PROXY STATEMENT
ANNUAL MEETING OF SHAREHOLDERS
APRIL 6, 2006

The Board of Directors of H.B. Fuller Company is soliciting proxies to be used at the Annual Meeting of Shareholders to be held on April 6, 2006, and at any adjournment and reconvening of the meeting. We began mailing this Proxy Statement and the enclosed form of proxy on March 6, 2006.

QUESTIONS AND ANSWERS ABOUT THE MEETING AND VOTING

What is the purpose of the meeting?

At our annual meeting, Shareholders will act upon the matters disclosed in the Notice of Annual Meeting that preceded this Proxy Statement. These include the election of three directors, approval of the Amended and Restated Year 2000 Stock Incentive Plan and ratification of the appointment of our independent auditors.

We will also consider any other business that may properly be presented at the meeting, and management will report on H.B. Fuller's performance during the last fiscal year and respond to questions from Shareholders.

How does the Board recommend that I vote?

The Board of Directors recommends a vote for all of the nominees for director, for approval of the Amended and Restated Year 2000 Stock Incentive Plan and for the ratification of the appointment of KPMG LLP as the Company's independent auditors for the fiscal year ending December 2, 2006.

Who is entitled to vote at the meeting?

If you were a *shareholder of record* at the close of business on February 17, 2006, you are entitled to vote at the meeting.

Edgar Filing: FULLER H B CO - Form DEF 14A

As of the record date, 29,390,990 shares of Common Stock were outstanding and eligible to vote.

What is the difference between a shareholder of record and a street name holder?

If your shares are registered directly in your name, you are considered the *shareholder of record* with respect to those shares.

If your shares are held in a stock brokerage account or by a bank or other nominee, such as the H.B. Fuller 401(k) Thrift Plan, you are considered the beneficial owner of those shares, and your shares are held in *street name*. If you are a *street name holder*, you will receive a voting instructions card, which appears very similar to a proxy card. Please complete that card as directed in order to ensure your shares are voted at the meeting.

What are the voting rights of the Shareholders?

Holders of Common Stock are entitled to one vote per share. Therefore, a total of 29,390,990 votes are entitled to be cast at the meeting. There is no cumulative voting for the election of directors.

Table of Contents

How many shares must be present to hold the meeting?

A quorum is necessary to hold the meeting and conduct business. The presence of Shareholders who can direct the voting of at least a majority of the outstanding shares of Common Stock as of the record date is considered a quorum. A Shareholder is counted as present at the meeting if the Shareholder is present and votes in person at the meeting or the Shareholder has properly submitted a proxy by mail, telephone or via the Internet.

How do I vote my shares?

If you are a *shareholder of record*, you can give a proxy to be voted at the meeting either:

over the telephone by calling 1-800-560-1965;

electronically, using the Internet at www.eproxy.com/ful/; or

by mailing in the enclosed proxy card.

The telephone and Internet voting procedures have been set up for your convenience. The procedures have been designed to authenticate your identity, to allow you to give voting instructions, and to confirm that those instructions have been recorded properly. If you are a *shareholder of record* and you would like to vote by telephone or by using the Internet, please refer to the specific instructions on the enclosed proxy card. If you wish to vote using the paper proxy card, please return your signed proxy card to us before the meeting. You may also vote in person at the meeting.

If you hold your shares in *street name*, you must vote your shares following the procedures indicated to you by your broker or nominee on the enclosed voting instructions card.

What does it mean if I receive more than one proxy card or voting instructions card?

It means you hold shares of H.B. Fuller stock in more than one account. To ensure that all of your shares are voted, sign and return each proxy card or, if you vote by telephone or via the Internet, vote once for each proxy card you receive. If you would like to consolidate your accounts please contact our stock transfer agent, Wells Fargo Bank, at 1-800-468-9716.

Can I vote my shares in person at the meeting?

Edgar Filing: FULLER H B CO - Form DEF 14A

Yes. If you are a *shareholder of record*, you may vote your shares at the meeting by completing a ballot at the meeting. However, even if you currently plan to attend the meeting, we recommend that you submit your proxy ahead of time so that your vote will be counted if, for whatever reason, you later decide to not attend the meeting.

If you hold your shares in *street name*, you may vote your shares in person at the meeting only if you obtain a signed proxy from your broker, bank or other nominee giving you the right to vote such shares at the meeting.

What vote is required for the proposals to be approved?

With respect to the election of directors, the three director nominees receiving the most votes for their election will be elected directors. With respect to approval of all other matters to come before the meeting, including the approval of the Amended and Restated Year 2000 Stock Incentive Plan and the ratification of the appointment of KPMG LLP as the independent auditors of the Company, the affirmative vote of a majority of the shares of Common Stock represented and entitled to vote on each matter is required.

Table of Contents

How are votes counted?

Shareholders may either vote FOR or WITHHOLD authority to vote for each nominee for the Board of Directors. Shareholders may vote FOR, AGAINST or ABSTAIN on the approval of the Amended and Restated Year 2000 Stock Incentive Plan and the ratification of the appointment of KPMG LLP.

If you vote ABSTAIN or WITHHOLD, your shares will be counted as present at the meeting for the purposes of determining a quorum. If you ABSTAIN from voting on a proposal, your abstention has the same effect as a vote against that proposal. If you WITHHOLD authority to vote for one or more of the nominees for director, this will have no effect on the election of any director from whom votes are withheld.

If you hold your shares in *street name* and do not provide voting instructions to your broker or nominee, your shares may not be voted. In this situation, a broker non-vote may occur. Shares that constitute broker non-votes will be present at the meeting for the purpose of determining a quorum, but are not considered as entitled to vote on the proposal in question, and, therefore, will not affect the outcome of the vote with respect to that proposal.

What if I do not specify how I want my shares voted?

If you do not specify on your returned proxy card (or when giving your proxy by telephone or via the Internet) how you want to vote your shares, we will vote them:

FOR all of the nominees for director;

FOR the approval of the Amended and Restated Year 2000 Stock Incentive Plan;

FOR the ratification of the appointment of KPMG LLP as the Company's independent auditors for the 2006 fiscal year; and,

with respect to such other matters that may properly come before the meeting, in accordance with the judgment of the persons named as proxies in the enclosed proxy card or voting instructions card.

Can I change my vote?

Yes. If you are a *shareholder of record*, you may change your vote and revoke your proxy at any time before it is voted at the meeting in any of the following ways:

Edgar Filing: FULLER H B CO - Form DEF 14A

by sending a written notice of revocation to the Corporate Secretary of the Company;

by submitting another properly signed proxy card at a later date to the Corporate Secretary;

by submitting another proxy by telephone or via the Internet at a later date; or

by voting in person at the meeting.

If you are a *street name holder*, please consult your broker, trustee or nominee for instructions on how to change your vote.

Who pays for the cost of proxy preparation and solicitation?

We pay for the cost of proxy preparation and solicitation, including the charges and expenses of brokerage firms or other nominees for forwarding proxy materials to beneficial owners of shares held in *street name*. We have retained Morrow & Company, Inc. to assist in the solicitation of proxies for a fee of approximately \$5,500.00 plus associated costs and expenses.

We are soliciting proxies primarily by mail. In addition, proxies may be solicited by telephone or facsimile, or personally by directors, officers and regular employees of the Company. These individuals will receive no compensation (other than their regular salaries) for these services.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

During our 2005 fiscal year, we paid U.S. Bank National Association approximately \$354,976, plus interest payments on outstanding debt owed, for certain credit, trustee and credit card services provided to us and our subsidiaries during the 2005 fiscal year. Lee R. Mitau, a director of the Company, is the Executive Vice President and General Counsel of U.S. Bancorp, the ultimate parent company of U.S. Bank. We believe that these services were provided under terms no less favorable to us than are available to other customers of U.S. Bank. We expect to continue to acquire such services from U.S. Bank during the 2006 fiscal year.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's directors and executive officers to file initial reports of ownership and reports of changes in ownership of H.B. Fuller's securities with the Securities and Exchange Commission (SEC). These reports are available for review on our website: [www.hbfuller.com/Investor Relations/SEC Filings](http://www.hbfuller.com/Investor_Relations/SEC_Filings). Directors and executive officers are required to furnish us with copies of these reports. Based solely on a review of these reports and written representations from the directors and executive officers, we believe that all directors and executive officers complied with all Section 16(a) filing requirements for fiscal year 2005, except for Albert P.L. Stroucken, Chairman of the Board, President and Chief Executive Officer, and Knut Kleedehn, director, who each filed one late report in connection with the vesting of restricted shares of the Company's Common Stock.

PROPOSAL 1 ELECTION OF DIRECTORS

Proposal

The Board of Directors is currently composed of eight directors and divided into three classes. Each year one class of directors stands for election for a three-year term. The term of office for Class I directors, consisting of Richard L. Marcantonio, Alfredo L. Rovira and Albert P.L. Stroucken, will expire at the Annual Meeting.

At the Annual Meeting, three persons are to be elected as Class I directors to hold a three-year term of office from the date of their election until the 2009 Annual Meeting and until their successors are duly elected and qualified. The three nominees for election as Class I directors are Richard L. Marcantonio, Alfredo L. Rovira and Albert P.L. Stroucken, all of whom are currently directors. All of the nominees have agreed to serve as a director if elected. Following the meeting, the Board will be composed of eight directors. Pursuant to the Company's Bylaws, no more than 15 persons may serve on the Board. For information on how a Shareholder may suggest a person to be a nominee to the Board, see *How can a Shareholder suggest a candidate for election to the Board?*

The term of office for Class II directors, consisting of Knut Kleedehn and John C. van Roden, Jr., will expire at the Annual Meeting in 2007 and the terms of Class III directors, consisting of J. Michael Losh, Lee R. Mitau and Robert William Van Sant, will expire at the Annual Meeting in 2008. Mr. Marcantonio was elected by the Board of Directors on September 29, 2004. All of the other directors were elected to the Board of Directors by the Shareholders.

How can a Shareholder suggest a candidate for election to the Board?

