### Item 1.01 Entry into a Material Definitive Agreement

Between June 5, 2007 and June 10, 2007, the Company entered into Subscription Agreements with (collectively, the “Subscription Agreements”) with four individuals, each of whom is an accredited investor (collectively, the “Investors”), pursuant to which the Company agreed to sell an aggregate of 2,356,471 shares (the “Shares”) of the Company’s common stock, par value \$0.01 per share. The price per Share under the Subscription Agreements is \$0.17. Each Investor also received a warrant to purchase Shares of the Company’s common stock in an amount up to the number of Shares purchased. The exercise price of each warrant is \$0.19 and expires on May 31, 2008.

On June 15, 2007, Element 21 Golf Company (the “Company”) consummated a \$2,000,000 equity financing by entering into two Series B Preferred Stock Subscription Agreements (each a “Series B Subscription Agreement” and collectively the “Series B Subscription Agreements”) with each of Vladamir Goryunov and Clearline Capital, Llc (each a “Purchaser” and collectively, the “Purchasers”). Each Series B Subscription Agreement provides for the sale by the Company to the applicable Purchaser 58,824 shares of the Company’s Series B Convertible Preferred Stock, par value \$0.10 per share (the “Series B Preferred Stock”), and warrants to purchase an aggregate of 5,882,400 shares of the Company’s Common Stock, \$.01 par value per share, in exchange for and in consideration of an aggregate investment by each of the Purchasers of \$1 million in cash, which amount is to be invested on June 15, 2007. The form of the Series B Convertible Preferred Stock and warrants are described below.

On the Closing Date, each Purchaser invested \$1 million in the Company in return for 58,824 shares of Series B Preferred Stock and warrants (the terms of which are more fully described below) to purchase an aggregate of 5,882,400 shares of Common Stock. A copy of the press release issued by the Company is attached hereto as Exhibit 99.1.

Each share of Series B Preferred Stock will initially be:

- convertible into 100 shares of Common Stock (subject to adjustment in the event of dilutive issuances, stock splits, combinations, certain dividends and distributions, and mergers, reorganizations or other similar recapitalization events);
- entitled to vote on all matters submitted to a vote of the holders of the Common Stock on an as-if converted to common stock basis;
- entitled to accruing dividends at a rate per annum of 4% of the base amount per share (defined as the original issue price of \$17.00 per share plus the amount of accrued but unpaid dividends as calculated on each anniversary of the date of issuance of such Series B Preferred Stock shares);
- upon the occurrence of certain events (each a “Liquidating Event”), entitled to a liquidation preference equal to the greater of: (i) the amount that would have been payable on each share of Series B Preferred Stock had each share been converted into Common Stock immediately prior to such Liquidating Event, or (ii) \$17.00 per share (adjusted to reflect any stock dividend, stock split, combination, recapitalization or reorganization) plus all accruing dividends and all other declared but unpaid dividends. A merger or consolidation of the Company into another corporation or entity or the sale of all or substantially all of the Company’s assets will be deemed to be a Liquidating Event unless otherwise decided by the majority vote of the then outstanding shares of the Series B Preferred Stock.

Additionally, at any time when at least 25,000 shares of Series B Preferred Stock are outstanding (subject to appropriate adjustment in the event of any stock dividend, stock split, combination or other similar recapitalization event affecting such shares), the Company may not do any of the following without the written consent or affirmative vote of the holders of at least a majority of the then outstanding shares of Series B Preferred Stock: (i) effect any merger or consolidation of the Company; (ii) amend or repeal any provision of, or add any provision to, the Company's Certificate of Incorporation or By-laws if such action would alter or change the preferences, rights, privileges or powers of, or the restrictions provided for the benefit of, such Series B Preferred Stock; (iii) create, or authorize the creation of, or issue or obligate itself to issue shares of, or increase the authorized number of shares of, any additional class or series of capital stock unless the same ranks junior to the Series B Preferred Stock; (iv) acquire another entity by means of a purchase of all or a portion of the capital stock or assets of such entity for consideration in excess of \$2,000,000; (v) liquidate, wind up, or dissolve the Company or adopt any plan for the same; (vi) effect any sale, lease, transfer, pledge or other disposition of assets of the Company or its subsidiaries, not in the ordinary course of business, unless the value of such assets; singly or in connection with any related series of transactions does not in the aggregate exceed \$5,000,000; (vii) enter into any transaction with any officer, director or beneficial owner of five percent (5%) or more of the Common Stock; (viii) authorize or effect the issuance by the Company of any shares of capital stock or rights to acquire shares of capital stock pursuant to stock option, stock bonus or other employee stock plans for the benefit of the employees of the Corporation other than the issuance of options to purchase up to 20,000,000 shares of Common Stock pursuant to the Company's existing stock option plan; (ix) incur any indebtedness for borrowed money in excess of \$1,000,000 outstanding at any time; (x) acquire any material assets of another person for consideration in excess of \$2,000,000 other than in the ordinary course of business; (xi) permit any subsidiary to do any of the foregoing, or (xii) authorize the issuance of more than 300,000,000 shares of Common Stock directly by amendment of the certificate of incorporation or indirectly by reverse stock-split, merger or other device or create, or authorize the creation of, or issue or obligate itself to issue shares of, any additional class or series of capital stock unless the same ranks junior to the Series B Preferred Stock with respect to the distribution of assets on the liquidation, dissolution or winding up of the Corporation, the payment of dividends and redemption rights, or increase the authorized number of shares of Series B Preferred Stock or increase the authorized number of shares of any additional class or series of capital stock unless the same ranks junior to the Series B Preferred Stock with respect to the distribution of assets on the liquidation, dissolution or winding up of the Corporation, the payment of dividends and redemption rights.

