PROXY STATEMENT

June 27, 2012

Proxies in the form enclosed with this proxy statement are solicited by our Board of Directors at our expense for use at the Annual Meeting of Stockholders (the "Meeting") to be held at 3:00 PM. on July 23, 2012 at the Marriott Minneapolis Airport, 2020 American Boulevard East, Bloomington, Minnesota, 55425.

Only stockholders of record as of June 11, 2012 will be entitled to vote at the Meeting and any adjournments thereof. As of that date, 42,949,918 shares of our Common Stock, par value \$.01 per share, were issued and outstanding, and 821.6 shares of our 10% Convertible Preferred Stock, par value \$1.00 per share, were issued and outstanding. The holders of our Common Stock are entitled to one vote per share, and the holders of our 10% Convertible Preferred Stock are entitled to 25,000 votes per share of 10% Convertible Preferred Stock. Therefore, the holders of our outstanding shares of 10% Convertible Preferred Stock have 20,540,000 votes on matters to come before the Meeting on which such holders are entitled to vote, which represents 32.4% of our outstanding voting securities. Holders of record of our Common Stock, exclusively and as a separate class, are entitled to elect the four (4) directors nominated for re-election at the Meeting. Holders of record of our 10% Convertible Preferred Stock vote together as a single class with the holders of Common Stock on all other matters requiring the approval of the holders of Common Stock. Stockholders may vote in person or by proxy.

Execution of a proxy will not in any way affect a stockholder's right to attend the Meeting and vote in person. Any stockholder giving a proxy has the right to revoke it at any time before it is exercised by attending the Meeting and voting in person or filing with our Secretary either a written instrument revoking the proxy or another executed proxy bearing a later date.

All properly executed proxies returned in time to be counted at the Meeting will be voted. With respect to the election of our Board of Directors, shares represented by proxies will be voted as stated below under "Election of Directors." Any stockholder submitting a proxy has the right to withhold authority to vote for any individual nominee to the Board of Directors by writing that nominee's name on the space provided on the proxy. In addition to the election of Directors, the stockholders will consider and vote upon proposals (i) to approve an amendment to our Restated Certificate of Incorporation to change our name to American Power Group Corporation, (ii) to approve an amendment to our Restated Certificate of Incorporation to increase the number of authorized shares of our Common Stock from

100,000,000 to 150,000,000, (iii) to approve an amendment to our Restated Certificate of Incorporation to eliminate the description of the Class A Convertible Preferred Stock and (iv) to ratify the selection of Schechter, Dokken, Kanter, Andrews & Selcer, Ltd. as our independent auditors, all as further described in this proxy statement. Where a choice has been specified on the proxy with respect to a matter, the shares represented by the proxy will be voted in accordance with the specification. Where no choice has been specified on the proxy with respect to a matter, the shares represented by the proxy will be voted FOR such matter.

The representation in person or by proxy of a majority of the votes entitled to be cast by the holders of Common Stock is necessary to establish a quorum for the purpose of the election of the four (4) nominees to our Board of Directors. The representation in person or by proxy of a majority of the votes entitled to be cast by the stockholders entitled to vote on all other matters to be considered at the Meeting is necessary to establish a quorum for the transaction of all other business to come before the Meeting. Votes withheld from any nominee, abstentions and broker non-votes are counted as present or represented for purposes of determining the presence of a quorum. A “broker non-vote” occurs when a broker holding shares for a beneficial owner votes on one proposal, but does not vote on another proposal because the broker does not have discretionary voting power and has not received instructions from the beneficial owner.

Directors are elected by a plurality of the votes cast by stockholders entitled to vote on such proposal at the Meeting. The affirmative vote of the holders of a majority of our outstanding Common Stock and 10% Convertible Preferred Stock, voting together as a single class, is required for approval of the proposed amendments to our Restated Certificate of Incorporation. The proposal to ratify the selection of Schechter, Dokken, Kanter, Andrews & Selcer, Ltd. as our independent auditors requires the affirmative vote of the majority of the shares present in person or represented by proxy at the Meeting. Abstentions are included in the number of shares present or represented and voting on each matter.

The Board of Directors knows of no other matter to be presented at the Meeting. If any other matter should be presented at the Meeting upon which a vote properly may be taken, shares represented by all proxies received by us will be voted with respect thereto in accordance with the judgment of the persons named as attorneys in the proxies.

Our Annual Report, containing financial statements for the fiscal year ended September 30, 2011 is being mailed contemporaneously with this proxy statement to all stockholders entitled to vote. This proxy statement and the form of proxy are intended to be first mailed to stockholders on or about June 28, 2012.