The Corporate Governance and Nominating Committee of the Board nominates all candidates for election to the Board. Generally, current directors or management have identified candidates for consideration by the Committee. For this annual meeting, non-management directors identified all the nominees and no fees were paid to any third party with respect to the identification of any nominee for election at the meeting. If appropriate in the future, the Committee could engage a third person for a fee to assist in the process of identifying potential nominees. The Committee also will consider candidates put forward by any Shareholder. No Shareholder identified any candidate during fiscal year 2005. Any Shareholder interested in suggesting a candidate for election to the Board should contact the Corporate Governance and Nominating Committee through the Corporate Secretary.

The Committee assesses candidates to identify persons with the judgment, experience, independence and other attributes that the Committee concludes are pertinent in light of the Board's current needs. The Board believes that its membership should reflect a diversity of experience, skills, geography, gender and ethnicity.

Does the Board have written corporate governance guidelines?

The Board, upon recommendation of the Corporate Governance and Nominating Committee, has adopted Corporate Governance Guidelines that summarize many of the corporate governance principles, which the Board has followed in governing the Company. A printed copy of the guidelines may also be obtained by sending a request to the Office of the Corporate Secretary, P.O. Box 64683, St. Paul, Minnesota 55164-0683.

Is a majority of the Board independent of management?

Pursuant to our Corporate Governance Guidelines and the listing standards of the New York Stock Exchange, the Board has determined that all members, other than Mr. Stroucken, are *independent*. No director is considered *independent* unless the Board affirmatively determines that such director has no material relationship with the Company. In assessing the materiality of any person's relationship with H.B. Fuller, the Board considers all relevant facts and circumstances, including not only direct relationships between the Company and each director but also any relationships between H.B. Fuller and any entity with which a director is affiliated.

Functions: The Corporate Governance and Nominating Committee reviews matters of corporate governance, including reviewing our organizational structure and succession planning, and policies and practices relating to significant issues of corporate, social and public concern. This Committee evaluates and recommends new director nominees and evaluates each current director prior to nominating such person for re-election. The Corporate Governance and Nominating Committee reviews a director's continued service if a director's occupation changes during his or her term. This Committee also evaluates the performance of the Chairman of the Board, President and Chief Executive Officer, and directors, and makes recommendations to the Board regarding any Shareholder proposals.

This Committee considers Shareholder recommendations for potential director nominees. Suggestions may be sent to the Corporate Governance and Nominating Committee in care of the Corporate Secretary of H.B. Fuller. See *How can a Shareholder suggest a candidate for election to the Board?*

All of the members of the Corporate Governance and Nominating Committee are considered *independent* as that term is defined by our Corporate Governance Guidelines and the listing standards of the New York Stock Exchange.

The Chair of the Corporate Governance and Nominating Committee acts as the Presiding Director of the Board. At each regularly scheduled meeting of the Board of Directors, the Presiding Director leads a discussion at which only independent directors are present.

How are directors compensated?

The form and amount of compensation for each director is determined and reviewed at least annually by the Compensation Committee. Such compensation reflects the philosophy and practice for boards of similar public companies and is comprised of cash and H.B. Fuller Common Stock (or its equivalents). We have and maintain goals for stock ownership by all non-employee directors.

Edgar Filing: FULLER H B CO - Form DEF 14A

The following fees are paid to all directors who are not employees of the Company:

Annual Board retainer	\$ 32,000
Annual retainer for Audit Committee Chair	\$ 10,000
Annual retainer for Compensation Committee Chair and Corporate Governance and Nominating Committee Chair	\$ 5,000
Daily attendance fee for each Board meeting	\$ 1,000
Attendance fee for each Committee meeting, either in person or via telephone	\$ 1,000
Attendance fee for each Committee ad-hoc telephone meeting	\$ 500

Table of Contents

We also reimburse each director for any out-of-pocket expenses related to attendance at any meeting or arising from other Company business.

Mr. Stroucken, as our President and Chief Executive Officer, does not receive separate compensation for serving as Chairman of the Board of Directors nor for attendance at any meeting.

In addition to the retainer, meeting and attendance fees described above, the Board believes it is important that each director have an economic stake in our Common Stock. As a result, the Compensation Committee typically makes an annual grant of shares of restricted Common Stock or restricted Common Stock units to each non-employee director. During fiscal year 2005, the Compensation Committee made a discretionary grant of 1,345 H.B. Fuller Common Stock units to each non-employee director under the Directors' Deferred Compensation Plan. This plan is described below.

In addition, each director typically receives a one-time grant of H.B. Fuller Common Stock (or its equivalent) upon his/her initial election to the Board. During fiscal year 2005, Mr. Marcantonio received a grant of 1,300 shares of restricted Common Stock under the Directors' Stock Incentive Plan. This plan is described below. These shares vest four years from the date of grant subject to continued service during that period.

Directors' Deferred Compensation Plan. Under this plan, directors may elect to defer all or a percentage of their retainer, attendance or meeting fees. In addition, the Compensation Committee may make discretionary contributions to a participant's Common Stock account under this plan. As described above, during fiscal year 2005, the Committee exercised this discretion and granted each non-employee director 1,345 H.B. Fuller Common Stock units under this plan.

Deferred amounts are credited with gains and losses based on the performance of certain mutual funds or H.B. Fuller Common Stock as elected by the director prior to deferring any retainer or fees. Directors who elect their retainer, attendance or meeting fees to be deferred into H.B. Fuller Common Stock units as an investment are credited with phantom stock units that will be paid out in shares of Common Stock. Phantom stock units are credited with dividend equivalents equal to the amount of dividends, if any, paid on an equal number of shares of H.B. Fuller Common Stock. The dividend equivalents are converted into additional phantom stock units based on the fair market value of H.B. Fuller Common Stock on the dividend payment date. If a participant elects to defer retainer, attendance or meeting fees to the H.B. Fuller Common Stock account in this plan, we make a 10% matching contribution of additional phantom stock units to the amount invested in H.B. Fuller Common Stock by the director. The phantom stock units credited to the directors' accounts do not have voting rights.

Any amounts deferred under this plan are paid in shares of H.B. Fuller Common Stock or cash at the earliest to occur of:

the last date on which the director serves as a director (that is, the date of resignation or removal from the Board or the end of the director's elected term) or on the first, second, third, fourth or fifth anniversary of such date, as may be elected by the director in advance;

disability;

death; or

the date of a change in control of the Company.

Directors Stock Incentive Plan. Under this plan, we may issue to non-employee members of the Board of Directors restricted stock, restricted stock units, options, stock appreciation rights, performance awards or other stock-based awards. Shares of H.B. Fuller Common Stock are also

issued under this plan to satisfy any requirements under the Directors' Deferred Compensation Plan. The Compensation Committee determines the type, amount and other terms and conditions of any award under this plan.

Physical Examinations. Non-employee directors are reimbursed for an annual physical examination. During the 2005 fiscal year, we paid reimbursements totaling \$19,566 for director physical examinations and related expenses.

Matching Gifts to Education Program. Under this program, we match a non-employee director's contributions (up to \$1,000) to eligible educational institutions. During the 2005 fiscal year, we matched \$1,000 of eligible contributions.

How can a Shareholder contact the Board of Directors?

Any Shareholder may contact the Board, any committee or an individual director, by mailing a letter addressed to the Board, committee or individual director in care of the Corporate Secretary. The Corporate Secretary reviews all communication, but will forward all such correspondence to the directors for their information and consideration.

Who is the Corporate Secretary?

The Corporate Secretary is Timothy J. Keenan. The mailing address is the Office of the Corporate Secretary, P.O. Box 64683, St. Paul, Minnesota 55164-0683.

PROPOSAL 2 APPROVAL OF AMENDED AND RESTATED YEAR 2000 STOCK INCENTIVE PLAN

PROPOSAL TO APPROVE THE AMENDED AND RESTATED H.B. FULLER COMPANY YEAR 2000 STOCK INCENTIVE PLAN

Our Board of Directors adopted, upon recommendation of the Compensation Committee, the H.B. Fuller Company Year 2000 Stock Incentive Plan (the "Current Stock Plan"), effective as of October 14, 1999. Adoption of the Current Stock Plan was subject to shareholder approval, which was obtained at the Annual Meeting of Shareholders held on April 20, 2000. Our Board of Directors adopted, upon the recommendation of the Compensation Committee, an amended and restated version of the Current Stock Plan (the "Amended and Restated Stock Plan"), effective as of January 27, 2006, subject to shareholder approval at the 2006 Annual Meeting of Shareholders.

The Amended and Restated Stock Plan:

Edgar Filing: FULLER H B CO - Form DEF 14A

increases the number of shares of our Common Stock available for awards under the Current Stock Plan from 3,000,000 to 5,200,000 shares;

expands the types of awards subject to the limitation on the number of shares available for awards of restricted stock, restricted stock units, performance awards and other stock-based awards;

provides that shares used by participants as payment of the purchase or exercise price relating to an award or to satisfy tax withholding obligations will not again be available for future grants;

specifies that the term of each award will not be longer than 10 years from the date of grant;

eliminates reload options;

Table of Contents

provides that restricted stock may be evidenced in book entry form or by stock certificates; and

provides that dividend equivalents will not be granted with respect to any option or stock appreciation right.

No other material amendments were made to the Current Stock Plan in the Amended and Restated Stock Plan.

The Amended and Restated Stock Plan provides for the grant of stock-based awards to officers and key employees of the Company and its subsidiaries as determined by the Compensation Committee. The Amended and Restated Stock Plan has been designed to meet the requirements of Section 162(m) of the Internal Revenue Code regarding the deductibility of executive compensation.

The Board of Directors adopted the Amended and Restated Stock Plan in consideration of the limited number of shares remaining available for awards to officers and employees under the Current Stock Plan. As of January 31, 2006, only 525,535 shares remained available for awards under the Current Stock Plan. The Compensation Committee and the Board of Directors believe that the continued use of stock-based compensation in lieu of cash compensation is essential to implementing the Compensation Committee's philosophy as described in the Compensation Committee Report on Executive Compensation in this Proxy Statement.

