1. To elect 15 Directors to hold office for a term of one year and until their respective successors are elected and qualified;
2. To adopt an amendment to the Company's Articles of Incorporation removing the prohibition against Directors serving on the Executive Committee of the Company's Board of Directors for more than five years without a one-year break in service;

By Order of the Board of Directors

PLEASE COMPLETE, SIGN, AND DATE THE ENCLOSED PROXY CARD AND RETURN IT PROMPTLY IN THE ENCLOSED ENVELOPE. IF YOU ATTEND THE MEETING, YOU MAY VOTE EITHER IN PERSON OR THROUGH YOUR PROXY.

PROXY STATEMENT

This Proxy Statement and the enclosed Proxy Card (proxy) are furnished in connection with the solicitation of proxies on behalf of the Board of Directors of Waterside Capital Corporation (the Company) to be voted at the Annual Meeting of Shareholders (the Annual Meeting) to be held at 150 West Main Street, Suite 2100, Norfolk, Virginia 23510 at 11:00 a.m. Eastern Time on December 6, 2004, and at any adjournment thereof, for the purposes set forth in the accompanying Notice of Meeting.

Only shareholders of record at the close of business on October 7, 2004 (the Record Date) are entitled to notice of and to vote at the Annual Meeting. This Proxy Statement and proxy are being mailed to registered holders of the Common Stock of the Company on or about November 5, 2004.

Revocability of Proxy

Any shareholder who gives a proxy may still vote in person, if he so desires, and may revoke the proxy at any time prior to the voting of such proxy by contacting the Secretary of the Company, Gerald T. McDonald, in writing, or by filing a duly executed proxy bearing a later date. If your proxy is properly signed, received by the Company and not revoked by you, the shares to which it relates will be voted at the Annual Meeting in accordance with your instructions, if any.

Person Making the Solicitation

The cost of soliciting proxies will be borne by the Company. The Company has retained Registrar and Transfer Company to assist in the solicitation of proxies from brokers and nominees and in the counting of proxies. The Company will pay Registrar and Transfer Company approximately \$500 plus out-of-pocket expenses for this assistance. In addition to solicitation by mail, the Company will request banks, brokers, and other custodians, nominees and fiduciaries to send proxy material to the beneficial owners and to secure their voting instructions, if necessary. The Company, upon request, will reimburse them for their expenses in so doing. Officers and other employees of the Company may solicit proxies personally, by telephone, by facsimile or other means of electronic transmission from some shareholders if proxies are not received promptly, for which no additional compensation will be paid.

Voting Shares And Vote Required

On the Record Date, the Company had 1,456,675 shares of Common Stock outstanding, each share having one vote on each matter presented at the Annual Meeting. Only holders of the Company's Common Stock of record at the close of business on October 7, 2004, will be entitled to vote. A majority of the shares entitled to vote, represented in person or by proxy, will constitute a quorum for the transaction of business at the Annual Meeting. Directors are elected by a plurality of votes cast by shareholders at the Annual Meeting. Under Virginia law, the affirmative vote of more than two-thirds of the outstanding shares of the Company's Common Stock is required to approve the proposed amendment to the Company's Articles of Incorporation. A majority of votes cast is required to ratify the appointment of our independent auditor. Abstentions, broker non-votes, and withheld votes will be counted for purposes of determining whether a quorum exists for the transaction of business at the Annual Meeting, but such votes (i) will have the effect of a vote against the proposed amendment to the Company's Articles of Incorporation and (ii) will not be considered votes cast for any proposal at the Annual Meeting and therefore will have no effect on the election of Directors or ratification of the appointment of the Company's independent auditor.

All shareholder meeting proxies, ballots, and tabulations that identify individual shareholders are kept confidential, and will not be available for examination, nor will the identity or the vote of any shareholder be disclosed except as may be necessary to meet legal requirements. Votes will be counted and certified by Registrar and Transfer Company.

