PROXY STATEMENT FOR ANNUAL MEETING OF STOCKHOLDERS

The accompanying proxy is solicited by the Board of Directors of IR BioSciences Holdings, Inc., a Delaware corporation, for use at the Annual Meeting of Stockholders to be held on June 28, 2006, or any adjournment thereof, for the purposes set forth in the accompanying Notice of Annual Meeting. The date of this Proxy Statement is _____, 2006, the approximate date on which this Proxy Statement and the accompanying form of proxy were first sent or given to stockholders. Unless the context requires otherwise, references to "we," "us," "our," and the "Company" refer to IR BioSciences Holdings, Inc.

The enclosed proxy is being solicited by our Board of Directors. The proxy materials relating to the annual meeting are first being mailed to stockholders entitled to vote at the meeting on or about June __, 2006.

ABOUT THE MEETING

WHAT IS THE PURPOSE OF THE ANNUAL MEETING?

At our annual meeting, stockholders will act upon the matters outlined in the accompanying notice of meeting, which are:

- o the election of 3 directors;
- o the approval of a proposed amendment to our Certificate of Incorporation, as amended, to increase the number of authorized shares of Common Stock from 100,000,000 to 250,000,000;
- o in the event the proposed amendment to our Certificate of Incorporation to increase the number of authorized shares of Common Stock is approved, the approval of an amendment to our 2003 Stock Option, Deferred Stock and Restricted Stock Plan (the "Plan") to increase the number of shares of our Common Stock reserved and available for issuance under the Plan from 3,600,000 to 20,000,000;
- o the ratification of the appointment of Russell Bedford Stefanou Mirchandani LLP as our independent public accountants for the year ending December 31, 2006; and
- o the transaction of such other business as may properly come before the meeting.

WHO IS ENTITLED TO VOTE?

Only stockholders of record at the close of business on the record date, May 15, 2006, are entitled to receive notice of the annual meeting and to

Edgar Filing: IR BIOSCIENCES HOLDINGS INC - Form PRER14A

vote the shares that they held on that date at the meeting, or any postponement or adjournment of the meeting. Each outstanding share of common stock entitles its holder to cast one vote on each matter to be voted.

WHO CAN ATTEND THE MEETING?

All stockholders as of the record date, or their duly appointed proxies, may attend the meeting. Please note that if you hold shares in "street name," that is through a broker or other nominee, you will need to bring a copy of the brokerage statement reflecting your stock ownership as of the record date.

WHAT CONSTITUTES A QUORUM?

The presence at the meeting, in person or by proxy, of the holders of a majority of the outstanding shares of our common stock on the record date will constitute a quorum. As of the record date, there were 69,628,854 shares of our common stock issued and outstanding. Shares that are entitled to vote but that are not voted at the direction of the beneficial owner (called abstentions), shares represented by proxies or ballots that are marked "withhold authority" with respect to the election of any nominee for election as a director, and votes withheld by brokers in the absence of instructions from beneficial holders (called broker non-votes) will be counted for the purpose of determining whether there is a quorum for the transaction of business at the meeting, but will have no effect on the outcome of Proposal 4.

If less than a majority of the outstanding shares of common stock entitled to vote are represented at the meeting, a majority of the votes present (either in person or by proxy) at the meeting may adjourn the meeting to another date, time or place, and notice need not be given of the new date, time or place if the new date, time or place is announced at the meeting before an adjournment is taken.

1

HOW DO I VOTE?

Registered Shareholders

- o If you complete and properly sign the accompanying proxy card, and return it to us, it will be voted as you direct.
- o If you wish to vote at the meeting, you may deliver your completed proxy card in person or you may vote by ballot in person at the annual meeting.

"Street Name" Shareholders

- o If you complete and properly sign the accompanying proxy card, and return it to us, it will be voted as you direct.
- o If you wish to vote at the meeting, you will need to obtain a proxy from the institution that holds your shares.

CAN I CHANGE MY VOTE AFTER I RETURN MY PROXY CARD?

