**Item 8.01**

**Other Events.**

As previously disclosed, on December 17, 2018, Fidelity Southern Corporation, a Georgia corporation (“Fidelity”), entered into an Agreement and Plan of Merger (the “Merger Agreement”) with Ameris Bancorp, a Georgia corporation (“Ameris”), pursuant to which, among other things, upon the terms and subject to the conditions set forth therein, Fidelity will merge with and into Ameris (the “Merger”), with Ameris surviving the Merger.

On March 8, 2019, an action captioned Paul Parshall v. Fidelity Southern Corporation et al., Case 1:19-cv-01098-MHC (the “Action”), was filed in the U.S. District Court for the Northern District of Georgia on behalf of a purported class of Fidelity shareholders against Fidelity, its current directors and Ameris. This complaint contends, among other things, that the registration statement on Form S-4 filed by Ameris on February 12, 2019 in connection with the Merger (as amended, the “Registration Statement”) is false and misleading because it omits certain allegedly material information in violation of Sections 14(a) and 20(a) of the Exchange Act, and Rule 14a-9 promulgated under the Exchange Act.

The defendants believe that the Action is without merit, and deny that any further disclosure beyond that already contained in the Registration Statement is required under applicable law to supplement the Registration Statement and the joint proxy statement included therein which has been disseminated to Fidelity and Ameris stockholders. Nonetheless, to avoid the risk that the Action may delay or otherwise adversely affect the consummation of the Merger and to minimize the expense of defending such action, the defendants are making the following supplemental disclosures (the “litigation-related supplemental disclosures”) to the Registration Statement. Nothing in this Current Report on Form 8-K shall be deemed an admission of the legal necessity or materiality under applicable laws of any of the supplemental disclosures set forth herein.

The litigation-related supplemental disclosures contained below should be read in conjunction with the Registration Statement, which is available on the Internet site maintained by the Securities and Exchange Commission (the “SEC”) at <http://www.sec.gov>, along with periodic reports and other information Fidelity and Ameris file with the SEC. To the extent that the information set forth herein differs from or updates information contained in the Registration Statement, the information set forth herein shall supersede or supplement the information in the Registration Statement. All page references are to pages in the definitive proxy statement that was filed by Fidelity on March 25, 2019 and forms a part of the Registration Statement, and terms used below, unless otherwise defined, have the meanings set forth in the Registration Statement.

**Supplemental Disclosures**