ELECTION OF DIRECTORS

Our Board of Directors has proposed that the four nominees listed below will be nominated to be elected by the holders of our Common Stock to serve as directors until the next Annual Meeting of Stockholders or until their successors are elected. Our three other current members of the Board of Directors, Messrs. Braverman and Weston and Dr. Faliks, have each been elected by the holders of the 10% Convertible Preferred Stock to serve their current term to expire in 2013 pursuant to the terms of the 10% Convertible Preferred Stock. Officers are elected by, and serve at the discretion of, the Board of Directors, subject to their employment contracts.

Shares represented by all proxies received by the Board of Directors and not so marked to withhold authority to vote for any individual nominee will be voted (unless one or more nominees are unable or unwilling to serve) **FOR** the election of all nominees. The Board of Directors knows of no reason why any such nominees should be unable or unwilling to serve, but if such should be the case, proxies may be voted for the election of some other person or for fixing the number of directors at a lesser number.

The following information is set forth with respect to each nominee for election as a director.

<u>Nominee's Name</u>	<u>Position(s) Held</u>	<u>Year Term</u> <u>Will Expire</u>
Maurice E. Needham	Chairman of the Board of Directors	2013
Lyle Jensen	Chief Executive Officer, President and Director	2013

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR EACH OF THE NOMINEES LISTED ABOVE.

Related Party Transactions

On November 18, 2008 we entered into a month-to-month consulting agreement at a rate of \$7,500 per month with a company owned by Mr. Boyd who also serves as the Chairman of our Compensation committee. The consulting firm is currently providing assistance in the areas of due diligence support, green market opportunity identification and evaluation, Board of Director candidate identification and evaluation and other services as our Board may determine. During the fiscal years ended September 30, 2011 and 2010 we paid \$97,508 and \$100,879, respectively relating to this agreement.

On June 17, 2009 we entered into an exclusive patent license agreement between our company and M & R Development Inc., formerly known as American Power Group, Inc. and currently co-owned by one of our American Power Group employees. Pursuant to the license, we acquired the exclusive worldwide right to commercialize M&R's patented dual fuel alternative energy technology. During the fiscal years ended September 30, 2011 and 2010 we incurred license fees to M&R of \$173,637 and \$3,650, respectively.

In connection with the July 2009 acquisition of substantially all the American Power Group operating assets, we acquired a promissory note from the previous owners of M&R, payable to the Company, in the principal amount of \$800,000. Per our agreement, 25% of any royalties due from time to time to M&R under a technology license agreement will be applied against outstanding interest and principal due under the terms of the note rather than be paid to M&R. During the fiscal year ended September 30, 2011 we applied \$43,409 of license fees due against accrued interest due under the note. As of September 30, 2011, accrued interest due under the note was \$51,514. The note is due in a single, lump sum payment on July 27, 2013.

On April 27, 2012, we entered into amendment to the patent license agreement. The amendment amends the royalty provisions in the license to modify the calculation of the royalty payments and to amend the timing of the royalty payments. Under the provisions of this amendment, effective April 1, 2012 the monthly royalty amount due to M&R will be the lesser of 10% of net sales or 30% of pre-royalty EBITDA (Earnings Before Interest, Taxes, Depreciation and Amortization). No royalties will be due if cumulative EBITDA is less than zero. M&R also agreed to waive any prior defaults under the license. In addition, we amended the amended and restated promissory note dated December 1, 2009 to extend the maturity of the note until February 15, 2015 and to defer all interest and principal payments due under the note during calendar 2012. Thereafter, the aggregate principal amount due under the note will be paid in eight equal quarterly payments plus interest.

During fiscal 2010, our dual fuel subsidiary rented office and warehousing space on a tenant at will basis from M&R and recorded rent expense of \$74,949. On October 1, 2010 the subsidiary signed a one-year lease with M&R for additional office space and warehouse space at an annual rental of \$106,968. On October 1, 2011, a new two-year lease with M&R at an annual rental of \$120,000. The lease maybe renewed for an additional two-year term at a mutually agreed upon rate.

On October 12, 2011 Mr. Jensen loaned us \$150,000 pursuant to the terms of a 10% promissory note due November 27, 2011 (and subsequently extended to April 30, 2014).

On April 27, 2012, we entered into amendments to promissory notes in the aggregate principal amount of \$473,500 held by Charles Coppa, our Chief Financial Officer; Lyle Jensen, a member of our Board of Directors and our President and Chief Executive Officer; and Dr. Allen Kahn, a member of our Board of Directors. These amendments reduced the interest rates of the promissory notes to 8% per annum and extended the maturity dates of the notes to April 30, 2014.