Yes. Even after you have submitted your proxy card, you may change your vote at any time before the proxy is exercised by filing with our Secretary

Edgar Filing: IR BIOSCIENCES HOLDINGS INC - Form PRER14A

either a notice of revocation or a duly executed proxy card bearing a later date. The powers of the proxy holders will be suspended with respect to your shares if you attend the meeting in person and so request, although attendance at the meeting will not by itself revoke a previously granted proxy.

WHAT ARE THE BOARD'S RECOMMENDATIONS?

Unless you give other instructions on your proxy card, the persons named as proxy holders on the proxy card will vote in accordance with the recommendations of the Board of Directors. The Board's recommendations are provided together with a description of each proposal in this proxy statement. In summary, the Board recommends a vote:

- o for election of the nominated slate of directors (see page 4);
- o for approval of the amendment to our Certificate of Incorporation, as amended, to increase the number of authorized shares of Common Stock (see page 14);
- o for approval of the amendment to our Plan to increase the number of shares of our Common Stock reserved and available for issuance under the Plan (see page 16); and
- o for ratifying the appointment of Russell Bedford Stefanou Mirchandani LLP as our independent public accountants for the year ending December 31, 2006 (see page 18).

WHAT VOTE IS REQUIRED TO APPROVE EACH ITEM?

ELECTION OF DIRECTORS. The nominees for election to the Board of Directors, who receive the greatest number of votes cast for the election of directors by the shares present at the annual meeting, in person or by proxy, shall be elected directors. Stockholders do not have the right to cumulate their votes for directors. In the election of directors, an abstention or broker nonvote will have no effect on the outcome.

APPROVAL OF AN AMENDMENT TO OUR CERTIFICATE OF INCORPORATION, AS AMENDED, TO INCREASE THE NUMBER OF AUTHORIZED SHARES OF COMMON STOCK. The proposal to amend our Certificate of Incorporation, as amended, to increase the number of authorized shares of Common Stock will be approved upon the affirmative vote of a majority of shares of Common Stock issued and outstanding entitled to vote on the proposal. Under Delaware law, abstentions and broker non-votes will have the same effect as a vote against the proposed amendment to the Certificate of Incorporation, as amended.

2

IN THE EVENT THAT THE AMENDMENT TO OUR CERTIFICATE OF INCORPORATION, AS AMENDED, IS APPROVED, APPROVAL OF AN AMENDMENT TO OUR 2003 STOCK OPTION, DEFERRED STOCK AND RESTRICTED STOCK PLAN TO INCREASE THE NUMBER OF SHARES OF OUR COMMON STOCK RESERVED AND AVAILABLE FOR ISSUANCE UNDER THE PLAN. The proposal to approve an amendment to our Plan to increase the number of shares of our Common Stock reserved and available for issuance under the Plan will be approved upon the affirmative vote of a majority of shares of Common Stock issued and outstanding, present at the annual meeting, in person or by proxy, and entitled to vote on the proposal. With the amendment of our Plan, an abstention or broker nonvote will have no effect on the outcome. This proposal is conditioned upon and may become effective only in the event that the proposal to amend our Certificate of Incorporation, as amended, to increase the number of authorized shares of Common Stock, is approved.

Edgar Filing: IR BIOSCIENCES HOLDINGS INC - Form PRER14A

RATIFYING THE APPOINTMENT OF RUSSELL BEDFORD STEFANOU MIRCHANDANI LLP. The proposal to ratify the appointment of Russell Bedford Stefanou Mirchandani LLP as our independent public accountants for the year ending December 31, 2006 will be adopted upon the affirmative vote of the majority of shares voting on the proposal. Abstentions and brokers non-votes will have no effect on the outcome.

UNLESS OTHERWISE DIRECTED IN THE ACCOMPANYING PROXY, THE SHARES REPRESENTED BY YOUR EXECUTED PROXY WILL BE VOTED "FOR" THE APPROVAL OF THE PROPOSALS SET FORTH IN THIS PROXY STATEMENT.

WHO PAYS FOR THE PREPARATION OF THIS PROXY?

