Edgar Filing: ONSCREEN TECHNOLOGIES INC - Form DEF 14A

by the Board of Directors of OnScreen Technologies, Inc. (the "Company") for use at the 2006 Annual Meeting of Stockholders to be held on Wednesday, December 6, 2006 at 9:00 a.m. PST in the corporate offices located at 600 NW 14th Avenue, Suite 100, Portland, Oregon 97209 or at any postponements or adjournments thereof. Your vote at the Annual Meeting is important to us. Please vote your shares of OnScreen Technologies, Inc. common stock (the "Common Stock") and preferred stock (Preferred Stock) by completing the enclosed proxy card and returning it in the enclosed envelope. The approximate date on which this Proxy Statement and the accompanying proxy card will be mailed to stockholders is November 1, 2006.

GENERAL INFORMATION ABOUT THE ANNUAL MEETING

What is the purpose of the Annual Meeting?

At our Annual Meeting, stockholders will act upon the matters outlined in the notice of meeting on the cover page of this Proxy Statement, including the election of three directors to hold office for two-year terms and one director to hold office for a one year term and to transact such other business as may properly come before the Annual Meeting or any adjournments or postponements thereof.

Who is entitled to vote?

Only stockholders of record at the close of business on October 12, 2006, the record date for the meeting, are entitled to receive notice of and to participate in the Annual Meeting. If you were a stockholder of record on that date, you will be entitled to vote all of the shares that you held on that date at the Annual Meeting, or any postponements or adjournments of the meeting. Each outstanding share of Common Stock owned by you on October 12, 2006 entitles you to one vote on each matter considered at the Annual Meeting. The enclosed proxy card shows the number of shares owned by you as of the record date.

Who may attend the annual meeting?

All stockholders of record as of the record date, or their duly appointed proxies, may attend the meeting.

What constitutes a quorum?

The presence at the Annual Meeting, in person or by proxy, of the holders of one third of the aggregate voting power of the Common and Preferred Stock outstanding on the record date will constitute a quorum. Each share of Common Stock and each share of Series A Convertible Preferred Stock is entitled to one vote. As of the close of business on August 31, 2006, 129,573,333 shares of Common Stock and 415,543 shares of Series A Convertible Preferred Stock were outstanding and entitled to vote at the Annual Meeting. Unless otherwise indicated, all references herein to percentages of outstanding shares of stock are based on such numbers of shares outstanding. Shares entitled to vote are referred to hereafter as "Voting Shares".

How do I vote?

If you complete and properly sign the accompanying proxy card and return it, your shares of Stock will be voted as you direct. If you are a registered stockholder and attend the meeting, you may deliver your completed proxy card in person. "Street name" stockholders who wish to vote at the meeting will need to obtain a proxy form from the institution that holds their shares.

May I change my vote after I return my proxy card?

Yes, even after you have submitted your proxy, you may revoke or change your vote at any time before the proxy is exercised by providing William F. Clough, Esq., our Corporate Secretary, either a written notice of revocation or a duly executed proxy bearing a later date. The powers of the proxy holders will be suspended if you attend the Annual Meeting in person and so request, although

Edgar Filing: ONSCREEN TECHNOLOGIES INC - Form DEF 14A

attendance at the meeting will not by itself revoke a previously granted proxy.

What are the board's recommendations?

Unless you give other instructions on your proxy card, the persons named as proxy holders on the proxy card will vote in accordance with the recommendations of the Company's Board of Directors. The Board's recommendation is set forth together with the description of each item in this Proxy Statement. In summary, the Board recommends a vote:

FOR election of the nominated slate of Directors (see Proposal 1).

What vote is required to approve each item?

Election of Directors. The affirmative vote of a plurality of the votes cast at the Annual Meeting is required for the election of the directors. A properly executed proxy marked "Withhold Authority" with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, although it will be counted for purposes of determining whether there is a quorum. Voting Shares represented by properly executed proxies for which no instruction is given will be voted "FOR" election of the nominees for director

If you hold your shares in "street name" through a broker or other nominee, your broker or nominee may not be permitted to exercise voting discretion with respect to some of the matters to be acted upon. Thus, if you do not give your broker or nominee specific instructions, your shares may not be voted on those matters and will not be counted in determining the number of shares necessary for approval. Shares represented by such "broker non-votes" will, however, be counted in determining whether there is a quorum.