In September and October 2010, in connection with a private placement of our 12% unsecured, six-month promissory notes to third parties, Dr. Kahn and Mr. Coppa loaned us \$273,500 and \$50,000, respectively. In addition, we issued 0.5 shares of unregistered Common Stock for each dollar invested in the offering, including 136,750 and 25,000 shares of Common Stock to the director and officer, respectively. In March 2011, the note holders agreed to extend the maturity date of the notes to the earlier of the completion of a financing of at least \$3 million or six months after the original maturity date of the notes. In consideration of these extensions, we issued 0.5 additional shares of unregistered Common Stock for each dollar invested in the offering, including 136,750 and 25,000 shares of Common Stock to the director and officer, respectively.

In February and March 2011, in connection with a private placement of additional promissory notes, Mr. Boyd loaned us \$20,000. We issued 0.5 shares of unregistered Common Stock for each dollar invested in the offering, or 10,000 shares of Common Stock to Mr. Boyd. We repaid this note in full in May 2012.

Pursuant to our Audit Committee charter, our policy is that all transactions, including loans, between us and our officers, directors, principal stockholders, and their affiliates are approved by a majority of the independent and disinterested outside directors on the Board of Directors. Management believes these transactions were consummated on terms no less favorable to us than could be obtained from unaffiliated third parties.

Code of Ethics

We have adopted a code of ethics which applies to our principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions. We have posted our code of ethics on our corporate website, www.greenman.biz.

Board Leadership Structure

Currently, the positions of Chairman of the Board of Directors and Chief Executive Officer are held by separate persons, with the position of Chairman filled by Mr. Needham, an independent, non-executive director. The Board believes that the separation of the roles of Chairman of the Board of Directors and Chief Executive Officer is appropriate as it allows the Chief Executive Officer to focus primarily on management and strategy responsibilities, while allowing the independent Chairman to focus on leadership of the Board of Directors, providing feedback and advice to the Chief Executive Officer and providing a channel of communication between the Board members and the Chief Executive Officer and other members of senior management. The Chairman of the Board presides over all Board meetings and works with senior management to develop agendas for Board meetings. The Chairman advises the Chief Executive Officer and other members of senior management on business strategy and leadership development. He also works with the Board to drive decisions about particular strategies and policies and, in concert with the independent Board committees, facilitates a performance evaluation process of the Board and its committees. Our Board recognizes that future circumstances may lead it to change the leadership structure depending on our needs at the time, and as such, believes that it is important to retain flexibility.

Role of Board of Directors in Risk Oversight

One of the responsibilities of our Board is to review and evaluate the process used to assess major risks facing the Company and to periodically review assessments prepared by our senior management of such risks, as well as options for their mitigation. Our Board leadership structure, together with the frequent interaction between our directors and members of senior management, assist in this effort. Communications between our Board and senior management regarding long-term strategic planning and short-term operational practices include matters of material risk inherent in our business.

The Board also plays an active role, as a whole and at the committee level, in overseeing management of the Company's risks. The entire Board of Directors is formally apprised at least annually of the Company's enterprise risk management efforts. The Board reviews information regarding the Company's credit, liquidity and operations, as well as the risks associated with each. The Audit Committee is responsible for overseeing the management of financial and accounting risks. The Compensation Committee is responsible for overseeing the management of risks relating to executive compensation plans and arrangements. While each committee is responsible for the evaluation and management of such risks, the entire Board is regularly informed through committee reports

Independence of the Board of Directors

The Board of Directors has adopted director independence guidelines that are consistent with the definitions of “independence” as set forth in Section 301 of the Sarbanes-Oxley Act of 2002 and Rule 10A-3 under the Securities Exchange Act of 1934. In accordance with these guidelines, the Board of Directors has reviewed and considered facts and circumstances relevant to the independence of each of our directors. In particular, the Board has carefully considered the fact that Mr. Needham serves on the board of directors of Saugusbank (of which Mr. Tierney is president and chief executive officer) and has determined that, each of Messrs. Needham, Boyd and Tierney qualifies as “independent.”

The Board of Directors has determined that each of Messrs. Needham, Boyd and Tierney are independent as defined under the NYSE Alternext US Rules, including, in the case of members of the Audit Committee, the independence requirements contemplated by Rule 10A-3, under the Exchange Act.

Our Board of Directors met 11 times, in person or by telephone, during the fiscal year ended September 30, 2011. None of the directors attended fewer than 75% of the meetings held during the period. The Audit Committee met four times during the fiscal year ended September 30, 2011. None of the members of the Audit Committee attended fewer than 75% of the meetings held during the period.

A copy of the Audit Committee charter is available at www.greenman.biz. The Board of Directors has determined that two members of the Audit Committee, Messrs. Tierney and Boyd, are “independent” within the meaning given to the term by Section 803 of the NYSE Amex Company Guide.

