HOSTING SITE NETWORK, INC. AND SUBSIDIARY NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

1. OPERATIONS

Hosting Site Network, Inc. (Company) was incorporated in the State of Delaware on May 31, 2000 and HSN, Inc. (HSN), its wholly owned subsidiary, was incorporated in the State of New Jersey on August 21, 2001. The Companies are inactive and are currently searching for business opportunities.

2. BASIS OF PRESENTATION AND CONSOLIDATION

The accompanying unaudited consolidated financial statements and related notes have been prepared in accordance with accounting principles generally accepted in the United States for interim financial statements and with the rules and regulations of the Securities and Exchange Commission for Form 10-QSB. Accordingly, they do not include all of the information and footnotes required by accounting principles generally accepted in the United States for complete

Edgar Filing: HOSTING SITE NETWORK INC - Form 10QSB

financial statements. In the opinion of management, all adjustments (consisting of normal recurring accruals) considered necessary for a fair presentation of the consolidated financial position, results of operations and cash flows for the interim periods presented have been included. These consolidated financial statements should be read in conjunction with the consolidated financial statements of Hosting Site Network, Inc, together with the Company's Plan of Operation included in the Company's Form 10-KSB for the year ended September 30, 2003. Interim results are not necessarily indicative of the results for a full year.

The consolidated financial statements include all the accounts of the Company and HSN. All material intercompany transactions and balances have been eliminated.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

New Accounting Pronouncements

Management does not believe that any recently issued, but not yet effective accounting pronouncements, if adopted, would have a material effect on the accompanying financial statements.

ITEM 2 PLAN OF OPERATION

We were incorporated on May 31, 2000 to provide businesses with a variety of Internet services including web hosting, web consulting and electronic mail services. Given the current Internet business environment, we have not commenced material business operations, have not had any operating revenues, and have concluded that our business model is not presently valid. Although we may determine to engage in our intended Internet operations at a later date, we have decided to look at other ventures of merit for corporate participation as a means of enhancing shareholder value. This may involve sales of our equity or debt securities in merger or acquisition transactions.

We have minimal operating costs and expenses at the present time due to our limited business activities. Accordingly, absent changed circumstances, we will not be required to raise additional capital over the next twelve months, although we may do so in connection with or in anticipation of possible acquisition transactions. We do not currently engage in any product research and development and have no plans to do so in the foreseeable future. We have no present plans to purchase or sell any plant or significant equipment. We also have no present plans to add employees although we may do so in the future if we engage in any merger or acquisition transactions.

ITEM 3. CONTROLS AND PROCEDURES

Our principal executive officer and principal financial officer evaluated the effectiveness of our disclosure controls and procedures as of a date within 90 days prior to the filing of this report. Based on this evaluation, our principal executive officer and principal financial officer have concluded that our controls and procedures are effective in providing reasonable assurance that

Edgar Filing: HOSTING SITE NETWORK INC - Form 10QSB

the information required to be disclosed in this report is accurate and complete and has been recorded, processed, summarized and reported within the time period required for the filing of this report. Subsequent to the date of this evaluation, there have not been any significant changes in our internal controls or, to our knowledge, in other factors that could significantly affect our internal controls.

Consistent with Section 10A(i)(2) of the Securities Exchange Act of 1934, as added by Section 202 of the Sarbanes-Oxley Act of 2002, we are responsible for listing the non-audit services approved by our Board of Directors to be performed by Most & Company, LLP, our external auditor. Non-audit services are defined as services other than those provided in connection with an audit or a review of our financial statements. Our Board of Directors currently has not approved Most & Company, LLP to perform any non-audit services.
