PART I

ITEM 1. DESCRIPTION OF BUSINESS

Business Development

We were incorporated on May 31, 2000 in the state of Delaware to provide businesses with a variety of Internet services including web hosting, web consulting and electronic mail services. Due to the changing business environment for companies providing these types of services we never commenced our intended operations. We have had no revenues and no material operations of any kind to date. Our inactive wholly owned subsidiary HSN (NJ), Inc. was incorporated on August 20, 2001 in the state of New Jersey.

On September 14, 2000, we concluded an asset purchase agreement with Nicklas Weich (our former president, CEO, CFO and Chairman of the Board), through which our then wholly owned subsidiary, CreativeSites.com, Inc. acquired all of the assets of CreativeSites.com for 4,000,000 shares of our common stock. CreativeSites.com was a sole proprietorship owned by Nick Weich, formed for the purpose of designing and hosting web sites. On April 30, 2001 we sold CreativeSites.com, Inc. to Nicklas Weich in exchange for his 4,000,000 shares of our common stock. At that time Nicklas Weich resigned as president, CEO, CFO and Chairman of the Board and Scott Ventura and John McVeigh resigned as directors. On the same date, Scott Vicari, Matthew Sebal and Ralph Brown were appointed directors, Mr. Vicari was appointed as president, chief executive and financial officer, treasurer, controller, and chairman of the board and Mr. Sebal was appointed as secretary.

Our management is presently searching for ventures of merit for corporate participation to enhance shareholder value. These ventures may involve sales of our debt or equity securities in merger or acquisition transactions.

**Patents, Trademarks and Licenses, Franchises,
Concessions, Royalty Agreements or Labor Contracts**

We presently utilize no patents, licenses, franchises, concessions, royalty agreements or labor contracts in connection with our business.

Research and Development

During the fiscal years ended September 30, 2007 and September 30, 2006 we made no expenditures on research and development.

Employees

As of December 10, 2007 our only employees are our two executive officers.

ITEM 2. DESCRIPTION OF PROPERTY

We do not own any real property, plant or material equipment. Our president provides us with the use of approximately 250 square feet of office space in Fanwood, New Jersey on a rent free basis.

ITEM 3. LEGAL PROCEEDINGS

No legal proceedings are presently pending or threatened.

ITEM 4. SUBMISSION OF MATTERS TO A VOTE OF SECURITY HOLDERS

No matter was submitted during the fourth quarter of the fiscal year covered by this report to a vote of security holders.

In December 2002 we terminated the Hosting Site Network, Inc. 2001 Stock Option Plan (the "2001 Plan") and adopted the Hosting Site Network, Inc. 2002 Non-Statutory Stock Option Plan (the "Plan"). No options were ever issued under the 2001 Plan. The Plan is intended to advance our interests by inducing individuals, and eligible entities of outstanding ability and potential to join, remain with, or provide consulting or advisory services to us, by encouraging and enabling eligible employees, non-employee directors, consultants and advisors to acquire proprietary interests in us, and by providing the participating employees, non-employee directors, consultants and advisors with an additional incentive to promote our success. This is accomplished by providing for the granting of non-statutory stock options (the "Options") to employees, non-employee directors, consultants and advisors. The Plan is presently administered by our board of directors but may be subsequently administered by a board committee designated by our board of directors.

The stock subject to Options granted under the Plan is shares of our common stock, par value \$.001 per share, whether authorized but unissued or held in our treasury. The maximum number of shares of common stock which may be issued pursuant to Options granted under the Plan shall not exceed in the aggregate one million (1,000,000) shares, subject to adjustment in accordance with the provisions of Section 11 of the Plan. In the event that our outstanding common stock is subsequently changed by reason of combination of shares, reverse split, stock dividend or the like, an appropriate adjustment will be made by the Plan administrator in the aggregate number of shares available under the Plan, and in the number of shares and option price per share subject to outstanding Options. If we are reorganized, consolidated, or merged with another corporation, the holder of an Option shall be entitled to receive upon the exercise of his Option the same number and kind of shares of stock or the same amount of property, cash or securities as he would have been entitled to receive upon the happening of any such corporate event as if he has been, immediately prior to such event, the holder of the number of shares covered by his Option.