Report of the Audit Committee

The Audit Committee has reviewed and discussed our audited consolidated balance sheets and statements of operations and comprehensive income, cash flows and stockholders' equity for the fiscal year ended September 30, 2011 and 2010 with management. The Audit Committee has discussed with our independent auditors the matters required to be discussed by Statement of Auditing Standards No. 61.

The Audit Committee has also received and reviewed written disclosures and the letter from Schechter, Dokken, Kanter, Andrews & Selcer, Ltd. as required by Independent Standards Board No. 1 and has discussed with Schechter, Dokken, Kanter, Andrews & Selcer, Ltd. their independence. Based on the foregoing review and discussions, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in our Annual Report on Form 10-K for the fiscal year ended September 30, 2011 for filing with the Securities and Exchange Commission.

Compensation Committee: The Compensation Committee of the Board of Directors sets the compensation of the Chief Executive Officer and reviews and approves the compensation arrangements proposed by the Chief Executive Officer for all other officers. The Compensation Committee met three times during the fiscal year ended September 30, 2011. None of the members of the Compensation Committee attended fewer than 75% of the meetings held during the period. A copy of the Compensation Committee charter is available at www.greenman.biz. The Board of Directors has determined that two members of the Compensation Committee, Messrs. Boyd and Needham, are "independent" within the meaning given to the term by Section 803 of the NYSE Amex Company Guide.

Our Board of Directors has not established a nominating committee. Our Board believes that each of our current members should, and does, participate in the consideration of director nominees. The policy of our Board is to consider director candidates recommended by our stockholders. Stockholders wishing to nominate director candidates must comply with certain procedures and notice requirements set forth in our By-Laws. Nominations must be submitted in writing to our principal executive office on a timely basis and must contain certain information set forth in our By-Laws. See "Advance Notice Procedures" below. Our Board has not established a formal charter regarding the nomination and consideration of director candidates. We expect to establish a Nominating and Governance Committee, and a charter governing its operations, in fiscal 2012. When adopted, the charter will be posted on our corporate website.

Stockholders may communicate directly with members of our Board of Directors by sending a letter or other written communication to The Chairman of the Board (or, if applicable to an individual director by name), in care of the Corporate Secretary, GreenMan Technologies, Inc., 7 Kimball Lane, Building A, Lynnfield, MA 01940. Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our directors and executive officers, and persons who own more than 10% of our Common Stock, to file with the Securities and Exchange Commission initial reports of ownership of our Common Stock and other equity securities on Form 3 and reports of changes in such ownership on Form 4 and Form 5. Officers, directors and 10% stockholders are required by the Securities and Exchange Commission regulations to furnish us with copies of all Section 16(a) forms they file.

To the best of management's knowledge, based solely on review of the copies of such reports furnished to us during and with respect to, our most recent fiscal year, and written representation that no other reports were required, all Section 16(a) filing requirements applicable to our officers and directors have been complied with.

PROPOSAL NO. 2

PROPOSAL TO AMEND THE COMPANY'S RESTATED CERTIFICATE OF INCORPORATION TO CHANGE ITS NAME FROM GREENMAN TECHNOLOGIES, INC. TO AMERICAN POWER GROUP CORPORATION

The Board of Directors has voted to recommend to the stockholders that the Company amend its Restated Certificate of Incorporation to change the Company's name from GreenMan Technologies, Inc. to American Power Group Corporation, at such time as the Board of Directors may elect to do so. The purpose of the proposed name change is to reflect the changes that have occurred in the Company's business focus over the past several years. The Board of Directors believes that the "GreenMan" name is too general and is still associated with the Company's former tire recycling operations, which we disposed of in 2007. The Board of Directors believes that the proposed name is more descriptive of the Company's current dual fuel conversion business, which has operated under the American Power Group name since the Company acquired the business in July 2009.

The text of the proposed amendment is set forth as Exhibit I to this proxy statement. The change in corporate name will not affect the Company's status as a Delaware corporation, the rights of any stockholder in any respect or the validity or transferability of stock certificates presently outstanding. If this proposal is approved by the stockholders, stockholders will be requested to submit their share certificates to the Company's transfer agent for exchange. Following the adoption of this proposal and the filing of the amendment to the Restated Certificate of Incorporation with the Secretary of State of Delaware changing the Company's name, all new share certificates issued by the Company will be printed with the name American Power Group Corporation.

Approval of this amendment will require the affirmative vote of the holders of a majority of the Common Stock and 10% Convertible Preferred Stock issued and outstanding as of the record date and voting together as a single class. Abstentions and broker non-votes will have the same effect as a vote against the proposal.

THE BOARD OF DIRECTORS BELIEVES THE ADOPTION OF THE PROPOSED AMENDMENT TO CHANGE THE COMPANY'S NAME IS ADVISABLE AND RECOMMENDS THAT YOU VOTE "FOR" THE PROPOSED AMENDMENT.

