#### Item 14. Indemnification of Directors and Officers.

We are incorporated under the laws of the State of Delaware. Section 145 of the Delaware General Corporation Law provides that a corporation may indemnify any persons who were, are or are threatened to be made, parties to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of such corporation), by reason of the fact that such person is or was an officer, director, employee or agent of such corporation, or is or was serving at the request of such corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise. The indemnity may include expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding, provided such person acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the corporation's best interests and, with respect to any criminal action or proceeding, had no reasonable cause to believe that

his or her conduct was unlawful.

Section 145 of the Delaware General Corporation Law further authorizes a corporation to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation or enterprise, against any liability asserted against him or her and incurred by him or her in any such capacity, arising out of his or her status as such, whether or not the corporation would otherwise have the power to indemnify him or her under Section 145 of the Delaware Corporation Law.

Our certificate of incorporation, as amended, eliminates the personal liability of a director to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, except for liabilities arising (a) from any breach of the director's duty of loyalty to the corporation or its stockholders; (b) from acts or omissions not in good faith or which involve intentional misconduct or a

knowing violation of law; (c) under Section 174 of the Delaware General Corporation Law; or (d) from any transaction from which the director derived an improper personal benefit. In addition, our bylaws provides for indemnification of directors, officers, employees and agents to the fullest extent permitted by Delaware law and authorizes the company to purchase and maintain insurance to protect itself and any director, officer, employee or agent of the company or another business entity against any expense, liability, or loss, regardless of whether the company would have the power to indemnify such person under the company's bylaws or Delaware law.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers or persons controlling the registrant pursuant to the foregoing provisions, the registrant has been informed that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable.

In addition, we have purchased director and officer liability insurance for the benefit of such persons.

**Item 15. Recent Sales of Unregistered Securities.**

On December 23, 2004, we granted stock options to purchase 1,014 Units (consisting of 557,700 shares of our common stock and 1,014 shares of our Series A voting preferred stock), at an exercise price of \$0.01 per Unit, to certain of our officers and directors. No consideration was paid for any of the options. The grant of these stock options was deemed to be exempt from registration under the Securities Act in reliance on Section 4(2) of the Securities Act, or Regulation D promulgated thereunder, as transactions by an issuer not involving a public offering. The grant of these stock options did not involve the use of any underwriter, and no commissions were paid in connection with the grant of any of the stock options.

Following the completion of our initial public offering on April 11, 2005, we granted options to purchase shares of our common stock to the executive officers listed below in the respective amounts in accordance with our 2005 Long-Term Incentive Plan.

<b>Executive Officer</b>	<b>Option Amounts</b>
John E. Carroll, Jr.	164,904
Edward J. Whalen	98,942
Kevin P. Bagby	65,962
	<hr/>
Total	329,808
	<hr/>

No consideration was paid for any of the options. The exercise price for these options were \$19.00 per option share. The grant of these stock options was deemed to be exempt from registration under the Securities Act in reliance on Section 4(2) of the Securities Act, or Regulation D promulgated thereunder, as a transaction by an issuer not involving a public offering. The grant of these stock options did not involve the use of any underwriter, and no commissions were paid in connection with the grant of any of the stock options.

**Item 16. Exhibits and Financial Statement Schedules.**

**(a) Exhibits**

**PART II**

---

**(b) Financial Statement Schedules**

The following financial statement schedules of the registrant are included in Part II of the Registration Statement:

Schedule I Condensed Financial Information of Registrant

Schedule II Valuation and Qualifying Accounts

All other schedules for which provision is made in the applicable accounting regulations of the Securities and Exchange Commission are not required under the related instructions, are inapplicable or not material, or the information called for thereby is otherwise included in the financial statements and therefore has been omitted.

**Item 17. Undertakings.**

Insofar as indemnification by the registrant for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the provisions described under Item 14 of this Registration Statement or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act, and is therefore unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered hereunder, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

The undersigned registrant hereby undertakes that:

- (1) For purposes of determining any liability under the Securities Act, the information omitted from the form of prospectus filed as part of this Registration Statement in reliance upon Rule 430A and contained in the form of prospectus filed by the registrant pursuant to Rule 424(b)(1) or (4) or 497(h) under the Securities Act shall be deemed to be part of this Registration Statement as of the time it was declared effective; and
- (2) For the purpose of determining any liability under the Securities Act, each post-effective amendment that contains a form of prospectus shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at the time shall be deemed to be the initial bona fide offering thereof.

Edgar Filing: FreightCar America, Inc. - Form S-1/A

- (3) The undersigned registrant hereby undertakes to provide to the Underwriters at the closing specified in the Underwriting Agreement certificates in such denominations and registered in such names as required by the Underwriters to permit prompt delivery to each purchaser.