If the Amended and Restated Stock Plan is approved by shareholders, it will be effective as of January 27, 2006 and will supercede the Current Stock Plan. If the Amended and Restated Stock Plan is not approved by shareholders, it will not take effect or supercede the Current Stock Plan, and the Current Stock Plan will remain in full force and effect. The following summary of the Amended and Restated Stock Plan is qualified in its entirety by reference to the full text of the Amended and Restated Stock Plan, which is attached to this Proxy Statement as Appendix B.

Summary of the Amended and Restated Stock Plan

Purpose

The purpose of the Amended and Restated Stock Plan is to promote the interests of the Company and its shareholders by aiding us in attracting and retaining employees, officers, consultants and independent contractors capable of assuring our future success, to provide such persons with opportunities for stock ownership in the Company, and to offer such persons other incentives to put forth maximum efforts for the success of our business.

Administration

The Amended and Restated Stock Plan will be administered by the Compensation Committee of the Board of Directors (the Committee) comprised of at least the number of directors as is required to permit awards granted under the Amended and Restated Stock Plan to qualify under Rule 16b-3 under the Securities Exchange Act of 1934, as amended (the Exchange Act).

Edgar Filing: FULLER H B CO - Form DEF 14A

Each member of the Committee will be a non-employee director within the meaning of Rule 16b-3 of the Exchange Act and an outside director within the meaning of Section 162(m) of the Internal Revenue Code. The Committee will have the authority to determine when and to whom awards will be granted, and to determine the form, amount and other terms and conditions of each award, consistent with the provisions of the Amended and Restated Stock Plan. Subject to the provisions of the Amended and Restated Stock Plan, the Committee may amend or waive the terms and conditions of an outstanding award but may not adjust or amend the exercise price of outstanding stock options or stock appreciation rights. The Committee will have full authority to interpret the Amended and Restated Stock Plan and establish rules and regulations for the administration of the Amended and Restated Stock Plan.

Table of Contents

Eligibility

All employees, officers, consultants and independent contractors (other than non-employee directors) of the Company and its affiliates will be eligible to receive awards under the Amended and Restated Stock Plan at the discretion of the Committee. As of January 31, 2006, approximately 3,882 individuals were eligible to participate in the Amended and Restated Stock Plan.

Shares Authorized

The Amended and Restated Stock Plan provides for the issuance of up to 5,200,000 shares of our Common Stock, subject to adjustment in the event of a stock dividend or other distribution, recapitalization, stock split, reverse stock split, reorganization, merger, consolidation, split-up, spin-off, combination, repurchase or exchange of Common Stock or other securities of the Company, issuance of warrants or other rights to purchase Common Stock or other securities of the Company or other similar changes in the corporate structure or stock of the Company. Of the 5,200,000 authorized shares, 3,000,000 shares were originally authorized under the Current Stock Plan. As of January 31, 2006, only 525,535 of the 3,000,000 shares remained available for issuance under the Current Stock Plan. The Amended and Restated Stock Plan will provide for an additional 2,200,000 authorized shares. Shares of our Common Stock subject to awards under the Amended and Restated Stock Plan that are not used or are forfeited because the terms and conditions of the awards are not met, or because the award terminates without delivery of any shares, may again be used for awards under the Amended and Restated Stock Plan. However, shares that are tendered by a participant or withheld by the Company as full or partial payment to the Company of the purchase or exercise price relating to an award or to satisfy tax withholding obligations relating to an award shall not be available for future grants under the Amended and Restated Stock Plan. In addition, if stock appreciation rights are settled in shares upon exercise, the aggregate number of shares subject to the award rather than the number of shares actually issued upon exercise shall be counted against the number of shares authorized under the Amended and Restated Stock Plan.

Of the 5,200,000 shares of our Common Stock authorized under the Amended and Restated Stock Plan, a maximum of 750,000 shares will be available for issuance pursuant to awards of restricted stock, restricted stock units, performance awards and other stock-based awards. As of January 31, 2006, 266,247 shares had been issued under the Current Stock Plan for such awards. Therefore, 483,753 shares will remain available for issuance under the Amended and Restated Stock Plan pursuant to awards of restricted stock, restricted stock units, performance awards and other stock-based awards. In addition, no participant may be granted stock options, stock appreciation rights or any other award, the value of which is based solely on an increase in the price of our Common Stock, for more than 300,000 shares in the aggregate in any calendar year. The closing price of our Common Stock as reported on the New York Stock Exchange on January 31, 2006 was \$37.79.

Types and Terms of Awards

The types of awards that may be granted under the Amended and Restated Stock Plan are stock options, stock appreciation rights, restricted stock, restricted stock units, performance awards, dividend equivalents and other stock-based awards. The term of each award may not be longer than 10 years from the date of grant. The Amended and Restated Stock Plan provides that all awards are to be evidenced by written agreements containing the terms and conditions of the awards. The Committee may not amend or discontinue any outstanding award without the consent of the holder of the award if such action would adversely affect the holder. Awards may be transferred only by will or by the laws of descent and distribution. During the lifetime of a participant, an award may be exercised only by the participant to whom such award is granted. However, the Committee may permit a participant to transfer certain stock options which may be exercised by someone other than the participant upon the death of the participant.

Table of Contents

Stock Options. Incentive stock options meeting the requirements of Section 422 of the Internal Revenue Code and non-qualified stock options may be granted under the Amended and Restated Stock Plan. The Committee will determine the exercise price of any option granted under the Amended and Restated Stock Plan, but in no event will the exercise price be less than 100% of the fair market value of our Common Stock on the date of grant. Stock options may be exercised in whole or in part by payment in full of the exercise price in cash or such other form of consideration as the Committee may specify, including delivery of shares of Common Stock having a fair market value on the date of exercise equal to the exercise price. Stock options will be exercisable at such times as the Committee determines. Unlike the Current Stock Plan, the Amended and Restated Stock Plan does not provide for reload options.

Stock Appreciation Rights. The Committee may grant stock appreciation rights exercisable at such times and subject to such conditions or restrictions as the Committee may determine. Upon exercise of a stock appreciation right by a holder, the holder is entitled to receive the excess of the fair market value of one share of Common Stock on the date of exercise over the fair market value of one share of Common Stock on the date of grant. The payment may be made in cash or shares of Common Stock, or other form of payment, as determined by the Committee.

Restricted Stock and Restricted Stock Units. The Committee may grant shares of restricted stock and restricted stock units subject to such restrictions and terms and conditions as the Committee may impose. Shares of restricted stock granted under the Amended and Restated Stock Plan will be evidenced in book entry form or by stock certificates, which will be held by the Company, and the Committee may, in its discretion, grant voting and dividend rights with respect to such shares. No shares of stock will be issued at the time of award of restricted stock units. A restricted stock unit will have a value equal to the fair market value of one share of our Common Stock and may include, if so determined by the Committee, the value of any dividends or other rights or property received by shareholders after the date of grant of the restricted stock unit. The Committee has the right to waive any vesting requirements or to accelerate the vesting of restricted stock or restricted stock units.

Performance Awards. A performance award will entitle the holder to receive payments upon the achievement of specified performance goals. The Committee will establish the terms and conditions of a performance award, including the performance goals to be achieved during a performance period, the length of the performance period and the amount and form of payments of the performance award. A performance award may be denominated or payable in cash, shares of stock or other securities, or other awards of property.

Dividend Equivalents. An award of dividend equivalents will entitle the holder to receive payments equivalent to the amount of cash dividends paid by us to our shareholders with respect to a number of shares determined by the Committee. The Amended and Restated Stock Plan does not permit any dividend equivalent to be provided or granted with respect to any option or stock appreciation right awards. Dividend equivalents may be payable in cash, shares of stock or other securities, or other awards or property and will be subject to such terms and conditions as determined by the Committee.

Other Stock-Based Awards. The Committee may grant other awards denominated or payable in, valued by reference to, or otherwise based on or related to shares of Common Stock. The Committee will determine the terms and conditions of such award, including the consideration to be paid for shares of Common Stock or other securities delivered pursuant to a purchase right granted under such award. The Amended and Restated Stock Plan specifically authorizes the Committee to grant to eligible persons unrestricted shares, as deemed by the Committee to be consistent with the purpose of the Amended and Restated Stock Plan, including shares issuable pursuant to any of the Company's other compensation or deferred compensation plans.

Table of Contents***Termination and Amendment***

The Amended and Restated Stock Plan permits the Board of Directors to amend or terminate the Amended and Restated Stock Plan at any time, except that prior shareholder approval will be required for any amendment to the Amended and Restated Stock Plan that (1) requires shareholder approval under the rules or regulations of the Securities and Exchange Commission, the New York Stock Exchange, any other securities exchange or the National Association of Securities Dealers, Inc., (2) permits repricing of outstanding stock options or stock appreciation rights granted under the Amended and Restated Stock Plan, (3) increases the number of shares authorized under the Amended and Restated Stock Plan, or (4) permits the award of stock options or stock appreciation rights under the Amended and Restated Stock Plan with an exercise price less than 100% of the fair market value of a share of Common Stock on the date of grant.

Effective Date; Term

If approved by shareholders, the Amended and Restated Stock Plan will be effective as of January 27, 2006 and will terminate on January 26, 2016. No awards may be granted under the Amended and Restated Stock Plan after January 26, 2016.

New Plan Benefits

The following table sets forth the number of shares of our Common Stock covered by awards granted under the Current Stock Plan. No incentive awards made under the Amended and Restated Stock Plan prior to the date of the 2006 Annual Meeting of Shareholders have been made subject to shareholder approval. The numbers and types of awards that will be granted in the future under the Amended and Restated Stock Plan are not determinable as the Committee will make such determinations in its discretion. Generally, the consideration to be received by the Company for awards under the Amended and Restated Stock Plan will be the officers' and employees' past, present and expected future contributions to the Company.

Federal Tax Consequences**Grant of Options and Stock Appreciation Rights**

The grant of a stock option or stock appreciation right is not expected to result in any taxable income for the recipient.