PROPOSAL NO. 3

PROPOSAL TO AMEND THE COMPANY'S RESTATED CERTIFICATE OF INCORPORATION TO INCREASE THE AUTHORIZED SHARES OF COMMON STOCK

Purpose

The Board of Directors has voted to recommend to the stockholders that the Company further amend its Restated Certificate of Incorporation to increase the number of authorized shares of Common Stock from 100,000,000 to 150,000,000 shares. The text of the proposed amendment is set forth as Exhibit II to this proxy statement.

As of June 11, 2012, there were 42,949,918 shares of our Common Stock issued and outstanding, and we had reserved for future issuance or otherwise committed to issue approximately 60,924,544 additional shares. These reserved shares and commitments include: 3,934,000 shares for issuance upon exercise of awards granted under our 1993 Stock Option Plan, 1996 Non-Employee Director Stock Option Plan and 2005 Stock Option Plan; 22,757,222 shares for issuance upon exercise of other stock options and stock purchase warrants; 20,540,000 shares for issuance upon the conversion of our 10% Convertible Preferred Stock; 6,846,661 shares which may become issuable upon conversion of additional shares of 10% Convertible Preferred Stock the current holders of our 10% Convertible Stock have the right to acquire in accordance with an additional investment right granted to them; and 6,846,661 shares which may become issuable upon the exercise of additional warrants such holders have the right to acquire in accordance with such additional investment rights.

The number of shares reserved for future issuance or which the Company has otherwise committed to issue exceeds the number of shares authorized for issuance. In addition, the holders of our 10% Convertible Preferred Stock are entitled to receive annual dividends in an amount equal to 10% of the original purchase price of such shares, which dividends may be payable in additional shares of our Common Stock in lieu of cash. The number of shares of Common Stock we may be required to issue in payment of such dividends cannot be determined at this time.

If this proposal is not approved, the Company may not have a sufficient number of authorized shares to allow us to meet all of our commitments. If, for example, the additional investment rights described above are exercised and the holders of such rights then attempt to convert the additional shares of 10% Convertible Preferred Stock and/or exercise the additional warrants that would be issued upon the exercise of the rights, the Company will not be able to issue all of the shares of Common Stock we would be required to issue. Any failure to issue such shares would subject the Company to liabilities, which could be material.

If this proposal is approved, the Board of Directors will have the authority to issue approximately 46,125,000 additional shares of Common Stock as of June 11, 2012, not including shares already reserved for issuance, as described above, without further stockholder approval. The Board of Directors believes that the increase in the number

of authorized shares of Common Stock is in the best interests of our Company and our stockholders. The Board of Directors believes that the authorized Common Stock should be increased to provide sufficient shares for such corporate purposes as may be determined by the Board of Directors. These purposes may include, among others, the issuance of Common Stock to facilitate potential mergers or acquisitions, raising capital or acquiring technology rights through the sale of stock, and/or attracting or retaining valuable employees by the issuance of stock options. Except as described above or elsewhere in this proxy statement, we have no plans, understandings, commitments, agreements or undertakings concerning the issuance of any such additional shares. The Board of Directors, however, considers the authorization of additional shares of Common Stock advisable to ensure prompt availability of shares for issuance should the occasion arise.

Authorized Capital Stock

In addition to the Common Stock, there are 821.6 shares of 10% Convertible Preferred Stock outstanding, we have 273.9 additional shares of 10% Convertible Preferred Stock reserved for issuance pursuant to the additional investment rights described above, and we have authorized 998,854 shares of Preferred Stock which may be issued in one or more series.

Common Stock

Holders of our Common Stock are entitled to one vote for each share held on all matters submitted to a vote of stockholders and have the right to vote cumulatively for the election of directors. This means that in the voting at our annual meeting, each stockholder or his proxy may multiply the number of his shares by the number of directors to be elected then cast the resulting total number of votes for a single nominee, or distribute such votes on the ballot among the nominees as desired. Holders of our Common Stock are entitled to receive ratably such dividends, if any, as may be declared by our Board of Directors out of funds legally available therefore, subject to any preferential dividend rights of outstanding Preferred Stock. Upon our liquidation or dissolution, the holders of Common Stock are entitled to receive ratably our net assets available after the payment of all debts and other liabilities and subject to the prior rights of any outstanding 10% Convertible Preferred Stock and any other Preferred Stock. Holders of our Common Stock have no preemptive, subscription, redemption or conversion rights. The rights, preferences and privileges of holders of our Common Stock are subject to, and may be adversely affected by, the rights of the holders of shares of any series of Preferred Stock which we may designate and issue in the future.

