ABOUT THIS PROSPECTUS

This Prospectus relates to 511,500 Shares of the Company's Common Stock previously acquired by the Selling Stockholders under the Plan. This Prospectus does not relate to any shares of Common Stock issued under the Plan after the date of this Prospectus. The Selling Stockholders described in this Prospectus may sell the Shares until the Company terminates this offering. Most of the information about the Company that you need to know before you invest in the Shares is not included in this Prospectus, but rather is incorporated by reference into this Prospectus. You should obtain and read the information described below under the headings "Incorporation of Certain Documents by Reference" and "Where You Can Find More Information" in order to have all the important information about the Company.

THE COMPANY

The Company is one of only two global independent leaf tobacco merchants, each with substantially similar global market shares. We have broad geographic processing capabilities, a diversified product offering and an established customer base, including all of the major consumer tobacco product manufacturers. We select, purchase, process, store, pack and ship tobacco grown in more than 45 countries, serving manufacturers of cigarettes and other consumer tobacco products in more than 90 countries around the world. We process tobacco through a complex mechanized threshing and separating operation and then dry it to meet precise moisture levels in accordance with the customer's specifications. The processing of leaf tobacco facilitates shipping and prevents spoilage and is an essential service to our customers because the quality of processed leaf tobacco substantially affects the quality of the manufacturer's end product. In an increasing number of important markets, we also provide agronomy expertise for growing leaf tobacco.

The Company holds a leading position in most tobacco growing regions in the world, including the principal export markets for flue-cured, burley and oriental tobacco: the United States, Brazil, Malawi, Turkey, Argentina, India and Thailand. In addition, we process tobacco in more than 50 owned and third party facilities around the world. We sell our processed tobacco primarily to large multinational cigarette manufacturers, including Philip Morris International, Inc., Philip Morris USA, Inc., Japan Tobacco, British American Tobacco, Imperial Tobacco, R. J. Reynolds Tobacco Company, Lorillard, Eastern and others.

Table of Contents

The Company is a Virginia corporation, and our common stock has been traded on the New York Stock Exchange since 1995. Through our predecessor companies, we have a long operating history in the leaf tobacco industry and have maintained relationships with many of our major customers for more than 50 years, with some of these relationships beginning in the early 1900s. Our company was renamed Alliance One International, Inc. on May 13, 2005 concurrent with the merger (the Merger) of Standard with and into DIMON, the third largest and second largest global independent leaf tobacco merchants, respectively. Accordingly, the information contained herein regarding our fiscal year ended March 31, 2005 and for any other time prior to the completion of the merger relates only to DIMON.

RISK FACTORS

The information included and incorporated by reference in this Prospectus contains forward-looking statements, within the meaning of the federal securities laws. These statements describe the Company's plans and beliefs concerning future business conditions and the outlook for the Company based on currently available information. The Company's actual results could differ materially from those described in the forward-looking statements due to a number of risks and uncertainties. These risks and uncertainties include the risks discussed in Item 1A. Risk Factors and elsewhere in our Annual Report on Form 10-K for the fiscal year ended March 31, 2008 and in our more recent filings with the SEC which are incorporated by reference in this Prospectus. See Incorporation of Certain Documents by Reference below.

USE OF PROCEEDS

The Company will not receive any proceeds from the sale of the Shares by the Selling Stockholders.

SELLING STOCKHOLDERS

This Prospectus relates to Shares that are being registered for reoffers and resales by the Selling Stockholders, all of whom are either employees or directors of the Company who have acquired Shares pursuant to the Plan prior to the date of this Prospectus. The information in the table below sets forth, for each Selling Stockholder, based upon information available to us as of August 4, 2008, the number of shares of the Company's Common Stock beneficially owned before and after the sale of the Shares (assuming the sales of all Shares) and the percentage of the outstanding shares of the Company's Common Stock beneficially owned after the sale of the Shares.

Beneficial ownership is determined in accordance with the rules of the Commission, is based upon 88,877,000 shares of the Company's Common Stock outstanding as of July 29, 2008, and generally includes voting or investment power with respect to securities. Shares of restricted stock, whether vested or unvested, are deemed to be outstanding and to be beneficially owned by the person holding such restricted stock for the purpose of computing the percentage ownership of such person and are treated as outstanding for the purpose of computing the percentage ownership of each other person.

The table below also sets forth Number of Shares Offered which represents the maximum number of Shares that could be sold under this Prospectus by the Selling Stockholder. The amounts listed under Number of Shares Offered do not constitute commitments to sell any or all of the stated number of Shares. The actual number of Shares to be sold, if any, will be determined from time to time by each Selling Stockholder in his or her discretion. We have not been informed whether any Selling Stockholders intend to sell any Shares. The inclusion in the table of the individuals named therein shall not be deemed to be an admission that any such individuals are affiliates of the Company.

Each of the Selling Stockholders is either an employee or a member of the Board of Directors of the Company. Other than the position as an employee or director and as otherwise indicated below, none of the Selling Stockholders has held any position with the Company or its subsidiaries over the past three years.

Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

Not applicable.

Item 6. Indemnification of Directors and Officers.

The Virginia Stock Corporation Act (the "VSCA") permits, and the Company's amended and restated articles of incorporation provide for, the indemnification of the Company's directors and officers in a variety of circumstances, which may include indemnification for liabilities under the Securities Act. Under sections 13.1-697 and 13.1-702 of the VSCA, a Virginia corporation generally is authorized to indemnify its directors and officers in civil and criminal actions if they acted in good faith and believed their conduct to be in the best interests of the corporation and, in the case of criminal actions, had no reasonable cause to believe that the conduct was unlawful. The Company's amended and restated articles of incorporation require indemnification of directors and officers with respect to certain liabilities and expenses imposed upon them by reason of having been a director or officer, except in the case of willful misconduct or a knowing violation of criminal law. The Company has obtained insurance on behalf of its directors, officers, employees or agents that may cover liabilities under the Securities Act. In addition, the VSCA and the Company's amended and restated articles of incorporation eliminate the liability for monetary damages of a director or officer in a shareholder or derivative proceeding. This elimination of liability will not apply in the event of willful misconduct or a knowing violation of criminal law or any federal or state securities law. Sections 13.1-692.1 and 13.1-696 through 704 of the VSCA are incorporated into this paragraph by reference.

Item 9. Undertakings

(a) The undersigned registrant hereby undertakes:

1. To file, during any period in which offers or sales are made, a post-effective amendment to this registration statement;

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change in such information in the registration statement;

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the registration statement.

2. That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

3. To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the provisions described under Item 6 above, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act, and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the

Securities Act and will be governed by the final adjudication of such issue.
