Barclays PLC

Agreement to sell certain commercial real estate loans to CreXus Investment Corp.

Barclays Bank PLC ("Barclays") has announced a definitive agreement to sell certain real estate loans (the "Assets") to CreXus Investment Corp. ("CreXus"), a commercial mortgage real estate investment trust (REIT).

CreXus (NYSE: CXS) is externally managed by Fixed Income Discount Advisory Company, which is a wholly-owned subsidiary of Annaly Capital Management, Inc. (NYSE: NLY), the largest mortgage REIT in the US.

The Assets consist of a portfolio of 30 commercial real estate assets, including commercial mortgage loans, subordinate notes and mezzanine loans, which are being sold for a total consideration of US\$0.586bn in cash.

Barclays is not providing funding to CreXus for the purchase of the Assets. The closing of the transaction is contingent upon the completion of certain conditions precedent, including the successful completion of a common stock offering by CreXus, and obtaining certain consents.

The sale of the Assets is part of continued efforts by Barclays to manage its legacy commercial real estate assets for value whilst reducing exposure over time.

Barclays Capital is serving as financial advisor to Barclays Bank PLC on the transaction.
