STATEMENT PURSUANT TO GENERAL INSTRUCTION E TO FORM S-8

NVIDIA Corporation has filed this registration statement to register under the Securities Act of 1933 the offer and sale of 101,845,177 shares of common stock, par value \$.001 per share, issuable pursuant to our 2007 Equity Incentive Plan. The 2007 Equity Incentive Plan was approved and adopted at our 2007 Annual Meeting of Stockholders held on June 21, 2007 and is the successor to and continuation of our 2000 Nonstatutory Equity Incentive Plan, 1998 Equity Incentive Plan, 1998 Non-Employee Directors' Stock Option Plan and the PortalPlayer, Inc. Amended and Restated 2004 Stock Incentive Plan, collectively the Prior Plans. The number of shares issuable under the 2007 Equity Incentive Plan is comprised of:

the shares remaining available for grant under the Prior Plans as of June 21, 2007;

the shares subject to outstanding options granted under the Prior Plans as of June 21, 2007; and

an additional number of shares that, when combined with the forgoing amounts, totals in the aggregate 101,845,177 shares. Shares subject to options granted under the Prior Plans that are canceled will become available for future issuance under the 2007 Equity Incentive Plan, and are registered on this registration statement. We desire to carry over to this registration statement an aggregate of 83,392,761 shares registered pursuant to the Prior Registration Statements, as defined in Note 1 above, and for which a registration fee has previously been paid.

Following the filing of this registration statement, the shares carried over from the Prior Registration Statements will no longer be available for new awards under the Prior Plans, which plans were terminated as to future grants on the date of the 2007 Annual Meeting of Stockholders.

Consequently, in accordance with the Instruction and Interpretation, as defined in Note 1 above, (1) we are carrying over from the Prior Registration Statements and registering the offer and sale of 83,392,761 shares of common stock under the 2007 Equity Incentive Plan pursuant to this registration statement; (2) \$143,704.55 of the total registration fee for the shares being registered under the 2007 Equity Incentive Plan pursuant to this registration statement is being carried over from the Prior Registration Statements; and (3) the Prior Registration Statements are being amended on a post-effective basis to reflect the transfer of an aggregate of 83,392,761 shares to this registration statement. For the avoidance of doubt, the Prior Registration Statements remain in effect, in accordance with their respective terms, as to the shares of common stock registered thereon in respect of the PortalPlayer, Inc. 1999 Stock Option Plan and the NVIDIA Corporation 1998 Employee Stock Purchase Plan, as amended.

UNDERTAKINGS

1. The undersigned registrant hereby undertakes:

(a) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement.

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

Provided, however, that paragraphs (a)(i) and (a)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the registration statement.

(b) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(d) That, for the purpose of determining liability of the registrant under the Securities Act to any purchaser in the initial distribution of the securities, the undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and

(iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

2. The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

3. Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