Unless specified otherwise, your proxy will be voted as follows:

- (1) **FOR** the election of the 15 nominees to serve as Directors of the Company for a one-year term and until their respective successors are duly elected and qualified;

- (2) **FOR** the approval of an amendment to the Company's Articles of Incorporation removing the prohibition against Directors serving on the Executive Committee of the Company's Board of Directors for more than five years without a one-year break in service; and

- (3) **FOR** the ratification of the appointment of Witt Mares Eggleston Smith, PLC as the Company's independent auditor for the fiscal year ending June 30, 2005.

The Company is not aware of any matters that are to come before the Annual Meeting other than those described in this Proxy Statement. However, if other matters do properly come before the Annual Meeting, it is the intention of the persons named in the enclosed proxy to vote such proxy in accordance with their best judgment.

PROPOSAL 1. ELECTION OF DIRECTORS

The Company's Board of Directors is currently comprised of 15 members. Directors serve for a term of one year and hold office until their successors are duly elected and qualified. The Board of Directors recommends that the 15 nominees listed below be elected to the Board of Directors. Except for Mr. Litton, who was recently appointed to the Board to fill a vacancy, all of such nominees were previously elected as Directors by the shareholders. Proxies received will be voted for the election of these 15 nominees unless marked to the contrary. A shareholder who desires to withhold voting of the proxy for the nominees may so indicate on the proxy. Each of the nominees has consented to be named as a nominee and has indicated his intent to serve if elected. If any nominee becomes unable to serve, the proxies will be voted for a substitute nominee to be designated by the Board of Directors, or the number of directors will be reduced.

There are no family relationships among any of the nominees, nor among any of the nominees and any officer. There is no understanding between any nominee and any other person pursuant to which the nominee was selected. Messrs. Lindauer and Litton are the only nominees that are interested persons within the meaning of § 2(a)(19) of the Investment Company Act of 1940, as amended (Investment Company Act). Meetings and Committees of the Board of Directors

Meetings/Annual Meeting Attendance

The business of the Company is managed under the direction of the Board of Directors. The Executive Committee of the Board of Directors has been delegated the power, with certain exceptions, to act in place of the full Board during all periods between regular meetings of the Board, and the Executive Committee meets on a regularly scheduled basis during the year. The Board of Directors held one meeting during fiscal year 2004. All members of the Board of Directors except Mr. Lindauer and Mr. Litton, are independent directors. Each member of the Board of Directors attended the meeting during fiscal year 2004, other than Messrs. Andrews, Fox and Hardee. The Board of Directors does not have a policy regarding attendance at annual shareholders' meetings, however Directors are encouraged to attend such meetings. During the Company's last annual meeting of shareholders held on October 21, 2004, eight Board members were in attendance.

Committees

The Board of Directors has established an Executive Committee, an Audit Committee, and a Compensation/Stock Option Committee. The Company's Articles of Incorporation provide for the appointment by the Board of Directors of an Executive Committee comprised of not less than five nor more than nine members, all of whom must be members of the Board of Directors. The Executive Committee was constituted by the Board of Directors in December 1993 and, under Virginia law, may exercise all the authority of the Board of Directors except that it may not (i) approve or recommend to shareholders action that Virginia law requires to be approved by shareholders, (ii) fill vacancies on the Board of Directors or any committee, (iii) amend the Articles of Incorporation, (iv) adopt, amend, or repeal the Bylaws, (v) approve a plan of merger, (vi) authorize or approve a distribution, except according to a general formula or method prescribed by the Board of Directors, or (vii) authorize or approve the issuance or sale or contract for sale of shares, or determine the designation of the relative rights, preferences and limitations of a class or series of shares within limits specifically prescribed by the Board of Directors. The Executive Committee meets on a regularly scheduled basis during the year to review significant developments affecting the Company and to act on matters requiring approval. It also holds special meetings when an important matter requires action between scheduled meetings.

