Item 8.01 Other Events.

PDL BioPharma, Inc. Resolves Patent Disputes with UCB Pharma SA

On February 7, 2011, PDL BioPharma, Inc. (“PDL”) and UCB SA, on behalf of its affiliate UCB Pharma S.A. (“UCB”), jointly announced that the companies have entered into a definitive settlement agreement that resolves all legal disputes between the parties, including those relating to UCB’s pegylated humanized antibody fragment, Cimzia® (certoluzimab pegol), and PDL’s Queen et al. patents.

Under the terms of the settlement agreement, PDL provided UCB a covenant not to sue UCB for any royalties regarding UCB’s Cimzia product under the Queen et al. patent portfolio in return for a lump sum payment of \$10 million and the mutual resolution of other disputes between the two companies, including two pending patent interference proceedings before the United States Patent and Trademark Office and a patent opposition in the European Patent Office. No additional payments will be owed by UCB to PDL under the Queen et al. patent portfolio in respect of Cimzia sales for any indication and the sale of a product in development that may or may not be approved within the term of the Queen et al. patent portfolio.

On February 7, 2011, PDL issued a press release announcing the above settlement. The press release is attached hereto as Exhibit 99.1 and is incorporated herein by reference.

Item 9.01 Financial Statements and Exhibits.

(d) Exhibits.
