Trading in Novo Nordisk shares by board members, executives and associated persons on 1 February 2018

Bagsværd, Denmark, 2 February 2018 — This document discloses the data of the transaction(s) made in Novo Nordisk shares by the company's board members, executives and their associated persons in accordance with Article 19 of Regulation No. 596/2014 on market abuse.

The company's board members, executives and their associated persons have given Novo Nordisk power of attorney on their behalf to publish trading in Novo Nordisk shares by the company's board members, executives and their associated persons.

Please find below a statement of such trading in shares issued by Novo Nordisk.

As from 2004, members of Novo Nordisk's Executive Management and other members of the Senior Management Board have participated in a long-term share-based incentive programme where a proportion of the calculated shareholder value creation has been allocated to a joint pool for the participants. In 2014, six current members of Executive Management (as well as other members of senior management) participated in the programme, where shares were allocated to the joint pool and the market value of the scheme was expensed in the accounts for 2014. In accordance with the principles of the programme, the Board of Directors of Novo Nordisk A/S on 31 January 2018 evaluated that the conditions for release of the joint pool of shares have been fulfilled. Accordingly, shares in the joint pool were transferred on 1 February 2018 to the six current members of Executive Management as well as other current and former members of senior management. The reporting below reflects the transfer of such shares to the six members of Executive Management.

As of 2007, a number of key employees below senior management level have also participated in a share-based programme with similar performance criteria as the programme for senior management. A programme was established for 2014, and a current employee-elected member of the Board of Directors and two current Executive Vice Presidents have participated in this programme. In line with the programme for senior management, the Board of Directors of Novo Nordisk A/S on 31 January 2018 evaluated that the conditions for release of the shares have been fulfilled and the shares were transferred to the participants on 1 February 2018 accordingly. The reporting below reflects the transfer of such shares to the employee-elected member of the Board of Directors and the Executive Vice Presidents.