Exercise of Options and Stock Appreciation Rights

Upon exercising a non-qualified stock option, the optionee must recognize ordinary income equal to the excess of the fair market value of the shares of our Common Stock acquired on the date of exercise over the exercise price, and the Company will generally be entitled at that time to an income tax deduction for the same amount. The holder of an incentive stock option generally will have no

Table of Contents

taxable income upon exercising the option (except that an alternative minimum tax liability may arise), and the Company will not be entitled to an income tax deduction. Upon exercising a stock appreciation right, the amount of any cash received and the fair market value on the exercise date of any shares of our Common Stock received are taxable to the recipient as ordinary income and generally deductible by the Company.

Disposition of Shares Acquired Upon Exercise of Options and Stock Appreciation Rights

The tax consequence upon a disposition of shares acquired through the exercise of an option or stock appreciation right will depend on how long the shares have been held and whether the shares were acquired by exercising an incentive stock option or by exercising a non-qualified stock option or stock appreciation right. Generally, there will be no tax consequence to the Company in connection with the disposition of shares acquired under an option or stock appreciation right, except that the Company may be entitled to an income tax deduction in the case of the disposition of shares acquired under an incentive stock option before the applicable incentive stock option holding periods set forth in the Internal Revenue Code have been satisfied.

Awards Other than Options and Stock Appreciation Rights

As to other awards granted under the Amended and Restated Stock Plan that are payable either in cash or shares of our Common Stock that are either transferable or not subject to substantial risk of forfeiture, the holder of the award must recognize ordinary income equal to (1) the amount of cash received or, as applicable, (2) the excess of (a) the fair market value of the shares received (determined as of the date of receipt) over (b) the amount (if any) paid for the shares by the holder of the award. The Company will generally be entitled at that time to an income tax deduction for the same amount.

As to an award that is payable in shares of our Common Stock that are restricted from transfer and subject to substantial risk of forfeiture, unless a special election is made by the holder of the award under the Internal Revenue Code, the holder must recognize ordinary income equal to the excess of (1) the fair market value of the shares received (determined as of the first time the shares become transferable or not subject to substantial risk of forfeiture, whichever occurs earlier) over (2) the amount (if any) paid for the shares by the holder of the award. The Company will generally be entitled at that time to an income tax deduction for the same amount.

Income Tax Deduction

Subject to the usual rules concerning reasonable compensation for U.S. employees, including the Company's obligation to withhold or otherwise collect certain income and payroll taxes, and assuming that, as expected, stock options, stock appreciation rights and certain other performance awards paid under the Amended and Restated Stock Plan are qualified performance-based compensation within the meaning of Section 162(m) of the Internal Revenue Code, the Company will generally be entitled to a corresponding income tax deduction at the time a participant recognizes ordinary income from awards made under the Amended and Restated Stock Plan.

Application of Section 16

Special rules may apply to individuals subject to Section 16 of the Exchange Act. In particular, unless a special election is made pursuant to the Internal Revenue Code, shares received through the exercise of a stock option or stock appreciation right may be treated as restricted as to transferability and subject to a substantial risk of forfeiture for a period of up to six months after the date of exercise. Accordingly, the amount of any ordinary income recognized and the amount of the Company's income tax deduction will be determined as of the end of that period.

Delivery of Shares for Tax Obligation

Under the Amended and Restated Stock Plan, the Committee may permit participants receiving or exercising awards, subject to the discretion of the Committee and upon such terms and conditions as it may impose, to deliver shares of our Common Stock (either shares received upon the receipt or exercise of the award or shares previously owned by the participant) to the Company to satisfy federal and state tax obligations.

PROPOSAL 3 RATIFICATION OF APPOINTMENT OF AUDITORS

Audit Committee Report

Pursuant to its charter, the Audit Committee of the Board of Directors is responsible for the appointment, compensation and oversight of the work of the Company's independent auditors. In the exercise of that authority, we, the members of the Audit Committee, determined to engage KPMG LLP to serve as the Company's independent auditors for the year ending December 2, 2006.

The Audit Committee of the Board is composed solely of independent directors who satisfy all applicable requirements of federal law, the listing standards of the New York Stock Exchange and the Company's Corporate Governance Guidelines. Except in our capacity as directors, no member of the Committee receives, directly or indirectly, any consulting, advisory or other compensatory fee from the Company, and no member is otherwise affiliated with the Company or any subsidiary, as such term is defined by applicable federal law and regulations. In addition to the foregoing, Mr. J. Michael Losh, Chair of the Committee and Mr. John C. van Roden, Jr., based upon their experience in the preparation and auditing of the financial statements of comparable companies and their understanding of generally accepted accounting principles, internal accounting controls and audit committee functions, are deemed to satisfy the requirements of an *audit committee financial expert* as such term is defined under applicable federal law and regulation.

Management is responsible for the financial reporting process, accounting principles, and internal controls and procedures designed to assure compliance with accounting standards and applicable law and regulation. Management represented to us that H.B. Fuller's consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States of America.

KPMG LLP, as H.B. Fuller's independent auditors for fiscal year 2005, was responsible for performing an independent audit of the consolidated financial statements in accordance with auditing standards generally accepted in the United States of America and to issue a report.

We have reviewed and discussed the audited consolidated financial statements with management and KPMG LLP. We have also discussed with KPMG LLP the matters required to be discussed by Statement on Auditing Standards No. 61 (Communications with Audit Committees), and they have discussed with us their independence and provided to us the written disclosure required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees).

Table of Contents

Based upon our discussions and our review of the representations of management and the report of the independent auditors, and in reliance upon such information, representations, reports and opinions, we recommended to the Board of Directors that the audited consolidated financial statements be included in H.B. Fuller's Annual Report on Form 10-K for the fiscal year ended December 3, 2005 filed with the SEC.

Fees to the Independent Auditor

The following table presents fees for professional services provided by KPMG LLP for the audit, audit-related, tax and all other services rendered to us and our affiliates for the 2004 and 2005 fiscal years.

	<u>2005</u>	<u>2004</u>
Audit Fees	\$ 2,471,000	\$ 1,991,000
Audit-Related Fees	\$ 188,000	\$ 330,000
Tax Fees	\$ 46,000	\$ 63,000
All Other Fees	\$ 0	\$ 0

Audit Fees: includes fees and expenses billed and to be billed for (i) the audit of the consolidated financial statements included in our annual report on Form 10-K, (ii) the audit of the effectiveness of our internal control over financial reporting, (iii) reviews of the interim consolidated financial information included in our quarterly reports on Form 10-Q, (iv) statutory audits of certain international subsidiaries, (v) consultations concerning financial accounting and reporting and (vi) reviews of documents filed with the Securities and Exchange Commission and consents.

For fiscal year 2004, we paid KPMG LLP \$60,000 for tax compliance services and \$3,000 for tax planning advice. For fiscal year 2005, we paid KPMG LLP \$46,000 for tax compliance services. There were no fiscal year 2005 tax planning advice charges.

All Other Fees: includes fees and expenses associated with miscellaneous non-audit projects. There were no All Other Fees paid to KPMG LLP in fiscal years 2004 and 2005.

The Audit Committee has in place procedures to pre-approve all audit, audit-related, tax and other permissible services provided to us by our independent auditors. We have a policy of avoiding the engagement of our independent auditors except for audit, audit-related and tax compliance services. The Audit Committee has delegated to one or more of its members pre-approval

authority with respect to permitted services, and receives a regular report from management on all such services provided to us by our independent auditors.

Proposal

The Audit Committee has appointed KPMG LLP, certified public accountants, as our independent auditor for the fiscal year ending December 2, 2006, subject to Shareholder approval. KPMG LLP first acted as our independent auditor during the fiscal year ended November 27, 2004. If the Shareholders, by an affirmative vote of a majority of our shares of Common Stock represented and entitled to vote at

Table of Contents

the annual meeting, do not ratify the Audit Committee's appointment of KPMG LLP as our independent auditor, the Audit Committee intends to reconsider that appointment. However, because of the difficulty and expense of making any change in independent auditors so long after the beginning of the current fiscal year, it is likely that the appointment would stand for fiscal year 2006 unless there were compelling reasons for making an immediate change.

Representatives of KPMG LLP will be present at the meeting and will have the opportunity to make a statement if they desire to do so and to respond to appropriate questions from Shareholders.

We will vote your shares as you specify when providing your proxy. If you submit your proxy without voting instructions, we will vote your shares FOR the ratification of the appointment of KPMG LLP.

The affirmative vote of a majority of the outstanding shares of Common Stock represented and entitled to vote on this matter is required to approve this proposal.

**The Board of Directors recommends a vote FOR
ratification of the appointment of KPMG LLP.**

EXECUTIVE COMPENSATION

Compensation Committee Report on Executive Compensation

Introduction. The Compensation Committee of the Board of Directors establishes, monitors and administers compensation policies and plans in an effort to ensure the Company's ability to attract, retain and motivate qualified directors and executive officers. We, the members of the Compensation Committee, review and approve base salary, short-term incentives and long-term incentives for the Chief Executive Officer and the executive officers who report to the Chief Executive Officer. Each year, we review national and regional compensation surveys to determine and establish competitive levels of compensation. Certain of these surveys include comparable companies from the specialty chemical peer group referred to in the Total Shareholder Return Graph in this Proxy Statement. From time to time, we also hire experienced outside consultants to review our compensation programs. The purpose of these reviews is to satisfy ourselves that H.B. Fuller's compensation programs meet our goals.

Compensation of the Chief Executive Officer. As the Company's chief executive officer, Mr. Stroucken's total compensation package is designed to be competitive with compensation provided to chief executive officers at chemical manufacturing and allied products companies with total revenues comparable to our net revenues. Since coming to the Company in 1998, Mr. Stroucken's employment compensation has been governed by his employment agreement. His original employment agreement was replaced by a new employment agreement during fiscal year 2004. Mr. Stroucken's employment agreement is described under the heading, "Executive Compensation Employment Agreements" in this Proxy Statement and is filed with the SEC. Since the components of Mr. Stroucken's total compensation package (base salary, short-term incentives, stock-based incentives and performance unit awards) are the same as those for all other executives, the specifics of his fiscal year 2005 compensation are discussed under each heading.

