### Item 2.01 Completion of Acquisition or Disposition of Assets

On August 9, 2017, the SPA, as amended, closed and the Company provided the following consideration for the acquisition of all of the outstanding shares of RCHI:

The Warrants contain an accelerator clause which provides that, in the event that the closing price of UEC Shares on its principally traded exchange is equal to or greater than \$4.00 per UEC Share for a period of 20 consecutive trading days, the Company may accelerate the expiry date of the Warrants to within 30 days of the date the holder receives an acceleration notice from the Company;