The Executive Committee met ten times during fiscal year 2004. All members of the Executive Committee attended at least 75% of all Executive Committee meetings in fiscal year 2004, except for Messrs. Low and Morgan. The members of the Executive Committee are Messrs. Chisman, Hardee, Lindauer, Low, Meredith and Morgan.

The Audit Committee held two meetings in 2004. At year-end, its members were James E. Andrews, J. W. Whiting Chisman Jr., Roger L. Frost and Peter M. Meredith, Jr. See Audit Committee Report below.

The Compensation Committee makes recommendations to the Board of Directors as to, among other things, the compensation of the Chief Executive Officer, each officer who is also a director of the Company and designated other members of senior management, as well as new compensation and stock plans. The Compensation Committee met two times during fiscal year 2004. The members of the Compensation Committee are Messrs. Chisman, Hardee, and Meredith. See Compensation Committee Report below.

Director Nominations

The Board of Directors of the Company does not maintain a nominating committee, rather the entire Board is responsible for selecting nominees for election as Directors. The Company believes that the Board is able to fully consider and select qualified nominees for election to the Board without delegating that responsibility to a committee of independent Directors or adopting formal procedures. A majority of the independent Directors then serving on the Board must approve any nominee to be recommended by the Board to the Company's shareholders.

The Board does not currently have a committee charter or written policy with regard to the nomination process. Candidates have traditionally been recommended to the Board by its members, and there is not a formal process for identifying or evaluating new director nominees. Any recommendations for potential Director nominees received from shareholders will be evaluated in the same manner that potential nominees recommended by Board members, management or other parties are evaluated. Nominations should be addressed to: Gerald T. McDonald, Secretary, Waterside Capital Corporation, 500 East Main Street, Suite 800, Norfolk, Virginia 23510.

Qualifications for consideration as a Director nominee may vary according to the particular areas of expertise being sought as a complement to the existing Board composition. However, in making its nominations, the Board of Directors considers, among other things, an individual's business experience, community involvement, industry experience, financial background, breadth of knowledge about issues affecting the Company, time available for meetings and consultation regarding Company matters, and other particular skills and experience possessed by the individual.

Audit Committee Report

The Audit Committee of the Board of Directors is composed of four directors, each of whom is an independent director as that term is defined under the Nasdaq listing standards. To be an independent director under this definition, a director may not be an officer or an employee of the Company or have any other relationship with the Company that interferes with the exercise of independent judgment. Because we are an investment company registered under the Investment Company Act, any director who is an interested person of the Company within the meaning of § 2(a)(19) of the Investment Company Act will not be deemed independent under Nasdaq rules. As discussed above, the Audit Committee held two meetings during fiscal year 2004. Responsibilities of the Audit Committee are set forth in its Charter, which is reviewed and amended periodically by the Company's Board of Directors, as appropriate. A copy of the Company's Audit Committee Charter is attached as **Exhibit A** to this Proxy Statement. Among other things, the Audit Committee:

serves as an independent and objective monitor of the Company's financial reporting process and internal control systems;

appraises the efforts and effectiveness of the Company's independent auditors, including their independence and professionalism;

provides an efficient means for communication among the Board, the independent auditors, and the Company's financial and senior management;

recommends to the Board of Directors the engagement of, and the fees to be paid to, the Company's independent auditor; and

supervises the Company's compliance with applicable legal and regulatory requirements.

The Audit Committee reviews the Company's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility of the financial statements and the reporting process, including the system of internal controls. In this context, the Audit Committee has met and held discussions with management and the independent auditors. Management represented to the Audit Committee that the Company's financial statements were prepared in accordance with generally accepted accounting principles, and the Audit Committee has reviewed and discussed the financial statements with management and the independent auditors. The Audit Committee discussed with the independent auditors the matters required to be discussed by Statement of Auditing Standards No. 61 (*Communication with Audit Committees*). In addition, the Audit Committee has discussed with the independent auditors the auditors' independence from the Company and its management, including the matters in the written disclosures required by the Independence Standards Board Standards No. 1 (*Independence Discussions With Audit Committees*). The Audit Committee discussed with the Company's independent auditor the overall scope and specific plans for their respective audits.

