HOSTING SITE NETWORK, INC. AND SUBSIDIARY
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
(UNAUDITED)

1. OPERATIONS

Hosting Site Network, Inc. (Company) was incorporated in the State of Delaware on May 31, 2000 and HSN, Inc. (HSN), its wholly owned subsidiary, was incorporated in New Jersey on August 21, 2001. The Companies are inactive and are currently searching for business opportunities.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying interim unaudited consolidated financial statements and related notes have been prepared in accordance with accounting principles generally accepted in the United States for interim financial statements and with the rules and regulations under Regulation S-B of the Securities and Exchange Commission for Form 10-QSB. Accordingly, they do not include all of the information and footnotes required by accounting principles generally accepted in the United States for complete financial statement presentation. In the opinion of management, all adjustments (consisting of normal recurring accruals) considered necessary to present fairly the consolidated financial position, results of operations and cash flows for the interim periods have been included. These consolidated financial statements should be read in conjunction with the consolidated financial statements of Hosting Site Network, Inc. together with the Company's Plan of Operations in the Company's Form 10-KSB for the year ended September 30, 2006. Interim results are not necessarily indicative of the results for a full year.

The consolidated financial statements include the accounts of the Company and HSN. All material intercompany balances and transactions have been eliminated.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements and revenues and expenses during the reporting period. Actual results could differ from those estimates.

New Accounting Pronouncements

The Financial Accounting Standards Board has issued FIN 48, Accounting for Uncertainty in Income Taxes, which will be effective for the Company's year commencing October 1, 2007. The Company has not yet determined what the effect will be, if any, on their consolidated financial statements.

Management does not believe that any other recently issued, but not yet effective accounting pronouncements, if adopted, would have a material effect on the accompanying consolidated financial statements.

3. WRITE-OFF OF DEFERRED COMPENSATION

As of October 1, 2006, the Company wrote-off the balance of deferred compensation of \$8,934.

ITEM 2. PLAN OF OPERATION

We were incorporated on May 31, 2000 to provide businesses with a variety of Internet services including web hosting, web consulting and electronic mail services. Given the current Internet business environment, we have not commenced material business operations, have not had any operating revenues, and have concluded that our business model is not presently valid. Although we may determine to engage in our intended Internet operations at a later date, we have decided to look at other ventures of merit for corporate participation as a means of enhancing shareholder value. This may involve sales of our equity or debt securities in merger or acquisition transactions.

We have minimal operating costs and expenses at the present time due to our limited business activities. Accordingly, absent changed circumstances, we will not be required to raise additional capital over the next twelve months, although we may do so in connection with or in anticipation of possible acquisition transactions. We do not currently engage in any product research and development and have no plans to do so in the foreseeable future. We have no present plans to purchase or sell any plant or significant equipment. We also have no present plans to add employees although we may do so in the future if we engage in any merger or acquisition transactions.

ITEM 3. CONTROLS AND PROCEDURES

(a) Evaluation of Disclosure Controls and Procedures. Under the supervision and with the participation of our senior management, consisting of Scott Vicari, our chief executive officer and chief financial officer, we conducted an evaluation of the effectiveness of the design and operation of our disclosure controls and procedures, as defined in Rules 13a-15(e) and 15d-15(e) under the Securities Exchange Act of 1934, as amended, as of the end of the period covered by this report (the "Evaluation Date"). Based on this evaluation, our chief executive officer and chief financial officer concluded as of the Evaluation Date that our disclosure controls and procedures were effective such that the information relating to us, including our consolidated subsidiary, required to be disclosed in our Securities and Exchange Commission ("SEC") reports (i) is recorded, processed, summarized and reported within the time periods specified in SEC rules and forms, and (ii) is accumulated and communicated to our management, including our chief executive officer and chief financial officer, as appropriate to allow timely decisions regarding required disclosure.

(b) Changes in Internal Control over Financial Reporting. There were no changes in our internal control over financial reporting that occurred during the period covered by this report that have materially affected or are reasonably likely to materially affect our internal control over financial reporting.

PART II - OTHER INFORMATION
