SECTION 8 OTHER EVENTS

ITEM 8.01 Other Events

Crane Co., a diversified manufacturer of highly engineered industrial products, announced on December 12, 2007 that it has sold the buildings and land at its Ipswich, England facility to Borderbeach Limited, a wholly owned subsidiary of Allied Property and Leisure Limited, for \$36 million. Including estimated associated restructuring costs, Crane expects an after-tax gain of approximately \$20 million, or \$0.33 per share, in the fourth quarter.

Separately, Crane announced that it will update its previously disclosed environmental liability for the Superfund site located in Goodyear, Arizona because recent changes in the groundwater profile indicate that more extensive remediation is required. The Company initially recorded a liability in 2004 for estimated costs through 2014, after reaching agreement with the Environmental Protection Agency. At the end of September, 2007, the liability totaled \$15.4 million. It is anticipated that the Company will record a pretax charge of an amount somewhat greater than the current liability. The Company's updated remediation plan will be completed in connection with the preparation of its financial statements for 2007. For additional information on the Goodyear site and the associated liability, please see the Company's Annual Report on Form 10-K and most recent 10-Q.