We will pay the cost of preparing, assembling and mailing the proxy statement and the proxy card. Our representatives will not receive any compensation for soliciting proxies other than their regular salaries or consulting fees. We may request banks, brokers and other custodians, nominees and fiduciaries to forward copies of the proxy material to the beneficial owners of our common stock and to request authority for the execution of proxies, and we may reimburse such persons for their expenses incurred in connection with these activities.

CAN I SEE A LIST OF THE STOCKHOLDERS ENTITLED TO VOTE?

Any stockholder may look at the complete list of the stockholders that are entitled to vote at the annual meeting so long as it is for a purpose germane to the annual meeting. The list will be available in these circumstances, during normal business hours, at our offices located at 4021 N. 75th Street, Suite 201, Scottsdale, AZ 85251, for a period of ten days prior to the annual meeting and at the annual meeting itself.

WHAT SHOULD I HAVE RECEIVED TO ENABLE ME TO VOTE?

Your package from us should contain this proxy statement and a proxy card. This package is being mailed on or about June __, 2006.

Edgar Filing: IR BIOSCIENCES HOLDINGS INC - Form PRER14A

Michael K. Wilhelm
Theodore E. Staahl

Hal N. Siegel

We expect that a majority of the common stock will be voted in favor of the three nominees named above. Only Mr. Wilhelm and Dr. Staahl are currently serving as directors, and there are no other directors continuing to serve in office. Each nominee has agreed to be named in this proxy statement and to serve as a director if elected. Stockholders do not have the right to cumulate their votes for directors. In the election of directors, an abstention or broker nonvote will have no effect on the outcome.

HOW ARE DIRECTORS COMPENSATED?

Our policy has been to pay no cash compensation to directors who are our employees or affiliates for their service as directors. Outside directors are reimbursed for all out-of-pocket expenses incurred in the performance of their duties to us, including attendance at Board meetings, but receive no cash or other compensation.

ARE OUR EMPLOYEES PAID ADDITIONAL COMPENSATION FOR SERVICES AS DIRECTORS?

No. We do, however, reimburse them for travel and other related expenses.

HOW OFTEN DID THE BOARD MEET DURING 2005?

WHAT COMMITTEES HAS THE BOARD ESTABLISHED?

The Board has established an Executive Committee. Currently we have no Compensation and Audit Committees. We do not maintain a standing nominating committee or other committee performing similar functions. The function of determining executive compensation, selecting and engaging our independent auditors, reviewing our accounting and reporting principles and practices, reviewing of our financial statements for each interim period and nominating directors are all carried out by the entire Board of Directors. Our Bylaws, however, provide a procedure for you to recommend candidates for directors at a stockholders meeting. For more information, see page 19 under "Stockholder Proposals." Michael K. Wilhelm and Theodore E. Staahl serve on the Executive Committee.

COMPENSATION OF DIRECTORS

STANDARD ARRANGEMENTS. Directors currently receive no cash compensation from IR BioSciences Holdings, Inc. for their services as members of the Board or for attendance at committee meetings. Members of the Board are reimbursed for some expenses in connection with attendance at Board and committee meetings.

OTHER ARRANGEMENTS. We may, from time to time, issue warrants to executives and directors for fulfilling certain performance goals.

On December 16, 2002 we entered into consulting agreements with Mark Witten, who had served as our chief research scientist and as a director. The consulting agreement was on a month-to-month basis. Under the terms of this agreement, Dr. Witten agreed to place at the disposal of us his judgment and expertise in the area of acute lung injury. In consideration for these services, we agreed to pay Dr. Witten a non-refundable fee of \$5,000 per month. This contract was terminated effective February 1, 2006. Dr. Witten no longer serves as our chief research scientist and is no longer a director.

EMPLOYMENT AGREEMENTS

On August 10, 2005, we entered into a new employment agreement with our

Edgar Filing: IR BIOSCIENCES HOLDINGS INC - Form PRER14A

President and Chief Executive Officer, Michael K. Wilhelm. The employment agreement calls for a salary at the rate of \$275,000 per annum. The salary will be subject to adjustment of at least 10% per year at the end of each year. We also agreed to defend and indemnify, to the fullest extent permitted by our certificate of incorporation and bylaws and the Delaware General Corporation Law, Mr. Wilhelm and hold him harmless against any liability that he incurs within the scope of his employment under the agreement. The agreement also provides for the following various bonus incentives:

(i) A target incentive bonus in cash and/or stock if we consummate a transaction with any unaffiliated third party such as an equity or debt financing, acquisition, merger, strategic partnership or other similar transaction.