The Audit Committee meets with the independent auditors, with and without management present, to discuss the results of their examinations, the evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting. The meetings also are designed to facilitate any private communications with the Audit Committee desired by the independent auditors. In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors, and the Board has approved, that the audited financial statements of the Company be included in the Annual Report to Shareholders for the fiscal year ended June 30, 2004. The Audit Committee and the Board have also appointed, subject to shareholder ratification, the selection of the Company's independent auditor, Witt Mares Eggleston Smith, PLC.

Employment Agreement

Mr. Speroni is employed as the Company's Director of Research under an employment agreement dated February 1, 2004 (the Speroni Employment Agreement). The Speroni Employment Agreement expires on January 31, 2005, unless terminated earlier in accordance with its terms. Mr. Speroni is paid an annual salary of \$124,800. The Speroni Employment Agreement provides, should Mr. Speroni leave employment with the Company, a two-year covenant not to compete with the Company within the Commonwealth of Virginia and a one-year employee non-solicitation clause. It also imposes certain non-disclosure obligations on Mr. Speroni with respect to the Company's confidential and proprietary information.

401(k) Plan

In July of 1998, the Company adopted a profit sharing and thrift plan qualified under Section 401(k) of the Internal Revenue Code (the 401(k) Plan). All employees of the Company may elect to participate and contribute up to 8% of their annual salary in the 401(k) Plan. The Company may make matching contributions and the amount of such contributions, if any, will be determined by the Company each year. The Company made 100% matching contributions of the first 6% of each participating employee's contributions to the 401(k) Plan during the fiscal year ended June 30, 2004.

Stock Option Plan

The Waterside Capital Corporation 1998 Employee Stock Option Plan (the Option Plan) was approved by the shareholders of the Company on October 22, 1998. The shareholders of the Company approved an amendment to the Plan on October 25, 1999. The Option Plan provides for the issuance of stock option awards to employees of the Company. The purpose of the Option Plan is to promote the long-term growth and profitability of the Company by providing employees with incentives to improve shareholder value and contribute to the growth and financial success of the Company, and by enabling the Company to attract, retain, and reward highly motivated and qualified employees. The maximum number of shares of the Company's Common Stock that may be issued with respect to awards granted under the Option Plan is 212,000. The maximum number of shares that may be issued with respect to awards under the Plan to an individual in a calendar year may not exceed 25,000 shares. The Option Plan is administered by the Compensation Committee and the Option Plan authorizes the Compensation Committee to make all awards. The Compensation Committee determines the prices, vesting schedules, expiration dates, and other material conditions under which such awards may be exercised.

Directors Compensation

During 2004, Directors and members of the committees of the Board of Directors received \$100 for each meeting they attended. In lieu of receiving cash, all Directors who were entitled to receive fees for meeting attendance elected to receive such fees in the form of Common Stock purchased by the Company on the open market. Directors who are also employees of the Company received no compensation from the Company in their capacity as directors. The Company reimburses all of its

Directors for travel and out of pocket expenses in connection with their attendance at meetings of the Board of Directors. The following table contains information concerning the compensation paid to the Company's Directors during the fiscal year ending June 30, 2004:

Compensation Committee Report Concerning Compensation of Certain Executive Officers

This report describes the Company's executive officer compensation strategy, the components of the compensation program, and the manner in which the 2004 compensation determinations were made for the Company's Chief Executive Officer, J. Alan Lindauer, and the Company's other executive officers (collectively "Executive Officers").