Compensation for Fiscal Year 2005

Base Salary. Generally, base salary reflects an executive's job grade. Job grades are set to reflect the complexity and importance of a position as well as the market rate paid for such positions. Merit increases in base salary are tied to annual performance reviews and are generally subject to salary ranges based on market surveys of companies with total revenues comparable to H.B. Fuller's net revenues. We review and consider the annual performance of and proposed merit increase for the Chief Executive Officer and each executive officer who reports to the Chief Executive Officer. For fiscal year 2005, the budget guideline for base salary merit increases was an average of 3.0%. Base salary merit increases for executives named in this Proxy Statement (other than the Chief Executive Officer) averaged 4.375% for fiscal year 2005. We increased Mr. Stroucken's base salary 3.0% from fiscal 2004 to 2005.

Short-Term Incentive Awards. Consistent with our overall philosophy and objectives, aggregate short-term incentive awards are set for each executive so that the expected payout at *target* performance levels, together with the executive's base salary, would result in base salary and short-term incentive compensation equal to competitive market levels of such compensation for similar positions at comparable companies. Under the Company's short-term incentive program, the *target* award opportunity for each executive named in this Proxy Statement (other than the Chief Executive Officer) ranged from 41% to 56% of base salary for fiscal 2005. The *maximum* opportunity ranged from 62% to 84% of base salary. Mr. Stroucken's *target* award opportunity was 90% of his base salary for fiscal year 2005, with a *maximum* opportunity of 180% of his base salary.

Edgar Filing: FULLER H B CO - Form DEF 14A

Pursuant to the Company's Annual and Long-Term Incentive Plan, the pool of available funds for short-term incentive awards for fiscal year 2005 was based on the Company's net operating income. In addition, the actual amount of each short-term award in 2005 was based in part upon a subjective evaluation of each executive's performance. In fiscal 2005, the Company

Table of Contents

exceeded the established financial objectives for short-term incentive awards under the Annual and Long-Term Incentive Plan. Therefore, we determined to pay short-term incentive awards to the named executive officers in the amounts indicated in the Summary Compensation Table set forth in this Proxy Statement. The executives named in this Proxy Statement (other than the Chief Executive Officer) received a short-term incentive award ranging from 62% to 84% of base salary for 2005. For fiscal year 2005, Mr. Stroucken received 128% of his base salary as a short-term incentive award. In addition, during fiscal 2005, Mr. Volpi was paid the last installment of an incentive award granted to him in fiscal 2004 in the amount of \$12,667.

Stock-Based Incentive Awards. We believe that ownership of H.B. Fuller Common Stock by executives encourages long-term, strategic decision-making that is aligned with the balanced best interests of the Company's constituents. Goals for recommended levels of executive stock ownership were established several years ago. An executive's stock ownership goal ranges in dollar amount from one to five times their annual salary, depending on job grade. To foster stock ownership by executives, in fiscal 2005, the long-term incentive program was entirely stock-based and included annual grants of restricted stock, restricted stock units and non-qualified stock options. The aggregate amount of these long-term incentive awards was set for executives so that the expected payout would result in compensation equal to competitive market levels of such compensation for similar positions at comparable companies. For detailed information regarding the stock options awarded to Mr. Stroucken and the other executives named in this Proxy Statement for fiscal 2005, please refer to the table under the heading "Option Grants in Last Fiscal Year" in this Proxy Statement. The awards of restricted stock and restricted stock units made to Mr. Stroucken and the other executives named in this Proxy Statement for fiscal year 2005 are included in the amounts set forth in the share ownership table under the heading "Security Ownership of Certain Beneficial Owners and Management" in this Proxy Statement.

Stock-based awards are authorized by the Company's Year 2000 Stock Incentive Plan (the "2000 Plan"). In consideration of the limited number of shares remaining available for awards under the 2000 Plan, the Board of Directors of the Company adopted, upon recommendation of the Compensation Committee, amendments to the 2000 Plan (the "Amended 2000 Plan"), subject to shareholder approval. See "Proposal to Approve the Amended and Restated Year 2000 Stock Incentive Plan" in this Proxy Statement. We believe that the continuation of stock-based incentives is essential to implementing our compensation philosophy that a significant part of the executive officers' compensation should be at risk and linked to the interests of the Company's shareholders.

Performance Units. From fiscal 1999 and through fiscal 2004, we granted cash-based performance units as part of the Company's long-term incentive award program. There are currently two outstanding performance unit awards—the annual awards granted in fiscal years 2003 and 2004. Each annual award of performance units specifies a three-year measurement period for determining the amount to be paid with respect to each award. For example, the performance units awarded in fiscal year 2004 are based upon the Company's performance from 2004 through 2006. The performance measurement for the performance units awarded in fiscal year 2003 compares the Company's percentage improvement in return on invested capital against a peer group of companies. These peer companies are identified under the Total Shareholder Return Graph in this Proxy Statement. The same performance measure was originally used for the performance units awarded in fiscal year 2004. However, during fiscal 2005, we amended the performance unit awards that were granted in fiscal 2004 to change the performance measurement under such awards from "return on invested capital" to "total shareholder return."

In December 2004, we decided to replace the performance unit program with restricted stock or restricted stock unit grants made under the Company's stock-based incentive program as described above. Therefore, no performance units were granted during fiscal 2005.

The performance units granted in fiscal 2002 had a three-year measuring period covering fiscal years 2002-2004. After the date of last year's Proxy Statement, it was determined that the

Table of Contents

Company's performance fell slightly short of the requirements for a payment of the target incentive for the fiscal year 2002-2004 measuring period. However, due to the Company's favorable performance during the measuring period as compared to many of the peer companies, we determined to pay the participants an award equal to 50% of the target award under the 2002-2004 performance unit plan. Mr. Feenan, who was not a participant under the 2002-2004 performance unit plan, also received a similar award payment. The amount of these awards to each of the named executive officers in this Proxy Statement is indicated in the Summary Compensation Table set forth in this Proxy Statement. As of the date of this Proxy Statement, we are not yet able to calculate the amount, if any, for the fiscal year 2003-2005 measuring period. If any amount is paid for the fiscal year 2003-2005 period, it will be disclosed in next year's Proxy Statement.

Deductibility of Executive Compensation. Section 162(m) of the Internal Revenue Code generally limits the tax deductibility of compensation paid by a public company, like H.B. Fuller, to its chief executive officer and other executive officers. We consider the deductibility of compensation arrangements in executive compensation decisions, but deductibility is not the only factor used in determining the appropriate level of compensation. The Company's Annual and Long Term Incentive Plan and the Company's Year 2000 Stock Incentive Plan have each been approved by our Shareholders as required by Section 162(m). Therefore, cash incentive awards and compensation attributable to stock options and other stock-based awards under these plans may be tax deductible. The Company is seeking shareholder approval of the Amended 2000 Plan, as required by Section 162(m), so that compensation attributable to stock options and certain other awards granted under the Amended 2000 Plan may be tax deductible. We, along with the Company, will continue to evaluate the Company's compensation plans and programs in view of the Section 162(m) limitations.

Independence. No member of the Compensation Committee is a current or former employee of the Company. The membership of the Committee satisfies all applicable requirements for a corporation listed on the New York Stock Exchange (the "NYSE") and all members are considered *independent* as that term has been defined by the NYSE and the Company's Corporate Governance Guidelines.

Conclusion. We believe that the policies and programs described in the report maintain an appropriate balance between motivating achievement of short-term goals and strategically leading the Company in a direction to provide long-term success and therefore serve the interests of the Shareholders and the Company.

The restricted Common Stock and the restricted Common Stock units vest in the event of change of control of the Company. Dividends are paid on restricted Common Stock and then reinvested in additional shares of restricted Common Stock. Dividend equivalents accrue with respect to restricted Common Stock units at the same rate as dividends are paid on Common Stock, and the dividend equivalents are then credited as additional restricted Common Stock units. Retirement Plans

H.B. Fuller's Retirement Plan is a defined benefit, tax qualified plan that provides benefits for U.S. employees and is sometimes referred to as a pension plan. Employees do not make contributions to this plan. The plan provides an annual benefit equal to a percentage of the employee's average annual compensation (including short term incentive compensation up to the annual IRS limit) during the highest five years of compensation in the final ten years of an employee's service, based on the employee's length of service with the Company.

We have established a Supplemental Executive Retirement Plan to provide additional benefits to executives who may be affected by limits that are imposed by the Internal Revenue Code and the Employee Retirement Income Security Act of 1974 on the amount of benefits that may be paid from tax qualified pension plans. This supplemental plan provides an annual benefit equal to a percentage of the executive's average annual compensation (including short term incentive compensation) during the highest five years of compensation in the final ten years of an executive's service, based on the executive's length of service with the Company. This supplemental amount is offset by retirement income from certain other sources. The supplemental plan is an unfunded plan. However, we have placed funds in a trust that is intended to provide plan benefits. The funds are subject to the claims of our creditors.

The following table shows the estimated annual benefits on a straight-line annuity basis payable to the executives listed in the Summary Compensation Table who have 15 or more years of credited service upon normal retirement (age 65 or later) under the pension plan and the Supplemental Executive Retirement Plan. In accordance with the plans, the annual compensation considered in determining the benefits payable to any executive is the salary and short-term incentive compensation disclosed in the Summary Compensation Table.

Table of Contents***Key Employee Deferred Compensation Plan***

H.B. Fuller's Key Employee Deferred Compensation Plan permits eligible employees to defer annually a portion of their base salary and any annual incentive payment or payments made under outstanding performance units. Deferred compensation is payable on the earlier of the participant's termination of employment, reaching age 65, disability, death or the date(s) for payment selected by the participant or as required by law. Amounts deferred under the plan are credited with interest based on the prime rate, or gains and losses based on the performance of certain mutual funds or H.B. Fuller Common Stock, all as elected by the participant. If a participant elects to defer amounts to the H.B. Fuller Common Stock account, we make a matching contribution equal to 10% of the value of such amount. We also make matching contributions to a participant's stock account to restore certain matching contributions under the H.B. Fuller Thrift Plan (a 401(k) plan) that are limited by tax regulations. The value of these matching contributions is disclosed in the Summary Compensation Table. In addition, the Compensation Committee may make discretionary contributions to a participant's Common Stock account under this plan. For fiscal year 2005, no discretionary grants were made to any executives listed in the Summary Compensation Table.