(ii) A one time grant of an incentive option to purchase 103,030 shares of the Company's Common Stock, at an exercise price equal to the fair market value per share on the date option is granted and a nonstatutory option to purchase 1,896,970 shares at such time that the Company's 2003 Stock Plan is amended to authorize additional shares reserved and available for issuance under the Plan.

In connection with Mr. Wilhelm's new employment agreement, we also entered into a change of control agreement and a severance agreement with him on August 10, 2005. Under the change of control agreement, Mr. Wilhelm shall be entitled to a continuation of his base salary for a period of 18 months following an involuntary termination, which means, at any time within that period which is one-year from the change of control date (including such date), the termination of the employment of Mr. Wilhelm (i) by us without cause or (ii) due to constructive termination, as such terms are defined in the change of control agreement. Further, in the event of an involuntary termination, the agreement provides that we shall pay Mr. Wilhelm a lump sum amount in cash, equal to the sum of (i) any unpaid incentive compensation which has been allocated or awarded to Mr. Wilhelm for a completed fiscal year or other measuring period preceding the date of involuntary termination under any annual or long-term incentive plan and which, as of the date of involuntary termination, is contingent only upon the continued employment of Mr. Wilhelm to a subsequent date, and (ii) a pro rata portion to the date of involuntary termination of the aggregate value of all contingent incentive compensation awards to Mr. Wilhelm for all then uncompleted periods under any such plan. Further, 100% of the unvested portion of each outstanding stock option granted to Mr. Wilhelm shall be accelerated so that they become immediately exercisable upon the date of involuntary termination.

Under the severance agreement, Mr. Wilhelm shall be entitled to a continuation of his base salary for a period of 18 months following an involuntary termination, which means the termination of the employment of Mr. Wilhelm (i) by us without cause or (ii) due to constructive termination, as such terms are defined in the severance agreement. Further, in the event of an involuntary termination, the agreement provides that we shall pay Mr. Wilhelm an amount equal to the amount of executive incentive pay (bonus) that he would have received for the year in which the involuntary termination occurred had he met one hundred percent (100%) of the target for such incentive pay. Also, under this agreement, 100% of the unvested portion of each outstanding stock option granted to Mr. Wilhelm shall be accelerated so that they become immediately exercisable upon the date of involuntary termination.

On February 15, 2005, we entered into an employment agreement with John N. Feranis, our Chief Financial Officer. The employment agreement expires on December 31, 2007, unless terminated earlier pursuant to the terms of the

Edgar Filing: IR BIOSCIENCES HOLDINGS INC - Form PRER14A

agreement. PROPOSAL NO. 2

APPROVAL OF AN AMENDMENT TO OUR CERTIFICATE OF INCORPORATION TO INCREASE THE NUMBER OF AUTHORIZED SHARES OF COMMON STOCK.

Description of Proposed Amendment

On May 4, 2006, the Board of Directors unanimously approved an amendment to the Company's Certificate of Incorporation, as amended (the "Amendment"), subject to stockholder approval, to increase the number of authorized shares of Common Stock from 100,000,000 to 250,000,000 to be effected upon the filing with the Secretary of State of the State of Delaware the appropriate amendment to our Certificate of Incorporation, as amended (the "Increased Common Stock Amendment"). The full text of the proposed Amendment is set out in Annex A to this Proxy Statement. The text of the proposed Amendment is subject to modification to include such changes as may be required by the office of the Secretary of State of Delaware or as our Board of Directors deems necessary and advisable to effect the increase in the number of authorized shares of Common Stock. The Amendment does not include a change in the number of authorized shares of Preferred Stock.

The stockholders are being asked to approve the Amendment.

Required Vote

The affirmative vote of a majority of the issued and outstanding shares of Common Stock entitled to vote at the Annual Meeting of Stockholders is required to approve the foregoing proposal. As a result, abstentions and broker non-votes will have the same effect as negative votes. In the absence of instructions to the contrary, proxies covering the common stock will be voted for the amendment.