What if other matters come up at the Annual Meeting?

Aside from the election of the directors, the Board of Directors knows of no other matters to be presented at the Annual Meeting. If any other matter should be presented at the meeting upon which a vote properly may be taken, the shares represented by the proxy holders will be voted in the discretion of the proxy holders.

Proposals by Shareholders

Shareholder proposals intended to be presented at the Annual Meeting must have been received by us not later than September 16, 2006 for inclusion in the proxy materials for the Annual Meeting. We are not aware of any matters to be voted on at the Annual Meeting except those listed on the accompanying notice of Annual Meeting of shareholders. The accompanying proxy gives discretionary authority to the persons named to vote the shares in their best judgment if any other matters are properly brought before the Annual Meeting.

What if the Annual Meeting is postponed?

If the Annual Meeting is postponed or adjourned for any reason, at any subsequent reconvening of the Annual Meeting, all proxies will be voted in the same manner as the proxies would have been voted at the original convening of the Annual Meeting, except for any proxies that have at that time effectively been revoked or withdrawn, notwithstanding that they may have been effectively voted on the same or any other matter at a previous meeting.

Who pays for this proxy solicitation?

We do. The proxies being solicited in connection with this Proxy Statement are being solicited by the Board of Directors and the costs will be borne by the Company. In addition to sending you these materials, some of our employees may contact you by telephone, by mail, or in person. None of these employees will receive any extra compensation for doing this. We will, upon request, reimburse brokerage firms and others for their reasonable expenses in forwarding solicitation material to the beneficial owners of our stock.

PROPOSAL I

ELECTION OF DIRECTORS

The Company's Bylaws provide that the number of directors shall be fixed from time to time by resolution of the Board of Directors, but in no instance shall there be less than one director. All directors shall be elected at the annual meeting of shareholders to serve two-year terms and shall hold office until his or her successor shall have been elected and qualified. Currently we have five directors, three of whom have been nominated for re-election this year and have agreed to serve if elected. A fourth director has been nominated to fill a vacancy, the term of which expires at the 2007 Annual Meeting of Shareholders or at such time as a replacement director has been elected and qualified to hold this office. The Board of Directors set these terms staggered in order to maintain continuity on the Board of Directors. In order to affect this staggered term strategy, the five board seats are numbered consecutively, 1 through 5. Odd numbered seats (seats 1, 3 and 5) will be elected at the annual shareholder meetings held on even numbered years; even numbered seats (seats 2 and 4) will be elected at the annual shareholder meetings held on odd numbered years. The following are Company directors, the director seats and terms for which they were elected or appointed: o Director Seat #1, William J. Clough, Esq. Mr. William J. - o Director Seat #4, Steven S. Hallock. Mr. Steven S. Hallock was appointed to fill a Board vacancy on August 26, 2006 to serve until the next annual meeting of shareholders. Mr. Steven S. Hallock is nominated for election to a one year term at the 2006 Annual Meeting of Shareholders so as to complete the term for this board seat.
- o Director Seat #5, John P. Rouse. Mr. John P. Rouse was appointed to fill a Board vacancy on July 5, 2006 to serve until the next annual meeting of shareholders. Mr. John P. Rouse is nominated for election to a two year term at the 2006 Annual Meeting of Shareholders.

Shares of our Common Stock and Series A Preferred Stock are entitled to one vote per share for each Director. Cumulative voting is not permitted.

Unless stated to be voted otherwise, each proxy will be voted for the election of the nominees named. All of the nominees have consented to serve as directors if elected. If a nominee becomes unavailable for election before the 2006 Annual Meeting of Shareholders, the Board of Directors may name a substitute nominee and proxies will be voted for such substitute nominee unless an instruction to the contrary is written on the proxy card.

REPORT OF THE COMPENSATION COMMITTEE

The compensation committee of the Board of Directors administers our executive and management compensation program. The current members of the compensation committee are Russell L. Wall and Bradley J. Hallock. Each of these persons is a non-employee director within the meaning of Section 16 of the Securities Exchange Act of 1934, as amended, and an "outside director" within the meaning of Section 162(m) of the Internal Revenue Code. The Board has determined that each said member is "independent" within the meaning of NASDAQ's rules. Neither of Messrs. Wall and Hallock has any interlocking relationships as defined by the rules promulgated by the SEC.

