second quarter of 2003 and lower than the third quarter of 2002 by 49%, mainly due to the fact that in 2003 the Company began marketing through a master distributor and not through its US division.

Gross profit margin for the third quarter of 2003 was 63%, compared to 69% for the second quarter of 2003 and 73% for the third quarter of 2002. The software vs. hardware sales breakdown within the Company's Legacy products line was distributed differently this year, with more of the sales being generated from the lower-profit margin hardware products than in previous years. As a result, there was a decrease in the gross margin percentage, compared to 2002.

The Company's research and development plan for 2003 was approved a grant by the Office of the Chief Scientist. The Company recognized \$202,000 of it as a reduction of its R&D costs.

Operating expenses net for the third quarter of 2003, excluding restructuring costs, totaled \$745,000, compared to \$1.79 million during the second quarter of 2003. Additionally, the Company recognized \$325,000 in closure costs derived from closing non profitable sales offices around the world according to its cost reduction plan, so that total operating expenses net for the third quarter of 2003 totaled \$1.07million compared to \$2.06 million during the second quarter of 2003 and 1.96 million for the third quarter of 2002.

Net profit from continuing operations for the third quarter of 2003 totaled \$166,000, compared to net loss of \$969,000 for the second quarter of 2003 and a net loss of \$441,000 for the third quarter of 2002.

As of January 1, 2003 the Company has been preparing consolidated financial statements in accordance with United States Generally Accepted Accounting Principles ("U.S. GAAP").

Israel (Izzy) Gal, B.O.S.' CEO stated:

"The Company succeeded to return to profit and our next mission is to leverage our superior IP Telephony technology to increase sales and show results in the near future."

### Third Quarter 2003 - Discontinuing segment

The Company discloses the financial information related to its US subsidiary, Pacific Information Systems, Inc. ("Pacinfo") in accordance with accounting standards for "discontinued operations".

B.O.S. BETTER ON-LINE SOLUTIONS LTD. ANNOUNCES AMENDMENTS TO PRESS RELEASE  
ISSUED NOVEMBER 17

TERADYON, ISRAEL - November 20, 2003 - B.O.S. Better On-line Solutions Ltd. (the "Company" or "BOS") (NASDAQ: BOSC, TASE:BOS) announced today amendments to its press release dated November 17, 2003.

## Edgar Filing: BOS BETTER ONLINE SOLUTIONS LTD - Form 6-K

1. Mr. Andrea Mandel-Mantello who was appointed to serve on the Board of Directors of the Company, is not associated with the potential investors that the Company is currently negotiating with, contrary to what was mistakenly published.
2. In the description of the revenues for the third quarter of 2003, a typographical error fell in the comparison to the third quarter of 2002 - revenues for the third quarter of 2003 were lower than the third quarter of 2002 by 39%, and not by 49% as reported.
3. In the third paragraph relating to the discontinuing segment, the Company reported that the net income from continuing and discontinuing operations for the third quarter of 2003 was \$608,000 (or \$0.16 per share), compared to net income of \$804,000 in the second quarter of 2003 (or \$0.21 per share). However, an error fell in the comparison, as the result for the SECOND quarter of 2003 was a net LOSS of \$804,000 (not net income).