Employment Agreements

Albert P.L. Stroucken. Mr. Stroucken's employment as President and Chief Executive Officer of the Company is governed by the terms of an employment agreement dated March 30, 2004. This agreement was negotiated during the 2004 fiscal year and replaced Mr. Stroucken's prior employment agreement with us dated April 16, 1998. The new employment agreement addresses Mr. Stroucken's base salary, annual and long-term incentive compensation, specified perquisites and participation in our employee benefit plans. The term of the employment agreement is for a period of three years terminating on March 31, 2007. The agreement provides for a base salary of \$779,000 per annum and the right to participate in the Company's annual incentive compensation plan under which Mr. Stroucken has the opportunity to earn up to 150% of his base salary during each applicable year. Pursuant to the agreement, Mr. Stroucken was also granted 8,334 shares of restricted common stock of the Company, which shares are included in the amounts set forth in the share ownership table under the heading "Security Ownership of Certain Beneficial Owners and Management" in this Proxy Statement. The agreement also provides that Mr. Stroucken will be entitled to participate in our retirement and welfare benefit plans and to receive other benefits and perquisites as may be available generally to executives and employee directors of the Company. Mr. Stroucken's new employment agreement is filed with the SEC and can be reviewed by any Shareholder at [www.hbfuller.com/Investor Relations/SEC Filings](http://www.hbfuller.com/Investor%20Relations/SEC%20Filings).

Pursuant to Mr. Stroucken's employment agreement, in the event of Mr. Stroucken's death or disability during the term of the agreement, we agree to pay his spouse or estate for the following three years an annual amount equal to the sum of his average base salary during the two years preceding his death or disability plus his average annual bonus during the preceding two years. We will pay a similar amount for three years following his termination of employment if we terminate his employment without cause, Mr. Stroucken terminates his employment for good reason (as defined in the agreement), or his employment terminates on March 31, 2007. In addition, unvested restricted stock awarded under the employment agreement or any stock options outstanding on the death, disability or termination immediately vest in full. Also, in the event of Mr. Stroucken's death, disability or termination of employment without cause or for good reason, we will provide him and/or his spouse with (a) certain retirement and welfare benefits and certain perquisites during the following three-year period, (b) health insurance coverage for the lifetime of Mr. Stroucken and/or his spouse, and (c) credit to Mr. Stroucken of an additional five years of age and service for purposes of his participation in, and calculation of his benefits under, our Supplemental Executive Retirement Plan. Pursuant to the terms of his agreement, Mr. Stroucken is prohibited from disclosing confidential information and engaging in certain activities competitive with us for a period following his employment with the Company.

Table of Contents

Mr. Stroucken's employment agreement contains provisions that may trigger a lump-sum payment in the event of a change in control of the Company. This payment is triggered if, within three years after a change in control, Mr. Stroucken is disabled, we terminate Mr. Stroucken's employment without cause, or Mr. Stroucken terminates his employment for good reason (as defined in the agreement). The payment is equal to three times the sum of Mr. Stroucken's base salary plus his target annual incentive compensation in effect immediately prior to the change in control. In addition, unvested restricted stock awarded under the employment agreement or any stock options outstanding immediately prior to the change in control will vest in full and we will provide Mr. Stroucken with certain retirement and welfare benefits and certain perquisites for a three-year period following the termination of employment. We will adjust these payments and benefits in the event that they are subject to an excise tax imposed by the Internal Revenue Code and do not exceed 330% of Mr. Stroucken's base amount. Under these circumstances, the payments and benefits will be adjusted so that the amount of the payments equals 299% of the base amount, which is the maximum amount that can be paid without imposition of an excise tax. In the event that the payments and benefits are subject to an excise tax and exceed 330% of Mr. Stroucken's base amount, we have agreed to reimburse Mr. Stroucken for the amount of the excise tax and for any taxes imposed upon the reimbursement.

Other Executive Officers. We have agreements with Mr. Feenan, Mr. Large and Mr. Volpi that prohibit disclosure of confidential information and prohibit each of them from competing with us for a period of time after termination of employment. In addition, in September 2003, we entered into an employment agreement with Mr. Fuster that set the term of his employment and his compensation and benefits during his employment period. The employment agreement prohibited disclosure of confidential information and prohibited him from competing with us for a period of two years after termination of his employment. Mr. Fuster retired from the Company at the end of the employment term effective January 3, 2006.

Change in Control Arrangements

We have a change in control arrangement with each of Mr. Feenan, Mr. Large and Mr. Volpi. (Mr. Stroucken's arrangement is described above). The initial three-year term of these agreements automatically extends for an additional year on each subsequent anniversary of the agreement, unless our Board of Directors gives notice of non-renewal prior to an anniversary date. A protected period of 24 months follows each and every change in control of the Company under the terms of these agreements. If during this protected period, we terminate the executive's employment for any reason other than cause or disability, or the executive terminates his or her employment for good reason (as defined in the agreement), the executive is entitled to receive a lump sum payment from us. The payment is equal to three times the sum of the executive's highest base salary, on an annualized basis, established by us during the period commencing three months prior to the occurrence of the change in control and ending on the date of the executive's termination of employment plus the executive's target annual incentive compensation established by us and in effect immediately prior to the change in control. In addition, the executive is entitled to medical and dental benefits and certain perquisites for a three-year period following the termination of employment. We will adjust the payments and benefits in the event that they are subject to an excise tax imposed by the Internal Revenue Code and do not exceed 330% of the executive's base amount. Under these circumstances, the payments and benefits will be adjusted so that the amount of the payments equals 299% of the base amount, which is the maximum amount that can be paid without imposition of an excise tax. In the event that the payments and benefits are subject to an excise tax and exceed 330% of the executive's base amount, we have agreed to reimburse the executive for the amount of the excise tax and for any taxes imposed upon the reimbursement. Our change in control arrangement with Mr. Fuster terminated upon his retirement effective January 3, 2006.

Table of Contents

We have other compensatory arrangements with our executives that will result from a change in control. Our Supplemental Executive Retirement Plan provides that if within three years after a change in control, we terminate a participant's employment without cause or the participant terminates his or her employment for good reason (as defined in this plan), or if the participant terminates his or her employment for any reason during the 90-day period following the first anniversary of the change in control, then five years shall be added to both the participant's age and years of credited service for purposes of determining benefits under this plan. If a participant's employment terminates as described above and the participant is not entitled to a benefit under the supplemental retirement plan, then the participant will be paid an annual benefit equal to 25% of his or her final average compensation, regardless of age or years of credited service.

In addition, in the event of a change in control, all shares of restricted stock, all restricted stock units and any unvested stock options outstanding under our stock incentive plans immediately vest in full.

Executive Stock Purchase Loan Program

In July 2000, the Board of Directors adopted the Executive Stock Purchase Loan Program. Under the program, we arranged for U.S. Bank to provide full-recourse, personal loans to eligible management employees to purchase shares of H.B. Fuller Common Stock in the open market. Each eligible employee was allowed to obtain a loan equal to the dollar amount of the participant's stock ownership goal plus capitalization of interest for the term of the loan. An executive's stock ownership goal ranges in dollar amount from one to five times his or her annual salary, depending on the executive's position with us. The loans bear interest at the Applicable Federal Rate and mature in five years, with principal and interest due at that time. The loans are guaranteed by H.B. Fuller only in the event of the participant's default. We pay the premiums on a term life insurance policy for each participant in an amount necessary to repay the outstanding loan in the event of the participant's death. We also pay the administrative fees and expenses of the program. On December 3, 2005, one active management employee participated in the program and the aggregate amount of loans outstanding under the program for that employee on December 3, 2005 was \$37,176. As of December 3, 2005, none of the executives listed in the Summary Compensation Table participated in the Executive Stock Purchase Loan Program.

This program ended during fiscal year 2001. In accordance with applicable law, the Company will not extend, directly or indirectly, any similar loans in the future.

price of Options or Stock Appreciation Rights previously awarded to any Participant, whether through amendment, cancellation and replacement grant, or any other means; (vi) accelerate the exercisability of any Award or the lapse of restrictions relating to any Award; (vii) determine whether, to what extent and under what circumstances Awards may be exercised in cash, Shares, other securities, other Awards or other property, or canceled, forfeited or suspended; (viii) determine whether, to what extent and under what circumstances cash, Shares, promissory notes, other securities, other Awards, other property and other amounts payable with respect to an Award under the Plan shall be deferred either automatically or at the election of the holder thereof or the Committee; (ix) interpret and administer the Plan and any instrument or agreement, including an Award Agreement, relating to the Plan; (x) establish, amend, suspend or waive such rules and regulations and appoint such agents as it shall deem appropriate for the proper administration of the Plan; and (xi) make any other determination and take any other action that the Committee deems necessary or desirable for the administration of the Plan. Unless otherwise expressly provided in the Plan, all designations, determinations, interpretations and other decisions under or with respect to the Plan or any Award shall be within the sole discretion of the Committee, may be made at any time and shall be final, conclusive and binding upon any Participant, any holder or beneficiary of any Award and any employee of the Company or any Affiliate.

(b) Delegation. The Committee may delegate its powers and duties under the Plan to one or more Directors (including a Director who is also an officer of the Company) or a committee of Directors, subject to such terms, conditions and limitations as the Committee may establish in its sole discretion; provided, however, that the Committee shall not delegate its powers and duties under the Plan (i) with regard to officers or Directors of the Company or any Affiliate who are subject to Section 16 of the Securities Exchange Act of 1934, as amended, or (ii) in such a manner as would cause the Plan not to comply with the requirements of Section 162(m) of the Code.

