes on executive compensation every one, two, or three years. Shareholders may abstain from voting on the frequency with which such votes should be solicited.

Because your vote is advisory, it will not be binding upon the Board of Directors. However, the Compensation Committee will take into account the outcome of the vote when considering the frequency with which to hold shareholder votes on executive compensation.

The Board of Directors unanimously recommends a vote for the option of “EVERY ONE YEAR” for future advisory votes on executive compensation.

INTEREST RATE SENSITIVITY

The following table is an analysis of the Company's interest rate-sensitivity position at December 31, 2012. The interest-bearing rate-sensitivity gap, which is the difference between interest-earning assets and interest-bearing liabilities by repricing period, is based upon maturity or first repricing opportunity, along with a cumulative interest rate-sensitivity gap. Major changes in the gap position can be, and are, made promptly as market outlooks change.