If the proposal is not approved by the stockholders, the Amendment will not be filed and the proposal will not be implemented.

Reasons for the Increased Common Stock Amendment

Edgar Filing: IR BIOSCIENCES HOLDINGS INC - Form PRER14A

We currently have 100,000,000 shares of Common Stock authorized for issuance. We effected a two-for-one forward split of our Common Stock in April 2004. In connection with the increase in the number of authorized shares of Common Stock, the Board has determined that it is in the best interests of the Company and its stockholders to increase the number of authorized shares of Common Stock from 100,000,000 to 250,000,000. The increase would become effective upon filing the proposed Increased Common Stock Amendment with the Secretary of State of the State of Delaware or such later date as may be set forth in the Certificate of Amendment.

The Board determined to increase the number of authorized shares of Common Stock because it believes that the current number is insufficient for existing and future corporate purposes, and the increase is needed to provide flexibility for issuances of Common Stock to raise additional capital, for strategic business opportunities that may be presented from time to time and to allow additional shares of Common Stock to be reserved and available for issuance under our 2003 Stock Option, Deferred Stock and Restricted Stock Plan.

Shares of Common Stock Issued and Outstanding

The Company is currently authorized to issue a maximum of 100,000,000 shares of Common Stock. As of the Record Date of May 15, 2006, there were approximately 69,628,854 shares of Common Stock issued and outstanding. As of that date, an additional 317,242 shares of Common Stock were issuable upon exercise of outstanding stock options and an additional 67,502 shares were reserved under our stock option plans for future grants of options. The Increased Common Stock Amendment will not change the number of outstanding shares of Common Stock but will provide the Board with the ability to issue additional shares of Common Stock as it determines to be for proper corporate purposes and in the best interests of the Company.

14

The holders of our Common Stock are entitled to one vote per share on all matters submitted to a vote of our stockholders. In addition, such holders are entitled to receive ratably such dividends, if any, as may be declared from time to time by our Board of Directors out of funds legally available therefore. No dividends may be paid on the Common Stock until all accrued but unpaid dividends on the shares of our preferred stock have been paid. In the event of the dissolution, liquidation or winding up of our company, the holders of Common Stock are entitled to share ratably in all assets remaining after payment of all liabilities of our company and the preference amount distributable to the holders of the shares of preferred stock. The holders of Common Stock do not have any subscription, redemption or conversion rights, nor do they have any preemptive or other rights to acquire or subscribe for additional, unissued or treasury shares.

With the exception of the number of authorized shares of Common Stock, the rights and preferences of the shares of Common Stock prior and subsequent to the increased authorized Common Stock will remain the same. After the effectiveness of the Increased Authorized Common Stock Amendment, it is not anticipated that the financial condition of the Company, the percentage ownership of management, the number of the Company's stockholders, or any aspect of the Company's business would materially change solely as a result of the increased number of authorized shares of Common Stock.

The Company is subject to the periodic reporting and other requirements

Edgar Filing: IR BIOSCIENCES HOLDINGS INC - Form PRER14A

of the Exchange Act. The increased authorized Common Stock will not affect the registration of the Common Stock under the Exchange Act. If the proposed Increased Common Stock Amendment is implemented, our Common Stock will continue to be reported on the OTC Bulletin Board under the symbol "IRBO."

Effects of the Increased Authorized Common Stock

As a result of the increased number of authorized shares of Common Stock, there will be an increase in the total number of authorized shares of Common Stock that the Company may issue including the number of shares of Common Stock unissued and available for future issuance. This will increase the number of shares of available Common Stock for issuance to raise capital for any proper corporate purpose approved by the Board of Directors, including future financing transactions. The issuance in the future of such additional authorized shares may have the effect of diluting the earnings per share and book value per share, as well as the stock ownership and voting rights, of the currently outstanding shares of our common stock. The effective increase in the number of authorized but unissued shares of our Common Stock may be construed as having an anti-takeover effect by permitting the issuance of shares to purchasers who might oppose a hostile takeover bid or oppose any efforts to amend or repeal certain provisions of the our Certificate of Incorporation or our Bylaws. The increased authorized Common Stock is not being proposed in response to any effort of which management of the Company is aware to accumulate shares of Common Stock or obtain control of the Company, nor is it part of a similar plan by management.