General Compensation Philosophy

The role of the compensation committee is to set the salaries and other compensation of the executive officers and certain other key employees of OnScreen Technologies, Inc. and to make grants under, and to administer, the stock option and other employee equity and bonus plans. The compensation philosophy of OnScreen Technologies, Inc. for executive officers is to relate compensation to corporate performance and increases in stockholder value, while

Edgar Filing: ONSCREEN TECHNOLOGIES INC - Form DEF 14A

providing a total compensation package that is competitive and enables OnScreen Technologies, Inc. to attract, motivate, reward and retain key executives and employees. Accordingly, each executive officer's compensation package included in the executive's contract of employment may be comprised of the following three elements:

- o base salary that is designed primarily to be competitive with base salary levels in effect at technology companies in similar locations that are of comparable size to OnScreen Technologies, Inc. and with which OnScreen Technologies, Inc. competes for executive personnel;
- o annual variable performance awards, such as bonuses, payable in cash and tied to the achievement of performance goals, financial or otherwise, established by the compensation committee; and
- o long term stock-based incentive awards which strengthen the mutuality of interests between the executive officers and the shareholders of OnScreen Technologies, Inc.

Executive Compensation

Base Salary. Salaries for executive officers for 2005 were generally determined on an individual basis by evaluating each executive's scope of responsibility, performance, prior experience and salary history, as well as the salaries for similar positions in similar locations at comparable companies. In addition, OnScreen Technologies, Inc.'s Human Resources Department provided information to us regarding salary range guidelines for specific positions.

As permitted by contract, base salary is adjusted each year to take into account the executive officer's performance and to maintain a competitive salary structure. We conduct reviews of executive compensation practices on an annual basis and may change each executive officer's salary based on the individual's contributions and responsibilities over the prior twelve months and any change in median comparable company pay levels. We believe that, on the basis of our knowledge of executive compensation in the industry, that salary levels of OnScreen Technologies, Inc. for the executive officers are reasonable and necessary given the competition for executive talent in the industry and the financial resources of OnScreen Technologies, Inc.

Long Term Incentive Awards. We believe that equity-based compensation in the form of stock options links the interests of executive officers with the long-term interests of the stockholders of OnScreen Technologies, Inc. and encourages executive officers to remain in the employ of OnScreen Technologies, Inc. Stock options, generally, have value for executive officers only if the price of the stock increases above the exercise price on the grant date and the officer remains in the employ of OnScreen Technologies, Inc. for the period required for the shares to vest.

It is the design of OnScreen Technologies, Inc. that stock options may be granted to executive officers when the executive first joins OnScreen Technologies, Inc., in connection with a significant change in responsibilities and, occasionally, to achieve equity within a peer group. We may, however, grant additional stock options to executive officers for other reasons. The number of shares subject to each stock option granted is within our discretion and is based on anticipated future contribution and ability to impact results, past performance or consistency within the executive officer's peer group. We may grant stock options to executives and officers to provide greater incentives to continue their employment with OnScreen Technologies, Inc. and to strive to increase the value of OnScreen Technologies, Inc.'s common stock. The stock options generally become exercisable over a three-year period and are granted at a price that is equal to the fair market value of OnScreen Technologies, Inc.'s

Edgar Filing: ONSCREEN TECHNOLOGIES INC - Form DEF 14A

common stock on the date of grant.

The total compensation philosophy of OnScreen Technologies, Inc. is based on the concept that variable pay is earned through effective performance and contribution to the success of the company. Bonus payments are based on actual performance in achieving corporate, department and individual targets. The Compensation Committee determines weightings for each element and establishes the corporate financial goals for bonus measurement purposes. The Compensation Committee is responsible for ensuring that actual results are confirmed before they are applied against the bonus plan for payment purposes. The corporate target is

based on OnScreen Technologies, Inc.'s earnings per share, total consolidated revenue, and success in managing corporate expenses to plan. All targets and objectives are aligned with the business plan for the fiscal year and monitored by the corporate finance department of OnScreen Technologies, Inc. Individual performance is measured relative to the individual's personal contribution to the success of the organization. This element is objective and tied to individual documented objectives for the bonus year. All targets and related objectives are defined and measured periodically, with a final annual measurement.