Under the Delaware General Corporation Law, the Board of Directors generally may issue authorized but unissued shares of Common Stock without further stockholder approval. The Board of Directors does not currently intend to seek stockholder approval prior to any future issuance of additional shares of Common Stock, unless stockholder action is required in a specific case by applicable law, the rules of any exchange or market on which our securities may then be listed or traded, or our Restated Certificate of Incorporation or By-Laws then in effect. Frequently, opportunities arise that require prompt action, and we believe that delay necessitated for stockholder approval of a specific issuance could be detrimental to our Company and our stockholders.

The additional shares of Common Stock authorized for issuance pursuant to this proposal will have the rights and privileges which the presently outstanding shares of Common Stock possess under our Restated Certificate of Incorporation. Shares of our Common Stock, including the additional shares proposed for authorization, do not have preemptive or similar rights. The increase in authorized shares would not affect the terms or rights of holders of existing shares of Common Stock. The voting, dividend and liquidation rights of the holders of Common Stock, however, may be subordinate to the rights of the holders of the any preferred stock which may be issued from time to time. All outstanding shares of Common Stock would continue to have one vote per share on all matters to be voted on by the stockholders, including the election of directors.

The issuance of any additional shares of Common Stock by our Company may, depending on the circumstances under which those shares are issued, reduce stockholders' equity per share and, unless additional shares are issued to all stockholders on a pro rata basis, will reduce the percentage ownership of Common Stock of existing stockholders. We expect, however, to receive consideration for any additional shares of Common Stock issued, thereby reducing or eliminating any adverse economic effect to each stockholder of such dilution.

The authorized but unissued shares of Common Stock could be used to make a change in control of our Company more difficult. For example, such shares could be sold to purchasers who might side with the Board of Directors in

opposing a takeover bid that the Board determines not to be in the best interests of our Company and our stockholders. Such a sale could have the effect of discouraging an attempt by another person or entity, through the acquisition of a substantial number of shares of our Common Stock, to acquire control of our Company since the issuance of new shares could be used to dilute the stock ownership of the acquirer. Our Restated Certificate of Incorporation and By-Laws contain certain provisions, including the grant of authority to the Board of Directors to issue up to 998,854 shares of preferred stock in one or more series (with such rights and preferences as the Board may determine), without the approval of stockholders, and certain provisions relating to the calling of stockholder meetings and the conduct of such meetings, that may be considered to have an anti-takeover effect. We are not aware of any pending or threatened efforts to obtain control of our Company, and the Board of Directors has no current intention to use the additional shares of Common Stock to impede a takeover attempt or to propose any additional anti-takeover measures in future proxy solicitations.

10% Convertible Preferred Stock

The 10% Convertible Preferred Stock has a 10% annual dividend, payable quarterly in cash or in shares of Common Stock. As of the date of issuance, each share of 10% Convertible Preferred Stock is convertible, at any time and at the option of the holder, into 25,000 shares of Common Stock. The conversion ratio of the 10% Convertible Preferred Stock is subject to adjustment in the event the Company issues shares of Common Stock or other securities convertible into or exchangeable for Common Stock at a price per share which is less than the conversion price of such Preferred Stock. The conversion price of the 10% Convertible Preferred Stock is currently \$0.40 per share.

The holders of the 10% Convertible Preferred Stock vote with the Common Stock on all matters presented to the holders of the Common Stock on an as converted into Common Stock basis. The holders of 10% Convertible Preferred Stock voting as a separate class are entitled to elect three members of the Board of Directors. The approval of the holders of at least 67% of the outstanding 10% Convertible Preferred Stock will be required before we may take certain actions.

The holders of the 10% Convertible Preferred Stock have priority in the event of a liquidation of the Company over the outstanding shares of Common Stock. Upon liquidation, dissolution or winding up of the Company, whether voluntary or involuntary, before any distribution or payment is made to the holders of the Common Stock, the holders of the 10% Convertible Preferred Stock are entitled to be paid out of the assets of the Company an amount equal the stated value of the 10% Convertible Preferred Stock, which is initially \$10,000 per share, plus any accrued, but unpaid, dividends.

The 10% Convertible Preferred Stock may be required to convert into shares of Common Stock at our election if the trading price of the Common Stock meets certain thresholds as set forth in the Restated Certificate of Incorporation. If we fail to meet certain obligations regarding the registration of the 10% Convertible Preferred Stock or certain other matters affecting the 10% Convertible Preferred Stock, the holders of the 10% Convertible Preferred Stock may require the Company to redeem such stock.

