APPOINTMENT OF INDEPENDENT AUDITORS

The Audit Committee and the Board of Directors of the Company have recommended the appointment of Kost Forer Gabay & Kasierer, a member of Ernst & Young Global, to serve as the Company's independent registered accounting firm beginning on the second quarter of 2010 (i.e. beginning on the three-month period ended June 30, 2010) and until next year's annual general meeting.

Since 1990 and until this Annual General Meeting, BDO Ziv & Haft served as the independent auditor of the Company. Whereas Kost Forer Gabay & Kasierer serves as the auditor of the Company's controlling shareholder, Emblaze, as well as of certain of the Company's subsidiaries, the Audit Committee and the Board of Directors recommend to appoint Kost Forer Gabay & Kasierer, as the Company's auditor in place of BDO Ziv & Haft. The shareholders will also be asked to authorize the Board of Directors to delegate to the Audit Committee the authority to fix the fees payable to the independent registered public accounting firm, as contemplated by the U.S. Sarbanes-Oxley Act of 2002, as amended. ITEM 3
AMENDMENT OF ARTICLE 43
OF THE COMPANY'S ARTICLES OF ASSOCIATION

Article 43 of the Company's Articles of Association provides that the Company's directors shall not be granted any compensation by the Company for their services as directors (except as may be approved by the Company's shareholders in a general meeting and except for reimbursement of expenses). Although the Companies Law generally requires shareholder approval for directors' remuneration, there are some exceptions set out in regulations promulgated under the Companies Law. The provision of Article 43 of the Company's Articles of Association is not in line with market customary practice to pay remuneration to members of the board of directors. In order for the Company to continue to employ professional directors with high skills and expertise, it is proposed to delete that Article. If Article 43 is deleted as proposed, the provisions of the Companies Law and the regulations promulgated thereunder shall apply with respect to directors' compensation and the requisite approvals required in connection therewith.

It is proposed that at the Annual General Meeting, the following resolution be adopted:

“RESOLVED, to delete Article 43 of the Articles of Association of the Company.”

The affirmative vote of the holders of a majority of the voting power represented at the Meeting in person or by proxy is necessary for approval of this proposed resolution.

TO NON-EMPLOYEE DIRECTORS

As approved by the Audit Committee and the Board of Directors, the amount of compensation shall be equal to the average between the "fixed amount" and the "maximum amount" set out in the Companies Regulations (Rules for the Payment of Remuneration and Expenses of Outside Directors) 2002 (the "Outside Directors Regulations") in accordance with the applicable company degree. The payment for telephone meetings (or a meeting held by other similar means) is equal to 60% of the abovementioned compensation, and payment for written resolutions is equal to 50% of the abovementioned compensation.

The same compensation is also paid to the Company's Outside Directors, in accordance with the Outside Directors Regulations.

The Company's Audit Committee and the Board of Directors further approved, subject to shareholder approval, that Dr. Shlomo Nass, the "audit committee financial expert" as defined by applicable SEC regulations, shall be paid (i) an annual cash remuneration; and (ii) a participation fee, at the maximum amount set out in the Outside Directors Regulations which apply to Expert Outside Directors, in accordance with the applicable company degree. The payment for telephone meetings (or a meeting held by other similar means) is equal to 60% of the abovementioned compensation, and payment for written resolutions is equal to 50% of the abovementioned compensation.

In addition, the Company's Audit Committee and the Board of Directors ratified the compensation previously approved for non-employee directors, subject to the approval and ratification of the shareholders.

"Non-employee directors" referred to in this proxy statement include directors serving on the Board from time to time, excluding (i) outside directors; and (ii) directors that receive or may receive compensation or management fees from the Company.

It is proposed that the shareholders approve and ratify the payment of compensation to the Company's non-employee directors in such amounts and for such period of service approved by the Board of Directors and the Audit Committee. Accordingly, it is proposed that at the Annual General Meeting, the following resolution be adopted:

“RESOLVED, to approve and ratify the compensation payable to the Company's non-employee directors in such amounts and for such term previously approved by the Company's Board of Directors and the Audit Committee.”

In 2005, the Company's shareholders approved the procurement of an insurance coverage for the directors and officers of the Company and its affiliates, and the renewal of the insurance policy for a period of up to 5 years, subject to certain conditions set out in the shareholders' resolution.

The approval of the shareholders of this proposed resolution at the Meeting will extend to any renewal or substitution of the Current Policy, from time to time, within the foregoing limitations.

It is proposed that at the Annual General Meeting the following resolution be adopted:

"RESOLVED, to renew, extend and/or replace the current D&O insurance policy (covering directors and officers of the Company and its affiliates against liabilities up to a maximum amount of \$20,000,000 per claim and in aggregate, for a total annual premium amount of \$160,000, for the period ending on December 15, 2010, referred to as the "Current Policy"), for a period of up to 5 years, provided that (i) the coverage will be no less than \$10,000,000 per claim and in aggregate; (ii) the total annual premium amount to be paid by the Company and its affiliates shall not exceed an amount representing an increase of 20% or more in any year, as compared to the previous year, and in any event no more than \$300,000; and (iii) that any renewal, extension and/or replacement thereof or other similar arrangement is for the benefit of the directors and officers of the Company and its affiliates and on terms substantially similar to or better than those of the then effective insurance.

For the avoidance of doubt, it is hereby clarified that, subject to applicable law, no further approval of the shareholders of the Company will be required in connection with any renewal and/or extension and/or substitution of the Current Policy."

The affirmative vote of the holders of a majority of the voting power represented at the Meeting in person or by proxy is necessary for approval of this proposed resolution.

The Board of Directors recommends a vote FOR approval of this proposed resolution.