In addition to the information set forth above under "Executive Compensation," the Compensation Committee is required to provide shareholders a report explaining the rationale and considerations that led to the fundamental executive compensation decisions affecting the Company's Executive Officers. In fulfillment of this requirement, the Compensation Committee, at the direction of the Company's Board of Directors, has prepared the following report for inclusion in this Proxy Statement. None of the members of the Compensation Committee are executive officers or employees of the Company.

Compensation Philosophy

The compensation of the Company's Executive Officers is designed to attract, retain, motivate and reward qualified, dedicated executives, and to directly link compensation with (i) the Executive Officer's previous and anticipated performance, (ii) the contributions and responsibilities of the Executive Officer to the Company and (iii) the Company's profitability. None of these three factors is

given more relative consideration than any other. The principal components of an Executive Officer's compensation package during fiscal year 2004 were (i) a base salary at a stated annual rate, together with certain other benefits as may be provided from time to time and (ii) discretionary cash bonuses. See *Bonus Program* below. In addition, stock option awards have been made in the past, and will continue to be made in the future, to the Company's Executive Officers pursuant to the Company's 1998 Employee Stock Option Plan.

Bonus Program

The Company has historically awarded annual cash bonuses to Executive Officers based upon individual performance and financial performance of the Company.

1998 Employee Stock Option Plan

The Board and the Compensation Committee strive to compensate key employees of the Company in a manner that aligns closely the interests of such key employees with the interests of the Company's shareholders. In furtherance of this goal, in 1998 the Board adopted the Waterside Capital Corporation 1998 Employee Stock Option Plan, which was approved by shareholders. During 1999, the Board adopted, and the shareholders approved, an amendment to the Plan. The purpose of the Plan is to support the business goals of the Company and to attract, retain and motivate management officials of high caliber by providing incentives that will, through the award of options to acquire the Company's Common Stock, associate more closely the interests of Executive Officers and key employees of the Company with the interests of the Company's shareholders. The Compensation Committee did not grant any stock options to Executive Officers during fiscal year 2004, however, the Committee expects that such stock option grants will be awarded in the future.

Limitation on Deductibility of Certain Compensation for Federal Income Tax Purposes

Section 162(m) of the Internal Revenue Code (162(m)) precludes the Company from taking a deduction for compensation in excess of \$1 million for the Chief Executive Officer or certain of its other highest paid officers. Certain performance based compensation, however, is specifically exempt from the deduction limit. The Compensation Committee has concluded that 162(m) will not impact the Company during fiscal year 2004 because compensation in excess of \$1 million will not be paid to any employee of the Company.

THE PRECEDING COMPENSATION COMMITTEE REPORT CONCERNING COMPENSATION OF CERTAIN EXECUTIVE OFFICERS AND THE AUDIT COMMITTEE REPORT APPEARING ELSEWHERE IN THIS PROXY STATEMENT SHALL NOT BE DEEMED TO BE SOLICITING MATERIAL OR TO BE FILED WITH THE SECURITIES AND EXCHANGE COMMISSION UNDER THE SECURITIES ACT OF 1933, AS AMENDED, THE SECURITIES EXCHANGE ACT OF 1934, AS AMENDED, THE INVESTMENT COMPANY ACT OF 1940, AS AMENDED, OR INCORPORATED BY REFERENCE IN ANY DOCUMENTS SO FILED.

Section 16 Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended, together with rules promulgated by the Securities and Exchange Commission pursuant to the Investment Company Act, requires directors, officers and persons who beneficially own more than 10% of a registered class of stock of the Company to file initial reports of ownership (Forms 3) and reports of changes in beneficial ownership (Forms 4 and 5) with the SEC and NASDAQ. Such persons are also required under the rules and regulations promulgated by the SEC to furnish the Company with copies of all Section 16(a) forms they file.

During the Company's 2004 fiscal year, each Director of the Company, other than Mr. Litton, failed to file a Form 4 relating to the receipt by such Director of shares of Common Stock issued by the Company in lieu of directors' fees. These shares were purchased on the open market and issued to Directors on a monthly basis.

