The reported transaction was the vesting of performance shares that were awarded on January 29, 2009. The award entitled the Reporting Person to a number of shares of common stock based on the Issuer's level of achievement of performance measures over a two-year period ending October 31, 2010. The performance measures were return on equity and return on sales. On December 13, 2010, the Issuer's

(1) Compensation Committee determined that based on the Issuer's actual performance, the Reporting Person was entitled to the number of shares reported in Table II. However, the Reporting Person's performance share agreement provided that the earned shares would not be issued unless the Reporting Person was employed by the Issuer (with some exceptions) for an additional one-year vesting period ending on October 31, 2011. That condition has now been met.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *see* Instruction 6 for procedure.