(c) Power and Authority of the Board of Directors. Notwithstanding anything to the contrary contained herein, the Board may, at any time and from time to time, without any further action of the Committee, exercise the powers and duties of the Committee under the Plan.

Section 4. Shares Available for Awards.

(a) Shares Available. Subject to adjustment as provided in Section 4(c) of the Plan, the aggregate number of Shares that may be issued under all Awards under the Plan shall be 5,200,000. Shares to be issued under the Plan may be either authorized but unissued Shares or Shares acquired in the open market or otherwise. If any Shares covered by an Award or to which an Award relates are not purchased or are forfeited, or if an Award otherwise terminates without delivery of any Shares, then the number of Shares counted against the aggregate number of Shares available under the Plan with respect to such Award, to the extent of any such forfeiture or termination, shall again be available for granting Awards under the Plan. Shares that are tendered by a Participant or withheld by the Company as full or partial payment to the Company of the purchase or exercise price relating to an Award or to satisfy tax withholding obligations relating to an Award shall not be available for future grants under the Plan. In addition, if Stock Appreciation Rights are settled in Shares upon exercise, the aggregate number of Shares subject to the Award rather than the number of Shares actually issued upon exercise shall be counted against the number of Shares authorized under the Plan.

(b) Accounting for Awards. For purposes of this Section 4, if an Award entitles the holder thereof to receive or purchase Shares, the number of Shares covered by such Award or to which such Award relates shall be counted on the date of grant of such Award against the aggregate number of Shares available for granting Awards under the Plan.

(c) Adjustments. In the event that the Committee shall determine that any dividend or other distribution (whether in the form of cash, Shares, other securities or other property),

recapitalization, stock split, reverse stock split, reorganization, merger, consolidation, split-up, spin-off, combination, repurchase or exchange of Shares or other securities of the Company, issuance of warrants or other rights to purchase Shares or other securities of the Company or other similar corporate transaction or event affects the Shares such that an adjustment is determined by the Committee to be appropriate in order to prevent dilution or enlargement of the benefits or potential benefits intended to be made available under the Plan, then the Committee shall, in such manner as it may deem equitable, adjust any or all of (i) the number and type of Shares (or other securities or other property) that thereafter may be made the subject of Awards, (ii) the number and type of Shares (or other securities or other property) subject to outstanding Awards and (iii) the purchase or exercise price with respect to any Award; provided, however, that the number of Shares covered by any Award or to which such Award relates shall always be a whole number.

(d) Award Limitations Under the Plan.

(i) Section 162(m) Limitation for Certain Types of Awards. No Participant may be granted Options, Stock Appreciation Rights or any other Award or Awards under the Plan, the value of which Award or Awards is based solely on an increase in the value of the Shares after the date of grant of such Award or Awards, for more than 300,000 Shares (subject to adjustment as provided for in Section 4(c) of the Plan) in the aggregate in any calendar year. The foregoing annual limitation specifically includes the grant of any Award or Awards representing qualified performance-based compensation within the meaning of Section 162(m) of the Code.

(ii) Plan Limitation on Restricted Stock, Restricted Stock Units, Performance Awards and Other Stock-Based Awards. No more than 750,000 Shares (subject to adjustment as provided in Section 4(c) of the Plan) shall be available under the Plan for issuance pursuant to grants of Restricted Stock, Restricted Stock Units, Performance Awards and Other Stock-Based Awards; provided, however, that Shares subject to such Awards that terminate, lapse or are cancelled or forfeited shall again be available for grants of Restricted Stock, Restricted Stock Units, Performance Awards and Other Stock-Based Awards for purposes of this limitation on grants of such Awards.

(iii) Limitation of Incentive Stock Options. The number of Shares available for granting Incentive Stock Options under the Plan shall not exceed 3,000,000 Shares, subject to adjustment as provided in the Plan and subject to the provisions of Section 422 or 424 of the Code or any successor provision.

Section 5. Eligibility.

Any Eligible Person shall be eligible to be designated a Participant. In determining which Eligible Persons shall receive an Award and the terms of any Award, the Committee may take into account the nature of the services rendered by the respective Eligible Persons, their present and potential contributions to the success of the Company or such other factors as the Committee, in its discretion, shall deem relevant. Notwithstanding the foregoing, an Incentive Stock Option may only be granted to full-time or part-time employees (which term as used herein includes, without limitation, officers and Directors who are also employees), and an Incentive Stock Option shall not be granted to an employee of an Affiliate unless such Affiliate is also a subsidiary corporation of the Company within the meaning of Section 424(f) of the Code or any successor provision.

Section 6. Awards.

(a) Options. The Committee is hereby authorized to grant Options to Eligible Persons with the following terms and conditions and with such additional terms and conditions not inconsistent with the provisions of the Plan as the Committee shall determine:

(i) Exercise Price. The purchase price per Share purchasable under an Option shall be determined by the Committee; provided, however, that such purchase price shall not be less than 100% of the Fair Market Value of a Share on the date of grant of such Option.

(ii) Option Term. The term of each Option shall be fixed by the Committee but shall not be longer than 10 years from the date of grant.

(iii) Time and Method of Exercise. The Committee shall determine the time or times at which an Option may be exercised in whole or in part and the method or methods by which, and the form or forms (including, without limitation, cash, Shares, other securities, other Awards or other property, or any combination thereof, having a Fair Market Value on the exercise date equal to the applicable exercise price) in which, payment of the exercise price with respect thereto may be made or deemed to have been made.

(b) Stock Appreciation Rights. The Committee is hereby authorized to grant Stock Appreciation Rights to Eligible Persons subject to the terms of the Plan and any applicable Award Agreement. A Stock Appreciation Right granted under the Plan shall confer on the holder thereof a right to receive upon exercise thereof the excess of (i) the Fair Market Value of one Share on the date of exercise (or, if the Committee shall so determine, at any time during a specified period before or after the date of exercise) over (ii) the grant price of the Stock Appreciation Right as specified by the Committee, which price shall not be less than 100% of the Fair Market Value of one Share on the date of grant of the Stock Appreciation Right. Subject to the terms of the Plan and any applicable Award Agreement, the grant price, term, methods of exercise, dates of exercise, methods of settlement and any other terms and conditions of any Stock Appreciation Right shall be as determined by the Committee. The Committee may impose such conditions or restrictions on the exercise of any Stock Appreciation Right as it may deem appropriate.

(c) Restricted Stock and Restricted Stock Units. The Committee is hereby authorized to grant Restricted Stock and Restricted Stock Units to Eligible Persons with the following terms and conditions and with such additional terms and conditions not inconsistent with the provisions of the Plan as the Committee shall determine:

(i) Restrictions. Shares of Restricted Stock and Restricted Stock Units shall be subject to such restrictions as the Committee may impose (including, without limitation, a waiver by the Participant of the right to vote or to receive any dividend or other right or property with respect thereto), which restrictions may lapse separately or in combination at such time or times, in such installments or otherwise as the Committee may deem appropriate.

(ii) Issuance and Delivery of Shares. Any Restricted Stock granted under the Plan shall be issued at the time such Awards are granted and may be evidenced in such manner as the Committee may deem appropriate, including book-entry registration or issuance of a stock certificate or certificates, which certificate or certificates shall be held by the Company or held in nominee name by the stock transfer agent or brokerage service selected by the Company to provide such services for the Plan. Such certificate or

Edgar Filing: FULLER H B CO - Form DEF 14A

certificates shall be registered in the name of the Participant and shall bear an appropriate legend referring to the restrictions applicable to such Restricted Stock. Shares representing Restricted Stock that is no longer subject to restrictions shall be delivered to the Participant promptly after the applicable restrictions lapse or are waived. In the case of Restricted Stock Units, no Shares shall be issued at the time such Awards are granted. Upon the lapse or waiver of restrictions and the restricted period relating to Restricted Stock Units evidencing the right to receive Shares, such Shares shall be issued and delivered to the holder of the Restricted Stock Units.

(iii) Forfeiture. Except as otherwise determined by the Committee, upon a Participant's termination of employment (as determined under criteria established by the Committee) during the applicable restriction period, all Shares of Restricted Stock and all Restricted Stock Units held by the Participant at such time shall be forfeited and reacquired by the Company; provided, however, that the Committee may, when it finds that a waiver would be in the best interest of the Company, waive in whole or in part any or all remaining restrictions with respect to Shares of Restricted Stock or Restricted Stock Units.

(d) Performance Awards. The Committee is hereby authorized to grant Performance Awards to Eligible Persons subject to the terms of the Plan and any applicable Award Agreement. A Performance Award granted under the Plan (i) may be denominated or payable in cash, Shares (including, without limitation, Restricted Stock and Restricted Stock Units), other securities, other Awards or other property and (ii) shall confer on the holder thereof the right to receive payments, in whole or in part, upon the achievement of such performance goals during such performance periods as the Committee shall establish. Subject to the terms of the Plan and any applicable Award Agreement, the performance goals to be achieved during any performance period, the length of any performance period, the amount of any Performance Award granted, the amount of any payment or transfer to be made pursuant to any Performance Award and any other terms and conditions of any Performance Award shall be determined by the Committee.

(e) Dividend Equivalents. The Committee is hereby authorized to grant to Eligible Persons Dividend Equivalents under which the Participant shall be entitled to receive payments (in cash, Shares, other securities, other Awards or other property as determined in the discretion of the Committee) equivalent to the amount of cash dividends paid by the Company to holders of Shares with respect to a number of Shares determined by the Committee, provided, however, that no Dividend Equivalents shall be provided or granted with respect to any Option or Stock Appreciation Right Awards. Subject to the terms of the Plan and any applicable Award Agreement, such Dividend Equivalents may have such terms and conditions as the Committee shall determine.

