**Item 5.02 (d) Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangement of Certain Officers.**

On October 23, 2014 the board of directors of the Company appointed Mr. Greg Wedel, CPA as a director. Mr. Wedel accepted the position effective immediately. His term will expire at the annual meeting of shareholders in May 2015 at which time he will stand for re-election. Mr. Wedel is the founder and managing partner of Wedel Rahill & Associates, CPAs, PLC. He received his bachelor's degree in accounting from the University of Central Oklahoma and started his career in public accounting with Peat Marwick (now KPMG). Mr. Wedel is a member of the American Institute of Certified Public Accountants and the Oklahoma Society of Certified Public Accountants, and serves on the boards of a number of local companies.

Mr. Wedel will serve on the Independent Directors' Committee and will participate in the Company's outside director fee schedule as follows.

- A retainer of \$1,500 per quarter for serving on the Company's Board of Directors.
- A retainer of \$1,500 per month for serving on the Bank's Board of Directors.
- A grant of 10,000 options at the time of his first meeting of the Board of Directors.

The option grant is provided under the BancFirst Corporation Non-Employee Directors' Stock Option Plan and is exercisable at the rate of 25% per year beginning one year from the date of grant. If a director is terminated for cause, all options will be forfeited immediately. If a director ceases to be a member of the Board for any other reason, unvested options will terminate and only previously vested options may be exercised for a period of 30 days following termination (or 12 months in the case of termination on account of death).

Non-employee directors can elect to defer all or any portion of their cash compensation through the BancFirst Corporation Directors' Deferred Stock Compensation Plan. Under the plan, directors of the Company may defer up to 100% of their Board fees. They are credited for each deferral with a number of stock units based on the current market price of the Company's stock, which accumulate in an account until such time as the director terminates service as a Board member. Shares of our common stock are then distributed to the terminating director based upon the number of stock units accumulated in his or her account. Because stock units are not actual shares of our common stock, they do not have any voting rights.

There are no arrangements or understandings between Mr. Wedel and any other persons pursuant to which he was selected as director and there are no transactions between the Company and Mr. Wedel that would require disclosure under Item 404(a) of Regulation S-K.