Holders of the Common Stock have no preemptive or other subscription rights.

In addition, the increased number of authorized shares of Common Stock will allow additional shares of Common Stock to be reserved and available for issuance under our Plan if Proposal No. 3 is approved by the stockholders for an amendment to our Plan to increase the number of shares of our Common Stock reserved and available for issuance under the Plan from 3,600,000 to 20,000,000.

Appraisal Rights

No appraisal rights are available under Delaware law or under the Company's Certificate of Incorporation, as amended, or By-Laws to any stockholder who dissents from the proposal to approve the Increased Common Stock Amendment. There may exist other rights or actions under state law for stockholders who are aggrieved by an increase in authorized shares generally. Although the nature and extent of such rights or actions are uncertain and may vary depending upon the facts or circumstances, stockholder challenges to corporate action in general are related to the fiduciary responsibilities of corporate officers and directors and to the fairness of corporate transactions.

Effect on Legal Ability to Pay Dividends

The Increased Common Stock Amendment will have no material impact on the legal ability of the Company to pay dividends.

Edgar Filing: IR BIOSCIENCES HOLDINGS INC - Form PRER14A

APPROVAL OF AN AMENDMENT TO OUR 2003 STOCK OPTION, DEFERRED STOCK AND RESTRICTED STOCK PLAN (THE "PLAN") TO INCREASE THE NUMBER OF SHARES OF OUR COMMON STOCK RESERVED AND AVAILABLE FOR ISSUANCE UNDER THE PLAN

NOTE: PROPOSAL NO. 3 IS CONDITIONED UPON AND MAY BECOME EFFECTIVE ONLY IN THE EVENT THAT THE INCREASED COMMON STOCK AMENDMENT AS SET FORTH IN PROPOSAL NO. 2 IS APPROVED BY THE COMPANY'S STOCKHOLDERS. YOUR VOTE ON PROPOSAL NO. 3 IS SUBJECT TO STOCKHOLDER APPROVAL OF PROPOSAL NO. 2 AND YOUR VOTE WILL HAVE NO EFFECT UNLESS PROPOSAL NO. 2 IS APPROVED BY THE STOCKHOLDERS. IN THE EVENT PROPOSAL NO. 2 IS NOT APPROVED BY THE STOCKHOLDERS, THEN PROPOSAL NO. 3 CANNOT BE MADE EFFECTIVE.

Description of Proposed Amendment

On May 4, 2006, the Board of Directors, conditioned upon and subject to approval by the stockholders of the Increased Common Stock Amendment as set forth in Proposal No. 2, unanimously approved an amendment to our 2003 Stock Option, Deferred Stock and Restricted Stock Plan, subject to stockholder approval, to increase the number of shares of Common Stock reserved and available for issuance under the Plan from 3,600,000 to 20,000,000 be effected upon approval by the stockholders (the "Plan Amendment"). The full text of the proposed Plan Amendment is set out in Annex B to this Proxy Statement. The text of the proposed Amendment is subject to modification to include such changes as our Board of Directors deems necessary and advisable to effect the increase in the number of shares of Common Stock reserved and available for issuance under the Plan.

The stockholders are being asked to approve the Plan Amendment.

Vote Required and Recommendation

The approval of the Plan Amendment to increase the number of shares of our Common Stock reserved and available for issuance under the Plan will be made upon the affirmative vote of the majority of shares voting on the proposal. Abstentions and brokers non-votes will have no effect on the outcome. THE PLAN AMENDMENT IS CONDITIONED UPON AND SUBJECT TO APPROVAL BY THE STOCKHOLDERS OF THE INCREASED COMMON STOCK AMENDMENT AS SET FORTH IN PROPOSAL NO. 2. IN THE EVENT THAT PROPOSAL NO. 2 IS NOT APPROVED BY THE STOCKHOLDERS, THEN ALL VOTES BY THE STOCKHOLDERS IN FAVOR OF PROPOSAL NO. 3 WILL NOT APPROVE THE PLAN AMENDMENT, AND THE PLAN AMENDMENT WILL NOT BECOME EFFECTIVE.