On the Closing Date the Company granted each Purchaser a warrant to purchase 5,882,400 shares of Common Stock at an exercise price of \$0.19 per share in the event the warrant is exercised on or prior to June 10, 2008. The Warrant expires on June 10, 2008. The exercise price of the Warrant is subject to adjustment in the event of certain dilutive issuances, stock dividends, stock splits, share combinations or other similar recapitalization events. The Warrant may only be exercised by the payment of the applicable exercise price to the Company in cash, no cashless exercise is permitted. A form of the Warrant is attached hereto as Exhibit 4.2.

The Certificate (as defined in Section 3.03 below) relating to the Series B Preferred Convertible Stock is attached hereto as Exhibit 3(i) and is incorporated herein by reference. A form of the two identical Series B Subscription Agreements is attached hereto as Exhibit 10.2 and is incorporated herein by reference. A form of each of the Warrant is attached hereto as Exhibit 4.2 and is incorporated herein by reference. The foregoing description of the Series B Preferred Stock does not purport to be complete and is qualified in its entirety by reference to Section 5.03 and to Exhibit 3(ii).

### **Item 3.02 Unregistered Sales of Equity Securities**

Between June 5, 2007 and June 10, 2007, the Company entered into Subscription Agreements with with four individuals, each of whom is an accredited investor, pursuant to which the Company agreed to sell an aggregate of 2,356,471 shares of the Company's common stock, par value \$0.01 per share. The price per Share under the Subscription Agreements is \$0.17. Each Investor also received a warrant to purchase

Shares of the Company's common stock in an amount up to the number of Shares purchased. The exercise price of each warrant is \$0.19 and expires on May 31, 2008.

The Company has granted the Investors piggyback registration rights (subject to certain limitations).

The common stock and warrants were not registered under the Securities Act. The date, title and amount of securities sold, as well as the total offering price, and the terms relating to the exercise of the Warrants, are described under Items above. The offer and sale of the common stock and warrants to the Purchasers were exempt from the registration requirements of Section 5 of the Securities Act, as amended, pursuant to Section 4(2) of the Securities Act and Rule 506 of Regulation D thereunder. We relied on the following facts in determining that the offer and sale of the common stock and the warrants qualified for the exemption provided by Rule 506:

- The offer and sale satisfied the terms and conditions of Rule 501 and 502 under the Securities Act; and
- Pursuant to Rule 506 under the Securities Act, no more than 35 purchasers purchased securities from us under both the offer and the sale, as determined in accordance with Rule 501(e) under the Securities Act.

As described above, on the Closing Date, the Company sold to each Purchaser 58,824 shares of Series B Preferred Stock and issued warrants to purchase an aggregate of 5,882,400 shares of Common Stock for a purchase price of \$1,000,000. The Company did not pay any underwriting discounts or commissions in connection with its issuance of shares of Series B Preferred Stock and the accompanying warrants. The shares of Series B Preferred Stock are convertible into shares of Common Stock at the election of the Purchasers. Each share of Series B Preferred Stock is initially convertible into 100 shares of Common Stock, with such conversion ratio subject to adjustment in the event of dilutive issuances, stock splits, combinations, certain dividends and distributions, and mergers, reorganizations or other similar recapitalization events. The warrants may be exercised in whole or in part for shares of Common Stock by payment by the Purchasers of the applicable exercise price in cash prior to the expiration of the warrants on June 10, 2008. Neither the shares of Series B Preferred Stock, the warrants, or the shares of Common Stock issuable upon conversion of the shares of Series B Preferred Stock or upon the exercise of the warrants were registered under the Securities Act of 1933, as amended ("Securities Act"). The offer and sale of the shares Series B Preferred Stock and warrants to the Purchasers was (and we anticipate that the issuance of shares of Common Stock upon conversion of the Series B Preferred Stock and upon exercise of the warrants, will be) exempt from the registration requirements of Section 5 of the Securities Act pursuant to Section 4(2) of the Securities Act and Rule 506 of Regulation D thereunder. The Company relied on the following facts in determining that the offer and sale of the shares of Series B Preferred Stock and accompanying warrants qualified for the exemption provided by Rule 506:

- The offer and sale satisfied the terms and conditions of Rule 501 and 502 under the Securities Act; and
- Pursuant to Rule 506 under the Securities Act, no more than 35 purchasers purchased the Series B Preferred Stock and warrants, as determined in accordance with Rule 501(e) under the Securities Act.

aggregate exceed \$5,000,000; (vii) enter into any transaction with any officer, director or beneficial owner of five percent (5%) or more of the Common Stock; (viii) authorize or effect the issuance by the Company of any shares of capital stock or rights to acquire shares of capital stock pursuant to stock option, stock bonus or other employee stock plans for the benefit of the employees of the Corporation other than the issuance of