The class of individual or entity that is eligible to receive Options under the Plan is all employees (including officers) and non-employee directors of, or consultants and advisors to either us or any subsidiary corporation of ours; provided, however, that Options shall not be granted to any consultants and advisors unless (i) bona fide services have been or are to be rendered by the consultant or advisor and (ii) the services are not in connection with the offer or sale of securities in a capital raising transaction. The Plan administrator, in its sole discretion, but subject to the provisions of the Plan, determines the employees and non-employee directors of, and the consultants and advisors to, us and our subsidiary corporations to whom Options may be granted, and the number of shares to be covered by each Option, taking into account the nature of the employment or services rendered by the individuals or entities being considered, their annual compensation, their present and potential contributions to our success and such other factors as the Plan administrator may deem relevant.

No Option granted under the Plan is transferable by the individual or entity to whom it was granted otherwise than by will or laws of descent and distribution, and, during the lifetime of such individual, is not exercisable by any other person, but only by him.

ITEM 6. PLAN OF OPERATION

We were incorporated on May 31, 2000 to provide businesses with a variety of Internet services including web hosting, web consulting and electronic mail services. Given the current Internet business environment, we have not commenced material business operations, have not had any operating revenues, and have concluded that our business model is not presently valid. Although we may determine to engage in our intended Internet operations at a later date, we have decided to look at other ventures of merit for corporate participation as a means of enhancing shareholder value. This may involve sales of our equity or debt securities in merger or acquisition transactions.

We have minimal operating costs and expenses at the present time due to our limited business activities. Accordingly, absent changed circumstances, we will not be required to raise additional capital over the next twelve months, although we may do so in connection with or in anticipation of possible acquisition transactions. We do not currently engage in any product research and development and have no plans to do so in the foreseeable future. We have no present plans to purchase or sell any plant or significant equipment. We also have no present plans to add employees although we may do so in the future if we engage in any merger or acquisition transactions.

HOSTING SITE NETWORK, INC. AND SUBSIDIARY
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

1. OPERATIONS

Hosting Site Network, Inc. (Company) was incorporated in Delaware on May 31, 2000 and HSN, Inc. (HSN), its wholly owned subsidiary, was incorporated in New Jersey on August 21, 2001. The Company is inactive and is currently searching for business opportunities.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The consolidated financial statements include the accounts of the Company and HSN. All material intercompany balances and transactions have been eliminated.

Income Taxes

Deferred income taxes have been provided for any temporary differences between the consolidated financial statement and income tax reporting under the liability method, using expected tax rates and laws that are expected to be in effect when the differences are expected to reverse. When the realization of deferred tax assets are not considered more likely than not an allowance is provided.

Stock Based Compensation

Compensation costs for common stock issued to employees were based on the fair value method and deferred as shareholders' equity until amortized to operations. Through September 30, 2006, deferred compensation costs were amortized over the remaining term of the employment agreement, as amended, over the forfeiture period. On October 1, 2006, the Company wrote-off the remaining balance of deferred compensation of \$8,934.

Net Loss Per Share

Basic net loss per share was computed by dividing the net loss for the year by the weighted average number of shares outstanding during the year. Diluted net loss per share was computed by dividing the net loss for the year by the weighted average number and any potentially dilutive shares outstanding during the year. There were no potentially dilutive securities outstanding.

Financial Instruments

The carrying amounts of financial instruments, including cash and accounts payable and accrued liabilities, approximates fair values because of their relatively short maturity.

HOSTING SITE NETWORK, INC. AND SUBSIDIARY
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements and revenues and expenses during the reporting period. Actual results may differ from these estimates.

New Accounting Pronouncements

In June 2006, the FASB issued Interpretation No. 48, "Accounting for Uncertainty in Income Taxes", an interpretation of FASB Statement No. 109, "Accounting for Income Taxes". FIN No. 48 clarifies the accounting for uncertainty in income taxes recognized in a company's financial statements in accordance with SFAS No. 109, "Accounting for Income Taxes". This Interpretation prescribes a recognition threshold and measurement attribute for the financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return. This Interpretation also provides guidance on de-recognition, classification, interest and penalties, accounting for interim periods, disclosure, and transition. This Interpretation is effective for fiscal years beginning after December 15, 2006. The Company will adopt FIN No. 48 on October 1, 2007 without a material effect on the financial statements.