PROPOSAL 2. AMENDMENT TO ARTICLES OF INCORPORATION

The Company's Board of Directors has unanimously approved and recommended that the shareholders of the Company approve an amendment to the Company's Articles of Incorporation (Articles) to remove the prohibition against Directors serving on the Executive Committee of the Company's Board of Directors for more than five years without a one-year break in service. A copy of this proposed amendment to the Articles (the Amendment) is attached to this Proxy Statement as **Exhibit B**. The Amendment, if adopted, would delete the following provision contained in Article V, Section 5.1, subparagraph C of the Company's Articles:

With the exception of the President, no person shall serve more than five (5) one-year terms on the Executive Committee without a break in service of at least one year between terms. This restriction, however, shall not apply to members of the Executive Committee serving in an ex officio capacity.

Reasons For, and Effect of Amendment

As discussed in more detail above, the Articles provide for the appointment of an Executive Committee that has been delegated all of the authority of the Board of Directors, other than authority with respect to certain specified actions. The Articles currently prohibit any Director from serving on the Executive Committee for more than five one-year terms without a break in service of at least one year in between terms. Currently, all members of our executive committee have served more than five years without such a break-in service. If adopted, the Amendment would remove this break in service requirement from the Articles and permit directors to continue to serve on the Executive Committee for uninterrupted consecutive terms without a break in service, provided such members continue to be appointed to the Executive Committee by the Board of Directors.

The Board appoints members to the Executive Committee based on their backgrounds in order to ensure that the committee provides an appropriate blend of business and other experience. In the event that members of the Executive Committee are willing to continue to serve, the Board does not believe that it is in the Company's best interest to require such members to end their service on the committee for a one-year term simply because they have served for five consecutive one-year terms. Rather, the Board believes that the composition of the Executive Committee should be based solely on the qualifications of those willing to serve on the committee.

Vote Required to Approve Amendment

The Virginia Stock Corporation Act requires that any amendment to the Articles be approved by more than two-thirds of the Company's outstanding shares of Common Stock. Accordingly, the Amendment will not be approved and adopted without the affirmative vote of more than two-third of the Company's outstanding shares of Common Stock.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR APPROVAL OF THE PROPOSED AMENDMENT TO THE COMPANY'S ARTICLES OF INCORPORATION DESCRIBED IN PROPOSAL 2 ABOVE.

PROPOSAL 3. RATIFICATION OF APPOINTMENT OF AUDITORS

The Company's Audit Committee has selected and approved Witt Mares Eggleston Smith, PLC as the Company's independent auditor to audit the financial statements of the Company for the fiscal year ending June 30, 2005, and the Audit Committee desires that such appointment be ratified by the Company's shareholders. Witt Mares Eggleston Smith, PLC audited the Company's financial statements for the fiscal year ended June 30, 2004. A representative of Witt Mares Eggleston Smith, PLC will be present at the Annual Meeting. Such representative will have an opportunity to make a statement if he or she so desires, and will be available to respond to appropriate questions. Ratification by the shareholders of the appointment of Witt Mares Eggleston Smith, PLC requires the affirmative vote of the majority of the votes cast at the Annual Meeting.

The Company appointed Witt Mares Eggleston Smith, PLC as the new independent auditor for the Company effective May 12, 2003. This appointment was ratified by the Company's shareholders during the Company's 2003 Annual Meeting of Shareholders. Effective May 8, 2003, the Company dismissed KPMG LLP as the independent auditor of the Company. This change in the auditor for the Company was approved by the Audit Committee of the Board of Directors of the Company. The Audit Committee decided to solicit audit proposals from three independent public accounting firms, including KPMG LLP prior to the commencement of the audit for the Company's fiscal year ending June 30, 2003. After receiving these proposals and considering a variety of factors, including cost, the Audit Committee decided to dismiss KPMG LLP and engage Witt Mares Eggleston Smith, PLC as the Company's independent auditor.

