uncertainties, including those risks and uncertainties described under "Item 3. Key Information - Risk Factors" in our annual report on Form 20-F for the fiscal year ended December 31, 2000. These forward looking statements include, without limitation, statements relating to certain development trends in the mobile telecommunications market in China, the opportunities in second generation mobile telecommunications services and wireless data business, our market position and competitiveness, our business, operational and investment plans and development strategies and our ability to effectively implement these strategies and plans and achieve the intended goals such as optimizing network development and utilization, improving service quality, upgrading technology, controlling costs, and increasing productivity and operational efficiency, and other statements relating to our future performance. The words "anticipate", "believe", "estimate", "expect", "intend" and similar expressions, as they relate to us, are intended to identify certain of such forward-looking statements.

These forward-looking statements reflect our current views with respect to future events and are not a guarantee of future performance. Actual results may differ materially from information contained in the forward-looking statements as a result of a number of factors, including, without limitation:

- any changes in the government's industry and regulatory policies that affect industry structure, investment in and entry into the telecommunications market in mainland China, the granting of requisite government approvals, licences and permits, interconnection and transmission line arrangements, tariffs, capital investment, spectrum allocation and other material aspects of our business;
- competition in our market;
- development in mobile telephony and related technologies and our ability to develop and obtain new technology and applications;
- the availability and adequacy of spectrum, transmission lines and equipment and network equipment sites;
- our ability to attract and retain qualified management and technical personnel; and
- changes in political, economic, legal and social conditions in mainland China, including economic growth, inflation, foreign exchange and monetary policies.

We do not intend to update these forward-looking statements.