Preferred Stock

In addition, our Board of Directors is authorized, subject to certain limitations prescribed by law, without further stockholder approval, to issue from time to time up to an aggregate of 998,854 shares of Preferred Stock in one or more series and to fix or alter the designations, preferences, rights and any qualifications, limitations or restrictions of the shares of each such series thereof, including the dividend rights, dividend rates, conversion rights, voting rights and terms of redemption of shares constituting any series or designations of such series. The rights of the holders of Common Stock will be subject to, and may be adversely affected by, the rights of holders of any Preferred Stock that may be issued in the future. Issuance of Preferred Stock could have the effect of making it more difficult for a third party to acquire, or of discouraging a third party from acquiring, a majority of the outstanding voting stock of the Company.

Warrants

On April 30, 2012, we issued warrants to purchase 20,990,000 shares of Common Stock to certain investors and to the placement agent in connection with a private placement. Each warrant enables the holder to purchase shares of Common Stock at an exercise price of \$0.50 per share. The warrants are subject to adjustment in the event we issue shares of Common Stock or other securities convertible into or exchangeable for Common Stock at a price per share

which is less than the exercise price and upon other customary terms, and may be exercised at any time during a five-year period beginning on the six-month anniversary of the date of issuance.

Between April 2011 and February 2012, we issued warrants to purchase 1,652,222 shares of Common Stock to purchasers of certain convertible promissory notes. These warrants enable the holders to purchase shares of Common Stock at exercise prices ranging from \$.42 to \$.61 per share. The warrants are subject to adjustment in the event of certain subdivisions or combinations of our Common Stock, including stock splits and stock dividends, and may be exercised at any time during a five-year period beginning on the date of issuance.

In addition, as of June 11, 2012, warrants to purchase 15,000 shares of our Common Stock were outstanding, at exercise prices ranging from \$.52 to \$.61 per share and expire through various dates in 2012 and 2013.

Required Stockholder Vote to Approve the Proposal

Approval of this amendment will require the affirmative vote of the holders of a majority of the Common Stock and 10% Convertible Preferred Stock issued and outstanding as of the record date and voting together as a single class. Abstentions and broker non-votes will have the same effect as a vote against the proposal.

Recommendation of our Board of Directors

THE BOARD OF DIRECTORS BELIEVES THE ADOPTION OF THE PROPOSED AMENDMENT TO INCREASE THE NUMBER OF AUTHORIZED SHARES OF COMMON STOCK FROM 100,000,000 TO 150,000,000 IS ADVISABLE AND RECOMMENDS THAT YOU VOTE "FOR" THE PROPOSED AMENDMENT.

PROPOSAL NO. 4

PROPOSAL TO AMEND THE COMPANY'S RESTATED CERTIFICATE OF INCORPORATION TO ELIMINATE THE DESCRIPTION OF THE CLASS A CONVERTIBLE PREFERRED STOCK

The Board of Directors has voted to recommend to the stockholders that the Company further amend its Restated Certificate of Incorporation to change to eliminate all references to a Class A Convertible Preferred Stock. The text of the proposed amendment is set forth in Exhibit III to this proxy statement.

The proposed amendment is intended to correct an oversight from an amendment to our Certificate of Incorporation in April 2003. After our Certificate of Incorporation was amended in 2003, the Company had the authority to issue up to 30,000,000 shares of Common Stock and 1,000,000 shares of Preferred Stock, the terms of which could be designated by the Board of Directors. Notwithstanding that specific authorization, however, the amendment failed to eliminate the description of the terms of a Class A Convertible Preferred Stock that had been authorized some years earlier in connection with a private placement of securities. No shares of Class A Convertible Preferred Stock are currently issued or outstanding, and no such shares are reserved for issuance. Because the Restated Certificate of Incorporation does not in fact authorize the issuance of such shares, the description of their terms is meaningless and potentially confusing. The proposed amendment would not affect the rights of our stockholders or have any other effect on the Company.

Required Stockholder Vote to Approve the Proposal

Approval of this amendment will require the affirmative vote of the holders of a majority of the Common Stock and 10% Convertible Preferred Stock issued and outstanding as of the record date and voting together as a single class. Abstentions and broker non-votes will have the same effect as a vote against the proposal.

PROPOSAL NO. 5

RATIFICATION OF SELECTION OF AUDITORS

Upon the recommendation of the Audit Committee, the Board of Directors has reappointed Schechter, Dokken, Kanter, Andrews & Selcer, Ltd., to audit our consolidated financial statements for the fiscal year ending September 30, 2012. Schechter, Dokken, Kanter has served as our independent registered public accounting firm since fiscal 2007.

Stockholder ratification of our independent auditors is not required under Delaware law or under our Restated Certificate of Incorporation or By-Laws.

