HOSTING SITE NETWORK, INC. AND SUBSIDIARY
(A Developmental Stage Company)
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
JUNE 30, 2003

NOTE 1 - NATURE OF BUSINESS

Hosting Site Network, Inc. (the "Company") (a developmental stage company) was incorporated in the State of Delaware on May 31, 2000 and its wholly owned subsidiary HSN, Inc. ("HSN") was incorporated in the State of New Jersey on August 21, 2002. The Company and HSN are inactive and are searching for new business opportunities.

Edgar Filing: HOSTING SITE NETWORK INC - Form 10QSB

NOTE 2 - BASIS OF PRESENTATION AND CONSOLIDATION

The accompanying unaudited consolidated financial statements have been prepared in accordance with generally accepted accounting principles for interim financial information and with the instructions to Form 10-QSB. Accordingly, they do not include all of the information and footnotes required by generally accepted accounting principles for complete financial statements. In the opinion of management, all adjustments (consisting of normal recurring accruals) considered necessary for a fair presentation have been included. Operating results for the three and nine months ended June 30, 2003 are not necessarily indicative of the results that may be expected for the fiscal year ending September 30, 2003. For further information, refer to the financial statements and footnotes thereto included in the Company's Annual Report on Form 10-KSB for the fiscal year ended September 30, 2002.

The consolidated financial statements include the accounts of Hosting Site Network, Inc. and its wholly owned subsidiaries, CreativeSites.com, Inc. (for the period from September 14, 2000 through April 30, 2001) and HSN, Inc. (for the period from August 21, 2001 through March 31, 2003). All material inter-company accounts and transactions have been eliminated in consolidation.

NOTE 3 - RECENT ACCOUNTING PRONUCEMENTS

- In December 2002, the Financial Accounting Standards Board, "FASB" issued Statement of Financial Accounting Standards, ("SFAS") No. 148, "Accounting for Stock-Based Compensation -Transition and Disclosure - an amendment of FASB Statement No. 123." SFAS No. 148 amends SFAS No. 123, "Accounting for Stock-Based Compensation," to provide alternative methods of transition for a voluntary change to the fair value based method of accounting for stock-based employee compensation. In addition, SFAS No. 148 amends the disclosure requirements of SFAS No. 123 to require prominent disclosures in both annual and interim financial statements about the method of accounting for stock-based employee compensation and the effect of the method used on reported results. The disclosure requirements apply to all companies for fiscal years ending after December 15, 2002. The adoption of SFAS No. 148 is not expected to have a material impact on the Company's consolidated financial statements.

- In April 2003, the FASB issued SFAS No. 149 ("SFAS 149"), "Amendment of Statement 133 on Derivative Instruments and Hedging Activities." This statement amends SFAS 133 to provide clarification on the financial accounting and reporting of derivative instruments and hedging activities and requires contracts with similar characteristics to be accounted for on a comparable basis. The Company is in the process of assessing the effect of SFAS 149 and does not expect the adoption of the statement, which will be effective for contracts entered into or modified after June 30, 2003, to have a material effect on its financial position or results of operations.

- In May 2003, the FASB issued SFAS No. 150 ("SFAS 150"), "Accounting for Certain Financial Instruments with Characteristics of both Liabilities and Equity." SFAS 150 establishes standards on the classification and measurement of financial instruments with characteristics of both liabilities and equity. SFAS 150 will become effective for financial instruments entered into or modified after May 31, 2003. The adoption of

Edgar Filing: HOSTING SITE NETWORK INC - Form 10QSB

SFAS 150 has not had a material effect on the Company's financial position or results of operations.

Management does not believe that recently issued, but not yet effective accounting pronouncements if currently adopted would have a material effect on the accompanying financial statements.

ITEM 2. PLAN OF OPERATION

We were incorporated on May 31, 2000 to provide businesses with a variety of Internet services including web hosting, web consulting and electronic mail services. Given the current Internet business environment, we have not commenced material business operations, have not had any operating revenues, and have concluded that our business model is not presently valid. Although we may determine to engage in our intended Internet operations at a later date, we have decided to look at other ventures of merit for corporate participation as a means of enhancing shareholder value. This may involve sales of our equity or debt securities in merger or acquisition transactions.

We have minimal operating costs and expenses at the present time due to our limited business activities. Accordingly, absent changed circumstances, we will not be required to raise additional capital over the next twelve months, although we may do so in connection with or in anticipation of possible acquisition transactions. We do not currently engage in any product research and development and have no plans to do so in the foreseeable future. We have no present plans to purchase or sell any plant or significant equipment. We also have no present plans to add employees although we may do so in the future if we engage in any merger or acquisition transactions.

ITEM 3. CONTROLS AND PROCEDURES

Our principal executive officer and principal financial officer evaluated the effectiveness of our disclosure controls and procedures as of a date within 90 days prior to the filing of this report. Based on this evaluation, our principal executive officer and principal financial officer have concluded that our controls and procedures are effective in providing reasonable assurance that the information required to be disclosed in this report is accurate and complete and has been recorded, processed, summarized and reported within the time period required for the filing of this report. Subsequent to the date of this evaluation, there have not been any significant changes in our internal controls or, to our knowledge, in other factors that could significantly affect our internal controls.

Consistent with Section 10A(i)(2) of the Securities Exchange Act of 1934, as added by Section 202 of the Sarbanes-Oxley Act of 2002, we are responsible for listing the non-audit services approved by our Board of Directors to be performed by Rogoff & Company, P.C., our external auditor. Nonaudit services are defined as services other than those provided in connection with an audit or a review of our financial statements. Our Board of Directors currently has not approved the engagement of Rogoff & Company, P.C. to perform any non-audit services in 2003, except for income tax preparation.