If the proposal is not approved by the stockholders, the Plan Amendment will not be effective and the proposal will not be implemented.

Reasons for the Plan Amendment

The Plan was originally adopted by the Board of Directors and Stockholders of our wholly owned subsidiary ImmuneRegen BioSciences, Inc. as of June 26, 2003, and assumed by the Company on July 2, 2003. The purpose of the Plan is to enable us to obtain and retain competent personnel who will contribute to the Company's success by their ability, ingenuity and industry, and to provide incentives to such personnel and members that are linked directly to increases in stockholder value, and will therefore, inure to the benefit of all stockholders of the Company. Eligible recipients of awards under the Plan include employees, directors, consultants and advisors of the Company. Currently, awards consisting of deferred stock, restricted stock and options to purchase shares of Common Stock and issued under the Plan total 3,532,498 shares

of Common Stock and there are only 67,502 shares of Common Stock reserved and available for issuance under the Plan.

The Board determined to increase the number of shares of Common Stock reserved and available for issuance under the Plan because it believes that the current number is insufficient for the purposes of the Plan as stated above. The market for quality personnel is competitive, and the ability to obtain and retain competent personnel is of great importance to our business operations

Effects of the Plan Amendment

As a result of the Plan Amendment, there will be an increase in the total number of shares of Common Stock reserved for issuance under the Plan. This provides us with the ability to grant more awards than are currently available under the Plan to eligible recipients including employees, directors, consultants and advisors. The issuance in the future of awards under the Plan

16

consisting of deferred stock, restricted stock and options to purchase shares of Common Stock may have the effect of diluting the earnings per share and book value per share, as well as the stock ownership and voting rights, of the currently outstanding shares of our Common Stock. The effective increase in the number of authorized but unissued shares of our Common Stock which may be issued as awards under the Plan may be construed as having an anti-takeover effect by permitting the issuance of shares to purchasers who might oppose a hostile takeover bid or oppose any efforts to amend or repeal certain provisions of the our Certificate of Incorporation or our Bylaws. The increased number of shares of Common Stock reserved and available under the Plan is not being proposed in response to any effort of which management of the Company is aware to accumulate shares of Common Stock or obtain control of the Company, nor is it part of a similar plan by management.

Holders of the Common Stock have no preemptive or other subscription rights.

In addition, with an increase in the number of shares of Common Stock reserved and available for issuance under the Plan, our Board will be able to approve the grant to our CEO, Michael Wilhelm, of a nonstatutory option to purchase 1,896,970 shares of Common Stock pursuant to provisions of Mr. Wilhelm's new employment agreement entered into with the Company on August 10, 2005.

Appraisal Rights

No appraisal rights are available under Delaware law or under the Company's Certificate of Incorporation, as amended, or By-Laws to any stockholder who dissents from the proposal to approve the Plan Amendment. There may exist other rights or actions under state law for stockholders who are aggrieved by an increase in authorized shares generally. Although the nature and extent of such rights or actions are uncertain and may vary depending upon the facts or circumstances, stockholder challenges to corporate action in general are related to the fiduciary responsibilities of corporate officers and directors and to the fairness of corporate transactions.

Effect on Legal Ability to Pay Dividends

Edgar Filing: IR BIOSCIENCES HOLDINGS INC - Form PRER14A

The Plan Amendment will have no material impact on the legal ability of the Company to pay dividends.

Any stockholder submitting a proposal must provide a brief description of the business desired to be brought before the meeting, the reasons for conducting such business at the meeting and any material interest in such business of such stockholder and the beneficial holder, if any, on whose behalf the proposal is made. The stockholder and the beneficial owner, if any, on whose behalf the proposal is made must provide their name and address as it appears on the books of the Company and the class and number of shares of the Company which are beneficially owned and of record. Furthermore, such stockholder must promptly provide any other information reasonably requested by the Company.