(f) Other Stock-Based Awards. The Committee is hereby authorized to grant to Eligible Persons, subject to the terms of the Plan and any applicable Award Agreement, such other Awards that are denominated or payable in, valued in whole or in part by reference to, or otherwise based on or related to, Shares (including, without limitation, securities convertible into Shares), as are deemed by the Committee to be consistent with the purpose of the Plan. Without limiting the generality of the foregoing, the Committee is specifically authorized to grant to Eligible Persons Shares without restrictions thereon, as deemed by the Committee to be consistent with the purpose of the Plan, including Shares issuable pursuant to any of the Company's other compensation or deferred compensation plans. Shares or other securities delivered pursuant to a purchase right granted under this Section 6(f) shall be purchased for such consideration, which may be paid by such method or methods and in such form or forms (including, without limitation, cash, Shares, other securities, other Awards or other property, or any combination thereof), as the Committee shall determine, the value of which consideration, as established by the Committee, shall not be less than 100% of the Fair Market Value of such Shares or other securities as of the date such purchase right is granted.

(g) General.

(i) No Cash Consideration for Awards. Awards shall be granted for no cash consideration or for such minimal cash consideration as may be required by applicable law.

(ii) Awards May Be Granted Separately or Together. Awards may, in the discretion of the Committee, be granted either alone or in addition to, in tandem with or in substitution for any other Award or any award granted under any plan of the Company or any Affiliate other than the Plan. Awards granted in addition to or in tandem with other Awards or in addition to or in

Table of Contents

tandem with awards granted under any such other plan of the Company or any Affiliate may be granted either at the same time as or at a different time from the grant of such other Awards or awards.

(iii) Forms of Payment under Awards. Subject to the terms of the Plan and any applicable Award Agreement, payments or transfers to be made by the Company or an Affiliate upon the grant, exercise or payment of an Award may be made in such form or forms as the Committee shall determine (including, without limitation, cash, Shares, other securities, other Awards or other property, or any combination thereof) and may be made in a single payment or transfer, in installments or on a deferred basis, in each case in accordance with rules and procedures established by the Committee. Such rules and procedures may include, without limitation, provisions for the payment or crediting of reasonable interest on installment or deferred payments or the grant or crediting of Dividend Equivalents with respect to installment or deferred payments.

(iv) Limits on Transfer of Awards. No Award and no right under any such Award shall be transferable by a Participant other than by will or by the laws of descent and distribution; provided, however, that, if so determined by the Committee, a Participant may, in the manner established by the Committee, transfer Options (other than Incentive Stock Options) or designate a beneficiary or beneficiaries to exercise the rights of the Participant and receive any property distributable with respect to any Award upon the death of the Participant. Each Award or right under any Award shall be exercisable during the Participant's lifetime only by the Participant (except as otherwise provided in an Award Agreement or amendment thereto relating to a Non-Qualified Stock Option pursuant to terms determined by the Committee) or, if permissible under applicable law, by the Participant's guardian or legal representative. No Award or right under any such Award may be sold or transferred for value, pledged, alienated, attached or otherwise encumbered, and any purported sale, transfer, pledge, alienation, attachment or encumbrance thereof shall be void and unenforceable against the Company or any Affiliate.

(v) Term of Awards. The term of each Award shall be for a period not to exceed 10 years from the date of grant.

(vi) Restrictions: Securities Exchange Listing. All Shares or other securities delivered under the Plan pursuant to any Award or the exercise thereof shall be subject to such restrictions as the Committee may deem advisable under the Plan, applicable federal or state securities laws and regulatory requirements, and the Committee may cause appropriate entries to be made or legends to be placed on the certificates for such Shares or other securities to reflect such restrictions. If the Shares or other securities of the Company are traded on a securities exchange, the Company shall not be required to deliver any Shares or other securities covered by an Award unless and until such Shares or other securities have been admitted for trading on such securities exchange.

Section 7. Amendment and Termination: Adjustments

(a) Amendments to the Plan. The Board of Directors of the Company may amend, alter, suspend, discontinue or terminate the Plan; provided, however, that, notwithstanding any other provision of the Plan or any Award Agreement, prior approval of the shareholders of the Company shall be required for any amendment to the Plan that:

(i) requires shareholder approval under the rules or regulations of the Securities and Exchange Commission, the New York Stock Exchange, any other securities exchange or the National Association of Securities Dealers, Inc. that are applicable to the Company;

(ii) permits repricing of Options or Stock Appreciation Rights which is prohibited by Section 3(a)(v) of the Plan;

(iii) increases the number of shares authorized under the Plan as specified in Section 4(a); or

(iv) permits the award of Options or Stock Appreciation Rights at a price less than 100% of the Fair Market Value of a Share on the date of grant of such Option or Stock Appreciation Right, as prohibited by Sections 6(a)(i) and 6(b)(ii) of the Plan.

(b) Amendments to Awards. Subject to the provisions of the Plan, the Committee may waive any conditions of or rights of the Company under any outstanding Award, prospectively or retroactively. Except as otherwise provided herein or in an Award Agreement, the Committee may not amend, alter, suspend, discontinue or terminate any outstanding Award, prospectively or retroactively, if such action would adversely affect the rights of the holder of such Award, without the consent of the Participant or holder or beneficiary thereof.

(c) Correction of Defects, Omissions and Inconsistencies. The Committee may correct any defect, supply any omission or reconcile any inconsistency in the Plan or any Award in the manner and to the extent it shall deem desirable to carry the Plan into effect.

Section 8. Income Tax Withholding.

The Company may take such action as it deems appropriate to withhold or collect from a Participant the applicable federal, state, local or foreign payroll, withholding, income or other taxes that are required to be withheld or collected by the Company upon the grant, exercise, vesting or payment of an Award. The Committee may require the Company to withhold Shares having a Fair Market Value equal to the amount necessary to satisfy the Company's minimum statutory withholding requirements upon the grant, exercise, vesting or payment of an Award from Shares that otherwise would have been delivered to a Participant. The Committee may, subject to any terms and conditions that the Committee may adopt, permit a Participant to elect to pay all or a portion of the minimum statutory withholding taxes by (a) having the Company withhold Shares otherwise to be delivered upon the grant, exercise, vesting or payment of an Award with a Fair Market Value equal to the amount of such taxes, (b) delivering to the Company Shares other than Shares issuable upon the grant, exercise, vesting or payment of an Award with a Fair Market Value equal to the amount of such taxes or (c) paying cash. Any such election must be made on or before the date that the amount of tax to be withheld is determined.

Section 9. General Provisions.

(a) No Rights to Awards. No Eligible Person, Participant or other Person shall have any claim to be granted any Award under the Plan, and there is no obligation for uniformity of treatment of Eligible Persons, Participants or holders or beneficiaries of Awards under the Plan. The terms and conditions of Awards need not be the same with respect to any Participant or with respect to different Participants.

(b) Award Agreements. No Participant shall have rights under an Award granted to such Participant unless and until an Award Agreement shall have been duly executed on behalf of the Company and, if requested by the Company, signed by the Participant.

Edgar Filing: FULLER H B CO - Form DEF 14A

(c) No Rights of Shareholders. Except with respect to Restricted Stock, neither a Participant nor the Participant's legal representative shall be, or have any of the rights and privileges of, a shareholder of the Company in respect of any Shares issuable upon the exercise or payment of any Award, in whole or in part, unless and until the Shares have been issued.

(d) No Limit on Other Compensation Plans or Arrangements. Nothing contained in the Plan shall prevent the Company or any Affiliate from adopting or continuing in effect other or additional compensation plans or arrangements, and such plans or arrangements may be either generally applicable or applicable only in specific cases.

B-8

(e) No Right to Employment. The grant of an Award shall not be construed as giving a Participant the right to be retained in the employ of the Company or any Affiliate, nor will it affect in any way the right of the Company or an Affiliate to terminate such employment at any time, with or without cause. In addition, the Company or an Affiliate may at any time dismiss a Participant from employment free from any liability or any claim under the Plan or any Award, unless otherwise expressly provided in the Plan or in any Award Agreement.

(f) Governing Law. The internal law, and not the law of conflicts, of the State of Minnesota shall govern all questions concerning the validity, construction and effect of the Plan and any rules and regulations relating to the Plan or any Award.

(g) Severability. If any provision of the Plan or any Award is or becomes or is deemed to be invalid, illegal or unenforceable in any jurisdiction or would disqualify the Plan or any Award under any law deemed applicable by the Committee, such provision shall be construed or deemed amended to conform to applicable laws, or if it cannot be so construed or deemed amended without, in the determination of the Committee, materially altering the purpose or intent of the Plan or the Award, such provision shall be stricken as to such jurisdiction or Award, and the remainder of the Plan or any such Award shall remain in full force and effect.

(h) No Trust or Fund Created. Neither the Plan nor any Award shall create or be construed to create a trust or separate fund of any kind or a fiduciary relationship between the Company or any Affiliate and a Participant or any other Person. To the extent that any Person acquires a right to receive payments from the Company or any Affiliate pursuant to an Award, such right shall be no greater than the right of any unsecured general creditor of the Company or any Affiliate.

(i) No Fractional Shares. No fractional Shares shall be issued or delivered pursuant to the Plan or any Award, and the Committee shall determine whether cash shall be paid in lieu of any fractional Share or whether such fractional Share and any rights thereto shall be canceled, terminated or otherwise eliminated.

(j) Headings. Headings are given to the Sections and subsections of the Plan solely as a convenience to facilitate reference. Such headings shall not be deemed in any way material or relevant to the construction or interpretation of the Plan or any provision thereof.

Section 10. Effective Date of the Plan.

The Original Plan became effective as of October 14, 1999. The Plan shall be effective as of January 27, 2006, subject to approval by the shareholders of the Company at the Annual Meeting of Shareholders of the Company to be held in 2006.

Section 11. Term of the Plan.

No Award shall be granted under the Plan after January 26, 2016, or any earlier date of discontinuation or termination established pursuant to Section 7(a) of the Plan. However, unless otherwise expressly provided in the Plan or in an applicable Award

Edgar Filing: FULLER H B CO - Form DEF 14A

Agreement, any Award theretofore granted may extend beyond such date, and the authority of the Committee provided for hereunder with respect to the Plan and any Awards, and the authority of the Board of Directors of the Company to amend the Plan, shall extend beyond that date.