During the Company's two most recent fiscal years prior to dismissing KPMG LLP, there were no disagreements between the Company and KPMG LLP on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of KPMG LLP, would have caused KPMG LLP to make reference to the subject matter of the disagreement in connection with its report. None of the reportable events described under Item 304(a)(1)(v) of Regulation S-K, promulgated under the Securities Act of 1933, as amended (Regulation S-K), occurred within the Company's two most recent fiscal years prior to KPMG LLP's dismissal.

The audit reports of KPMG LLP on the financial statements of the Company as of and for the fiscal years ended June 30, 2002 and 2001 did not contain any adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope, or accounting principles. The Company provided KPMG LLP with a copy of the foregoing disclosure, and KPMG LLP issued a letter to the Company on May 12, 2003 stating its agreement with such statements.

Prior to its engaging Witt Mares Eggleston Smith, PLC, the Company did not consult with Witt Mares Eggleston Smith, PLC with respect to the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's financial statement, or any other matters or reportable events listed on Item 304(a)(2)(i) and (ii) of Regulation S-K.

Fees Paid to Principal Accountants

The following table sets forth the professional fees paid to the Company's independent auditor by the Company for professional services rendered for the Company's last two completed fiscal years.

	<u>2004</u>	<u>2003</u>
Audit fees ⁽¹⁾	\$ 4,000	\$ 36,000
Audit-related fees ⁽²⁾	6,000	
Tax fees ⁽³⁾	5,000	6,000 ⁽⁵⁾
All other fees ⁽⁴⁾	800	
	<u>\$ 15,800</u>	<u>\$ 42,000</u>

- (1) These fees are paid for professional services rendered for the audit of the Company's financial statements for fiscal 2004 and 2003. Fees for professional services rendered for the audit of the Company's financial statements for fiscal 2004 in the amount of approximately \$26,000 have been paid during fiscal 2005.
- (2) These are fees paid for assurance and related services that were reasonably related to the performance of the audit or review of the Company's financial statements that are not reported under "Audit fees" above, including consultations regarding internal controls and financial accounting and reporting matters.
- (3) These are fees paid for professional services rendered for tax compliance, tax planning, and tax advice.
- (4) These are fees for permissible work performed by Witt Mares Eggleston Smith, PLC that does not fall within the specifications of the above categories. This did not include any services for financial information system design or implementation.
- (5) These are fees paid for the preparation of tax returns and for other miscellaneous services performed by KPMG LLP, the independent auditor for the Company prior to its appointment of Witt Mares Eggleston Smith, PLC, effective May 12, 2003.

The Company's Audit Committee pre-approves all audit, audit-related and non-audit services provided by our independent auditor, Witt Mares Eggleston Smith, PLC. Generally, services are pre-approved by the Audit Committee through its annual review of the engagement letter. Subsequently, as the need for additional services arise, detailed information regarding the specific audit, audit-related, tax and permissible non-audit services are submitted to the Audit Committee for its review and approval prior to the provision of such services. In the event that the Audit Committee cannot meet prior to the provision of such services, the Committee has delegated to its Chair the authority to pre-approve such services. All such pre-approvals are then reported to the Audit Committee at its next regularly scheduled meeting.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE SHAREHOLDERS VOTE FOR THE RATIFICATION OF THE APPOINTMENT OF WITT MARES EGGLESTON SMITH, PLC AS THE COMPANY'S INDEPENDENT AUDITOR.

OTHER MATTERS

The Board of Directors does not know of any matters that will be presented for action at the Annual Meeting other than those described above or matters incident to the conduct of the Annual Meeting. If, however, any other matters not presently known to management should come before the Annual Meeting, it is intended that the shares represented by proxies will be voted on such matters in accordance with the discretion of the holders of such proxies.