In September 2006, the FASB issued SFAS No. 157; "Fair Value Measurements", that defines fair value, establishes a framework for measuring fair value in generally accepted accounting principles ("GAAP"), and expands disclosures about fair value measurements. This Statement applies under other accounting pronouncements that require or permit fair value measurements. Prior to this Statement, there were different definitions of fair value and limited guidance for applying those definitions in GAAP. Moreover, that guidance was dispersed among many accounting pronouncements that require fair value measurements. Differences in that guidance created inconsistencies that added to the complexity in applying GAAP. The changes to current practice resulting from the application of this statement relate to the definition of fair value, the methods used to measure fair value, and the expanded disclosures about fair value measurements. Statement 157 is effective for financial statements issued for fiscal years beginning after November 15, 2007, and interim periods within those fiscal years. The Company has not determined the effect, if any, that may result from the adoption of SFAS 157 on its financial statements.

HOSTING SITE NETWORK, INC. AND SUBSIDIARY
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

In February 2007, the FASB issued SFAS No. 159 "The Fair Value Option for Financial Assets and Financial Liabilities". SFAS No. 159 permits entities to choose, at specified election dates, to measure eligible items at fair value (the "fair value option"). A business entity shall report unrealized gains and losses on items for which the fair value option has been elected in earnings at each subsequent reporting date. The objective is to improve financial reporting by providing entities with the opportunity to mitigate volatility in reported earnings caused by measuring related assets and liabilities differently without having to apply complex hedge accounting provisions. SFAS No. 159 is effective as of the beginning of an entity's first fiscal year that begins after November 15, 2007. Early adoption is permitted as of the beginning of a fiscal year that begins on or before November 15, 2007, provided the entity also elects to apply the provisions of SFAS No. 157, "Fair Value Measurements". The Company has not determined the effect, if any, that may result from the adoption of SFAS No. 159 on its financial statements

In December 2007, the FASB issued SFAS No. 160, "Noncontrolling Interests in Consolidated Financial Statements - an amendment of ARB No. 51". The objective of this Statement is to improve the relevance, comparability, and transparency of the financial information that a reporting entity provides in its consolidated financial statements by establishing accounting and reporting standards that require the following changes. The ownership interests in subsidiaries held by parties other than the parent be clearly identified, labeled, and presented in the consolidated statement of financial position within equity, but separate from the parent's equity. The amount of consolidated net income attributable to the parent and to the noncontrolling interest must be clearly identified and presented on the face of the consolidated statement of income. When a subsidiary is deconsolidated, any retained noncontrolling equity investment in the former subsidiary is initially measured at fair value. The gain or loss on the deconsolidation of the subsidiary is measured using the fair value of any noncontrolling equity investment rather than the carrying amount of that retained investment and entities provide sufficient disclosures that clearly identify and distinguish between the interests of the parent and the interests of the noncontrolling owners. The changes to current practice resulting from the application of SFAS No. 160 is effective for financial statements issued for fiscal years beginning after December 15, 2008, and interim periods within those fiscal years. The adoption of SFAS No. 160 before December 15, 2008 is prohibited. The Company has not determined the effect, if any, that may result from the adoption of SFAS No. 160 on its financial statements.

HOSTING SITE NETWORK, INC. AND SUBSIDIARY
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

In December 2007, the FASB issued SFAS No. 141(R), "Business Combinations - Revised" that improves the relevance, representational faithfulness, and comparability of the information that a reporting entity provides in its financial reports about a business combination and its effects. To accomplish that, this statement establishes principles and requirements how the acquirer recognizes and measures in its financial statements the identifiable assets acquired, the liabilities assumed, and any noncontrolling interest in the acquiree, recognizes and measures the goodwill acquired in the business combination or a gain from a bargain purchase, and determines what information to disclose to enable users of the financial statements to evaluate the nature and financial effects of the business combination. The changes to current practice resulting from the application of SFAS No. 141(R) are effective for financial statements issued for fiscal years beginning after December 15, 2008. The adoption of SFAS No. 141(R) before December 15, 2008 is prohibited. The Company has not determined the effect, if any, that may result from the adoption of SFAS No. 141(R) on its financial statements.

Management does not believe that any other recently issued, but not yet effective accounting pronouncements, if adopted, would have a material effect on the accompanying financial statements.

3. INCOME TAXES

The Company files consolidated tax returns. As of September 30, 2007, the Company has net operating loss carryforwards of approximately \$600,000 to reduce future Federal and state taxable income through 2027.

As of September 30, 2007, realization of the Company's deferred tax assets of \$230,000 was not considered more likely than not and, accordingly, a valuation allowance of \$230,000 has been provided.

As of September 30, 2007, components of deferred tax assets were as follows:

Net operating loss	\$ 230,000
Valuation allowance	(230,000)
	None

HOSTING SITE NETWORK, INC. AND SUBSIDIARY
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