If the stockholders do not ratify the selection of Schechter, Dokken, Kanter as our independent auditors for the fiscal year ending September 30, 2012, our Board of Directors will evaluate what would be in the best interests of our company and our stockholders and consider whether to select new independent auditors for the current fiscal year or whether to wait until the completion of the audit for the current fiscal year before changing independent auditors.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR RATIFICATION OF ITS SELECTION OF SCHECHTER, DOKKEN, KANTER, ANDREWS & SELCER, LTD. AS INDEPENDENT AUDITORS FOR THE FISCAL YEAR ENDING SEPTEMBER 30, 2012.

INDEPENDENT PUBLIC ACCOUNTANTS

Audit Fees

The following table shows the aggregate fees that we paid or accrued for the audit and other services provided by Schechter, Dokken, Kanter, Andrews & Selcer, Ltd. for the fiscal years ended September 30, 2011 and September 30, 2010. A representative of Schechter, Dokken, Kanter is expected to attend this year's Annual Meeting, and she will have an opportunity to make a statement if she desires to do so. It is also expected that such representative will be available to respond to appropriate questions.

Audit Fees. These fees are for professional services rendered in connection with the audit of our annual financial statements, review of financial statements included in our Form 10-Q Quarterly Reports and services that are customarily provided by independent auditors in connection with statutory and regulatory filings or engagements for the relevant fiscal years.

Audit-Related Fees. These fees are for various accounting consultations.

Tax Fees. These fees are for professional services rendered for tax compliance, tax planning and tax advice. The services for the fees disclosed under this category include tax return preparation, research and technical tax advice.

Pre-Approval Policies and Procedures. The Audit Committee has adopted policies which provide that our independent auditors may only provide those audit and non-audit services that have been pre-approved by the Audit Committee, subject, with respect to non-audit services, to a *de minimis* exception (discussed below) and to the following additional requirements: (i) such services must not be prohibited under applicable federal securities rules and regulations, and (ii) the Audit Committee must make a determination that such services would be consistent with the principles that the independent auditor should not audit its own work, function as part of management, act as an advocate of our Company, or be a promoter of our Company's stock or other financial interests. The chairman of the Audit Committee has the authority to grant pre-approvals of permitted non-audit services between meetings, provided that any such pre-approval must be presented to the full Audit Committee at its next scheduled meeting.

During fiscal 2011 and 2010, all of the non-audit services provided by Schechter, Dokken, Kanter were pre-approved by the Audit Committee. Accordingly, the Audit Committee did not rely on the *de minimis* exception noted above. This exception waives the pre-approval requirements for non-audit services if certain conditions are satisfied, including, among others, that such services are promptly brought to the attention of and approved by the Audit Committee prior to the completion of the audit.

TRANSACTION OF OTHER BUSINESS

Our Board of Directors knows of no other matters which may be brought before the Meeting. If any other matters properly come before the Meeting, or any adjournment thereof, it is the intention of the persons named in the accompanying form of proxy to vote the proxy on such matters in accordance with their best judgment.

ADVANCE NOTICE PROCEDURES

Under our By-Laws, nominations for a director may be made only by the Board of Directors, a committee appointed by the Board of Directors, or by a stockholder of record entitled to vote on the election of directors, who is also a stockholder at the record date of the meeting and also on the date of the meeting at which directors are to be elected, who has delivered notice to our principal executive offices (containing certain information specified in the By-laws) (i) not fewer than 60 days nor more than 90 days prior to the anniversary date of the preceding year's annual meeting, or (ii) if the meeting is called for a date not within 30 days before or after such anniversary date, not later than the close of business on the 10th day following the date notice of such meeting is mailed or made public, whichever is earlier.

Our By-laws also provide that no business may be brought before an annual meeting of stockholders except as specified in the notice of the meeting or as otherwise brought before the meeting by or at the direction of the Board of Directors, the presiding officer or by a stockholder who shall have been a stockholder of record on the record date for such meeting and who shall continue to be entitled to vote thereafter, who has delivered notice to our principal executive offices (containing certain information specified in the By-laws) (i) not fewer than 60 days nor more than 90

days prior to the anniversary date of the preceding year's annual meeting, or (ii) for a special meeting or an annual meeting called for a date not within 30 days before or after such anniversary date, not later than the close of business on the 10th day following the date notice of such meeting is mailed or made public, whichever is earlier.

These requirements are separate and apart from and in addition to the requirements that a stockholder must meet in order to have a stockholder proposal included in our Proxy Statement under Rule 14a-8 of the Securities Exchange Act of 1934. A copy of the full text of the By-Law provisions discussed above may be obtained by writing to the Corporate Secretary, GreenMan Technologies, Inc, 7 Kimball Lane, Building A, Lynnfield, MA 01940.

STOCKHOLDER PROPOSALS

Proposals of stockholders intended for inclusion in the proxy statement to be mailed to all stockholders entitled to vote at our next annual meeting of stockholders must be received at our principal executive offices not later than November 21, 2012.
